To: Lake Seminole Resort Residents

From: LSR Board

Subject: Monthly Activity Report: November 2024

Dear Fellow Residents:

Thanks to all the residents who have reached out to help others in the Park. This kindness is really appreciated.

Debris Clean-Up: Hurricane Milton debris clean-up has taken some time. The metal items in Lake Seminole that were the responsibility of LSR have been removed. The Board has looked at clearing out the topsoil from the cove; however, the cost just to remove the excess topsoil is approximately \$40K which does not include the disposal of the residue soil. The Board has decided against this removal. The Board is still looking at cleaning up the boat ramp by the cove.

Lake Seminole Dam: The Lake Seminole Dam is now holding water. The dam still requires permanent repair, but the lake should start to fill.

Electrical Issues: The original electrical connection from the Duke transformer behind the office to the distribution panel at the office has been shorted out and is now in need of replacement. The “short” is due to the normal wear and tear of over 50 years of use. The Board has received one quote for the replacement of the line affected at \$15K. This is from a preferred supplier. Until this power connection is repaired, the pool pumps and heaters cannot run at full capacity and cannot be run with the well pumps. This means the pool water temperature will not be up to the 86 degrees expected and the well water will only be available for limited times each day until the line is replaced. The Board is trying to expedite this repair and will address this issue at the upcoming Board meeting on 9 December.

Spa Repair: The spa was repaired after Hurricane Milton damaged the fencing, pumps, and valves.

Tree Trimming: Palm trees were trimmed in November. The Board is still waiting for a quote to trim the oak trees.

Palm Tree Replacement: Hurricane Milton damaged or destroyed about twenty-two (22) palm trees. The Board will be looking into replacement but not all at once. The cost to replace one palm tree is a few thousand dollars.

Water Usage: Water usage has returned to normal levels in November.

Camera Repair: Several surveillance cameras were repaired in November.

Web Site: The LSR web site is now functioning following an issue with the provider.

Pets: Residents are reminded to update their pet vaccination records in the office.

Parking: Vehicles for sale are not allowed to be parked in front of the hall or laundry.

Complaints: Any shareholder that has a complaint, please send these complaints to me, in writing, at lsrdirector12@gmail.com.

Financial: The financial reports for November will be posted in the hall.

Best Regards,
Steve Schaefer
President

SCAM ! ALERT

Romance Scams

www.fbi.gov/how-we-can-help-you/scams-and-safety/common-scams-and-crimes

Romance scams occur when a criminal adopts a fake online identity to gain a victim's affection and trust. The scammer then uses the illusion of a romantic or close relationship to manipulate and/or steal from the victim.

The scammer's intention is to establish a relationship as quickly as possible, endear himself to the victim, and gain trust. Scammers may propose marriage and make plans to meet in person, but that will never happen. Eventually, they will ask for money.

If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

Tips for Avoiding Romance Scams:

- **Be careful what you post** and make public online. Scammers can use details shared on social media and dating sites to better understand and target you.
- **Research the person's photo and profile** using online searches to see if the **image, name, or details have been used elsewhere.**
- Go slowly and ask lots of questions.
- Beware if the individual **seems too perfect** or quickly asks you to leave a dating service or social media site to communicate directly.
- Beware if the individual attempts to isolate you from friends and family or requests inappropriate photos or financial information that could later be used to extort you.
- Beware if the individual **promises to meet in person** but then **always comes up with an excuse why he or she can't.** If you haven't met the person after a few months, for whatever reason, you have good reason to be suspicious.
- **Never send money to anyone you have only communicated with online or by phone.**

FLORIDA IS THE SUNSHINE STATE

Did you ever notice that sometimes when you talk to friends and family up north, while you are in Florida, that it's still light outside down here, while it's already dark up north? The reason for this is because as you get closer to the equator, the hours of daylight in the day increases. For example, on January 1, 2025 sunset in Ottawa, Canada is at 4:31 PM, in Pittsburgh, PA it's at 5:04 PM, while in Largo, FL it's at 5:47 PM. That means it stays light out for more than an hour at our location in Largo than it does in Ottawa, Canada. If you continue south to Quito, Ecuador, sunset is at 6:06 PM year-round. Quito is on the equator and they get 12 hours of daylight every day of the year. Florida's location near the equator means it receives more sunlight than most other parts of the country. Florida averages between 230 and 250 days of sunshine a year, second only to Arizona. Florida's nickname, the Sunshine State, was officially adopted by the state legislature in 1970. The state's warm climate and beautiful beaches attract thousands of tourists and snowbirds each year.

NEW YEAR'S EVE CELEBRATION IN THE LSR HALL

A New Year's Eve Celebration is planned for Tuesday, December 31st in the LSR Hall. Music will be provided by Bryan Dunne – Doors open at 7:00 PM – Music starts at 8:00 PM - BYOB and finger foods to share with your table. Tickets will be available at Monday Coffee and the cost will be \$5.00 per person. Dress is semi-formal.

CAN CRUSHING

Please crush aluminum cans and place them in the crushed aluminum can barrel located outside the laundry near the dumpster. The crushed cans are taken to the salvage yard and turned into money for the Social Committee to help to pay for events in the park. There is also a can crusher in the pavilion. Please do not put garbage, glass, tin, paper, or plastic in the crushed can barrel. This is for crushed aluminum cans only. Thanks for your help and cooperation.

GIFT BASKETS FOR THE CASINO NIGHT

If you offered to make up a gift basket, or if you are donating items to be included in a gift basket, please get your items to Marilyn Koeth or Kim Grierson by the end of January. Thanks!

The men's golf league has started with play happening on Wednesday mornings.

The LSR Men's Golf league compete among the several foursome teams from LSR, as well as against nearby resident-owned park, Holiday Shores.

The league plays at The Landings Golf Course in Clearwater, and because of the league, we get a discounted rate. The best way to get more information, or to get involved with the Men's Golf League, is to attend one of the weekly meetings held on Thursday mornings at 8:00 AM in the LSR Hall. This is when they set up the foursomes, who's driving and picking up golfers for the following Wed morning. The tee times normally start at 7am. It is also at this Thursday meeting where they announce the winners from the day before (Wed), and hand out prizes for birdies (a golf ball!)

Did You Know?

National Spaghetti Day is celebrated every year on January 4th

In January of 1610, Galileo Galilei discovered the presence of moons around Jupiter? This marked the first discovery of moons orbiting a planet other than Earth!

The month of January was named for the Roman god Janus? Janus had two heads, symbolizing one head looking backward and one looking forward.
