From the Board of Directors

Roland Doucette, President

With the summer heat upon us, it is important that as we go to the pool to get a little relief from the heat, we comply with the rules that allow us to keep our pool open. These rules are in your Blue

Book, and also posted at the pool. You should take a few minutes to review them before your guests arrive. Of the rules that are there, the one that will cost us all the most money in the long run is the wearing of tanning lotions and oils, which are prohibited from being used inside the pool. These substances will destroy our pool filters and require a very costly replacement. We ask that you please remind your guests.

Each of you that stay in Blue Jay during hurricane season should have an emergency plan that includes: 1. where you will stay if there is an evacuation; 2. supplies for 2-5 days; 3. medications; 4. important papers to take; 5. medical and pet accommodations. A reminder, the clubhouse cannot be used as an emergency shelter. Keep this in mind as hurricane season approaches. There are hurricane preparation guides in the clubhouse, and a link on the Pinellas County website with additional information.

It has been a busy month in Blue Jay. The boards providing a cap to the Pelican Lake wall have been replaced by our Blue Jay volunteers. Easily thousands of dollars were saved by these volunteers, and as always, we express our appreciation of their work. Our plumbing company installed a new shower valve at the pool. The outlet at the end of Gull Lake is scheduled to be replaced this week by an outside contractor. Without this intervention the outlet would have collapsed, emptying both Gull and Pelican Lakes.

This is a quick reminder on disposing of trash. Please remember that there are guidelines in the Blue Book that reference putting trash on the sidewalk. Trash in cans can be put out after 6 PM the night before, but trash in bags or bound by string or rope cannot be on the sidewalk before the morning of pickup. There have been recent occurrences of trash on a sidewalk days before pickup. Please help us keep Blue Jay looking beautiful.

Issues continue relative to homeowners starting projects on their home without Architectural Committee recommendation and Board approval. The purpose of approval is to ensure that changes conform to our documents. It is the responsibility of the homeowner to obtain this approval. Without approval you could be required to remove all changes and restore the property to its pre-work state. Do not let contractors begin work on your homes before getting approval. Not doing so could prove costly.

With that I will remind you that we continue to have an operations meeting every Monday morning at 8:30am. I attend via telephone. Residents are welcome to attend. I can be reached at 401-659-0073 or via e-mail (preferred) at phyteach88@gmail.com if you need to get in touch with me.

From the Social Committee

Lisa Hickerson, Chairperson

We are well into the summer and many things are going on here at Blue Jay. We had several great events in April and May. April of course brought us Easter. We had an Easter Breakfast prepared by Ken and Pat Boback with assistance from Roland and Suzanne Doucette as well as Randy and Christy Spencer. It was a wonderful breakfast and everyone had plenty to eat. Many other volunteers helped with setup, decorations and cleanup. Later in April we did a little time machine travel and went back to the 70s. Our favorite DJs Mike Glogowski and Rich Williams hosted a far out 70s Disco party. We had everything 70's, glow sticks, smoke, bubbles and even silly string! We saw some groovy outfits; tie dye, bell bottoms, go-go boots, glitz and shine were everywhere. It brought back a lot of memories...and we danced the night away.

May brought us the Kentucky Derby where we saw Sovereignty win in the Run for the Roses. At the Blue Jay Kentucky Derby Party, we ran the Blue Jay Derby and saw many Kentucky Derby hats. Joe Montione won the Blue Jay Derby and winner of best lady's hat was a tie between Stacey Glogowski and Lin Squires, best man's hat winner was Mike Glogowski. Our May Birthdays were celebrated with root beer floats at one of our Friday Social Hours. We had a great assembly line going and cranked out floats fast...the floats were a BIG hit...messy, but a big hit. On the Saturday before Mother's Day, we had our 1st annual Mother's Day Fun Walk. Some walked around the front block, some walked around Pelican Lake and others lined the streets to cheer on all the walkers. It was something different and I think everyone had a good time. After the walk, several of the gentlemen of blue jay served refreshments in the clubhouse and took great care of all of us. Thanks to everyone who participated or helped with all of our events. Coming up in June will be a Flag Day/Father's Day event. Be on the look out for more information on that.

We would love to see you at the Wednesday morning Coffee Hour from 9am-10am followed by the Social Club meeting 10am-11am. The coffee hour is a perfect opportunity to visit with old friends and perhaps make a few new ones. The Social Club meeting is a great way to keep up with what is going on around the community. We share information about upcoming events as well as changes or improvements that may be going on around the park...and there's always a few laughs as well. Join us if you can.

Red Hats

Rosalind Powell, Coordinator

There were 9 ladies who met at EggTown on US 19 for our monthly luncheon. Our hosts were Vivian Williams and Nickie Nameth. We have never been to EggTown but the food was delicious and plentiful. It was a good choice. The 50/50 was won by Pam Wolfenden.

We have many new residents and we would love to have you join us. Dues are \$3.00 a year and you need a red hat (you can find in a thrift store if you don't have one). If you have any questions, please call me at 904-616-914.

