From the Editor:

Hello there, ghosts and ghouls! Here comes OCTOBER, my favorite month of the year!!! Nothing like orange and brown leaves on the trees, pumpkins in the yard, and the smell of woodsmoke permeating the air! Thankfully here on the west coast we do get some cool weather! In this special Halloween issue, I have some good horror movie quotes, some good horror-ific jokes and a really chilling excerpt from the book DRACULA by BRAM STOKER. I hope you enjoy this issue and have a HAPPY HALLOWEEN!!!

MANAGER'S MOMENT

Lisa Bowling

FROM PINELLAS COUNTY EMERGENCY MANAGEMENT:

Federal Emergency Management Agency (FEMA) assistance is now available to Pinellas County residents who experienced damages/losses due to Hurricane Debby.

Disaster assistance may include financial help for temporary lodging, basic home repairs and other disaster-caused expenses. Eligible residents can apply online at DisasterAssistance.gov, using the FEMA app or by phone at 1-800-621-FEMA (3362). Help is available in most languages. If you use video relay service (VRS), captioned telephone service or others, give FEMA your number for that service. Lines are open from 7 a.m. to 11 p.m. local time, seven days a week.

Hurricane Tip: While working at a beachfront hotel, the manager of the housekeeping staff shared that putting some Mr. Clean Magic Erasers in the tracks of the sliding glass doors reduced water intrusion considerably. Hopefully it's a tip you will not have to implement, but with the hurricane season still upon us, one never knows. If you experience driving rain against your sliders, you may want to give it a try.

Are you thinking of selling your home? Although the market seems to have softened a bit, it may be on the upswing with homeowners still getting top dollar for their mobile homes. You may not be aware, but the Management Office offers mobile home resale services which is a win/win for everyone as we tend to know our property better than anyone. The office consistently receives inquiries, via phone, online and in person, from prospective buyers looking for available homes in our communities. Additionally, we have access to a very robust online advertising and marketing platform which partners with the 10 most popular mobile home sale sites. The Management Office will do a pricing analysis, provide signs and flyers, and conduct an open house - all included in the fee. Further, we can align buyers with a variety of lenders, even for homes older than 30 years which most lenders avoid. The consultation is

...continued on page 6

free, so call Kristen today at 727-531-9105 to set up an appointment.

Did you know that allowing someone to use your home address to receive mail may backfire? This has actually occurred in our communities a handful of times and we wanted to make you aware that it's typically NOT a good idea. Address fraud is real and sometimes leads to identity theft; it may also be used to evade authority and can be one of the first steps leading to a squatting situation. It is even used to commit voter fraud. You may want to think twice about allowing this to occur so as to reduce setting a precedent for bad actors that may put your tenancy at risk.

A HOPPIN' HALLOWEEN PARTY!

October 31st--Happy Halloween! I hope you are able to join the neighborhood gang for a Halloween costume party from 6-9 pm at the clubhouse! You can come sans costume, too! Pauline has Sammy Davis (not JUNIOR, ha ha!) to entertain you who she says sounds a lot like Chris Stapleton. Make sure to have your boogie shoes on so you can come and start "cuttin' the rug!" And please bring a dish to share, preferably a "spooky" one but not one of those litter box cakes I have seen online!!! OMG!!! Light snacks, fruit and appetizers would be great! See you there!

IMPORTANT MESSAGE FROM PAULINE TRAN!

Greetings fellow residents! I hope everyone is having a great summer! I would like to welcome the new residents to our park and hope to see you at our sponsored events.

Did you know for only \$5.00 per year you can join the social club which gives you a discount on our sponsored events? Membership dues collections begin in October. Being a member also affords you with the opportunity to vote on social club matters and run for office.

There is a general social club meeting held on the second Tuesday of each month @9:30 am. Come and join us before the meeting for a beverage and a donut. The monthly business and financial meetings are held on the 4th Tuesday of the month @ 9:30. Come on out and meet your board members and fellow residents.

