Monthly Activity Report: August 2024

To: Lake Seminole Resort Residents From: LSR Board

Dear Fellow Residents: 9/9/2024

Hurricane Season: LSR avoided another tropical storm in August. Some damage was noted in the park due to high winds in the early August storm. One “over” roof was blown off and caused some minor damage to nearby homes. As the hurricane season comes into full effect, please have an evacuation plan ready. Remember to sign in and out of the park so we know who is in residence.

Surge Protector: After the hall electrical issues last year, the Board installed surge protectors in several circuits. During the storm in August, the surge protector worked and saved a recurrence of the hall damage experienced last year.

Lawn Mowing: The Largo area has been experiencing large amounts of rain. The total rain fall through August is about 20 inches over the total projected for the entire year. This has caused the grass to grow and the delay in the grass cutting. Please be patient. There is nothing the Board can do to halt the rain.

Water Usage: Water usage is up in August. A leak was found and repaired behind the hall. Usage was 340,000 gallons in August as opposed to the average of just under 300,000 gallons in the past. If anyone notices a leak, please notify the Board. Water has been draining from under some homes. This is due to the heavy rain and not leaks. However, please keep an eye on excess water flow from around pipes. It is strongly recommended that all residents have a vapor barrier under their homes to prevent water damage and “critters” from the homes.

Electric Use: The electric use was higher this year than last year but due to rate changes and action by the Board, the electric bill was about \$2000 less than previous years for August.

Financial: The financial reports for August will be posted in the hall.

Best Regards,
Steve Schaefer
President

THANKSGIVING DAY IN CANADA – MONDAY, OCTOBER 14, 2024

Canadian Thanksgiving happens a full month and a half before American Thanksgiving, on the second Monday in October. Today, Canadian Thanksgiving Day lines up with Columbus Day and Indigenous People’s Day in the United States. The tradition of Thanksgiving originated as a harvest festival. Thanksgiving is now seen as a time to gather the family, mark the start of autumn, and celebrate the harvest and good food of the season. Like the American Thanksgiving, professional football is part of the Thanksgiving tradition in Canada. Each year, the annual Thanksgiving Day Classic Doubleheader is broadcast nationwide, wherein four teams from the Canadian Football League play for Thanksgiving glory. In Canada there’s no real post-Thanksgiving

shopping craze, since Christmas is still so far off. However, in recent years, Canadian stores have started participating in November’s Black Friday and Cyber Monday. So, have a safe and happy Thanksgiving Day and enjoy those roast turkey leftovers for the rest of that week.

FIRST FRIDAY EVENTS IN SEMINOLE

Mark your calendars for some free fun and live music at the ‘First Friday Concert Series’, held each First Friday of the month in nearby Seminole. The bands are set up in front of the Studio Movie Grill at Seminole City Center’s main street. This is also right in front of the Irish 31 Pub House and Eatery. If you want to use GPS to get there just enter 11201 Park Blvd. Seminole, FL. There is plenty of free parking in the nearby lots, and you will want to bring along a folding chair to sit and enjoy the show. Coolers are not allowed, and no outside food or beverage is permitted. There are some food and drink tents, and you can buy food and drinks at the nearby bars and restaurants. They sell raffle tickets for \$5.00 each with prizes including concert tickets, sporting event tickets, gift cards for Seminole City Center stores and restaurants, and gift baskets worth \$300.00 each. The raffle proceeds benefits Children in Foster Care in Pinellas County, Rotary Charities, the Irish 31 iCare Foundation, and the Cheers to Public Service Initiative. Have fun if you go, and save the dates for the next two upcoming shows:

Friday, October 4, 2024 – 5:00 PM till 7:00 PM
Peace of Woodstock Band – This band pays tribute to the famous three-day festival of Peace, Love, and Fun in upstate New York.

Friday, November 1, 2024 – 6:00 PM till 9:00 PM
NightBird – The ultimate tribute to Stevie Nicks

K-Luv & The United Funk Foundation performed at the First Friday Concert that took place on September 6th.

LAKE SEMINOLE RESORT BOOK CLUB UPDATE

Sherry Brown provided an update on the LSR Book Club, which will be starting up again when the majority of the group gets to Florida. This usually happens at the end of November, or the beginning of December. The date, time, and place for the first meeting will be announced in the November Bulletin, and it will also be communicated at Monday Morning Coffee. Sherry advised that she has read some great books this summer and she recommends ‘Salt to the Sea’ by Ruta Sepetys, ‘The Pecan Man’ by Cassie Dandridge Selleck, ‘Saving Emma’ by Allen Eskens, and ‘The Rent Collector’ by Camron Wright. Happy reading!

You will only pay \$20 for a fun day and your lunch. Our tables are limited, so please get your name in first.

