PRESIDENT'S CORNER

Submitted by Jan McCoy

Since our last newsletter publication, a Special Meeting of the Membership was held on September 24th to calculate votes in support of changes to our common area elements for two projects: Shuffle court and Wal-Mart Gate. As I expect you are all aware, we did not have a high enough response rate to achieve the 66 and 2/3% approval required to support these projects. I'd like to thank all who worked in support of this initiative. The VIP Committee will hold a meeting in November to discuss the next steps.

Following the impact of Tropical Storm Debby and Hurricane Helene, we experienced the unimaginable impact of Hurricane Milton. There has been so much destruction statewide! The collective 2024 hurricane season impact to our park thus far resulted in over 20% (100 homes) experiencing some manner of damage. In addition, we have damage to every common area structure in the park, the details of which are still being determined as of this writing.

I'd like to thank our staff for their selfless dedication. My heart is filled with pride from the degree to which our board and residents are stepping up to assist with every aspect of damage assessment and recovery. People were checking in with one another to ensure safety. The moment daylight dawned, concerned residents were out taking a stalk of the overall condition of the park. They helped share time sensitive and critical information to other owners settling nerves from afar. Our staff worked resolution to broken water lines, loss of power to the park, an inoperable lift station, flooded pool pumps, securing hazardous chemicals resulting from the total loss of a storage shed near the pool and the list goes on, all while managing time sensitive updates.

Then, what I call "the muscle" arrived. I heard Dominic Calandra on the other end of the phone, "We're returning to help the park, Jan," he said, and I choked back the tears at the offer. Clearing the streets and responding to unit owner requests for assistance was all beyond what we could offer through our employees at that time. God bless the Calvary!! It freed up our team to get on the phone and work park recovery efforts of common elements that everyone was dependent upon. While I am sure it felt like none of it could happen fast enough, the truth is, it was a miracle to find any availability from our vendors within 48 hours of the disastrous event.

As difficult as it is to frame it this way, we were blessed in so many ways. Sometimes it takes an event like this to remind us we are ONE and we are SUNSET PALMS STRONG! We are still in the thralls of this as I write this article but, rest assured, after-action initiatives will take place. The board of directors will work on your behalf to implement a back-up recovery system to ensure history does not repeat itself in quite the same way as was experienced this week. Our

MANAGER'S CORNER

Submitted by Marilyn Corazza

Pre-Hurricane Milton, the electronic gate operators on the two remaining pool access gates are not working properly and require rewiring/parts replacement as was previously done on the gate by the shuffle court. Quotes have been obtained for board approval. While the repair of one of our pool pumps was approved, it turned out the unit required full replacement.

In addition to regular daily duties, our office staff supported the common elements voting initiative and membership meeting, are working to automate the violation letter process within our Vantaca system and are taking ownership for Zoom meeting technical set up and website administration.

The interior of the clubhouse is undergoing a refresh. The bathroom, library and hallway floors were scrubbed and look great! The terrazzo in the main hall and all windows/blinds are next, meanwhile volunteers have been updating portions of the main hall with a fresh coat of paint. I think it looks great and hope you will agree when you see it in person.

The Post-Hurricane Milton update is almost too much to catalog here. The list of damage is significant, yet our structures are all standing, and the damage is repairable. I am grateful that our staff and most of you were able to evacuate to safer ground. I can't thank Ron Endicott and our residents, who pitched in to help, enough for the prep work accomplished leading up to the storm. We are going to be very busy working through what lies before us now to recover.

Let me wrap this up by sharing it makes me so happy to see this community pull together during these difficult times. May the best of who we are shine on in support of one another!

Sincerely,
Marilyn Corazza, LCAM

THOUGHT FOR THE MONTH

Submitted by Pastor Nelson Blount

Be the change. Have you noticed lately how angry people can be? Many decades ago something happened in my life, and I discovered that people mattered. It happened in my heart. It was God. I'm not better than anyone. Matter of fact, truly God made a huge difference in my life and offered kindness, joy and peace. I just want to give it away. It's our choice. All of us have a choice. How are we going to treat one another. And if I'm mistreated as I have been, I will not give the same in return. Apologies given are so special. Apologies received are so meaningful.

