## Co-op Updates

*By Al Noeller, President PI Co-Op*

### *Happy New Year!*

**A**s we start 2025, we find ourselves still recovering from the events of 2024. Repairs to things damaged during the storms and getting repairs on what would have been just normal repair issues, have all been delayed. Patience Please! Over all Paradise Island is in very good shape and the management team is working diligently to make or get all repairs done as quickly as possible.

We are anticipating that all home owners are also planning to repair the storm damage to their homes as soon as possible to keep PI beautiful and to maintain the commitment to the community. We understand that working with insurance companies can be frustrating and time consuming, but getting all of our homes back to normal does help the resale value of all the homes in the community. Your commitment and the repair status will be checked before your home sale can be approved. Thank You for your assistance with our recovery.

Please enjoy the many social activities planned for this season. We all appreciate all the volunteers and the effort it takes to make these events happen. If you can help out, please be a volunteer for some activity that you enjoy and you will meet others with similar interests and it is rewarding. Please consider volunteering.

***Have a Great 2025!***

## HOA UPDATE

By Ken Hopkins

**H**APPY NEW YEAR!! Welcome to 2025. We made it and are stronger as a community for all the trials. I sure am glad to be a part of Paradise Island. Despite the obstacles we were able to accomplish a lot last year, and look forward to realizing even more benefits for our residents this coming year. The new board will be installed on the 8th, and I know they are as excited as me to get going. With your help and support, we can get more done and continue to make this the best community in the area. The Thanksgiving and Christmas gatherings were very successful and it is our hope that you were able to enjoy the spirit of this past holiday season. On behalf of the HOA Board, I wish each and every one of you a happy and blessed new year. Be well.

## HOA ELECTION MEETING

By Ken Hopkins

### JANUARY 8, 2025

**O**n January 8th, 2025, at 7:00PM in the Clubhouse, the HOA will hold its annual election of the Board of Directors. This will take place immediately following the regular board meeting. In the event that there is an equal number of candidates for the open positions, there will not be an election but rather appointment by acclimation. Come on down early and enjoy coffee and doughnuts while conversing with the candidates and your neighbors. See you there!

## HOA Home of the Month

By Liz Neumann

**C**ongratulations to our December winners Philip Moldenhauer and Kay Jones at lot #512 on Palm Island. They received a \$50.00 Visa gift card, and a Paradise Island Home of the Month sign was placed in their planter until the committee chooses the Januarys winner. Good luck everyone!

## Did You Know?

By Co-Op BOD

**T**hat when selling or renting your home there is an application and approval process that is required for all buyers and renters prior to completion of a sale or rental. The required Sales Packets and Rental Packets are available at the office if your realtor does not already have it or if you are not using a realtor. There is a checklist along with the required forms for ease in completing and turning into the office to facilitate the required approval process. There

*continued on page 6*

is an application fee for all applications and background and credit checks will be completed as needed. You or your realtor will be notified upon approval. All approved buyers must schedule and complete an orientation prior to closing. All approved renters must schedule an orientation to be completed in advance of moving in or to be completed upon arrival.

Orientations are held in person or may be completed on ZOOM depending on the need. If you are adding an additional resident/occupant in adherence with the rules & regulations or have need for a live-in care giver, they too must complete an application process and go through the approval process prior to moving in. Adhering to the requirements will help speed up the approval process. Your cooperation is greatly appreciated. Happy New Year!!

## Neighborhood Watch

By Nancy LaBelle

Everyone is always welcome to attend our meetings on the 3rd Tuesday of every month at 10AM.

Office Keith Bowling, the LPD liaison is usually there with information about safety, issues to be aware of and recommendations to stay safe. He recently told us about some new scams in this area.

Be alert to QR code scams. For example, packages you receive asking you to scan a QR code. DONT SCAN! Also, Parking lots with QR codes to scan. SOME have been covered over with the QR code of scammers. Avoid this by downloading the parking app before you need to use it.

No one should come to your door from your bank and ask for your information.

There is the Couple Scam. One person causes a distraction and the other steals your wallet/ phone out of your purse, your purse, or your credit card out of the machine for example.