I had the names of 50 people that have attended from LSR in past years, sad to say we have lost a few, and got new ones as well. Looking so forward to this day, and forgot to say, don't forget to bring some extra cash for all the beautiful baskets for our raffle, plus a 50-50. For more information contact Alice Jarvis (LSR 2024 Phone Book for contact information).

SOCIAL COMMITTEE HAS SEVERAL EVENTS IN THE WORKS

Here is a quick overview of what's 'in the works' for next season at Lake Seminole Resort. I'm happy to report that Bingo will be back on Monday evenings. Mar. 22 - Pool Party - rain date is the 23rd

We certainly have lots to look forward to in the coming year. More details on all of these events will follow in future newsletters as well as some events that are still being planned. Thanks, in advance, to the Social Committee and all of the many volunteers who make these events possible.

LSR VOLUNTEERISM

LSR was founded on the premise that the residents would actively participate in volunteer efforts to maintain the park. Many of the volunteer opportunities have been discussed in open forums. We still need more volunteers to keep the park beautiful, neat, tidy, and operating to all the residents' expectations! A great way to meet new friends, find a new hobby, and an added benefit, you can work around your schedule! No stopping you from "Tee" time or pickleball! Come join us!

Beautification: Alice Jarvis maintains the park plants. She also does planting and mulching! A great way to get a little fresh air and one of the best forms of exercise there is. Go ask Alice! I think she knows!

Laundry: Keep the laundry area clean and dispose of non-laundry items left in the laundry room.

Clean Boardwalk and Shuffleboard: This is usually headed by Sherry Smith in season. Judy Flynn will coordinate off season if needed.

Refill the Coke Machine: Call Ron Markham to volunteer.

Bingo: See Jane Salituri to volunteer

Help with signage in the park: Sharon and Jerry Abbotts cover this, but from time to time, help is needed with the board in front of the hall

Spray sidewalk weeds: Lori Henry is now doing this. She could use some help.

Work the flea market: Contact the Social Committee or Sherry Brown, Flea Market Coordinator.

Dispose of Chemicals and Large Waste: This requires access to a large vehicle, a truck or SUV, to take items to Pinellas County Dump. Call Judy Flynn or Bill Smith to coordinate volunteers.

Lock up the park at night: The board now locks up each night. More Trusted Residents could ease this burden placed on the board. Call Judy Flynn to coordinate volunteers.

Can Recycling: Take crushed cans to the Pinellas County Dump: Call Judy Flynn or Bill Smith to coordinate volunteers. Earl Archie is involved with can-crushing. You can also reach out to him.

Hold Instructional Seminars: If you have a unique skill that others in the park could make use of, please consider teaching others. This might include instructing residents how to access emails or writing texts.

ATTENTION PET OWNERS

All pets, new and existing, young and old, must be registered with the office and all vaccination records documented. Please ensure that you keep your pet's documentation updated annually. Friendly reminder - all pets must be leashed when outside the home. This is not just a park rule, but also a county law.

CAN CRUSHING

Please crush aluminum cans and place them in the crushed aluminum can barrel located outside the laundry near the dumpster. The crushed cans are taken to the salvage yard and turned into money for the Social Committee to help to pay for events in the park. There is also a can crusher in the pavilion. Please do not put garbage, glass, tin, paper, or plastic in the crushed can barrel. This is for crushed aluminum cans only. Thanks for your help and cooperation.

PINELLAS COUNTY EMERGENCY NOTIFICATIONS

Hurricane Debbie moved up the gulf coast in early August and brought high winds and several inches of rain to Lake Seminole Resort and other gulf coast areas. It was not a direct hit on our area, but it still caused damage to a few of the homes in our park. Historically in Florida, the most active time for hurricane development is mid-August through mid-October.

Pinellas County Emergency Management offers a free emergency notifications service, called Alert Pinellas that will send an email and/or a text to you to let you know about imminent severe weather. You can sign up for emergency notifications at <https://pinellas.gov/alert-pinellas>. You will need to establish a user name and a password for this site, but it is friendly and is easy to navigate. Both year-round residents and Snowbirds may sign up for this service. The site will not send out routine weather reports, but it will contact you when extreme weather is approaching our area. This includes tornado warnings, hurricane or tropical storm warnings, and any other weather event that may require residents to seek shelter or evacuate.

SCAM ! ALERT

Romance Scams

www.fbi.gov/how-we-can-help-you/scams-and-safety/common-scams-and-crimes

Romance scams occur when a criminal adopts a fake online identity to gain a victim's affection and trust. The scammer then uses the illusion of a romantic or close relationship to manipulate and/or steal from the victim.

The scammer's intention is to establish a relationship as quickly as possible, endear himself to the victim, and gain trust. Scammers may propose marriage and make plans to meet in person, but that will never happen. Eventually, they will ask for money.

