From The President

Diane McSweeney

Dear Shareholders,

Welcome to March. As the winter has been passing, any events have been thoroughly enjoyed by residents and guests. Many thanks to Rose and her group for all their efforts, Doug Brown for the garage sales, and to Dave Crossman for the steak fry. All events were enjoyed by many.

Alligators have been a topic of conversation this last month.

Alligators in Florida exhibit various behaviors influenced by their environment, season, and biological needs. Here are some key aspects of their behavior:

1. Basking and Thermoregulation

- Alligators are ectothermic, meaning they rely on external sources of heat to regulate their body temperature.
- They bask in the sun during cooler months and seek shade or water during hot weather. They will lie on the edge of banks or sand bars to acquire their body heat.

2. Activity Levels

- Spring & Summer: More active due to warmer temperatures and the breeding season.
- Fall & Winter: Less active, often brumating (a state similar to hibernation) in burrows or underwater.

3. Breeding Behavior (April - June)

- Males become territorial and bellow to attract females.
- Females build nests using vegetation, mud, and sticks.
- Hatchlings emerge in late summer and stay near the mother for protection.

4. Feeding Habits

- Alligators are opportunistic carnivores, feeding on fish, birds, small mammals, and even carrion.
- They are most active at dawn and dusk for hunting.

5. Territoriality and Aggression

- Males are territorial, especially during mating season.
- Alligators generally avoid humans but can become aggressive if threatened or provoked.

6. Burrowing Behavior

- They dig “gator holes” in marshes, creating vital water sources for other wildlife.
- These burrows provide shelter during extreme weather.

7. Interactions with Humans

- Alligators in Florida have adapted to human presence but should NEVER be fed, as this leads to aggressive behavior.
- They are protected under state and federal law.

State Licensed Mobile Home Installer

Statewide Alligator Harvest Program

The FWC oversees the Statewide Alligator Harvest Program, which allows for the sustainable hunting of alligators. To participate, individuals must obtain the necessary permits and licenses:

- Alligator Trapping License: Required for those intending to trap alligators.
- CITES Tags: Issued with harvest permits; each tag corresponds to an alligator that can be legally harvested.

Participants are allowed to take up to two alligators per permit during the designated season. All harvested alligators must be reported within 24 hours.

Hunting is NOT permitted in Holiday Shores but is permitted in the lake as per rules of FWC.

Alligators in Holiday Shores

Lake Seminole is home to a wide variety of animals. It is their home and we need to respect this. As we all are aware, each resident has their three feet around their home. Beyond is common ground that we all own. Calls to nuisance control are made through the office ONLY. If the office is not open, feel free to call the Board President only. If it is a life threatening situation, call Pinellas County Sheriff.

Safety Guidelines

Residents are advised to exercise caution around bodies of water:

- Maintain Distance: Keep a safe distance from alligators.
- Do Not Feed: Feeding alligators is illegal and can cause them to lose their natural fear of humans.
- Supervise Pets and Children: Keep them away from the water's edge.
- By adhering to these regulations and guidelines, residents can coexist safely with alligators in Pinellas County.
- It is against the law to feed any animals in Pinellas County. Animal Services Enforcement should be contacted if you see this happening. 727 582-2600.

Sewer Project Updates

As updates are available, all information will be shared with residents.

Best Regards,
Diane McSweeney President

A Message from Your Community Association Manager

Camille Robinson

Hello Holiday Shores Park Residents,
I hope this newsletter finds you well. I'm writing to you today with some important reminders and updates regarding our community.

Florida Wildlife - Alligators

As we all know, we live in Florida, and alligators are part of the natural habitat in our state's waters. You may occasionally see alligators come out of the water to sunbathe. **It is crucial that you do not feed the alligators.** Feeding alligators can make them lose their natural fear of humans and become more aggressive. For your safety and the safety of others, please adhere to this important guideline.

Pet Leashes and Safety

Please remember to keep all pets on a **6-foot leash** when walking them within the community, especially near any water sources. This is not only for the safety of your pet but also for your safety, as it helps prevent encounters with alligators or other wildlife.

General Wildlife Safety

Despite all safety recommendations, please always practice caution and common sense when interacting with or observing wildlife. Remember that these animals are wild and unpredictable.