So today I saw an open gas station, pulled in and started pumping. A lady pulled in and I was motivated to continue the same pump of gas into her vehicle. She said, "No, no, no, no." And I said, "No, no, no, no." I placed the nozzle in the car which she told me was her parents and continued pumping. She said, "Well, I'm going to bless you." I said, "No, no, no, no." She said, "No, no, no, no." You get the drift. HaHaHaHa.

A young man at another pump overheard me and said, "God bless you. This is so good to hear." He left and yelled from the street, "God bless you." The lady who was getting gas for her parents blessed me with \$30 which I said, "Okay." But the entire exchange was such a blessing. Then when I was getting in the car there were two young men getting gas in their truck. One of them was cussing out the older man behind them because he had asked them to move forward to the next empty pump so he could get his gas. Anger. Loud enough for everyone to hear at the gas station.

Simple thought: Every day we have a choice. Now we have a month to think about this one. We live in such close proximity. Let's choose blessing.

Your non-religious resident Jesus people pastor, Nelson Blount

EMAILS FROM SUNSET PALMS

Submitted by Maggie Stokes

As you are aware, hurricanes Helene and Milton caused chaos in many different forms. One of them was the planned email verification of all park residents. Obviously, the original date of October 15, 2024, was abandoned. We are now aiming for November 15th as a target date. Our website designer's offices sustained damage from Milton, so please bear with us if there is a further delay.

Emails are sent from Sunset Palms from TWO different email addresses. The accounts were split to ensure that proper attention was given to events.

SunsetPalms3401@gmail.com

This account is used for official emails of the park:

- Notice of Board of Directors Meetings
- Notice of Committee Meetings
- Notice of park actions, including street closures, water issues
- Notice of Shareholder issues, including voting and the annual meeting
- Notice of official documents of the park, including Financial Reports and Rules and Regulations documents

SunsetPalmsActivities@gmail.com

This account is used for notification of the Park's social events, which include:

- Potluck dinners
- Card games
- Dances
- Karaoke
- Cruises

Please note that ***emails from the Activities email account*** are sent to **ONE** member of each household. ***Emails from the 3401 account*** are sent to **ALL** registered residents.

These two accounts are run independently, and you may opt out of receiving the emails separately. We plan on sending out emails to all registered recipients from both accounts on November 15th. If you feel that you did not receive the emails, please email Sunset Palms Management at SunsetPalms3401@gmail.com. Please list your name, lot number, email address and which type of email that you did not receive.

WEBSITE CHANGES

Submitted by Maggie Stokes

Due to the unforeseen circumstances of hurricanes Helene and Milton, the changes to the website have been delayed. We will continue to work on the updates as circumstances permit. Our website designer's offices sustained damage from Milton, so please bear with us as we continue to improve the website.

We are upgrading portions of the website. We anticipate that the changes will be in place by mid-November.

Here are some of the areas that are "under construction."

- **Logon Script**

The logon button will be much more prominent making it easier for you to sign in and access the members only portion of the website.

- **Board of Directors Minutes**

The Board of Directors Minutes will have its own tab to facilitate ease in locating various minutes and supporting documentation.

- **Committee Minutes**

Minutes will be accessible by committee. You will not need to scroll through the entire posting to pull up a certain committee's reports.

- **Forms**

An entirely new tab will give you access to many of the forms that Sunset Palms uses. You will be able to click and download that form for printing. This is step one in the right direction. We anticipate some of these forms will be made interactive in the future.

- **Governing Documents**

This is another new portion of the website. There will be links to Florida statutes that govern our park. The Shareholder Prospectus including the By-Laws of the Park, and the Rules and Regulations of the Park will be available. The Committee Charters will also be available for you to read.

- **Homes for Sale**

The list of homes available for sale is now much easier to access.
This is **YOUR** website. Check it out

STORMS

Submitted by Ralph Payne

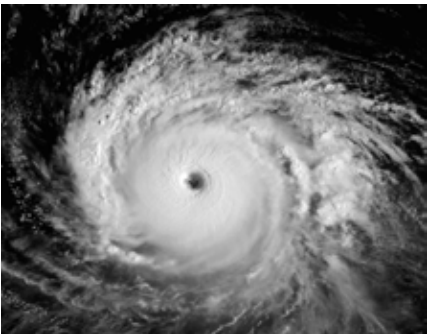

A sunny calm lingers throughout the day
Tall grass dances with a soothing sway
The sun stays for a time or too
Then abruptly embarks, now the clouds are new

