## Annual Meeting – Board of Directors

Bob Barr

Our annual meeting is Dec. 4th, at 10am, where we meet the newly elected board members and tally the votes for any items put before the membership to vote upon.

To hold the annual meeting, we will need a minimum of 159 proxies to be returned. Your proxy can be put into the mail slot in the Board office inside the clubhouse, mailed to Progressive Management, or given to any board member. You can also have a friend turn your proxy in or call a Board member to pick up your proxy.

One of the items to be voted upon is whether we have partially funded reserves or fully funded reserves. If we fall short of 159 proxies then the meeting cannot be held. Should this happen then the 2024 monthly maintenance fee will be based on fully funded reserves (\$30-\$40 higher than partially funded reserves) until such time as new notices, for another annual meeting, can be mailed out and the votes for partially or fully funding the reserves and any other items are tallied.

# CLOSING YOUR HOME

Al Hartin

**H**ere are a few tips to consider when leaving your home for the summer months or for any extended period of time.

- **Turn off your water to the house** (shut off valve is usually found behind your house)!
- Turn off your hot water heater circuit breaker.
- **Do not turn off your Air Conditioner!!** Turn the temperature to 82 or 84 degrees.
- Empty, shut off and prop open your refrigerator doors.
- Close your blinds inside the house as this will keep the sun out and lower the inside temperature.
- If your house has outside shutters that fold down remember to do that.
- Cover all kitchen and bathroom drains – this will prevent bugs from coming into your house.
- Cover all toilets – this will prevent the toilet water from evaporating and keep sewer gasses out of your house.
- **Bring in all outside furniture and ornaments including your outside hose. This will prevent any of these items becoming projectiles during high winds. This is especially important when leaving for the summer as this is Hurricane Season!!!**

# EVACUATE or NOT

Pat Rivera

**W**hen all the local stations interrupt regularly scheduled broadcasts, it is getting serious. Because Briar Creek is a mobile home park, mandatory evacuation is issued. Some Creekers go. Some stay. Whatever choice you make, there are certain preparations that need to be taken.

Bring in all outdoor furniture, trash cans, lawn ornaments, or anything that could become a flying object when sustained winds or gusts reach speeds faster than you can run. If you are a seasonal resident, please tuck everything away before you leave for the summer.

Full-time residents are advised to bring things in if we are issued a hurricane watch or tropical storm warning. This includes all of the pool furniture. The chairs stack easily and can be carried into the clubhouse. A team of physically able-bodied people can accomplish this relatively quickly. After the storm, there is no big hurry to bring the chairs out. Especially if there is debris to clean up around the pool or in our own yards.

For Hurricane Milton, my kids (we survived Hurricane Andrew) became concerned for my safety and teamed up to get me out of harm's way. The arrangements happened so quickly I didn't take time to arrange a team to clear the pool deck area. In my absence, someone did, and I appreciate your thoughtfulness. Removing the chairs from the water was not an easy task.

## LIBRARY

*Helen Coar/Mary Houpt*

Mary and I, along with volunteers, have been keeping the BC library in order. We are trying to make room for the many recent donations. They are much appreciated. Just to let our Danielle Steel readers know, all of her hard cover titles have been moved to the shelves in the middle of the floor.

The new books currently featured are: Fiction: "By Any Other Name" by Judi Picoult. There are many other books by her on the shelf. This is her latest. The Non-Fiction featured book is: "Trash Talk-An Eye-Opening Exploration of Our Planet's Dirtiest Problem" by Iris Gottlieb. Seems like something of interest to all of us. If you would like to borrow either one there is a sign-up sheet on the windowsill. Featured books can be borrowed for 2 weeks.

**VOLUNTEERS NEEDED** -- We could use additional volunteers to help keep the library in order. It is an easy job. Sign up for a week to date stamp the new donations and check the returned books and put them on the shelf. If interested call: Mary at 727-754-2881 or Helen at 727-726-3923.

**A REMINDER:** Take a look in the "other room" and this is what you will find:

Non-Fiction--Westerns and a large collection of Zane Grey novels--Audio books--Large Print-Holiday reads--Jigsaw puzzles and games. All are for anyone to borrow.

## BRIAR CREEK BIRD WALK

Bill Kaempfer

Find out more about the natural setting of Briar Creek on our monthly bird walks. Each month outside of the summer we take a walking tour of Briar Creek for about 90 minutes starting at the Phase 1 Clubhouse. Bring your binoculars and wear good walking shoes as we visit the good birding spots in the park. If you want to, you can join us in a golf cart (please let me know in advance).

