PRESIDENT'S CORNER

Submitted by Jan McCoy

PLEASE VOTE! Yes, our country’s elections are right around the corner, but I am referring to the Proxy Ballot mailed to your home of record. As you are aware, we were required to change the way we obtain approval to make changes to common area elements in the park from a consent form approach to a vote process instead. We received a great response from our initial campaign, and we hope to experience the same with this follow-on effort. It matters not how often one stumbles or gets knocked down, what matters is how we choose to respond and we’re not giving up on improving our park.

Mark your calendars for a Meeting of the Membership to be held on Tuesday, September 24, 2024 at 10:00 AM in the Clubhouse where we will tally your votes on two proposed, Board-approved projects:

- 1) Upgrade of the Shuffle Court by enclosing the 4th side of the structure and,
- 2) Installation of a Gate and Fencing at the Wal-Mart entrance to the park.

Remember, a quorum of attendance is required either in person or via signed Proxy. Please contact the office with any questions you may have or reach out to a board member for assistance. **A change in common area elements requires over 66% approval by our members. Please do your part and vote. We need you!**

Sincerely,
Janet McCoy

MANAGER'S CORNER

Submitted by Marilyn Corazza

MANAGER

It has been so hot this summer and we are grateful to once again have the availability of the pool after a work-related closure due to the clubhouse roof replacement project. I am happy to share our maintenance staff took advantage of the closure and accomplished a deep cleaning of furniture and some painting. The pool area looks totally refreshed. Thank you, Ron and Brian!

The pool rules are copied below as a reminder that the pool area opens at 8:00 A.M. Allowance for staff daily pool maintenance is a requirement and should not be interfered with. Please do not prop open the gate or facilitate access to anyone you do not know without a FOB and thank you in advance for your kind and courteous treatment of all who are there to share the amenities. We ask the pool exercise class participants to honor the free-swim timeframe and vice versa; that the free swimmers make way for the participants attending the exercise class during their scheduled class time. If we all choose to show respect, there should be no issues.

XV. SWIMMING POOL AND JACUZZI

1. There is no lifeguard on duty. The use of the pool and Jacuzzi is at your own risk. Rules are posted at the pool and the Jacuzzi. No one under the age of eighteen (18) is permitted on the pool deck, in the pool, or in the Jacuzzi without adult supervision. No air mattresses or floating chairs are permitted. Only "noodle" foam floats or waist-belts are permitted. No articles of clothing or towels may be hung on the fence or gates surrounding the pool.
2. **Pool Hours. The Pool is open from 8:00 A.M. to 11:00 P.M. Sunday through Saturday.** The Park reserves the right to close the pool due to equipment failure or servicing of equipment or for safety reasons without notice. Adult-only hours are from 1:00 P.M. to 4:00 P.M. and 7:00 P.M. to 8:00 P.M. No one under the age of Eighteen (18) is allowed in the pool area during adult hours.
3. Daytime guests/visitors are permitted; however, they are limited to two (2) visits per week. Daytime guests **MUST** sign in at the Park Office.
4. No alcoholic beverages are allowed in the pool area. Non-alcoholic drinks are allowed in cans or plastic containers. Glass containers of any kind are **NOT** permitted.
5. Smoking and vaping are not allowed in the pool area.

Happy September to all! Thank you for your support!

THOUGHT FOR THE MONTH

Submitted by Pastor Nelson Blount

Have you ever thought of someone washing someone else's feet? Not so much in our history and culture. However, a couple thousand years ago it was commonplace to invite people to your home and you would sit for some hot beverage and before anything after entering the abode the man of the house or his servant would get a towel and a basin of water and would wash the feet of the guests.

I washed someone's feet only a few times. I washed our doggies' feet after coming in after a rain or snow and that ground was muddy! LOL I have washed our son's feet because he was born in Kentucky and loved going shoeless! Most recently and it was a couple decades ago, the last time I washed someone's feet it was a man I highly respected who was such a servant to not only his family but to everyone he knew. I asked if I may, and he agreed. What is such an identifying characteristic of his dry humor, he did not tell me that he was toe-less. He was mowing on their hill outside their home many years before, slipped and his foot went under the mower cutting off his big toe. Of course, you can possibly imagine my surprise when he removed his sock, and I saw a foot with four toes and no big toe! I was honored to complete the job. We laughed along with family and a few friends.