Wildlife Removal

All requests for wildlife removal from the property must be reported to the office. As we are on private property, any removal efforts must be approved by the office before any action is taken. Please do not attempt to remove or relocate any wildlife yourself, and please do not approve wildlife to be removed from the property this should be handled by the office or by the board president only.

Home Improvements and Construction

A reminder to all residents that any work being done on your home, including renovations and additions handled by a contractor **requires a permit**. This ensures that all work is done to code and maintain the aesthetic standards of our community.

Architectural Requests and Board Approval

Before beginning any home improvement project, you must submit an architectural request form to the association. **After** the architectural committee approves your request, it must then go before the board for final approval before any work can commence. Please allow sufficient time for this process, as work started without proper approval may result in fines or other actions. You can find the architectural request form located inside of the Holiday Shores Park office.

Thermostat Instructions for the Clubhouse

For temperature control of the thermostats in the clubhouse, please follow these simple steps:

1. Press the center button once quickly.
2. The raise and lower buttons will then appear.
3. Use these buttons to set your desired temperature.
4. Important: Please refrain from changing the mode to heating or cooling.
5. Once you set the temperature, the display will revert to showing the current temperature, not the set temperature.

Garbage Disposal

A friendly reminder that loose garbage and garbage bags are **not permitted on the curb**. All household trash must be disposed of in your personal garbage bins at your residence. If

...continued on page 12

you have an overflow of regular household trash that doesn't fit in your garbage bins, please utilize the community trash bin located near the maintenance shed, and all garage bins should be kept in the rear of your driveway. Your cooperation in keeping our community clean and tidy is greatly appreciated.

Social Media Reminder

Residents are reminded that creating social media accountsi If you choose to create a personal social media account where you discuss community-related topics, please include a clear disclaimer in your profile or posts stating that the account is not an official Holiday Shores Park platform. This will help avoid confusion and ensure accurate information is disseminated.

Coyote Season and Safety Tips

We are currently in coyote mating season, and there has been an increase in coyote sightings within Holiday Shores Park. Coyotes are generally wary of humans. If you encounter one, make noise by clapping your hands or shouting; this will usually scare them away.

For the safety of your pets, please ensure they are **always on a 6 foot leash** when walking in the park. Coyotes may see ALL animals as prey, so extra vigilance is necessary. While coyotes typically roam after dark, they have also been sighted during daylight hours. Please be cautious and aware of your surroundings at all times.

General Safety Reminders:

- Keep pets on 6 ft leashes and under control at all times.
- Be aware of your surroundings, especially during dawn and dusk.
- Do not approach or feed coyotes or alligators.
- Report any aggressive coyote or alligator behavior to Florida Wildlife Commission.

Thank you for your cooperation in keeping Holiday Shores Park a safe and beautiful place to live. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,
Camille Robinson Community Association Manager

April 5th is approaching fast. If you would like to help/assistant with your Park's Annual Picnic, there is a sheet in the clubhouse on the bulletin board. Please indicate if there is a particular item you would like to help/do for the picnic.

If you are planning on coming to the picnic, please indicate if you do plan to attend, again there is a sheet in the clubhouse on the bulletin board.

I appreciate the people who have signed up to help with the picnic. I hope to have a workshop to review everything. A big THANK YOU to *Tom Speranza* for the folder and information you have provided.

Holiday Shores Activities Association

GOLF: HOLIDAY CHIPPERS

Pinky Virden, Pam Grimm

December was chilly, but we had a good turnout for Chippers. Fourteen golfers came out to show off their putting skills.

There was a playoff for 1st place between George Belanger, Larry Mahaney, and Dave Crosman with 18 putts. Dave won and George was second.

Ann Belanger won the women's with 18 putts. Kim Boyle got second. Larry Mahaney won the hole in one contest. No one won the mystery hole.

There was one 50/50 drawing. Judy Peters won \$25.

January had a nice turn out. There were 6 women and 13 men golfing. We hope this number continues to climb.

For women's, Sue Mesarich won 1st place with 20 strokes. Pat Knight was right behind her with 21, winning her 2nd place. Mary Stradley won the Booby prize. For men's, Jeff Grimm won 1st place with 17 strokes. Doug Kerr won 2nd with 18. Larry Mahaney won the Booby prize.

