## PRESIDENT'S CORNER

*Submitted by Jan McCoy*

Our residents are returning and are busy bees with property repairs. It is like watching the park heal itself from the wounds of a battle. We've not had a busier time that I can recall. The impact of time sensitive hurricane repairs of our common areas, insurance claim submissions coupled with the administrative need to comply with the City of Pinellas change in billing of utilities has compounded the usual fall season's requirements of us all. We thank you for your patience while we continue to work through these concerns.

We are grateful for the level of ownership our neighbors are taking to return their home to its original condition. We know this isn't easy and we understand the frustration with needing to meet city permit requirements if the repair is structural in nature. It is important to follow the process, however, to ensure your plans meet city codes for the future safety of your home and the impact on neighbors. Our Board of Directors, Exterior Alteration Committee members and management team are here to assist with your questions.

Our 2025 Annual Meeting of the Membership is right around the corner. Board of Director members: Donald Barnes, Greg Jackson and Gary Thrasher's 3-year terms are up. We hope you will consider becoming a candidate. A meeting packet, 60-day notice was mailed on November 22, 2024, to your home of record. Please mark your calendar for Wednesday, January 22, 2025, at 10:00 a.m. in the clubhouse. See you there!

Our thoughts and prayers are with those who've been ill or have lost a loved one.

Respectfully submitted,

Janet McCoy

President, Board of Directors

Some homes have already been repaired, while we continue to work daily towards the repair of the damage to our common areas and buildings. A damage report has already been filed with our

# THOUGHT FOR THE MONTH

*Submitted by Pastor Nelson Blount*

I trust this will be a meaningful but brief insight into our Christ-mas season. It is my heart's desire to inform in a way that provides a foundation for faith; not religion, not churchianity, but a wholesome relationship with God who so loves the world. Not church people! Not good people! We're talking unconditional love. God so loved that He sent his only Son!

Here's the crazy thing: written over 700 years before Jesus' birth, the following scripture says this... Therefore the Lord Himself will give you a sign: Behold, the virgin shall conceive and bear a Son and shall call His name Immanuel. (Isaiah 7:14)

Donald Barnes led a Bible Study on Thursday evenings when Scott Farrington was hospitalized on life support. During that Bible Study we were stunned with the numbers of prophecies in the Old Testament that spoke of the details of Jesus' birth. Even though I knew these prophecies I found myself once again amazed at the precision and detail fulfilled in the birth of Jesus. So enlightening. I have copies for anyone interested or you can Google "prophecies fulfilled in Jesus's birth".

Of course, we're talking about the Bible (Basic Instruction Before Leaving Earth), and I understand that is a leap for some people. I'm not a Bible thumper nor a religious fanatic, however, my life changed as a result of responding to someone who told me his story. I decided that night to pray a simple prayer at the bumper of my car in a parking lot.

What would Christmas be without Jesus? Without Christ! Would we still have Black Friday! ;- ) How about Christmas parties! Gatherings of family, trees, gift giving! How about missing family members who were always there with us.

It's such a big deal, Christmas that is.

And you are such a big deal, even those who may not think so.

So I dare to offer this thought, this Christmas: May your hearts be full of peace and joy. May you have a sense of Christ being a little closer this year than maybe He's been before. May doubts be set aside to provide space for the One whose name bears this season of celebration. Enjoy your December wherever you are.

We who have relocated to sunny St. Pete may miss the white Christmas, but we'll have some great memories to serve us well. Remember! Be refreshed!

Your non-religious resident Jesus people pastor, Rev. Nelson Blount

## WEBSITE CHANGES

*Submitted by Maggie Stokes*

**D**ue to the unforeseen circumstances of hurricanes Helene and Milton, the changes to the website have been delayed. We will continue to work on the updates as circumstances permit. Our website designer's offices sustained damage from Milton, so please bear with us as we continue to improve our website.

We are upgrading portions of the website. We anticipate that the changes will be in place soon. Here are some of the areas that are "under construction."

- Logon Script

The logon button will be much more prominent making it easier for you to sign in and access the members only portion of the website.

- Board of Directors Minutes

The Board of Directors Minutes will have its own tab to facilitate ease in locating various minutes and supporting documentation.

