Ralph Cornelius Obituary

Ralph Cornelius, born December 20, 1942, in Cleveland Ohio, to Reverend Roy and Mary Cornelius, passed away peacefully on Saturday, August 24, 2024 surrounded by his loving family.

Ralph was a devoted husband to his beloved wife, Pat Cornelius (Young), with whom he shared a lifetime of cherished memories. Together, they built a family filled with love and laughter. He is survived by his children Becky Russo (Cornelius) and Tim Cornelius, who will forever hold him in their hearts. A proud grandfather and great grandfather, Ralph leaves behind his grandchildren and great grandchildren: Jessica, Katie, Sara, and Dominic, who brought him endless joy.

Ralph cared deeply for his siblings: Reverend Fred (Mary) Cornelius, Wilma Ball, Mildred Rineair, Reverend David (Loretta) Cornelius and Ruth (Ron) Hunt. He also held a special place in his heart for his many nieces and nephews.

Ralph lived a life rich in experiences and connections. He never met a stranger, always ready with a warm smile and a kind word. His love for life was evident in his many hobbies, from traveling--especially enjoying time in Florida with his wife--to his passion for music and riding their three-wheel bikes. Ralph found great pleasure in spending time with his family and friends, creating memories that will be treasured forever. Ralph's life was a testament to the power of love, friendship and the joy of simple pleasures. He will be deeply missed by all who knew him, but his legacy of kindness and warmth will continue to inspire those who were fortunate enough to know him.

Friends are invited to attend a memorial visitation gathering at Williams Corner Church of God, 6162 State Route 132 Goshen, Ohio 45122. Friday September 6, 2024, 5pm – 7pm. A Service Celebrating Ralph's Life will take place at the church Saturday September 7, 2024, at 11:00am.

In loving memory

SCAM

ALERT

Romance Scams

www.fbi.gov/how-we-can-help-you/scams-and-safety/common-scams-and-crimes

Romance scams occur when a criminal adopts a fake online identity to gain a victim's affection and trust. The scammer then uses the illusion of a romantic or close relationship to manipulate and/or steal from the victim.

The scammer's intention is to establish a relationship as quickly as possible, endear himself to the victim, and gain trust. Scammers may propose marriage and make plans to meet in person, but that will never happen. Eventually, they will ask for money.

If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

Tips for Avoiding Romance Scams:

- **Be careful what you post** and make public online. Scammers can use details shared on social media and dating sites to better understand and target you.
- **Research the person's photo and profile** using online searches to see if the **image, name, or details have been used elsewhere.**
- Go slowly and ask lots of questions.
- Beware if the individual **seems too perfect** or quickly asks you to leave a dating service or social media site to communicate directly.
- Beware if the individual attempts to isolate you from friends and family or requests inappropriate photos or financial information that could later be used to extort you.
- Beware if the individual **promises to meet in person** but then **always comes up with an excuse why he or she can't.** If you haven't met the person after a few months, for whatever reason, you have good reason to be suspicious.
- **Never send money to anyone you have only communicated with online or by phone.**

Did You Know?

Halloween used to be called All Hallows' Eve. All Hallow's Day, also known as All Saints day, was a Christian festival. It was a day to remember the dead, especially saints. This is where Halloween came from - it was originally All Hallows' Eve (the day before All Hallow's Day). This then turned into Hallowe'en and is now just known as Halloween.

Manufactured Home Tie Down and Anchoring

**Tie-downs anchor the home to the ground providing stability
and protection against severe weather events.**

Lic# IH/1149363

Tie-downs are important for the safety of manufactured homes, also known as mobile homes, because they stabilize the home during high winds. Strong winds can lift them up or cause them to roll over in a tornado or hurricane.

At United vapor barrier & floors we follow all of the 15C Florida regulations to provide safety and security to your home!

SCAM

ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**

Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.

Example of a Family Emergency Scam Call

Hi Grandpa, it's me.

Sebastian? Is that you?

Yes, it's me, Sebastian. Grandpa, I'm in trouble, and I need money for bail.

What happened?

Please don't tell Mom or Dad. I'll get in so much trouble.

Please help me!

Tips for Avoiding Facebook Scams

1. **Secure your Facebook account with a strong password and two-factor authentication**

Avoid including your name, phone number, email address or common words. Don't reuse your Facebook password on other services online, and never share your password with others.

2. **Don't accept friend requests from people you don't know**

Scammers may create fake accounts in an attempt to friend and manipulate people.

3. **Watch out for suspicious links and malicious software**

Be careful not to click on suspicious links, open suspicious files or install malicious apps or browser extensions—even if they appear to come from a friend or a company you know.
