HOME MAINTENANCE

We appreciate you maintaining the beauty and charm of Sugar Creek by keeping your homes and yards clean and neat. In the month of March, we are looking at flower beds and weeding. So, go ahead and look around your homes in preparation. Letters will be sent out as usual, so let's take care of this instead of receiving a letter!

WATER SHUT OFF

We are all aware of the water situation in February that had the park water shut down on Thursday the 6th and overnight. The company that worked on the break was in the park until after 11pm on Thursday and back on Friday until it was fixed. This was a situation from a tree branch underground 5 ft. down close to an electrical line on a 6-inch line. Our maintenance crew were also in the park until after 10pm in case there were additional issues with the residents. On Friday, a pizza lunch in the clubhouse was offered to all the residents to help them get through those hard few days. We thank you for your patience. We all did the best that we could under the circumstances. The company and the maintenance crew did a super job. Thank you!

RULES AND REGULATIONS-MONTHLY REMINDER

Page 4, #17 in the rules and regulations of Sugar Creek

17. It is the responsibility of residents using recreational facilities of this park to clean up after their use of these facilities and to leave these facilities in at least as good a condition as they found them.

This includes the Clubhouse and Kitchen.

SCREENING UNDER YOUR HOME

If you do not have screening around the outside of your home, you will have a rodent or two eventually living under your home. This is not a good thing; they can eat right through the duct work to your A/C as well as wiring under the home. With the cold weather that we have had, there has been a lot of talk of cats, rats and opossum under some homes, some are alive, and some are not. Don't let this happen to you!

HOME SALES

We often have people come to the office telling us Sugar Creek is a desirable community, so thank you to our residents for making Sugar Creek a friendly and welcoming environment for all. If you are considering selling your home, just let Daniel or Vicki know and we will use the resources at our fingertips to sell your home as quickly as possible. We are here to help: 727-586-2002.

HAPPY ST. PATRICK'S DAY TO ALL!

SUGAR CREEK MANUFACTURED HOMEOWNERS' ASSOCIATION

The HOA had a community dinner on Feb. 17th. After the dinner there was a meeting to discuss the need for volunteers for the Board of Directors. As of the January meeting, no one had volunteered for any of the openings. Because of the deadline for submitting the March information to the Publisher, the results of that meeting are not available. We will include that information in the April newsletter.

Thank you. John Smalley

SUGAR CREEK SOCIAL CLUB PRESIDENT'S MESSAGE

The Social Club Committee will be having a meeting on March 3 for the election of Officers for the 2025-2026 term. Please volunteer to serve on the Committee, all positions are open. There is a sign-up sheet on the bulletin board in the Clubhouse.

Food has been added to the Sat night music bingo. Please join them at 5:00 if you would like to have some food.

There will be a Mardi Gras party on March 8 at 6:30. Please bring your snacks and beverages.

A pool party is planned for April 5th. More info to follow.

Thank you

Joe Pacheco, Vice President

FUN FACTS OF MARCH

- 1. March is named after Mars, the Roman god of war.**
It's no wonder the month is synonymous with the start of spring, as it charges forward with a warrior-like determination to bring in the new season with a flourish.
- 2. St. Patrick's Day is celebrated globally on March 17th.**
March 17th marks a global celebration of all things green and Irish, as St. Patrick's Day takes over the world with a sea of shamrocks and leprechauns.
- 3. Julius Caesar changed the Roman calendar in March 44 BC.**
March 44 BC saw a major power play by Julius Caesar, as he took control of time by changing the Roman calendar. With a stroke of his pen, he added ten days to the year and shifted the start of the year from the end of March to January 1st.
- 4. The first recorded St. Patrick's Day parade was in 1762, in New York.**
March 17th in New York is a sea of green, marking the first recorded St. Patrick's Day parade in 1762. Brass bands, proud marchers, and green attire all come together to honor the city's rich Irish heritage.
- 5. March Madness refers to NCAA Basketball Tournament.**
March Madness descends upon the nation like a slam dunk from the sky as the NCAA Basketball Tournament takes over the court.
March Madness brackets were first created in 1939 by an Iowa teacher.