Another method to secure your golf cart can be to use a wheel boot.

Security Assessment with the Lock Box are behind and rather than calling please email [ecurityassessments.com](mailto:ecurityassessments.com). This is also for any difficulties with lock boxes.

Golf cart/ bicycle registration at this time had been rescheduled for Jan.11 due to an LPD conflict. ANY ADDITIONAL CHANGES WILL BE IN PARADISE ISLAND LARGO

Happy New Year from the Neighborhood Watch Team.

## Social Committee Update

By Diane Billman

**H**APPY NEW YEAR TO ALL OUR PARADISE ISLAND RESIDENTS! Another year in the History Book of Paradise Island. Where in the world did 2024 go? The older I get the faster time seems to go!

We have finally heard back from a licensed Construction Contractor with a quote and even though it is quite a bit higher than we anticipated, the PISC BOD has voted to increase and approve the additional amount. It should be completed in Feb or March of 2025. We will keep everyone informed as we know more. We will need to wait on the permit to be approved first.

At the time of this writing, I don't have a definite amount yet but it looks like we will be

SCAM ! ALERT

## Romance Scams

[www.fbi.gov/how-we-can-help-you/scams-and-safety/common-scams-and-crimes](http://www.fbi.gov/how-we-can-help-you/scams-and-safety/common-scams-and-crimes)

Romance scams occur when a criminal adopts a fake online identity to gain a victim's affection and trust. The scammer then uses the illusion of a romantic or close relationship to manipulate and/or steal from the victim.

The scammer's intention is to establish a relationship as quickly as possible, endear himself to the victim, and gain trust. Scammers may propose marriage and make plans to meet in person, but that will never happen. Eventually, they will ask for money.

If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

## Tips for Avoiding Romance Scams:

- **Be careful what you post** and make public online. Scammers can use details shared on social media and dating sites to better understand and target you.
- **Research the person's photo and profile** using online searches to see if the **image, name, or details have been used elsewhere.**
- Go slowly and ask lots of questions.
- Beware if the individual **seems too perfect** or quickly asks you to leave a dating service or social media site to communicate directly.
- Beware if the individual attempts to isolate you from friends and family or requests inappropriate photos or financial information that could later be used to extort you.
- Beware if the individual **promises to meet in person** but then **always comes up with an excuse why he or she can't.** If you haven't met the person after a few months, for whatever reason, you have good reason to be suspicious.
- **Never send money to anyone you have only communicated with online or by phone.**

donating somewhere between \$1300 and \$1500 to the Outreach program operated by The Church in the Park. As we have stated in previous correspondence, the Outreach Program is in place to help residents of Paradise Island who might be having trouble paying a utility bill, medical co-pay or other bill, help fix the damage caused by the hurricanes, etc. To be considered, please contact The Church in the Park for further details.

The PISC as well as the Co-Op BOD and HOA BOD all operate solely by volunteers but we can't do it all by ourselves. We NEED YOU to help out. We have activities that always need help. The activity chair people are listed on the inside of the front cover of each Monthly Media. If you have an interest in an activity, contact the Chairperson and ask what help they are in need of. Right now the PISC is in need of the following:

Chairperson for Blood Drives, Bandingo, Bulletin Board, Clubhouse Decorating. If you have an interest in volunteering, please give me a call at 727-434-0048 and I will go over what is required of each. Some are pretty simple and don't take much time to do. I promise I don't bite!

December started out with our Ladies Holiday Luncheon and we would like to once again say "Thank you" to our Men's Club who cooked and served the meal and what a great job they do! We appreciate you!!!! As of this writing our Christmas Dinner/Dance hasn't happened yet but I am sure it will be lovely and fun. The New Year's Eve dance SOLD OUT the 2nd week tickets were on sale and again, I am sure it will be a great night with The Shakes Society. We knew it would sell out quickly and it did.

The Talent Show for January has been canceled due to lack of participation and we are hoping to put a Bandingo event in that time slot. I am waiting on them to get back with me at the time of this writing.