On November 1st, four of us took advantage of wonderful weather on our walk. Our best birds were a Pied-billed Grebe back for the winter on the Tarpon Canal and a migrant Summer Tanager along Birch Creek Drive. Our total for the walk ended up at 35 species. You can view the checklist by searching eBird.org for checklist **S200984241**

Join us in December on Friday the 6th at 8:00 a.m. at the Phase 1 Clubhouse.

## Board of Directors:

### Sam Oliverio President

**B**y now most of our snowbirds have returned to their Winter nests, and we welcome you with open arms.

You'll see that some projects have been completed since you left to go to your Summer homes. The bathrooms have a new look, and we have new lights in the Clubhouse, which brighten things up. We have other projects on the to do list which we plan on starting very soon. As always, Volunteers are greatly appreciated when we do these things.

Some other news you may or may not have heard about, but you should familiarize yourself with include a tree review program. We are aggressively monitoring trees that hang over the street. Homeowners whose trees hang lower to the ground than 14.5 feet will receive a notice in their Rock box giving them 10 days to trim their trees. If after 10 days the violation is not corrected, step 2 will come from the Management Company. If the violation has still not been corrected, the matter will be turned over to our Attorney. With the Hurricanes that we've had this Summer, it is in our best interests to lessen the damage to homes and vehicles by trees that should have been maintained.

You'll notice that our Shuffleboard area received damage from the last two storms. As a result, it's been decided that the awnings/coverings will not be replaced. We will continue to have a Shuffleboard Court, but we are also moving to construct a Pickleball Court. The Social Club has already purchased a portable Pickle Ball net, that has been met with enthusiasm by many. We are planning more projects in the New Year which will continue to move us in a forward direction.

Let's not forget how fortunate we are that we made it thru this Hurricane Season with much less damage than so many others, and the fact that we had no loss of life. Let's give thanks to our neighbors who went above and beyond for the cleanup efforts in Phase 2.

From our house to yours, we wish you a very Merry Christmas and a Happy, and Healthy New Year.

### Philip Chabot – Director Phase II - Garage, Lawns, Ponds and RV Lot

**A**s we end this calendar year of 2024, I would like to wish everyone a Merry Christmas and a very Happy New Year. Please be safe during the holiday season, don't drink and drive and most of all enjoy your family, friends and neighbor's here in Briar Creek.

## **Jim Tashjian – Director**

It's December already, the holiday season is in full swing. People are decorating their homes, yards, and even their golf carts. More and more people are walking and riding around phase I and phase II enjoying all the festive decorations...especially in the evening when the lights are on. It truly is the most wonderful time of the year!

So, are you thinking about putting lights on your house? Do you plan to decorate a tree or two in your yard? As director of outside alterations there is one thing I want you to know. You do NOT need approval from me, the board, or anyone else to decorate for the holidays. So decorate as much or as little as you like! We can't wait to see it. Please be careful on those ladders and step stools. Nobody wants to spend the holidays in the hospital or rehabilitation center.

Just a reminder...If your home sustained damage from Hurricane Helene or Milton, board approval is not required for necessary repairs to your property. All other alterations still require you to submit a request and get board approval before work begins. Blank request forms can always be found just outside the office door. (In the library area of the clubhouse) Once filled out they can be dropped in the office door mail slot or in my rock box at 193 Clubview Dr.

I wish you all a happy, healthy, and well decorated holiday season.

Merry Christmas.

## **Social Club President**

*Marge Groskopf*

“It's the most wonderful time of the year.” It's a busy time, a time to spend with friends and family. It's a time to recall wonderful memories. Try to participate in the events available within our community and Safety Harbor. As the years go by, we realize the Holidays aren't what they use to be. It's a great time to start new traditions with those around us and build new memories.

December is a busy time for preparation for the New Year. Our Social Club Officers will be voted on at the December business meeting. If you would like to run for an office please speak to Peggy Raynor. Don't hesitate to speak up, if you are an interested participant.

Membership dues will be collected for 2025. Gloria Boettger will be collecting money for your BLUE 2025 Membership Cards. Please purchase your card by April 30th. Other than new residents, six months should be more than enough time to pay your dues.

Wishing you a Wonderful Healthy and Happy Holiday Season.

## Saturday Coffee Hour

Bonnie Briggs

Social Club Vice President

By the time you read this, the hurricane season will have come to an end with no further damage or chance thereof. We've enjoyed our neighbors during this past summer. I want to thank all of you who have signed up and served coffee.

