State Licensed Mobile Home Installer

FROM THE PRESIDENT

By Barry Porter

This past year has been a very busy one with thirteen board meetings of varying types. Much was discussed and much got started, continued, or done.

WE:

- Spent approximately \$65,000 in hurricane cleanup costs.
- Brought pool lighting up to State standards.
- Moved forward with the Canal project.
- Began our Sewer Project.
- Had the library windows tinted.
- Hired a firm to update our Reserve study.
- Handled the aftermath of two hurricanes.
- Established a new procedure for replacing trees and got it underway.
- Dealt with two petitions, both we unsuccessful.
- Successfully foreclosed on two properties.
- Handled the day-to-day business of operating a park like budgeting, resident issues, selling and buying of homes, approving residency etc.

Now, something that was brought up by our CAM and a new resident to the Park, was the Reserves. When that issue was put to a proxy vote it was turned down. The repercussions of this could be critical for the well-being of the Park and for residents. If next season is like this one, there could be more damage from climate changes which are getting worse, not better. That means funds for repairs and cleanup must come from other budgeted items like the sewers or if needed from the residents. Why say NO to this issue when it can only hurt the financial well-being of our Park and our pockets.

MANAGER'S MESSAGE

By Bobbi Gumm, CMCA, AMS

Board of Directors – The office would like to welcome the 2025 Board of Directors! We look forward to working with you!

Office Closure- The business office will be closed February 17th for President's Day.

Tax Exemptions – In addition to a Homestead Exemption for year around residents, there are several other exemptions you may qualify for. Some examples are: Widow/Widower Exemption, Blind Persons Exemption, Disability Exemptions, Disabled Veterans or Surviving Spouse Exemptions, and Low-Income Senior Exemption. The deadline to file for these exemptions is March 1, 2025. For more information, contact the Pinellas County Property

...continued on page 6

Appraiser's Office by calling 727-464-3207 or visit their new office located at 2500 34th Street North, Second Floor.

Alteration Requests – This is just a reminder that any changes to the outside of your home must be approved by the Alteration Committee and two Board Members prior to starting any project.

CWC Decals – We have noticed more residents having golf carts in the community. Please remember to stop by and get your decal for your golf cart. Also, please remember that residents must have a CWC decal on the vehicle as well.

HOME AND YARD - While the northerners are here and the weather is cooler for us all, we are asking that you tend to your home and yard to avoid any future violations. If your home or trim needs a washing, new coat of paint or repair, bushes, trees, palms need trimming or anything else to spruce it up, please tend to that before you leave or it gets hotter. Northerners, please don't forget to go around your home and inspect before you leave in the spring. Bring in any items that could be a projectile to your or your neighbor's home. We were VERY lucky last summer with the two hurricanes that came very close to us! Next time, the winds may grab those cute little items and shoot them where we least expect it.

Happy Valentine's Day! Treat your sweetheart special on the 14th. If you don't have a special someone, perform an act of kindness for someone to make them feel special.

That is all I have for this month, stay safe.

FROM THE EDITOR

By Donna Collins

Happy Valentine's Day to all.

We welcome our new Board of Directors. They are giving their time and energy to do what is needed to make our Park a safe and happy place to live. As like all of us, our Park is getting older and therefore requires "medical" attention. This is an ongoing, expensive, and necessary process. If you don't agree with something that is or isn't happening, don't just complain, step up and volunteer to help. It is disturbing to have three vacancies for the Board this year and only two people submitted their names to run, however one withdrew. If you don't want to help then don't criticize or complain.

Thank you to all the people who do contribute to make our Park one of the best places to live.

Have a safe and healthy month.

CASCADE SOCIAL CLUB, INC.

By Sue Desnoyers,

It's hard to believe the first month of the year is gone. So much happened with a breakfast, coffee and donuts and a potluck dinner/dance.

February will be just as busy. There will be a breakfast and the Social Club Annual meeting on Saturday, February 1st. Don't forget your plates and cutlery. Friday, February 7th will be the Horse Races in the Clubhouse. Bring your quarters and bet on your favorite horse and jockey. Payouts are 100 %. You can't get better odds at a track anywhere. Then the Western Dinner/dance on Saturday, February 22nd will round out the month.

Get your tickets every Wednesday in the library from 10:00 to noon. Come out and enjoy yourself with your friends and neighbors.

PARK CARPORT SALE – FEBRUARY 15

Louise Parker is again coordinating this event. She has been a busy bee collecting small items from residents of our park. However, because of limited storage space we are asking that you please keep your boxes of unwanted clean items at your home until Friday, February 14. You can schedule pickup with Louise, or bring them to the clubhouse on Friday. No large appliances accepted. Please talk with Louise about any furniture you plan to donate (902-488-3937).