Welcome to our new residents. If any resident (new or past) didn't fill out a Social Committee Resident Survey at their orientation requesting a Meet n Greet with our Welcome Team, please reach out to Nancy Jonas at 727-221-9613 or Paulette Rich at 304-582-2285 and request one. It is our goal to meet with all new residents to inform them of all the different Social Activities within the park, but sometimes things do fall through the cracks and we don't get notified of someone. If that is you, please call Nancy or Paulette.

Make 2025 your best year yet! Leave the past behind and start 2025 fresh. Start a Gratitude journal, do acts of kindness for others, as well as yourself.

## LADIES HOLIDAY LUNCHEON

*By Betty Simpson*

The Ladies Holiday Luncheon was fun for all who attended. A huge thank you to the men who cooked and served the meal and cleaned up afterward. All of the tables were beautifully decorated. Prizes were awarded to the top three, but the judges had a difficult time and felt that everyone should win! Mark your calendars and gather your friends for the next Ladies Holiday Luncheon on December 6, 2025.

## Ladies Monthly Luncheon

By Beth Pieckiel

Happy New Year! As we come together for the 2025 Monthly Ladies Luncheon, we meet at a restaurant of your hostess choice. This luncheon is open to all of the ladies who reside here in Paradise Island. To kick off our monthly luncheon for January 28th, 2025 at 11:30 a.m. and I have chosen:

O'Keefe's Tavern  
1219 S. Fort Harrison Avenue  
Clearwater, FL 33756  
(727) 442 - 9034

You can sign up for The Monthly Ladies Luncheon at the clubhouse. If you do sign up and then find you are unable to attend, PLEASE remove your name from the sign up sheet. This is a very important component for our luncheon as your hostess will call her restaurant of her choice to give the restaurant a head count for them to set us up for service. If we have 25 ladies sign up, that is what the restaurant sets up for and if only 12 ladies actually attend it doesn't look favorable on our part. Thank you for understanding.

If you have any questions regarding this luncheon or would like to be a hostess, please call either myself, Beth Pieckiel at (214) 538-7094 or Kim Gibson at (440) 840-4093. We look forward to seeing all the ladies come out and join us for a fun afternoon with your friends and neighbors, new and old.

# New England Plus

By Gail White

The New England + Dinner group will NOT be meeting in January, since the dinner date falls on New Year's Day. Try to have a happy New Year anyway!

The next dinner will be at 4 p.m. Feb. 5 at Zum Hee Restaurant, 9015 Park Blvd., Seminole, to celebrate the Chinese New Year, which occurs on Jan. 29 (It's the year of the Snake!). We'll remind you again next month.

Please note that Zum Hee is closed from 2:30-4 p.m. daily, so early birds will have to wait!

As usual, all Paradise Island residents are welcome!

For the February dinner, there is a Facebook group page called New England + Dinner that can be used to register and sign up. You can also use the signup sheet in the clubhouse. Questions? Please contact dinner coordinators Gail White (412-561-5943) or Maureen Ronney (248-835-8127).

Thanks to everyone for December's massive and enthusiastic turnout!

# Did You Know?

National Spaghetti Day is celebrated every year on January 4th

In January of 1610, Galileo Galilei discovered the presence of moons around Jupiter? This marked the first discovery of moons orbiting a planet other than Earth!

The month of January was named for the Roman god Janus? Janus had two heads, symbolizing one head looking backward and one looking forward.

### Coast Guard Set to Receive New Icebreaker by Year's End, Bolstering US Presence in Arctic:

A commercial icebreaker will join the Coast Guard's fleet by the end of the year, officials told lawmakers during a House subcommittee hearing Thursday on U.S. efforts to expand presence in the Arctic. The Aiviq, an oil exploration support vessel that has worked in the Arctic and Antarctic regions, is currently in Pascagoula, Mississippi, where it is being adapted for Coast Guard use. According to Vice Adm. Thomas Allan, the Coast Guard's deputy commandant for mission support, its hull is now "a quarter Coast Guard icebreaker red" and the service has plans to take it out to determine what "capabilities it has." "We're making tremendous strides in that with the owner," Allan said in the hearing, referring to Offshore Service Vessels. "We will be on board soon to finalize negotiations, looking at how we, in the short term, crew that with commercial operators."