The rain will fall and dampen the ground
And winds will mount in the evening's sound
The darkness sets this eerie state
As Mother Nature and prayers are left to our fate

A thunderous night still firmly holds
A fracturing from the trees that fold
Drew away are the lawless leaves
Stolen by the tempest thieves

Nerves are worn, they've taken the bite
From the restlessness that have retained the night
Uprooted trees and branches where they spew
Dawn will present the crushing view

Daylight still shakes every tree
As a little breeze still can be
Felt upon the pleated skin
Storms like these are wearing thin

TRAVEL CORNER

Submitted by Kim Paquette

October 9th...As Hurricane Milton approaches Florida, I find myself torn between the urgency of the impending storm and my looming newsletter deadline for November's issue. This situation reminds me of the challenges faced by coastal communities everywhere, including our friends in Hawaii. The Aloha State has experienced its own difficulties recently, from devastating wildfires to economic setbacks, showing both the fragility of paradise and the incredible resilience of its people.

Our planned group trip to Hawaii in March 2026 may seem distant, but it's never too early to start preparing. Here's why planning ahead is beneficial:

- Better availability for accommodations and cruise cabins
- Locked-in prices to avoid future increases
- More time to budget and save
- Opportunity for family to contribute towards the trip as gifts

By taking these steps now, we're setting ourselves up for a smooth and enjoyable experience when we finally reach Hawaii. In times like these, as we face our own challenges here in Florida, it's comforting to look forward to future adventures and the strength we find in coming together as a community.

Stay safe, everyone, and let's weather this storm together.

HAWAIIAN LUAUS

A Heartfelt Experience: Attending a Luau

One of the most memorable experiences I've had was attending a luau, a traditional Hawaiian feast that beautifully combines food, music, dance, and community in a vibrant celebration of life and culture.

The Rich History of Luaus

Luaus are deeply rooted in Hawaiian tradition. Historically, these gatherings were held to commemorate significant events such as weddings, harvests, and victories in battle. They served as an opportunity for communities to unite, share delicious meals, enjoy lively music and dance, and celebrate important milestones. Even today, luaus remain an integral part of Hawaiian culture, providing both locals and visitors with a unique chance to embrace the true spirit of Aloha.

Culinary Delights

The culinary offerings at a luau are truly exceptional. Each dish showcases Hawaii's diverse culinary heritage. We had the pleasure of tasting kalua pig, a succulent pork dish slow cooked in an underground oven known as an imu, which imparts a delightful smoky flavor and tender texture. Other mouthwatering dishes included poi, made from taro root; lomi lomi salmon, a refreshing salad of salted salmon mixed with tomatoes and onions; and haupia, a delectable dessert made from coconut milk.

A Cultural Immersion

However, a luau is much more than just a feast; it is a full cultural immersion. The event features captivating performances of traditional Hawaiian music and hula. The hula dancers, adorned in vibrant costumes and beautiful leis, moved gracefully to the rhythm of the music. Each movement conveyed a story, weaving together the rich tapestry of Hawaii's history, mythology, and natural beauty. As we watched the dancers perform, we felt transported to another time, experiencing the legends and lore of the islands firsthand.

A Celebration of Aloha

Attending a luau is an experience that transcends merely enjoying a meal; it's about connecting with the heart and soul of Hawaii. It celebrates the island's rich traditions and warm hospitality, leaving us with cherished memories that will last a lifetime. Whether you are visiting for the first time or returning to the islands, attending a luau is an essential experience that will deepen your appreciation for Hawaii's beauty and culture.

Join us in 2026 on our group trip to Hawaii! Details will be posted soon.

Submitted from the Office

FLUSH ONLY: Body waste and toilet paper. (The 3 P's = pee, poo, paper) ****inserttoilet pic here****
It is highly recommended that only ONE-PLY toilet paper be used to prevent clogging the toilet.

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.

SCAM ALERT

facebook.com/help

Tips for Avoiding Facebook Scams

1. Secure your Facebook account with a strong password and two-factor authentication

Avoid including your name, phone number, email address or common words. Don't reuse your Facebook password on other services online, and never share your password with others.

2. Don't accept friend requests from people you don't know

Scammers may create fake accounts in an attempt to friend and manipulate people.

3. Watch out for suspicious links and malicious software

Be careful not to click on suspicious links, open suspicious files or install malicious apps or browser extensions—even if they appear to come from a friend or a company you know.
