Co-op Updates

By Al Noeller, President PI Co-Op

I would like to thank the way everyone stepped up to help the whole community recover from our recent storms. Community spirit is strong at Paradise Island.

As we continue to recover and make repairs here, the surrounding cities also are making their recovery, please keep your spirits up and ask your friends and neighbors for help as needed.

We realize several homes had serious damage and hopefully that recovery will be quick, but I don't know of anyone being injured.

Contractors are in demand and certain materials / supplies are hard to obtain, please be patient. It will be alright; it will just take some extra time.

The common areas of PI had some cosmetic damage, minimal power loss, fences to repair, one minor water line break in a difficult spot and we had tree debris, aluminum to cleanup. We also lost a few trees around the community. All in all, we were very lucky.

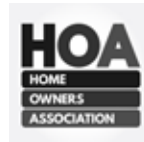

Please take some time to look closely around your home for things that might have weakened from the storms, but didn't break yet. For example, gutters, fascia, siding and tie downs might have loosened. Minor cracks or seams might make for leaks and water damage over time.

We hope that the one calls, PI Largo notifications helped during the storm and I hope those that don't participate would reconsider signing up for one call and updating your emergency contact information for any future emergency need.

Slowly but surely, things are coming back to normal. We live in a great community! People came together when faced with what these storms dealt us. Let's continue to help our neighbors with the Paradise spirit of kindness and compassion.

HOA UPDATE

By Ken Hopkins

Wow! What a wild couple week. We are so blessed to have survived with damage only to our homes and not our persons. And hopefully the damages will be contained and repaired quickly and with minimum hassle. At this point, I send a huge THANK YOU to all the members of the community who have come together to help neighbor after neighbor with cleanup, support and just plain kindness! What a pleasure it has been to work alongside you and to share the load. Also, kudos to the Co-Op Board for their tireless efforts on our behalf to ensure the park stayed safe and secure.

Again, we are truly blessed.

As we move to the end of 2024 and approach the Thanksgiving season, we have much to be thankful for. The HOA is pleased to join with the PISC in hosting the Thanksgiving dinner again this year. This dinner is provided free of charge for any member of the PI Community. And it will be prepared under the auspices of our very own Michelle Griffith, HOA board member and Kitchen Manager.

Caring Hearts will soon have their storage shed; the grant program for the benches is in the works and will be chaired by Mike Mitchell; a budget is in the prep stages under Tom Billings; the Home of the Month program is in full swing under VP Liz Newmann, and we will have the Holiday Decorating contest in December. In addition, the HOA is undertaking some of the exterior decorating and lighting for the PI Community. If you have an interest in participating, let us know---we always can use ideas and help.

One more time---Thank you to all the community outreach which makes this one of the best places to live! Have a blessed Thanksgiving with family, whether here or elsewhere. Be Well!

CALL FOR NOMINATIONS - HOA BOARD OF DIRECTORS

By Ken Hopkins

Nominations are now open for the board of the PIHOA. Applications and information may be obtained from Marge Murray, 727.584.8701 or Linda LaVine 727.480.7360. Also, you may contact any current board member. Thanks for your interest in serving our community.

HOA Home of the Month

By Liz Neumann

Congratulations to our October winner Phyllis Nelson lot 555 on the corner of St. Martin and Freeport. Phyllis received a \$50.00 Visa gift card, and two Paradise Island Home of the Month signs were placed in the planters until the committee chooses the November winner.

Did You Know?

By Co-Op BOD

After the past month of Hurricanes, stress and clean up, we are finding that many residents were left to wonder what was going on with their home.

Did you know that it is very important to contact a friend or neighbor and ask them to keep a eye on your place while you are gone for extended periods? Having someone that you can trust to contact you is imperative in times like this. They don't necessarily have to "babysit" your home, but they would be there to let you know of a serious incident, like storm damage or the like. It can help eliminate the stress of wondering what is going on. Food for thought.....

Neighborhood Watch

By Nancy LaBelle

Welcome back to Paradise Everyone!

As of this writing, it's been a rough few weeks and we have lots to be grateful for. ALERT PINELLAS kept lots of us informed. I personally had FOX 13 LIVE STREAMING on my phone and was able to watch the news and weather, live, on my phone when we lost WIFI where we sheltered.

Everyone is always welcome to attend our meetings on the 3rd Tuesday of every month at 10AM.