The Aiviq, which will be homeported in Juneau, Alaska, is expected to be in the Arctic region in early to mid-2026, he added. The Coast Guard has two ocean-going icebreakers, the Healy, which operates in the Arctic, and the Polar Star, a 48-year-old ship that is the only one capable of breaking heavy ice in Antarctica. Efforts are underway to build three new vessels -- the Polar Security class -- with an aim to start construction of the first, the Polar Sentinel, by the end of the year, Allan told the House Transportation and Infrastructure Committee's Coast Guard and maritime panel.

A memorandum of understanding signed Nov. 13 between the U.S., Canada and Finland should help accelerate construction of the Polar Security cutters, according to the administration. The agreement aims to increase cooperation to improve their construction by leveraging the strength of the American shipbuilding industry with the polar expertise of the Canadian and Finnish work forces. This fall, China and Russia held their first-ever joint patrol of the Arctic region, coming as close as 12 nautical miles to the Alaska coast in October, traversing through the Bering Strait just outside U.S. territorial waters off the Seward Peninsula. And several times this year, Chinese and Russian bombers have flown in international airspace just off Alaska in what is known as the Alaska

Air Defense Identification Zone, prompting the North American Aerospace Defense Command to scramble U.S. and Canadian fighter jets. The Department of Defense's 2024 Arctic Strategy calls for increased presence in the region as the climate shifts, warming up the seas, leading to a reduction in ice and increased traffic in the area, including activity by potential adversaries. According to the strategy, the plan is for the U.S. to take a "monitor and respond" approach, having robust intelligence collection in the region, cooperation with regional allies and deterrence through presence.

The Coast Guard commercial icebreaker program is part of that plan, with the Aiviq providing patrol operations starting in 18 months. "I don't think we are looking to make tremendous investment on the vessel going forward," Allan said. "We need it for presence and to be able to operate." The Aiviq will be homeported in Juneau at a former National Oceanographic and Atmospheric Administration pier that "needs a lot of maintenance, a lot of work," but getting the ship to the region is a priority, Allan told the panel. "We are at least going to make sure we have a presence with that vessel," Allan said.

The Polar Security cutters are slated to be homeported in Seattle, where the Polar Star and Coast Guard cutter Healy, the service's only medium polar icebreaker, are currently assigned. The Coast Guard cutter Healy suffered a fire in August but was repaired and quickly returned to the region in October to conduct an expected 10-week patrol.

Rep. John Garamendi, D-Calif., told Allan and Vice Adm. Peter Gautier, deputy commandant for operations, that they should not shy away from requesting the funding the service needs to improve the force. "You've got to be very clear with us, your unfunded priority requirements and why they are critical. Don't be timid ... we want you to be bold," Garamendi said.

Bob Behm LTC, (US Army Ret.)

By Denise Donohue

**Steven Joseph Pieckiel**

**October 9, 2024**

**Lot #159**

Steven passed during the evacuation of Hurricane Milton, and he passed peacefully in his sleep on the 9th of October. He had been battling successfully with lung cancer and because of a fall he had in August his body just couldn't handle any more pain or treatments. He is survived by his wife Beth Ann Pieckiel and they loved their life in Paradise Island since 8/10/2016. Steve is also survived by his children Micheal Pieckiel (Erin) and their son Aiden, also Kevin Pieckiel and his bonus children Eric Hogan (Robin) and Amy Brzuchalski (Jason) and bonus grandchild Tyler Sherrod. He will be greatly missed by them all.

Steve served 20 years in the U.S. Navy from 1971 until his retirement in 1991. He worked in the private sector from 1991 until 2016 when he again retired, and Steve & Beth moved here to Paradise Island. He worked here in Largo for the Pinellas County Emergency Services, when he retired again in 2018.

Steve will be buried at sea, as once a sailor always a sailor! A private memorial service will be held in his honor, date to be announced. Beth and her family gratefully extend their deepest thank you to all who have reached out to her and the family.