Residents are encouraged to have their own carport sale. Let Louise know and she will mark your lot number on a map so buyers can find you. Maps will be available at the Clubhouse.

FLA-MING CHA-CHING – MARCH 22

Flamingos are being sold in the Library every Wednesday from 10am to noon. Flamingo quilt (donated by Shirley Pardy) is on display and tickets are available for purchase. Maddy will come to you if you can't get to the Library (412-716-2129).

LIBRARY & BOOK TALK

By Ann Vetter

Our library recently received a beautiful work of stained glass from Bev Richards. It is hanging on the north wall overlooking the family pool. We are so appreciative of her talent and generosity.

Our next Book Talk will be February 8 at 11:00. There is no special book to read, come to get great suggestions or to share what you have been reading. Our group reads a wide variety of books. Happy Reading!

Groundhog Day

Groundhog Day is a tradition observed regionally in the United States and Canada on February 2 of every year. It derives from the Pennsylvania Dutch superstition that if a groundhog emerges from its burrow on this day and sees its shadow, it will retreat to its den and winter will go on for six more weeks; if it does not see its shadow, spring will arrive early. In 2024, an early spring was predicted.

United States

The largest Groundhog Day celebration is held in Punxsutawney, Pennsylvania.

Stonewall Jackson predicts at Space Farms Zoo and Museum.

Essex Ed the groundhog and Otis the Hedgehog predict at Turtle Back Zoo in West Orange, New Jersey

“Malverne Mel” is the groundhog of Malverne, in Long Island, New York. Mel began his position in 1996.

Quigley, of The Hamptons predicts at Quogue Village Fire Department.

French Creek Freddie is West Virginia's resident groundhog meteorologist. A resident of the West Virginia State Wildlife Center in French Creek, West Virginia, Freddie made his debut in 1978, and boasts an accuracy rate of approximately 50%.

Holtsville Hal resides at the Holtsville Ecology Site and Animal Preserve in Holtsville, NY. He predicts the weather for Suffolk County, NY, in front of hundreds of residents each Groundhog Day.

Buckeye Chuck, Ohio's official State Groundhog, is one of two weather-predicting groundhogs. He resides in Marion, Ohio.

Woodstock Willie predicts from Woodstock, Illinois, the shooting location for the 1993 film Groundhog Day.

In Raleigh, North Carolina, an annual event at the North Carolina Museum of Natural Sciences included Sir Walter Wally. According to museum officials, Wally had been correct 58% of the time vs. Punxsutawney Phil's 39%. Sir Walter Wally retired after 2022 leaving Snerd of Garner as the only weather-predicting groundhog in the state.

Elsewhere in the American South, the General Beauregard Lee makes predictions from Lilburn, Georgia (later Butts County, Georgia).

Canada

Due to Nova Scotia's Atlantic Time Zone, the province's official groundhog, Shubenacadie Sam makes the first Groundhog Day prediction in North America.

Warton Willie forecasts annually from Warton, Ontario.

Manitoba Merv has been forecasting since the 1990s, at Oak Hammock Marsh.

Winnipeg Wyn has been forecasting since the 2010s, at Prairie Wildlife Rehabilitation Centre.

Balzac Billy is the "Prairie Prognosticator", a man-sized groundhog mascot who

prognosticates weather on Groundhog Day from Balzac, Alberta.

Nanaimo, a ferry port city on Vancouver Island in British Columbia, Canada present Chopper, Marlu, and Van Isle Violet, all wild Vancouver Island marmots, for forecasts, via the Marmot Recovery Foundation.

Taken from Groundhog Day - Wikipedia

These are some, but not all of the types of celebrations and animals used to make the predictions. The animals range from a cat, stuffed groundhogs, and people dressed as a groundhog. Personally, I will stick to Wiarton Willie, Punxsutawney Phil, and Shubenacadie Sam. Wherever you live or which prognosticator you chose, enjoy this whimsical tradition but don't put any faith in their predictions.

Ladies Golf

What a good looking group from November 21, 2024. Better late than never.

LEAGUE SHUFFLEBOARD

Hello Shuffleboard players,
League Shuffleboard is well underway by now. Hopefully without too many issues. We are asking that you find a Sub, if you can't make it, on your scheduled day. It's only fair to the rest of the team.

Just a heads up, If you want to play Fun Shuffleboard, Cornhole or Horseshoes, the keys are under the cabinet in the Billiard room. You will need your "CC ID" to scan in, to open the door to Billiard Room.

Fun Shuffleboard Cabinet is #36

Cornhole is #27

Horseshoes is the single cabinet, No #

Bocce Equipment is also in the Billiard room.

Cabinet #26 is for League Shuffleboard Only. No key is available for that cabinet

Please return the key to the Billiard Room when done. Thank you in advance.

Enjoy! See you on the courts.