Please note that we are always looking for volunteers to assist with or host events. In addition we are seeking your input on future social club activities. Please contact me directly to express your interest in volunteering or with your recommendations for future activities and events. There are also sign up sheets in the clubhouse for each event. We need you in order

Hosing down a driveway or solid surface or structure when a dry method could be used.

Allowing water to flow from a broken sprinkler head or outdoor faucet and having malfunctioning plumbing/ -irrigation system after receiving verbal or written notice.

Violations

The Year-Round Conservation Measures and Seasonal Reclaimed Water Restrictions allow the first violation of these restrictions to be issued as a "warning" Notice of Violation. In accordance with Sixth Judicial Circuit Administrative Order No. 2018-068 PI-CTY, Local Ordinance Violations, and Fish and Wildlife Conservation Commission Violations Uniform Fine Schedule, Attachment A, Miscellaneous Ordinance, Marine Patrol, Fish, and Wildlife Conservation Commission, and Natural Resources Violation fines start at \$193, and may be doubled for a second offense; and for each subsequent offense thereafter. Contested citations may result in the cost of a fine plus additional court costs. For more information after receiving a citation, please contact Business & Customer Services at (727)464-4000.

Protect Your Hot Water Heater During a Water Outage

During an extended water outage, you may want to turn off the water heater by going to the electrical panel and throwing the water heater breaker to the "Off" position. Once the water has been restored, residents should turn the hot water on at a few faucets and make sure that all of the air is out of the lines. Once there is no sputtering and the water is running smoothly, the breaker can be switched back on. This process is to keep the water heater elements from overheating and burning out if the water level gets too low.

Ducks/Wildlife

Please do not feed or put out feeders accessible to ducks or other wildlife. It is illegal in the state of Florida and you could be charged a \$100 fine for each infraction, and it is a violation of the park. Not only that, but if you put out food for the ducks, anything will eat it--stray cats, rats, snakes, and opossums--to name a few. So please don't do it. Thank you!

Smoking and Drinking at the Pool

There is a designated smoking area at the pool and if you smoke, you will be required to smoke there and only there. Also, cigar smoking is offensive to most people and is strictly prohibited at the pool. Violators will lose their privileges to the pool, and if that doesn't work, we will make the pool completely non-smoking. Every week, the pool company finds butts in the filters, clogging them up and leading to downtime on the pumps which means the pool is closed until repairs are made.

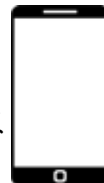

Also, per the health department and code enforcement, drinking alcohol at a public pool is strictly prohibited. **NO GLASS OR CANS OF ALCOHOL ARE PERMITTED.** The health department will shut down the pool and if we find bottles in the trash we will be forced to shut down the pool as well.

The bottom line is that this is a community which means that the amenities are for everyone. Please be considerate of your neighbors and follow these simple rules so that everyone can enjoy a day by the pool. Thank you.

Do You Want To Be In the Know?

All announcements, updates or urgent communications from the Management Office to residents are made via our texting system called "Text-Em-All." If you have not been receiving cell phone text notifications from us and wish to opt-in, please contact the office so we can walk you through the steps. Should you choose not to sign up for notifications, we would like to suggest that you align yourself with another resident who is signed up and would be willing to pass on urgent communications. The office number is 727-531-9105.

Pet Policy

People need to pay attention to number THREE. A few things about pets I want to point out so there are no questions about your responsibility as a pet owner. Keeping a pet on the property is a privilege and not a right and as such, the following rules must be adhered to or we will have no choice but to ask you to remove the animal from the property. These rules apply whether the animal is a household pet, an Emotional Support Animal, or a Service Animal.

1. ALL animals must be registered with the office, and we will need all required documentation for any ESA's or Service Animals.
2. Dogs are to be on leashes **AT ALL TIMES** and the handler must maintain control of their animal at all times, not letting it run up or jump on people or other animals.
3. **PET CATS ARE TO BE INDOOR ANIMALS ONLY.**
4. You **MUST** pick up after your pet goes to the bathroom—we do have doggy pots at both properties that have the bags and a container just for that.
5. Excessive barking must be controlled so the pet is not bothering the neighbors. I seem to hear this a lot and it is against park rules.

