LINE DANCING

Helen Coar

Change to Dance Schedule

I have enjoyed teaching line dancing since 2013 and have never had to stop dancing during the summer months but this year that will change. There will be no dancing May thru August. Dancing will begin again in September. Time and place remain the same.

Thanks to the snowbirds who danced while they were here. We had some laughs, especially at each other. Have a happy summer.

WATER AEROBICS – MERMAIDS

Cindy Troutman

Every day, except Sunday, we have organized water aerobics; lead by Ruth Kalbfleisch. Even Sunday some of the ladies/mermaids show up. It is from 10:30am to 11:30am at the BC Phase I pool. EVERYONE is welcome! Men and women! Briar Creek I and II! With this great Florida sunshine and warmer weather, there is no better place to be than in the pool. Put on your swimsuit and your sunscreen and come join us for some water fun and exercise!

RUMMIKUB

Cindy Troutman, 727-741-1940

Come join us for RUMMIKUB every Wednesday night from 7pm til 9pm at the BC P1 clubhouse. We have lots of laughs and lots of fun. You've never played before? We'll teach you!

PO-KE-NO

BRIAR CREEK BIRD WALK

Bill Kaempfer

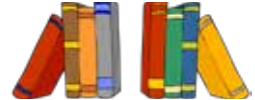

Friday, April 4th was our last walk of the spring. Six of us enjoyed the warm, sunny morning, but it was a little too windy for a lot of bird activity. In addition, the high tide along the canal reduced the birds there. We still managed to find 28 species with the highlight being the Red-shouldered Hawk chick in the nest at Briar Creek and Birch Creek. Check this space at the end of summer for news of our next bird walk. Bill Kaempfer, 303-717-5063, Kaempfer@colorado.edu

LADIES BRIAR CREEK BOOK CLUB (Phase I & II)

Jane McKenzie

The November book is Thunder Dog by Michael Hingson and the December book is The Five Wishes of Mr. Murray McBride by Joe Siple. Please contact me if you are interested in joining or have questions.

Toni & Don Beaton

Little things make a big difference! You can help support Ronald McDonald House by donating the tabs you pull to open soda, soup and other aluminum cans and help the environment at the same time. You can place your pull tabs in the envelope located at the back door of the clubhouse, drop them off at our house, 126 Juniperus Dr. or just hand them to us as you see us around the park. Pull for the house! Thank You.

Briar Creek Bugle Phase II – MAY 2025

*(Pete Loranger - Editor Phone 421-2321)
(E-Mail: ploranger006@gmail.com)*

Board of Directors:

Sam Oliverio President

By this time, our Snowbird neighbors have mostly returned to their Northern homes. Our hopes are that you all have a wonderful summer and will rejoin us in the fall. As you probably know our volunteers have done an amazing job in our Clubhouse, and I'm happy to report that the painting, beadboard and chair rail has been completed! By the time our Snowbirds return, we will also have a new floor in the Clubhouse, which will complete the remodeling that we've been working on for the last year. If you haven't been in the Clubhouse yet, I suggest you take a look to see what has been accomplished. With the work that has been completed by our volunteers, we have been able to save approximately \$50,000.00 or more in labor costs!! We started off by making our restrooms ADA compliant, and then installed new lights in the Clubhouse, and kept going from there. We have also completed the restoration of two Shuffleboard Courts, and will soon complete the Pickleball Court, and Corn hole (bag toss) Court. It's been a busy year, but the outcome is more than worth it.

Hope to see you in the Clubhouse and at the Sports facility soon.

Jim Tashjian – Director – Alterations

Outside Alterations

It's hard to believe another season has come to an end. For the last seven months it has been my pleasure to process your outside alteration requests. While it has kept me rather busy it has also allowed me to meet residents I have never met and to put a face to the name and address I see on the request form. But now May is here and most of the snowbirds have headed north for the summer. I, myself, will be bringing up the rear of the flock on May 10th when I travel to Lake George, NY for the summer. I will return in the second week of October.

In the meantime don't worry. Bill Escher has offered to take over outside alterations in my absence. (Thank you Bill!) Blank request forms can still be found in the clubhouse just outside of the office door. Once completed, they can be dropped in the mail-slot on the office door or in Bill's "rock box" at 138 Pinewood Terrace. Please do not begin work on your project until you receive a written letter of approval from the board of directors.

