THE FUTURE OF THE GANDY BRIDGE

The Florida Department of Transportation District 7 office is exploring a \$761.48 million plan to rebuild Gandy Boulevard and its connected street grid, with the promise of reducing congestion and improving trail connections.

Gandy currently functions as a four-lane divided roadway with multiple bridges, linking Pinellas and Hillsborough counties, and is part of Florida’s high-priority transportation network and serves as a designated hurricane evacuation route.

The district office is proposing to widen the westbound bridge to three lanes on both sides, while the older eastbound bridge would be demolished and rebuilt. The plans for the new eastbound bridge replacement and widened westbound bridge.

County leaders have presented the project materials to the board as the District 7 office is conducting a project development and environment (PDE) study for the Gandy Boulevard project, which encompasses a total of 7 miles from 4th Street on the west side in Pinellas County to West Shore Boulevard in Hillsborough County. The study first surfaced in 2019 and officially kicked off in February 2020; however, the Covid-19 pandemic caused delays. The study includes a loop trail connected underneath the bridges. A separate overpass at Brighton Bay Boulevard may also be evaluated, according to project documents.

The study is focused on these three main segments:

The existing lanes and conditions for the three segments.

The Pinellas segment: The 3.6-mile segment consists of two lanes in each direction from 4th Street to the west of Gandy Boulevard. There’s a multi-use trail on the north side.

The Bay segment: The 2.6-mile segment runs from Gandy Boulevard over Ta Bay. The segment consists of two bridges with two lanes in each direction.

The Hillsborough segment: The 1-mile segment runs from the east of Gandy Boulevard to West Shore Boulevard in Hillsborough County. This segment has two lanes in each direction and includes the Lee Roy Selmon Expressway, which is managed by the Ta Hillsborough Expressway Authority (THEA). The project aligns with Forward Pinellas’ Active Transportation Plan, which calls for new bike lanes and a trail from 4th Street to the west of San Martin Boulevard, as well as connections to the Pinellas Trail Loop from 28th Street to San Martin Boulevard. Another trail would be built on the Hillsborough County side of the bridge. The total cost of the project includes \$41.94 million for acquiring the right-of-way, \$598.57 for the construction, \$59.86 million for engineering and \$1.25 million for wetland mitigation. FDOT has not secured funding for the construction or the ROW acquisition, which entails purchasing 12 acres of land that could result in the relocation of several businesses.

However, the “no-build” or “no action” alternative remains a viable option throughout the PDE study, meaning the proposed project could potentially not come to fruition.

Did You Know?

Halloween used to be called All Hallows' Eve. All Hallow's Day, also known as All Saints day, was a Christian festival. It was a day to remember the dead, especially saints. This is where Halloween came from - it was originally All Hallows' Eve (the day before All Hallow's Day). This then turned into Hallowe'en and is now just known as Halloween.

SCAM ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**

Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.

Parking/Towing

Due to so many Questions and Request Gateway Management is releasing the following statement about the Parking/Towing issue at Gateway Mobile Home Park.

The management office has made several attempts since Feb 2018 to get parking in unauthorized spaces under control (Laundry, office, GRASS Street) with no response from residents. So with that being said, several meetings have taken place with upper management and HOA. After several negotiations and deliberations this is what we came up with.

1. No Parking in Grass at any time (water lines)
2. No Parking on street after 11pm (No Exceptions)
3. No parking in undesignated spaces (Laundry, office, empty pads)
4. Overnight parking allowed at office Laundry (in ONP spaces with Parking Pass during the week) (must be dated notarized)
5. Overnight Parking allowed at office laundry (in ONP spaces WITHOUT parking pass over the weekend only)
6. There are 12 ONP Parking spaces (First come, First serve basis)
(American Tow Force- Towing Company (727)244-2160)

ALERT

Grandparent and Family Scams

Here's how they work:

You get a call: "Grandma, I need money for bail." Or maybe an email from someone claiming to be your brother or a friend who says they're in trouble. They need money for a medical bill. Or some other kind of emergency. The caller says it's urgent — and tells you to **keep it a secret.**

But is the caller who you think it is? Scammers are good at pretending to be someone they're not. They can be convincing: **sometimes using information from social networking sites**, or hacking into your loved one's email account, all to make it seem more real. And they'll pressure you to send money before you have time to think.

Here's what to do:

1. **Stop.** Check it out. Look up your family member's phone number yourself and **call another family member** to check out the story.
2. **Pass this information on to a friend.** You may not have gotten one of these calls, but chances are, you know someone who will get one — if they haven't already.

Tips for Avoiding Facebook Scams

1. Secure your Facebook account with a strong password and two-factor authentication

Avoid including your name, phone number, email address or common words. Don't reuse your Facebook password on other services online, and never share your password with others.

2. Don't accept friend requests from people you don't know

Scammers may create fake accounts in an attempt to friend and manipulate people.

3. Watch out for suspicious links and malicious software

Be careful not to click on suspicious links, open suspicious files or install malicious apps or browser extensions—even if they appear to come from a friend or a company you know.

GATEWAY PARK SECURITY

Our Gateway Manufactured Home Park is regularly patrolled by the Pinellas County Sheriff's Department. Siena Bay Apartments to our west is in the City of Saint Petersburg as is Itopia to our east and West Colony Apartments to the north. We are actually a Pinellas County Island surrounded by City of Saint Petersburg neighborhoods.

So, for purposes of PARK SECURITY:
If you see something - say something.