The act of washing someone's feet is highly significant to one who serves. As I said, we don't wash feet in our culture but there was a time in history and in middle eastern culture where this was an extraordinary act of humility and service.

This month as I've been thinking about our Sunset Palms and the proximity of all who live here, I've thought of what it means to serve our neighbors. Of course, we have an aging community even though many purchased homes in their fifties and now they are in their 80s. There are those who like us who arrived after retirement and already it's been four years. Time is like a toilet paper roll - begins to spin faster it seems the older we get.

Our world, our culture celebrates power and success. We are not so in tune with humility and serving. But what might change if leaders served? What might happen if everyone cultivated this quality?

I'm not perfect and you might agree that neither are you. However, if we all leaned into a spirit of serving, could we criticize less, gossip less, celebrate one another more and discover joy unspeakable and a contagious spirit of kindness. Just a thought! What if our passion, our ambition became serving, and we were less driven by power over people?

Your non-religious resident pastor, Nelson Blount

Sunset Palms Website

The website at Sunset Palms is a great tool to use. The website is generally open to use without a login. You can download forms, access the calendar, read the newsletter, and find phone numbers of your neighbors. The site also has links to various local attractions and the city and county websites.

The only time you need to login is to:

1. Access the resident database
2. Access the Board of Director minutes with supporting documents, committee reports and other reports of the park
3. Request to reserve the use of the Clubhouse for an event

The following list is a recap of the main areas of the website. We recommend that you take some time and investigate what is on the site.

SCAM

consumer.ftc.gov

ALERT

Grandparent and Family Scams

Here's how they work:

You get a call: "Grandma, I need money for bail." Or maybe an email from someone claiming to be your brother or a friend who says they're in trouble. They need money for a medical bill. Or some other kind of emergency. The caller says it's urgent — and tells you to **keep it a secret.**

But is the caller who you think it is? Scammers are good at pretending to be someone they're not. They can be convincing: **sometimes using information from social networking sites**, or hacking into your loved one's email account, all to make it seem more real. And they'll pressure you to send money before you have time to think.

Here's what to do:

1. **Stop.** Check it out. Look up your family member's phone number yourself and **call another family member** to check out the story.
2. **Pass this information on to a friend.** You may not have gotten one of these calls, but chances are, you know someone who will get one — if they haven't already.

SHADOWS

Submitted by Palph Payne

The sunny days soon will bring
An afternoon sun to warm the core
As the day hangs on to the warm rays
Before the hint of murk starts its prey

The red oak's lanky shadows emerge
A waving silhouette on the cool grass
Shadows stretch out, darkening the green
Further than an hour before, out towards the stream

The heat, intense sun in the mid afternoon
Layback, waiting for relief to come
As unveiling shadows below the feet
At last the soil begins to lose its heat

Shadows appear, as do shadows go
Midday with no clouds to show
Sometimes cold and grey do come
But Shadows would not appear without the sun

Lift Station Monthly Reminder - IMPORTANT

Submitted from the Office

F LUSH ONLY: Body waste and toilet paper.
It is highly recommended that only ONE-PLY toilet paper be used to prevent clogging the toilet.

DO NOT FLUSH:

- | | |
|------------------|----------------------------------|
| ➤ Tampons | ➤ Dust Cloths |
| ➤ Sanitary pads | ➤ Wet Wipes |
| ➤ Diapers | ➤ Kleenex |
| ➤ Depends | ➤ Food, etc. |
| ➤ Swiffer Cloths | ➤ When in doubt, DON'T FLUSH IT! |

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.

TRAVEL CORNER

Submitted by Kim Paquette

THE BENEFITS OF BOOKING A CRUISE WITH SUNSET PALMS OVER A YEAR IN ADVANCE

Planning a vacation is an exciting endeavor, especially when it's a cruise with Sunset Palms, known for offering some of the most luxurious and memorable experiences on the high seas. While the idea of booking a cruise far in advance may seem premature to some, doing so comes with a host of benefits that can make your trip smoother, more enjoyable, and even more economical. Here's why you should consider securing your spot on a Sunset Palms cruise more than a year ahead of time.

