GOLDEN GATE KITCHEN TREASURES

COPIED FROM GOLDEN GATE WOMEN'S CLUB RECIPE BOOK

UNCOOKED CHILE SAUCE

½ peck tomatoes, ripe
6 med. Onions
1 head celery

1 lg. sweet pepper
2 or 3 hot peppers, red

Chop all together. Over the chopped: sprinkle ½ cup salt. Let stand overnight and drain well.

Add to 1 cup cider vinegar 1 teaspoon of these: black pepper, cloves, ginger, and cinnamon, allspice if you want. Then put this on the stove, Boil for 5 minutes, then can or put in refrigerator.

Jeanette Chapman

If you have a recipe to submit, request or suggest please send to ggfldirect@gmail.com.

KEEP YOUR COOL WHILE COOKING

When you can't stand the summer heat, stay out of the kitchen- or at least make meal prep as easy as possible. Here's how:

Limit oven use. As the oven preheats, the kitchen warms up too, and it takes a while to cool down afterward. Choose recipes that don't require an oven. When you do turn it on, take advantage of the hot oven and cook double batches, as well as foods you can use for multiple meals, such as baked potatoes or chicken.

Put tabletop appliances to work. A microwave, toaster oven, slow cooker and multicooker all use less energy than an oven or stovetop, and foods will still come out tasting great Bonus: There's often less cleanup involved with these options!

Take shortcuts. You can let someone do the cooking for you and still have a partially homemade meal. For example, a rotisserie chicken can be used for several recipes or served with a simple side dish.

Chill out. When possible, opt for cold no-cook foods such as sandwiches and wraps, green salads and pasta salads, healthy dips, cold soups and smoothies.

Eat in season. Take advantage of the peak growing season and plan meals around fresh produce. A snack board featuring raw fruits and veggies is easy to throw together.

JUST A THOUGHT....

“Sometimes you might feel like no one's there for you, but you know who's always there for you?

Laundry!!! Laundry will always be there for you.”

RULE OF THE MONTH

XIX. Security

1. The clubhouse is not a designated storm shelter. Residents should seek shelter in buildings provided by local government and announced on local radio and television stations. These stations can be changed from time to time. All residents should acquaint themselves as to the “evacuating roads” posted on roads and highways.

PLEASE BE AWARE

In the wake of recent incidents here in Golden Gate, please know that information needs to be reported to the police immediately by calling 727-369-7864. The Pinellas Park Police department is a value-based, policing organization that is committed to preventing crime. You as a resident, need to take the responsibility of notifying the Police of your concern immediately, with as much information as possible. Please do not approach, confront or follow someone you don’t know. Give all information to the Police, they are the ones who have been trained to carry out the duty of protecting us.

Please also notify the office with information so that the cameras can be checked and any recordings can be submitted.

RHYME AND REASON...

BRAIN WASHED

By Donna Olander

Regrets and rules, imagined plots, whirl within my mind
And steal away the spark of peace I’d fought so hard to find.

I wish there were a car wash to fit inside my head
So I could wash away the day before I go to bed.

To lather up the “shoulda-been’s” and rinse them down the drain.
To scrape away the “woe-is-me’s” stuck inside my brain.

To let me sleep the sleep of babes, the slumber of a child.
To be at peace, not just a rest, my soul for once, unriled.

SCAM

consumer.ftc.gov

ALERT

Grandparent and Family Scams

Here's how they work:

You get a call: "Grandma, I need money for bail." Or maybe an email from someone claiming to be your brother or a friend who says they're in trouble. They need money for a medical bill. Or some other kind of emergency. The caller says it's urgent — and tells you to **keep it a secret.**

But is the caller who you think it is? Scammers are good at pretending to be someone they're not. They can be convincing: **sometimes using information from social networking sites**, or hacking into your loved one's email account, all to make it seem more real. And they'll pressure you to send money before you have time to think.

Here's what to do:

1. **Stop.** Check it out. Look up your family member's phone number yourself and **call another family member** to check out the story.
2. **Pass this information on to a friend.** You may not have gotten one of these calls, but chances are, you know someone who will get one — if they haven't already.

SHUFFLEBOARD CLUB UPDATE

Good news for Shuffleboard fans - there's even more FUN to be had. By popular demand Charleen Socha has added Wednesday evening Horsecollar at 6 pm. Arrive early and bring your 50 cents.

Summer Horsecollar will continue at 9 am on Tuesday and Saturday.

For the month of September, our friends at MAINLANDS UNIT 5 will continue to welcome us for Monday practice sessions at 9 am. This is an ideal opportunity for practice on another surface especially for players intending to play on the travel teams. In addition, Mainland's will continue to host Horsecollar Thursdays at 9 am. Meet at our courts by 8:45 if you require a ride over.

So, there's still plenty of shuffleboard FUN going on. By October, when many snowbirds return, watch out for revised info and schedules including our monthly Shuffleboard Club meetings.

Many thanks to Charleen for her efforts at keeping the interest & FUN alive during the summer. Very much appreciated.

Enjoy, stay safe & healthy!

SCAM ALERT

facebook.com/help

Tips for Avoiding Facebook Scams

- 1. Secure your Facebook account with a strong password and two-factor authentication**
Avoid including your name, phone number, email address or common words. Don't reuse your Facebook password on other services online, and never share your password with others.
- 2. Don't accept friend requests from people you don't know**
Scammers may create fake accounts in an attempt to friend and manipulate people.
- 3. Watch out for suspicious links and malicious software**
Be careful not to click on suspicious links, open suspicious files or install malicious apps or browser extensions—even if they appear to come from a friend or a company you know.

Manufactured Home Tie Down and Anchoring

Tie-downs anchor the home to the ground providing stability and protection against severe weather events.

Lic# IH/1149363

Tie-downs are important for the safety of manufactured homes, also known as mobile homes, because they stabilize the home during high winds. Strong winds can lift them up or cause them to roll over in a tornado or hurricane.

At United vapor barrier & floors we follow all of the 15C Florida regulations to provide safety and security to your home!

A dream come true

A young woman once dreamed about becoming a renowned writer. She fantasized about writing things that the whole world would read and react to passionately, things that would evoke strong emotion — making people scream, cry, or howl with feeling. She now works for a software company — writing error messages.

The price of adding value

There was once a poor shoemaker whose shop was next to a fine restaurant. Every day the shoemaker would take his lunch of rice and beans out to the back of his shop, where he took great pleasure in the exquisite aromas emanating from the restaurant kitchen next door.

One day the shoemaker received an invoice from the restaurant for his lunches, and he went to speak to the manager about it.

The manager said, “You are enjoying my food while you eat, so you should pay for it!”

The shoemaker refused to pay and the restaurant sued him. The judge asked the restaurant manager for his side of the story at the hearing.

The manager said, “Every day, this shoemaker sits near our kitchen and smells our food while he eats his lunch. We are adding value to his simple meal, and we should be paid for it.”

The judge then asked the shoemaker for his side of the story.

The shoemaker said nothing, but stuck his hand in his pocket and rattled around the change he had inside.

“What is the meaning of that?” asked the judge.

The shoemaker answered, “I’m paying for the smell of his food with the sound of my money.”

SCAM ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**

Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.