- Committee Minutes

Minutes will be accessible by committee. You will not need to scroll through the entire posting to pull up a certain committee's reports.

- Forms

An entirely new tab will give you access to many of the forms that Sunset Palms uses. You will be able to click and download that form for printing. This is step one in the right direction. We anticipate some of these forms will be made interactive in the future.

- Governing Documents

This is another new portion of the website. There will be links to Florida statutes that govern our park. The Shareholder Prospectus including the By-Laws of the Park, and the Rules and Regulations of the Park will be available. The Committee Charters will also be available for you to read.

- Homes for Sale

The list of homes available for sale is now much easier to access.

This is YOUR website. Check it out!

## TRAVEL CORNER

### **T**he Early Bird Gets the Worm

Traveling before a destination becomes overly commercialized is essential for experiencing its authentic charm. My trips to Croatia in May 2021 and May 2023 highlighted this. I

witnessed a dramatic increase in crowds, underscoring the importance of “hop on before it’s too late.” In 2021, Croatia was still emerging as a tourist hotspot, allowing for a more intimate experience. Today is a different story.

### **Why Plan Your Japan Trip Early?**

Let’s talk about one of the newest up-and-coming travel destinations: Japan. With its rich culture and history, Japan is poised to become a must-visit location for travelers seeking unique experiences. By planning our trip early, we can take advantage of lower prices. This is especially important for popular travel periods, such as cherry blossom season in spring or the vibrant autumn foliage.

### **Avoiding the Crowds**

Our escorted trip in October 2025 offers a chance to explore Japan before it becomes too crowded. Traveling during off-peak seasons not only enhances your experience but also allows you to enjoy popular attractions without the overwhelming crowds. By committing to your plans now, you can ensure that you have access to the best experiences Japan has to offer while still enjoying its authentic charm.

### **Stay Connected**

Stay tuned for updates on our travel events through our Travel Facebook page ([sunsetpalmstravel](#)). We’ll be sharing tips, insights, and exclusive offers that will help you make the most of your upcoming adventure in Japan. Planning ahead not only allows for better pricing but also gives us ample time to research and curate an itinerary that suits all interests.

## SUNSET PALMS SOCIAL COMMITTEE – ACTIVITIES

*Submitted by Kevin Lawrence*

Sunset Palms Strong! We made it through Helene and Milton hurricanes safely.

There weren't many social activities during the month of October due to the hurricanes except for Music Bingo on October 3rd!!! That's always a good time and we have Steve booked with us every month.

The social committee has a meeting every month the first Tuesday of every month at 10:15am in the Clubhouse. We talk about upcoming activities. And as you all know, we always need volunteers.

Kevin Lawrence

Director of Communications

Volunteers spend countless hours working on your behalf; this is why we are always requesting more help. And this is why we need you. When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

# THESE PEOPLE

*Submitted by Ralph Payne*

It takes all kinds of people to make up this place  
A different colour, look, a different race  
Some are fat, skinny, small or tall  
Some talk too much and don't listen at all

Some carry a beautiful tone when their voices sing  
Others are too loud and have nothing to bring  
Certain ones talk above all around  
They are only noise, never will they be renowned

Some people think its funny as they put others down  
These people are the joke, often the talk of the town  
They don't value others or their points of view  
With their pompous, brash and arrogant attitude

One day you'll realize, you've made it this far  
And there's so much living left in the stars  
There's a short window so be happy and true  
So stay away from these people who don't value you

# LIFT STATION MONTHLY REMINDER - IMPORTANT

*Submitted from the Office*

**FLUSH ONLY:** Body waste and toilet paper. (The 3 P's = pee, poo, paper)

It is highly recommended that only ONE-PLY toilet paper be used to prevent clogging the toilet.

## **DO NOT FLUSH:**

- |                  |                                  |
|------------------|----------------------------------|
| • Tampons        | • Dust Cloths                    |
| • Sanitary pads  | • Wet Wipes                      |
| • Diapers        | • Kleenex                        |
| • Depends        | • Food, etc.                     |
| • Swiffer Cloths | • When in doubt, DON'T FLUSH IT! |

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.

SCAM ALERT

consumer.ftc.gov/articles

## Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**

Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

**Slow down. Verify.**