Have a great summer...be safe, keep those projects going, but don't forget to enjoy yourselves. As always, call before you dig (811) and obtain permits as needed from Safety Harbor and/or Pinellas County.

See you all in the Fall!

Saturday Morning Coffee

Thank you to all our snowbirds who have volunteered throughout the last few months to work Saturday morning coffee. We all appreciate it, especially the year-round residents. I know our fulltime residents have also taken their turn in recent months, but we need to continue to step up and volunteer throughout the remaining months until our snowbirds return again. The short amount of time you can give will help ensure we can enjoy our coffee and donuts each Saturday morning. Please use the signup sheet on the bulletin board in the hallway by the kitchen.

Thanks.

Peggy Raynor
Social Club VP

Spending Money Wisely

Bonnie Briggs President Elect

Now that the annual Bazaar is over, we are able to determine how we want to spend some of our profits. All items were voted on and approved by the residence at the March Business meeting. The Spending Money Wisely committee had already reviewed and approved providing a 50% contribution towards a new treadmill for the exercise room. The existing treadmill had been repaired numerous times and was at the end of its lifetime. In addition, the committee approved the purchase to 2 new (up to 65") Bingo Smart TV's and the purchase of a new gas grill which has already been used and enjoyed by many for the Italian Sausage Dinner.

On April 5 th we had a special Social Club Business meeting to vote and approve several more items that were requested. The first item approved was replacement of 12-18" high pool lounge chairs. In addition the following items were approved for purchase: Lumber for the bazaar shed to make and organize shelving for bazaar storage; A Canadian flag with flagpole to honor our Canadian residents; New Pool Cue Sticks and Cue Stick Holder and a new first aid cabinet to replace the existing 2 smaller cabinets on the wall.

Because many residents will be leaving for the summer, any future requests that come in will be reviewed but not presented at the meeting until the fall when the business meetings resume.

WE AIN'T PERFECT

Dr. Marty Finkelstein

I don't know about you but sometimes I mess up. In reflection it let's me see myself where I can still be better. Let me give you an example. Almost every day I am either on the Tennis court or Pickleball court. I have been a competitive athlete my entire life. Sometimes in the heat of a game and the Florida heat I may say something to my partner. Probably 99 percent of the time it is positive feedback, but sometimes I may say something that doesn't feel good to me. If it doesn't feel good to me I imagine it probably didn't feel nice to the other person. This happened a few weeks ago on the Pickleball court. Now I knew the next day when I saw this person I was going to apologize. But I didn't see them till 2 weeks later. When I went up to him I simply said that the last time we played i felt like I was a little over the top and wanted to apologize to him. He was surprised for he didn't remember anything. I was glad he was not holding on to any negative energy, and replied, well it didn't feel good to me so I wanted to make certain we were good with each other. Interestingly we both discovered good qualities about each other in this simple exchange.

Well that is in the sports world but every day in our most special relationships with our love one's we are not perfect either. I have learned there is power in self-reflection and being responsible for our words and actions. Even when we may believe we have the best intentions it may not create the outcome we desire. We are all here to continue to learn and evolve and become better like the finest wines that age with time. Do you know it takes no muscle to judge others and be unaccepting of people who we believe are different then we are? Those reactions come from our old reptilian brain. It is already in the computer like an old program. But to be kind, accepting, compassionate, and loving does require muscle from the new brain which is the frontal lobe conscious spiritual aspect of who we are and who we can become. But it all begins with self-reflection and simply being OK with not being perfect and willing to powerfully take responsibility and clean up any mess up.

As my father use to say, it's so easy to be nice.

Dr. Marty Finkelstein

FLORIDA ANCHOR AND BARRIER COMPANY

The collection includes hardbacks, paperbacks, a small but growing collection of large print books, a Christmas collection and some biographies.

As clubhouse librarians, we reshelf the returned books and check for duplicates and condition, as books do age and eventually fall apart, maybe a cup of coffee is spilled on them or a dog chews a few pages, puzzle pieces go missing and DVDs no longer play properly. We don't reshelve these items and only keep the copy in the best condition when we find duplicates.