Tom Speranza won the 50/50 and is \$36 richer. Jeff Grimm won the Hole In One. No one won the mystery hole.

Chippers meets on the 3rd Saturday every month at high noon. Golfing begins at 12:30. This gives everyone time to enjoy some refreshments. We sell brats, hotdogs, water, soda and beer (for a donation). We would like to thank Tom Speranza for running the grill this month. Thanks go out to Vickie Nichols, and Diane Wall. We couldn't do it without them. Thank you Tom Mikulka for running Chippers. If you have not played, come check us out. It's a lot of fun. We have balls and putters to use, or you can bring your own.

We'd like to give a "shout out" to Priscilla. Hoping to make you proud. We have some really big shoes to fill.

Dues are due for 2025. If you have not paid yours yet, it's \$5 for the year, plus \$2 to golf each month. If you have any questions, call Tom Mikulka at 815-260-5861.

HOPE TO SEE YOU ON THE GREEN!

2nd Annual Holiday Shores Golf Outing

Sat. March 8, 2025 at Mainland's golf course. \$70 per golfer, scramble format. There will be a picnic after we go back to the park. There will be food & drinks for \$3 each. Fee must be paid by February 27th. Any questions, call Tom.

Better Hearing Makes Every Day Better

Your hearing matters. Hearing care is not only important for your ears, but also for your overall health and well-being

Only a licensed hearing care professional has the technology and expertise to:

- Diagnose your specific type of hearing loss
- Guide you throughout your journey to better hearing
- Identify the best hearing aid options for you, if needed

Sharing and Caring

Belle Bushong

Please call me (757-509-8122) if you are aware of any of our friends and neighbors who are ill, have had a death in the family, or have had a surgical procedure. I will keep you posted on any new developments. Please keep these friends and neighbors (and their families) in your prayers. Thank you.

Our prayers and sympathies go out to the family and friends of Bob Ondish and Joan Barry.

Theater

David Middleton

What happens when your dream of opening a bed and breakfast in New Orleans turns into a nightmare? Comedy of course!

Twice a week, the Way-Off-Broad Theatre Group has been in rehearsal for the two-act comedy with music, *Bedrooms with Benefits*. The talented cast includes Mike Barry, Linda Dunn, Peggy Beane, Bernadette Drouin, Pat Hop, Norma Murphy, Paul Burke, John Gramatikas, David Helms, Rose Maiolino, David Crosman, Sherry Crain, Camille Robinson, Denise Dodson, Sue Woodring, Juliet Dudinsky, Sharon Rowe, Saralee Fackelman, Bell Bushong, and Cliff Hunter.

The Production dates are March 9, 10, 11 and 12, 2025, and if you haven't bought tickets yet, you had better hurry, as they are going fast. Tickets will be on sale Tuesdays and Thursdays from 11 to noon in the clubhouse and at the Activities Meeting on Saturday, March 1st.

The show is written and directed by David Middleton with the invaluable assistance of Bell Bushong as Stage Manager and Dolores Dwelis as Script Supervisor. Marcia VanSolkema is Music Coordinator with Dale Duquet on Spotlight and Steve Sikorski is running stage lights. The beautiful set was constructed and decorated by Danny Murphy, Norma Murphy and John Granatikas.

Come see what all the excitement is about!

Shuffleboard News

Mary Brown

Hello shufflers. It is that time of year already for the tournament & the park picnic.
Below are the dates for shuffleboard tournament:
WOMEN. Monday March 3 @ 10AM
MEN. Wednesday March 5 @10AM
MIXED DOUBLES. Friday March 7 @ 10AM
RAIN DATE Monday March 10 @ 10AM
The end of year Luncheon for shuffleboard will be MARCH 18 @ 11:00, at Acropol.
There will be a sign up sheet to attend luncheon at Shuffleboard
The PARK PICNIC is scheduled for **APRIL 5**. We have a blind shoot for this.
Sign up sheets to help will be at the Shuffleboard courts.
Come give shuffleboard a try every Monday, Wednesday, & Friday at 10 AM

Precision Vapor Barriers

Have You Looked **UNDER** **PROTECT**
Your Home Lately? **YOUR HOME**

Fix Small Problems Today
Before They Cause Serious Damage!

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.