As we welcome back our snowbirds it's time for you to sign up to help serve coffee. This will be a great time to see old and new neighbors and for us to welcome you back.

Please sign up to serve coffee and donuts on the sign-up sheet in the hallway so we can continue to enjoy this time with our neighbors.

## Opera Afternoons

### December Opera Afternoon

- ***Hansel und Gretel*** by Engelbert Humperdinck
- Tuesday, December 17, 2024 - BC2 Clubhouse
- 2:00 - Opera performance 107 minutes, sung in German with English subtitles

**H***ansel and Gretel* is an [opera](#) by nineteenth-century composer [Engelbert Humperdinck](#), who described it as a Märchenoper (fairy-tale opera). The [libretto](#) was written by Humperdinck's sister, [Adelheid Wette](#), based on the [Grimm brothers'](#) fairy tale [Hansel and Gretel](#). It is much admired for its [folk music](#)-inspired themes, one of the most famous being the Abendsegen (Evening Prayer) from Act II. The idea for this opera was suggested to Humperdinck by his sister, who approached him about writing music for 4 songs that she had written for her children to perform. After several revisions, the musical sketches and the songs were turned into a full-scale opera. Humperdinck composed *Hansel and Gretel* in Frankfurt in 1891 and 1892. The opera was first performed in the [Hoftheater in Weimar](#) on 23 December [1893](#), conducted by [Richard Strauss](#). It has been associated with [Christmas](#) since its earliest performances and today it is still most often performed at Christmas time. Our performance features an all-star cast. Filmed in Vienna under the direction of August Everding in January and February 1981, although the soundtrack was recorded in September the previous year. This is similar to Jean-Pierre Ponnelle's technique; his belief that lip

synching enables singers to focus on their acting rather than worrying about where their next note is coming from. (107 minutes, sung in German with English subtitles.)

Russ

**\*\*Coming Soon** - The January 21st Opera Afternoon will feature La Cenerentola by Rossini. This is one of the hundreds of musical adaptations of the famous Cinderella story...this is a little different from what we're accustomed to but charming in its own way. "As close to pure joy as you will find in a big-time opera house", said the New Yorker, "conquering audiences and critics alike."

# Everyday A Holiday

Song by Dr. Marty Finkelstein

**D**on't need an alarm clock  
Just the sunrise to wake up and put a smile on my face  
Best time to sun gaze  
To feel those sun rays  
And open my third eye awake  
Can smell the coffee brewing  
Nothing I need doing  
But being in the miracle of the day  
Cause I don't know if it's Monday or Friday or the Weekend or the Weekday  
Though it doesn't really matter  
Cause each day feels like a holiday  
A little bit of Chi Gong some stretching have fun  
And wash any worries away  
There's a pickleball craze  
I can play tennis any day  
In my 70's still feel quite okay  
Maybe go to the beach  
Bring a book to read and meditate to the sound of the waves  
There's always music in town  
Festivals are all around  
Or I'll sit by the Dock of the Bay  
Put a guitar in my hand  
Julie's my favorite band  
To sing or write a song I play  
The sun begins to set down  
Colors dance upon the ground  
Like the magic closing of the day  
Cause I don't know if it's Monday or Friday or the Weekend or Weekday  
Though it doesn't really matter for each day feels like a holiday  
I use to wait for Thanksgiving  
Anticipate Christmas and New Years  
But now I am living where each day feels like another holiday

Enjoy the holidays my friends.

Dr. Marty Finkelstein lives in Briar Creek with his wife Julie

## Thebc2connection FKA the phonetree

Marsha Bowlby & Carol Rodrigues

**T**hebc2connection is Phase 2's email system to deliver messages to the residents. This gets information out quickly to all Phase 2 residents. This is used by both Condo & Social Club board members, Entertainment, Food Pantry, Ladies Luncheon, Water Committee, etc. If you are not on our email system you could be important information.

Phase II has 261 homes, at this time we have 257 residents signed up, that represents 203 homes. There are 38 different email systems being used by these residents. The most popular are Gmail (124) Yahoo (59) AOL (21) and Hotmail (12) the rest are single digits.

To sign up, send your name, address, and phone number to:

["thebc2connection@gmail.com"](mailto:thebc2connection@gmail.com)

and Carol or I will add you to the list.

If you are having a problem getting the emails, please let us know. We will try to help you. We have had a few residents open a Gmail account just to forward the emails to their present email system. We use the Gmail address, and it will then forward the message to your present email system. We have had success with this