A FEW CHUCKLES

At every party, there are two types of people. Those who want to go home early and those that do not.
The trouble is, they are usually married to each other.

A man calls his wife and says, “Don’t worry, I’m fine, but as I was driving to lunch a bird hit my windshield.”

“Oh no! How much damage did it do?”

“Not much, but I got a ticket.”

“How on earth did you get a ticket?”

“Well, I managed to reach the bird through the window and throw it behind me, but it hit the windshield of a highway patrol car. The officer gave me a ticket.”

“For damaging his windshield?”

“No, for flipping him the bird!”

DISTRIBUTION MANAGER

I have noticed several people still do not have a clip, basket, or something for Park Mail in your carports. If your book gets wet or blown away, that’s the weather in Florida. You can get a clip etc. in Dollar Tree.

Thanks

KATE MCGETTIGAN

KITCHEN

When renting the Clubhouse for a Private Party, you need to supply your own paper goods & trash bags. Also, you are responsible for cleaning up the kitchen and hall to get back your security deposit of \$200. Need something for the Sugar Creek residents’ functions, leave me a note on the fridge. When wiping the countertops, please use Windex, which is under the sink.

Using format to inspire funny writing

Need to write something funny for the company newsletter? Why not trying using a humorous format, suggests humor writer Tim Bete, director of University of Dayton's Erma Bombeck Writers' Workshop. Bete's work has been published in the Christian Science Monitor and more than a dozen parenting magazines. He is also the author of *In The Beginning...There Were No Diapers*.

Bete says there are three parts to humor pieces: the topic, the format and the individual jokes. Formats help tie pieces together and make them coherent, Bete says. Don't wait for the world's funniest idea to strike you before you start writing, he says. Starting with structure and letting the humor come through is much more effective. Here are a few of the formats he recommends to get you writing.

1. **The Diary Format.** This format gives you a chronological structure to build on. "Day 1: Day 2; etc.
2. **The Advice Format.** This parodies the "Dear Abby" style.
3. **The How-Not-To-Format.** This might be in the vein of how to buy the worst birthday present in the world, etc.
4. **Parody interview format.** An interview, for example, of the mother who always buys the worst Christmas presents every year.
5. **Quiz Format.** This might be a quiz that helps you determine whether you've picked the world's worst Valentine's Day gift or not.

Using formats, Bete says, often generates ideas that don't fit neatly into the template. But who cares — you're writing, and that's what counts.

For more information on humor writing, Tim Bete and the Erma Bombeck Writers' Workshop, go to www.humorwriters.org or www.timbete.com.

And I quote ...

Here's a list of famous last words as collected on the Internet site quotations.home.worldnet.att.net:

- Are you sure the power is off?
- Don't be so superstitious.
- Double dare me!
- Help!
- He's probably just hibernating.
- Hey, watch this!
- I'll get a world record for this.
- I'm making a citizen's arrest.
- I've seen this done on TV.
- I wonder where the mother bear is.
- That's odd.
- That stuff only happens in the movies.
- The odds of that happening have to be a million to one.
- These are the good kind of mushrooms.
- This doesn't taste right.
- Well, we've made it this far.
- What does this button do?
- What duck?
- I think it's dead.
- It's only a little one.
- Does this go any faster?
- No, Tony, I don't have your money.
- I built it myself.
- I don't need a helmet.

A matter of taste

A psychiatrist greeted a new patient and asked him to sit down. "So what brings you to see, me?" the doctor asked.

"Well, my family asked me to come. They think I'm nuts because I absolutely love shoes."

"Hmm," said the doctor, "that seems awfully petty of them. I myself have a taste for good shoes."

"You do!" the patient exclaimed. "Do you like them boiled or lightly breaded and fried?"
— As retold from Good Clean Jokes, by Anna Kostick, Charles Foxgrover and Michael J. Pellowski