At our last meeting we discussed nonresidents fishing in our ponds. If you have determined a person is a nonresident and not a visitor, you can tell them they are trespassing and then you can call the non-emergency number 727-587-6730 if they do not leave. You will be asked to describe the person. Do not threaten or be aggressive.

IF YOU SEE SOMETHING SAY SOMETHING 911 for emergencies or 727-587-6730 for non-emergency then call your Block captain in the next 24 hours 9AM to 9PM to tell them about the situation. If no answer, leave a message with a call back number because some screen their calls and only answer known numbers.

Stay safe. Be kind.

Grandparent and Family Scams

Here's how they work:
You get a call: "Grandma, **I need money** for bail." Or maybe an email from someone claiming to be your brother or a friend who says they're in trouble. They need money for a medical bill. Or some other kind of emergency. The caller says it's urgent — and tells you to **keep it a secret**.

But is the caller who you think it is? Scammers are good at pretending to be someone they're not. They can be convincing: **sometimes using information from social networking sites**, or hacking into your loved one's email account, all to make it seem more real. And they'll pressure you to send money before you have time to think.

Here's what to do:

1. **Stop.** Check it out. Look up your family member's phone number yourself and **call another family member** to check out the story.
2. **Pass this information on to a friend.** You may not have gotten one of these calls, but chances are, you know someone who will get one — if they haven't already.

Social Committee Update

By Diane Billman

Welcome to our new residents. If any resident (new or past) didn't fill out a Social Committee Resident Survey at their orientation requesting a Meet n Greet with our Welcome Team, please reach out to Nancy Jonas at 727-221-9613 or Paulette Rich at 304-582-2285 and request one. It is our goal to meet with all new residents to inform them of all the different Social Activities within the park, but sometimes things do fall through the cracks and we don't get notified of someone.

Our area has been through a lot these past several weeks. Driving around our community I feel mixed emotions as we were very lucky the damages weren't worse but at the same time it is so disheartening to see the damage that was done to resident's carports, roofs, sunrooms, trees, etc. Our community residents have pulled together and lots of neighbors helping neighbors to recover. We are PI-Strong and will recover from these hurricanes and pray that this is the end for them this year.

November is packed with activities and those that have been on hiatus are back in full swing or will be soon. Karaoke is back on November 9th as we found a different KJ to fill in. I hope everyone can come out and enjoy a fun night.

The Craft Fair is always a huge success and has many great items for gifts for the holidays and the bake sale is a huge success with lots of yummy goodies. Please come out and support the vendors. If you have local groups on Facebook, please post something in those groups to make other locals aware of it.

Our first Men's Club entertainment event will be November 16th with a new act we haven't seen before. Should be a great night, I hear she is very good!

The Flea Market which was cancelled because of Hurricane Milton has been rescheduled for November 23rd with set-up on the 22nd. Residents who purchased tables to sell their own items will need to notify Tiffani Neu or Liz Newmann if you are no longer able to participate. We will need volunteers to help with the Social Committee side of the flea market and you can contact Tiffani and Liz to volunteer as well.

Nadine P and Michelle G are prepping for our Thanksgiving Dinner which will be on Thursday, November 28th. Tickets are required and be sure to look for the separate article for additional information.

The PISC made a \$1,000 donation to Metropolitan Ministries to help with food and supplies for those in our county that were affected most by Helene and Milton. Several of our activities collected money on their own and gave to various hurricane relief organizations as well. Our PI residents are the BEST!

Wishing all our residents and their families a very Happy Thanksgiving!

Community Flea Market

By Tiffani Neu

Due to Hurricane Milton, we moved our community flea market to Saturday, November 23, 2024 from 9 am – 2 pm (8 am early bird entry) at the Paradise Island Clubhouse. All resident tables have been rented, and we have packed sheds full of donated items, so plan on a robust sale.

Tiffani and Liz will be managing a “regular” flea market in the front room. Residents who have rented tables will be selling their items in the big room, and Cindy and her volunteers will be selling baked goods inside the door. In addition, for the first time, we will have Dale making airbrush t-shirts and hats out front.

Early bird entry, which is 8 am, will be \$1/person. Entry is free starting at 9 am. So bring plenty-o-cash, a smile, and do some shopping on November 23! All proceeds benefit the Paradise Island Social Committee.