1. Fully Refundable Deposits Until Final Payment Date

One of the most compelling reasons to book your Sunset Palms cruise early is the peace of mind that comes with a fully refundable deposit. Life can be unpredictable, and plans may need to change. By booking in advance, you lock in your spot on your dream cruise without the stress of losing your deposit if something comes up. You have until the final payment date to make your decision, giving you the flexibility to adjust your plans if needed.

2. Easier Budgeting with Monthly Installments

Cruises can be a significant investment, but Sunset Palms makes it easier to manage the cost by offering monthly installment plans. Instead of facing a large lump sum payment close to your departure date, you can spread the cost over several months. These installments are also fully refundable until the final payment date, giving you another layer of financial security. This approach not only makes budgeting more manageable but also allows you to plan other aspects of your trip, like excursions or pre-cruise activities, without the burden of a hefty final payment.

3. Ample Time to Plan with Others

Booking more than a year in advance gives you plenty of time to coordinate with friends and family, especially if you're celebrating a milestone event like a birthday, anniversary, or retirement. The extended timeline allows you to invite others and give them the opportunity to join the celebration without the pressure of last-minute planning. Whether you're planning a romantic getaway for two or a large group trip, having extra time to organize everyone's schedules and preferences ensures a smoother and more enjoyable experience for all.

4. Greater Availability and Better Choices

The earlier you book, the better your chances of securing your preferred cabin, dining times, and special amenities. Sunset Palms cruises are popular, and certain options may sell out quickly. By booking well in advance, you have the first pick of everything from the best staterooms to the most coveted dining reservations. This early selection process can greatly enhance your overall cruise experience, allowing you to customize your trip exactly how you envision it.

5. Lock in the Best Rates

Cruise prices can fluctuate based on demand, and booking early often means you can take advantage of lower rates before prices increase. Additionally, if a better promotion or discount becomes available after you've booked, Sunset Palms typically offers price protection, allowing you to adjust your booking to the new lower rate. This ensures that you're getting the best possible deal without the risk of paying closer to your departure date.

6. Time to Research and Prepare

With more than a year before your cruise, you have ample time to research destinations, plan shore excursions, and prepare for your trip. Whether it's learning about the cultures you'll encounter, figuring out the best local attractions, or simply getting excited about the journey ahead, this extra time allows you to fully immerse yourself in the anticipation of your adventure.

7. Exclusive Perks and Promotions

Sunset Palms cruise groups are often rewarding early bookers with exclusive perks and promotions that may not be available closer to the departure date. These can include onboard credits, complimentary upgrades, or special packages that enhance your cruise experience. By booking early, you position yourself to take advantage of these offers, adding even more value to your vacation.

Conclusion

Booking a cruise with Sunset Palms Travel Committee more than a year in advance is a smart move that comes with numerous advantages. From fully refundable deposits and manageable monthly payments to ample time for planning and securing the best rates, early booking ensures that your cruise experience is as seamless and enjoyable as possible. So why wait? Start planning your dream cruise today and look forward to an unforgettable journey with Sunset Palms. Groups are open to all family and friends, including multi-generational.

Efficient Travel Planning

Traveling from North to South in late October to early November can streamline your itinerary. Heading to Hawaii before settling into Florida for the winter offers a seamless transition between two warm climates, helping you avoid peak travel crowds while enjoying optimal weather and seasonal attractions. Flights from Hawaii to Tampa can facilitate an immediate start to the snowbird season.

Alternatively, traveling to Hawaii from Florida in mid-March to early April provides a refreshing break before heading north for the summer. This timing allows you to escape the intense Florida heat, enjoy ideal weather, and explore a unique destination. The journey ensures a smooth transition between climates, contributing to a more comfortable and fulfilling travel experience. Consider flying directly from Hawaii to your northern home for added convenience.

Overall, spring and fall are often considered the best times to visit Hawaii for a balanced experience of good weather, fewer crowds, and reasonable prices.