"In The Park" 2025 Easter Parade

By Michael McKenna

So, what remains a family source of joy? The Easter Parade! This year Easter came a little later which might have affected Parade attendance. On Saturday, April 19th, the day before Easter Sunday we were ready for our Parade. It was a perfect day with a perfect Blue Sky and 73 degrees. Is this preparing for tomorrow? We had our popular Easter Breakfast earlier that morning and now it was time to start our Easter Parade at 12:00 noon. Starting at the clubhouse I was a little nervous. However out of nowhere we had carts coming from all directions and suddenly we had seven beautiful decorated carts ready to go.

Now with all of them lined up, with engines running, Blue Jay instantly comes alive as we start to roll. Easter music playing, horns are blowing. We weave back and forth, up and down every street. Many of our friends and neighbors are now out along the curbs waiting for us. We honk. They wave. We wished everyone a Happy Easter. They go wild as we go by. One group of neighbors waiting at the curb near unit #149 had "pickle-ball type paddles" and as we cruised by, they "Graded our Cart Decorations" with big numbers from-- "One to Ten." I remember seeing number "10". Thank you, friends. You are very kind to us. Again, this year we had ghost judges looking for the best decorated cart/passengers.

So, after cruising the entire Park, we returned to the Clubhouse for the big Awards ceremony. Our congratulations go out to the Bruce and Sue Cote family, unit #184. Bruce and Sue also had their 2 beautiful great-granddaughters, ages 1 and half and the other 6, helping them this year. They were tickled to death and excited when they won that big beautiful gold Trophy. Sadly, we did not have any Blue Jay pet entries this year.

It took everybody involved to make this a successful, early afternoon Pre-Easter day celebration. Thank you. We hope today's parade made your Easter a little bit brighter and entertaining. Plans are already in the works for a spectacular 2026 Easter Parade and we hope you are now convinced you want to be in it too. This is just one of many reasons we love living here in Blue Jay. We pray you had a blessed Holy Easter celebration.

By the time you read this, I am back in the mountains of Tennessee. See you in October, Parade Marshall, Michael McKenna #136.

PS. What do you call a Rabbit with fleas?-----Bugs Bunny!

Honoring Deceased Blue Jay Residents

Lisa Hickerson, Social Committee Chairperson

When a Blue Jay resident passes away, it is our tradition to lower the flag to half-staff and place the residents name and information on the board for 3 days. Occasionally, we have more than one person pass away on the same day or within the 3 days of each other. We want to ensure that each person receives their 3 days of respect. We discussed the options in a Wednesday Social Club meeting and reached a consensus on the procedure we will follow moving forward.

The residents name will be placed on the board and the flag lowered as soon as possible once we receive official notification. This will remain for 3 full days. If another resident passes anytime during that 3 days their name will also be added to the board and the flag will remain lowered until it has been lowered for a full 3 days for the last person added to the board. At the end of each resident's 3 days their name will be removed.

History of Blue Jay Homeowners

Submitted by Peg McConnell, Blue Jay Historian

Frequently I get asked questions about past and current homeowners in Blue Jay. Since I am the only original homeowner left, I did some checking in my homeowner's book which is part of the history books I keep.

In late 1984, Len and Gerry Muchko bought #19 from Weldon and Marily Chamberlain. Len and Gerry's daughter, Patti Maxey, was part owner of the home. Therefore, Dick and Patti are the longest homeowners still left here. After a little more research I decided to look further into homeowners who are not original owners but are our current residents who have been at Blue Jay the longest.

- Barney Hopkins and his wife Janice bought #31 in 1998, but sold that and now Barney lives in #82.

This research covers 1979 through 1999. If I have left anyone out of this research I apologize. For some of the early years I only have the old phone books to go by. Yes, I have old phone books dating back to 1984, no, I am not a pack rat. But I do keep many things about the history and happenings in past years here in Blue Jay.

Did You Know?

June was named after Juno, the Roman goddess of marriage and childbirth — making it a popular month for weddings?

June has two birthstones — pearl and alexandrite — both associated with purity and prosperity?

The official flower for June is the rose, symbolizing love and beauty?

Things you'll never hear dear old dad say

- Darnit ... I'm lost. Can you believe that? I'll just stop here and ask directions.
- Sweetie, now that you've turned 13, I think you should be allowed to do whatever you want.
- I really like the attitudes of your friends. They seem angry and disrespectful and I see the value in that.
- I just want you to have my credit card and new car so that you can have a great time. No curfew. Go ahead, go wild!
- While your mother and I are away for the weekend, I thought you might want to have a party. Here's the key to the liquor cabinet.
- I think a tattoo of the devil would look great on you. Let's go down to the parlor—I'm paying.
- You don't need to work for your spending money. Shoot, I make enough. How much do you need? — *adapted from AhaJokes.com*

Dad jokes!

Why don't skeletons fight each other?
They don't have the guts.

What do you call fake spaghetti?
An impasta.

Why did the scarecrow win an award?
Because he was outstanding in his field.

How does a penguin build its house?
Igloos it together.

Why don't eggs tell jokes?
They'd crack each other up.

"The power of a dad in a child's life is unmatched." – Justin Ricklefs

"A father carries pictures where his money used to be." – Steve Martin

"Any man can be a father, but it takes someone special to be a dad." – Anne Geddes