Speeding

There are WAY too many people driving WAY TOO fast in our park. I consider this a SERIOUS NO-NO because we have a LOT of residents riding their bikes or strolling through the neighborhood and many of them use walkers or scooters/wheelchairs and can't move quick enough to avoid an accident. We also have a LOT of beautiful wildlife roaming the park—ducks, turtles, all kinds of birds and the cute little cotton-tail rabbits we see everywhere—and we need to PROTECT them AND our ambulatory residents.. The speed limit is 10 MPH. I think most of our neighbors adhere to this and it is the visitors who are breaking the rules. If you see someone driving too fast, get their license plate number so we can report them to the office. If it is, indeed, a visitor, they can lose the privilege of coming into the park. I think this is VERY important and so should you. Let us all work together to get this problem fixed!

PS—If you think it may be any of your family members or friends (sorry, but it happens), PLEASE tell them to respect YOU by respecting the rules of the place you call home. Also, please let your company know to turn down their RADIOS when within the parameters of the park. Again, they should respect YOU enough to do this. Thank you!

IMPORTANT MESSAGE FROM DORISANNE GIBSON:

"Doc," who resides on Lot 173, has volunteered to take old, torn and dirty American flags to the American Legion for proper disposal.

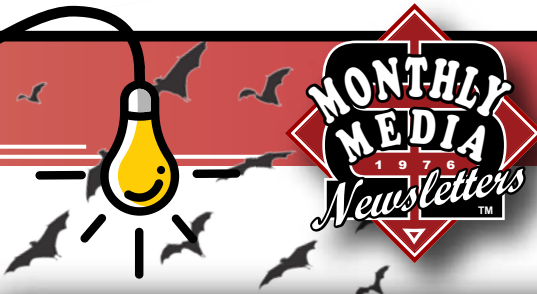

EDITOR'S NOTE:

Flags, like books, are treasured items and should by NO MEANS ever be disposed of in a FLAGRANT manner (no pun intended—really). They should be safely ensconced in a box until such time that you can honorably “pass them on.” Flags, as Miss Dorisanne pointed out, should go to DOC at Lot 173 or straight to the American Legion, and books, those sacred tomes and loves of my life, should go to Goodwill or the library. The Largo Library will take books of any kind—paperback or hardback—and sell them in their cute little bookstore or put them on the shelves. They will also take old magazines!!! I donate BOTH to them and just put them in the drive-thru drop box—easy as CAKE AND PIE!!!

Did You Know?

Halloween used to be called All Hallows' Eve. All Hallow's Day, also known as All Saints day, was a Christian festival. It was a day to remember the dead, especially saints. This is where Halloween came from - it was originally All Hallows' Eve (the day before All Hallow's Day). This then turned into Hallowe'en and is now just known as Halloween.

POETRY CORNER

Black No. 1 (Little Miss Scare-All)

LYRICS BY PETER THOMAS STEELE

I went looking for trouble
And boy, I found her
She's in love with herself
She likes the dark
On her milk-white neck
The Devil's mark
Now it's All Hallows Eve
The moon is full
But will she trick or treat?
I bet she will
She will
(Happy Halloween, baby)
She's got a date at midnight
With Nosferatu
Oh baby, Lily Munster
Ain't got nothing on you
Well, when I called her evil
She just laughed
Well, cast that spell on me
Boo (w)itch-craft
Yeah, you wanna go out cause it's raining
and blowing
You can't go out 'cause your roots are
showing
Dye 'em black

Ooh, dye 'em black
Black, black, black, black number one
Black, black, black, black number one
Little wolf-skin boots
And clove cigarettes
An erotic funeral
For which she's dressed
Her perfume smells like
Burning leaves
Every day
Is Halloween
Yeah, you wanna go out cause it's raining
and blowing
You can't go out cause your roots are
showing
Dye 'em black
Ooh, dye 'em black
Black, black, black, black number one
(She dyes 'em black)
Black, black, black, black number one
(Black number one)
Loving you
Loving you
Love, loving you
Was like loving the dead

THE BOO BUCKET

There may be a few of you out there who read the original DRACULA by BRAM STOKER. I read it and even though the book is very slow and tedious (I had to try reading it three times), the beginning chapters are the stuff of nightmares. So, if you like the excerpt below, I suggest you read the first few chapters of the novel and get "creeped out." It is the stuff of legend! You can read it for free online anytime you get the itch. I chose this excerpt because, unlike the rest of the book, it shows how evil Dracula really is and the horrific things he does. Enjoy!