Ladies Monthly Luncheon

By Beth Pieckiel

Happy November to everyone, as we say in Texas "Happy Fall Y'all"! Please remember that We Do Not have our Monthly Ladies Luncheon for November, as it falls the same week as Thanksgiving. We will be having our annual Monthly Ladies Christmas Luncheon. Our Ladies Christmas Luncheon will be held on Saturday, 12/14/2024 at 11:30 a.m. and it will be going to:

Columbia on Sand Key
1241 Gulf Blvd.
Clearwater, FL. 33767
(727) 596 - 8400

We also be having our Annual White Elephant Christmas Gift Exchange. Please bring a \$15.00 wrapped/bagged gift to be exchanged, if everyone brings a gift, everyone leaves with a gift, this is always a fun gift exchange and a great time is had by all.

The sign-up sheet as always will be up in the clubhouse. Also if you do sign up for this luncheon and then find you are unable to attend, PLEASE remove your name from the list. This is a very important component for our luncheons as your hostesses will be calling the restaurant

continued on page 18

the day before the luncheon to give them a final headcount to set up for service. We don't want to have 25 ladies sign up and then only 12-15 actually show up, it doesn't look favorable on our behalf.

We look forward to starting off our Holiday Season with all the ladies of Paradise Island invited to attend this luncheon. This is a wonderful time of year, and what a great way to celebrate and meet your neighbors, new and old. Hope everyone has a wonderful Thanksgiving!!

Any questions regarding our luncheon, please call either Beth Pieckiel at (214) 538-7094 or Kim Gibson at (440) 840-4093.

Thank YOU!!!

YOU are appreciated! Yes, YOU!

As we gather together this Thanksgiving may we remember all the gifts God has bestowed upon us. May we thank Him for His goodness and mercy. During this season take a little time to think about all the blessings we have in our life. May we always reach out to those who are alone or hurting and may need a blessing. Sometimes just a little smile or a hug will go a long way to encourage someone. So, yes, thank you for giving of yourself to make life easier for someone else.

VETERAN'S CORNER

By Bob Behm

Veterans will get a cost-of-living bump in their benefits next year after Congress passed annual legislation this week to guarantee the increase keeps pace with Social Security rates. Before leaving town for an extended election-season break, the Senate approved the bill by voice vote Wednesday, sending the measure to President Joe Biden's desk for his expected signature. The House previously approved the bill by voice vote last week. The increase applies to disability benefits, clothing allowances, and dependency and indemnity compensation for surviving spouses and children.

The bill specifically ties the increase to the annual cost-of-living adjustment in Social Security benefits. The 2025 rate for Social Security won't be announced by federal officials until Oct. 10. But the advocacy group Senior Citizens League is projecting the cost-of-living increase will be 2.5%, the organization said in a news release earlier this month. That would be lower than recent years, but in line with historical norms. In 2023, beneficiaries saw their highest increase in decades at 8.7%. This year's increase was 3.2%.

Any veteran who wants a lockbox to store their firearm would be able to get one for free from the Department of Veterans Affairs under a bipartisan bill introduced in the House on

Wednesday aimed at curbing veteran suicides. The bill, which has won the endorsement of a firearms industry group in addition to gun control groups, builds off an existing pilot program at the VA that provides lockboxes to at-risk veterans. As the veteran's suicide rate remains stubbornly high, the VA has focused heavily in recent years on promoting safe gun storage. The veterans suicide rate continues to outpace civilian suicide deaths, and firearms continue to be the leading cause of death by suicide among veterans. The VA's most recent suicide report found that 73% of male veteran suicide deaths and 52% of female deaths were with a firearm.

Research has shown that making it harder to access a gun can prevent suicide deaths. But studies have also shown that about half of veterans with guns are not storing them safely. The VA has been providing free cable locks for guns to any veteran who wants one since 2013, and in 2021, the department began airing public service announcements and posting billboards to encourage safe storage of firearms as part of a broader Biden administration effort to curb veteran and active service member suicides. The department also announced earlier this year that it would begin providing gun lockboxes for qualifying veterans who want them. The existing program offers the safes to veterans enrolled in VA health care whom doctors assess are at moderate to high risk for suicide.

The bill from Deluzio, Fitzpatrick and Landsman, dubbed the Saving Our Veterans Lives Act, would make the lockboxes available to any veteran, regardless of VA enrollment status or diagnosis, and set aside \$5 million every year for the next 10 years to implement the law. "Veterans suicide we know is a national crisis, and we know that suicide by firearms is a major cause, major factor in suicides for veterans," Deluzio said. "We think and we have evidence this can work. Let's get VA the resources now to get locked boxes to more veterans who want them."

The bill would also direct the VA to create a public education campaign on the availability of the lockboxes and the importance of secure firearms storage in suicide prevention.