If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

Tips for Avoiding Romance Scams:

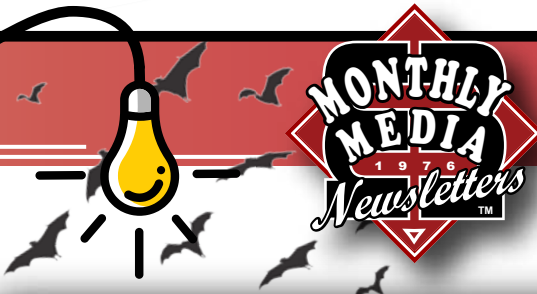

- **Be careful what you post** and make public online. Scammers can use details shared on social media and dating sites to better understand and target you.
- **Research the person's photo and profile** using online searches to see if the **image, name, or details have been used elsewhere.**
- Go slowly and ask lots of questions.
- Beware if the individual **seems too perfect** or quickly asks you to leave a dating service or social media site to communicate directly.
- Beware if the individual attempts to isolate you from friends and family or requests inappropriate photos or financial information that could later be used to extort you.
- Beware if the individual **promises to meet in person** but then **always comes up with an excuse why he or she can't.** If you haven't met the person after a few months, for whatever reason, you have good reason to be suspicious.
- **Never send money to anyone you have only communicated with online or by phone.**

Did You Know?

Halloween used to be called All Hallows' Eve. All Hallow's Day, also known as All Saints day, was a Christian festival. It was a day to remember the dead, especially saints. This is where Halloween came from - it was originally All Hallows' Eve (the day before All Hallow's Day). This then turned into Hallowe'en and is now just known as Halloween.

SCAM

ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**

Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.

Example of a Family Emergency Scam Call

Hi Grandpa, it's me.

Sebastian? Is that you?

Yes, it's me, Sebastian. Grandpa, I'm in trouble, and I need money for bail.

What happened?

Please don't tell Mom or Dad. I'll get in so much trouble.

Please help me!

How acupuncture works

More people in the mainstream are turning to alternative health therapies, and one of the most popular alternative therapies is acupuncture. For instance, St. Vincent's Hospital in Manhattan, a health care organization that serves nearly 600,000 patients each year, and The Chinese Medical Science Foundation, a non-profit organization whose mission is to integrate acupuncture with the Western medical system, have paired to provide acupuncture to rehabilitation patients. St. Vincent's rehab patients will now have access to free acupuncture treatments through the pro-gram, according to a news story on Acupuncture.com. The purpose of the program is to study and assess the benefits and problems with integrating acupuncture into a Western medical facility.

The National Health Institute's National Center for Complementary and Alternative medicine says that acupuncture originated in China more than 2,000 years ago and is one of the oldest and most common medical procedures in existence. A 2002 survey found that an estimated 8.2 million U.S. adults had ever used acupuncture, and 2.1 million U.S. adults used acupuncture in 2001.

And so with the growing popularity of acupuncture, many people may be asking the question: Just what is acupuncture and how does it work? According to The Longevity Center of Classical Chinese Medicine, this is how acupuncture works:

It strengthens the immune system by increasing T-cell counts. Some people believe this is why the treatment is effective for those who suffer from chronic fatigue syndrome.

It releases pain-killing endorphins, which also play a big role in the functioning of the hormonal system. This is why acupuncture often works well for those who suffer from back pain, arthritis, ulcers and PMS.

It releases endorphins, which helps the whole body to relax. The endorphins also regulate serotonin in the brain, which can affect moods, and which is why some forms of depression are treatable by acupuncture.

It breaks the cycles of muscle spasm, which can cause tightness in the muscles and unrelenting pain. Acupuncture increases circulation to the affected areas, which delivers needed nutrients for nerve and muscle healing.

It balances the energy of our bodies.

Acupuncture needles are as thin as human hair and once inserted are left in for an average of 20 to 40 minutes. Acupuncturists should use packaged sets of disposable needles.

Average treatments can run from one to 10 visits.

Acupuncture has no known side effects and does not usually cause pain.

To choose a qualified acupuncturist, you should check his or her credentials. Some national acupuncture organizations make lists available on their Web sites.

Late to work? This solution's a real pill

John was always late to work. His boss was getting fed up, but John told him that he didn't know why, but he just couldn't seem to get up on time to get to work. The boss was an understanding man and suggested that John see his doctor to find out if there was some kind of physical problem.

So John went to the doctor and told him that no matter what he couldn't seem to get up on time for work. The doctor gave him a pill and told him to take it before he went to bed. So John went home and took the pill.

When John woke up he noticed that he was two hours ahead of schedule. He felt great, so he got up showered and arrived at work well before starting time.

"Boss," he said, "that pill that the doctor prescribed for me actually worked."

"That's great," said the boss, "but where were you yesterday?" — adapted from AhaJokes.com