New books come from those residents who like to share a good book they have just finished, and often when a house is sold and either the seller no longer wants all the books they have or the buyer of a fully furnished house has different tastes, these books are donated to the library.

As the shelves become too crowded, we remove books that have not been borrowed for a few years. We take these to the East Lake Library which has a great program for sorting and providing new homes for old books. In the last several years some 5,000 books and puzzles from our library have been donated to East Lake.

Our books are date stamped and we mark all the returns so that we can identify books that have not been borrowed. For that reason we ask you to put all the books you are returning into the basket rather than reshelving them yourself.

The library has a selection of books, puzzles and DVDs that is constantly being monitored and which changes over time. There is no requirement for library cards, no formal checkout, no fines for a book you forget to return, convenient hours (whenever the clubhouse is open), and even a step stool to give access to the books on top shelves.

We always appreciate donations of books, puzzles and DVDs you no longer want, with the exception of books for children, foreign language editions, coffee table volumes, cook books, travel guides, textbooks, religious and personal health and wellness guides as the library shelf space is limited. If you are looking for a new home for these kinds of books, we can offer some suggestions.

Prepared by your librarians, Billie Ann Berry (146 Pinewood Terrace), Ruth Miller (95 Briarwood Place) and Bill Steiner (163 Clubview Drive).

The Briar Creek 2 Connection

Marsha & Carol

As a growing community of 261 homes, it is difficult to keep the members of our community informed about community events and important safety information.

Email is the best method to keep lines of communication open. Marsha Bowlby and Carol Rodrigues make sure that information is sent out timely and accurately. All email addresses are confidential and are not given out to anyone.

We ask for as close to 100% participation as possible. You may find that not everything sent pertains to you, or is even something you want to receive, however just delete those emails and keep the ones that are necessary and important to you. Safety information such as

Continued on page 28

mandatory hurricane evacuations, water shut offs, and illegal solicitors in our community are all necessary things to know.

Information from the Condo Board and Social Club regarding upcoming meetings, clarification of rules and yes, we also send out information on travel and entertainment opportunities.

Please send your email address to: thebc2connection@gmail.com

We will respond to your email to assure you that you are now entered into the system. Anyone residing in the home can add a separate email address. If for some reason you stop receiving emails, let us know and we'll help you become reinstated. Thank you for your participation, and welcome to the Briar Creek 2 community, we look forward to seeing you at events in the near future.

BC Health Care Recommendations Spreadsheet

Russ Lipari

Last year we initiated our **BC Health Care Recommendations Spreadsheet** and have collected recommendations of medical and dental personnel and even a Vet! It has indeed proven useful! This year we intend to continue our efforts, and hope to see it expanded.

To view the BC Health Spreadsheet - email me at rlipari55@yahoo.com and I will send you a link that you can click on to get right in. Otherwise you can type https://docs.google.com/spreadsheets/d/1UGWSGAtBM0232yQ1yHKwvu-cnM-p_W1WagbBvPrebeA/edit?usp=sharing **into your browser.**

To contribute - please email rlipari55@yahoo.com and indicate how many referrals you wish to make and I will email you the number of forms you have requested.

Please give this project your careful attention, we will proceed depending on community interest and participation.

Exercise Class

Classes are held daily in the phase 2 clubhouse with Claudia. All classes are open to residents of phase 1 and phase 2. She teaches "silver sneaker" classes for the mature adult. If you have silver sneakers the classes are free to you, if not, the cost is \$2.00 per class. You may purchase a punch card for \$20 for 10 classes. She works with us to keep us limber and improve our strength and balance so we can remain in our home.

Monday - 9:00 cardio and strength

Tuesday and Thursday - 10:30 strength and balance

Wednesday and Friday - 9:00 Zumba gold

Come join us and improve your health.

Briar Creek Book Club (Phase I & II)

Enjoy discussing books chosen by the members. We meet on the fourth Tuesday of the month; however, there are no meetings from May through October. Some months we will meet in the Phase II Clubhouse and some months at a local restaurant. The April book is *Go as a River* by Shelley Read. Please contact me if you are interested in joining or have questions.