An Excerpt from Dracula by Bram Stoker:

As I sat I heard a sound in the courtyard without, the agonised cry of a woman. I rushed to the window, and throwing it up, peered between the bars.

There, indeed, was a woman with dishevelled hair, holding her hands over her heart as one distressed with running. She was leaning against the corner of the gateway. When she saw my face at the window she threw herself forward, and shouted in a voice laden with menace, "Monster, give me my child!"

She threw herself on her knees, and raising up her hands, cried the same words in tones which wrung my heart. Then she tore her hair and beat her breast, and abandoned herself to all the violences of extravagant emotion. Finally, she threw herself forward, and though I could not see her, I could hear the beating of her naked hands against the door.

Somewhere high overhead, probably on the tower, I heard the voice of the Count calling in his harsh, metallic whisper. His call seemed to be answered from far and wide by the howling of wolves. Before many minutes had passed a pack of them poured, like a pent-up dam when liberated, through the wide entrance into the courtyard.

There was no cry from the woman, and the howling of the wolves was but short. Before long they streamed away singly, licking their lips.

I could not pity her, for I knew now what had become of her child, and she was better dead. (Note from the Editor: The child was given to three of Dracula's "wives" for a night time snack.)

GOLDEN WEDDING BOARD

In the clubhouse on the west wall is a frame with the names of residents who celebrated their fiftieth wedding anniversary while living here in Eldorado. We have not been able to celebrate this great milestone in a couple of years, but we still want to recognize those who have celebrated this auspicious occasion. If you, or if you know of a neighbor, who has reached or is reaching this year the fifty year mark, we would like to know and be able to add their names to the wall. You can contact me, richwham@aol.com, and I will see that they are added.

ATTENTION TO ALL POTENTIAL SHUFFLERS IMPORTANT MESSAGE BELOW!

As everyone probably knows, there is no Eldorado shuffle team now due to lack of players. Debbie Ennis told me that if you still would like to play, you may join the team at East Bay Oaks. Just reach out to me if you would like to do this and I will have the captain of the team contact you. Debbie also said that once more people get interested, there will be a new team in Eldorado. If you really would like to play, don't be shy and call or email me. Let yourself have some fun! My contact info is here:

Eldorado Facebook Page

Dick Hambley

For those who were unaware, Suzie Rossetti and I are the administrators for the Eldorado Village Facebook page. We would like to remind everyone that to join the page you (the individual requesting) must send us a “friend” request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

SCAM

ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**

Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.

DARTS – DARTS – DARTS

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

Library History Scrap Book

Pam Spillbeller has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well to give us another mode of looking back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts. Shout out to PAM!!!

PHONE DIRECTORY

Well, gang, I do hope the new phone directory came out to everyone’s standards! We had a few people working on it and I want to thank them all: Dick Hambley, who still, to this day, keeps up on the books, Miss Dorisanne Gibson for greeting new people in the park and getting their numbers, birthdays and anniversaries to be put in the directory and the media and Suzi Rosetti for doing the phone book for a LONG time and keeping it up to date! Thanks again, everyone!!! Going forward, if you have a number change or want your number in the NEXT directory, PLEASE email me (Randi Burton) at ichwillmetal999@gmail.com. Thank you!!!

Bulletin Board

We have a Bulletin Board by the mailboxes. We realize that many folks do not go to the club house on a regular basis so this is a way for all to see coming events. Hopefully you will find something you might enjoy attending. You will also see what is transpiring in the neighborhood at the Eldorado Village Facebook page. Don’t miss out!

The LIBRARY Is For All Residents!!!

Hey, everyone! Here is some recent juice about the park library: Our new “librarians” are Peggy Giberson and Marty Hunley and they have been working hard to make sure this sacred place is CLEAN and WELL-STOCKED. Peggy recently told me that she and Marty just donated a couple of HUGE boxes of books to the Largo Library (where I go every week!) and she asked that there be no more donations for awhile. She or Marty will let me know when they would be able to start taking donations again. So, if you have a lot of books lying around the house, PLEASE do not commit the UNHOLY crime of throwing them away! Put them in a bag and drop them off at the LARGO LIBRARY right down the street. They have a 24 hour drive-thru drop box and you can just put them in there. Magazines, too! When I finish a book, that is where I take it. They have bags—LITERALLY--of books you can buy for a dollar and used book sales all the time. So thank you Marty and Peggy for taking care of OUR library and please reach out to me if anything changes donation wise!

It's SIMPLE.....

1. Borrow and Return.
2. Books are organized by the author's last name.
3. Special sections: Biographies, Health, Cooking, DIY, Inspirational Romance, etc.
4. Have a donation? Put your item(s) in the “Drop-off” box in the library.
5. Entertainment items work the same way....DVD movies, puzzles, board games and playing cards are just waiting for your attention.
6. HISTORY – of Eldorado Village – interested? There are notebooks and scrapbooks (with photos) on our rich history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a “blast from the past”.

NO IFS, ANDS OR BUTTS!!!

If you are a smoker, please do not dispose of your cigarette butts on the street. If you are seen doing this, you will be reported to the office. We do our best to keep our park clean and neat and if people can pick up their pet's poop, then you can most certainly hold on to your cigarette butt until it can be properly disposed of. Thanks to those smokers who DO take pride in their community and adhere to this rule.

BINGO IS STILL GOING STRONG!!!

Bingo Hours:

Tuesday evenings:

Start selling at 5:15 PM. Stop selling at 6:00 PM. Start playing by 6:30 PM. We will be following the guidelines set down by ELS for the good of everyone, so please be amicable in observing those rules. Just come out and plan on having a good time and who knows, you might win a couple of bucks! We also would appreciate it if you do not bring \$20 bills as they are hard to make change for—thank you!

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin are as follows: Glass (colored bottles and jars), cartons (milk and juice containers), mixed paper products (newspapers, flattened cardboard boxes and office paper), plastic containers (food and beverage), and aluminum and metal (cans and containers).

The things we should NOT put in are the following: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes paint, light bulbs, batteries, computers etc).

So, fellow residents, please consider this reminder and let us work towards saving ourselves a few bucks and, at the same time, work towards building a greener environment!

TRASH/DUMP AREA SCHEDULE

People are still putting their trash out before Tuesday or Friday mornings.

Please try to obey these rules--they are for everyone. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is ONLY for tight lidded garbage cans!!! You can buy one at Walmart or Amazon.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate one day.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different—therefore we are printing the office address here so that you do not get any late fees when your check does not arrive on time.

SOLICITATION IN THE PARK

Dick Hambley

I have been told by management that they do not give anyone permission to solicit in the park so if anyone comes to your door trying to sell something ask them to leave. If they refuse, call the police department.

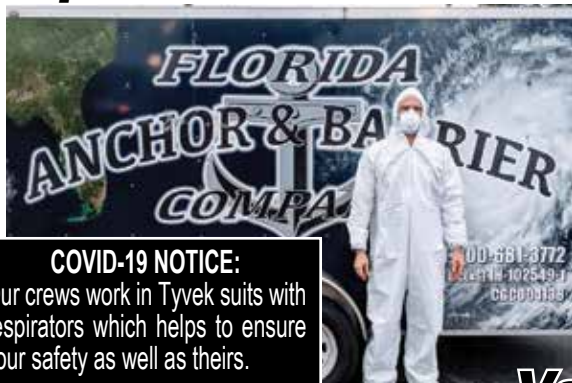

It has come up that if you have someone soliciting at your door and they are bothering you and you call the office to bring it to their attention, the office can do nothing about it—their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.
