Are you hanging on to something you need to let go?

On a pleasant day, a man's wife offered to cook his favorite Persian dish, which was filled with delicious nuts. He became very happy when he thought of the tasty food he would soon have, and he offered to help her in the kitchen.

"Please, could you get the nuts I need from the jar?" his wife said.

Cheerfully, the man reached deep into the jar and grabbed as many nuts as he could fit into his hand. However, when he tried to pull his hand out of the jar, he could not. It was stuck. His wife then pulled on the jar to try and release him, but try as she might, her husband was still stuck.

In desperation they called out to their neighbors for help. One man came in and said, "Do not worry, I know what you need to do. But you must do exactly as I say."

"Yes, yes," the husband promised, "of course, any-thing you say if you can help release me from this terrible jar."

"Push your arm farther into the jar," the wise neighbor said.

At first the man whose arm was stuck resisted, he did not want to make the situation even worse. But he remembered his promise and did what the man asked of him.

"Now open your hand and let go of the nuts you are holding."

This order upset the husband. He wanted those nuts for the delicious dish his wife would prepare for him. But he remembered his promise and reluctantly let go.

"Now," the neighbor said, "Make your hand as small as possible and pull your arm from the jar."

The husband did as he was told and out popped his arm, as easy as could be. Everyone who had gathered to watch clapped and cheered. Then the helpful neighbor tipped the jar over and let the nuts spill out onto the table.

Sometimes, desire becomes the obstacle to getting what you want. — adapted from ZenSufi.com

My farm's bigger than your farm

One farmer asked another farmer how much acreage he had.

"Oh, I got me a big farm," said the first farmer. "More than 200 acres."

"Is that so?" said the second farmer. "Well, I'll have you know, mister, that I can git in my car in the morning, drive all day—and still not reach the end of my property."

To which the first farmer replied, "I know what you mean. I used to have a car just like that." — *As retold from Comedy Writing Secrets, by Mel Helitzer*

On happiness

Happiness is having a large, loving, caring, close-knit family in another city.

— **George Burns**

Father's Day

Father's Day is a special occasion dedicated to celebrating fathers, father figures, and paternal bonds. In the United States, it is observed on the third Sunday in June, which falls on June 15th in 2025.

The idea for Father's Day originated from Sonora Smart Dodd in Spokane, Washington. She was inspired to create a day to honor fathers after hearing a sermon about Mother's Day in 1909. The first Father's Day was celebrated on June 19, 1910. It took several decades for the holiday to gain national recognition. President Lyndon B. Johnson issued the first presidential proclamation honoring fathers in 1966, and it became an official national holiday in 1972 under President Richard Nixon.

Father's Day is celebrated in various ways, including giving gifts, sending cards, and spending quality time with fathers and father figures. Some people also observe the custom of wearing a red rose to signify that their father is living or a white rose if he has passed away.

Here are some thoughtful gift ideas for Father's Day:

1. **Personalized Gifts:** Custom items like engraved watches, photo frames, or monogrammed wallets can add a personal touch.
2. **Tech Gadgets:** Consider smart home devices, headphones, or a new tablet if your dad loves technology.
3. **Experience Gifts:** Plan a special outing, such as a fishing trip, golf day, or tickets to a sports event or concert.
4. **Subscription Services:** A subscription to his favorite magazine, streaming service, or a monthly box tailored to his interests (e.g., gourmet food, coffee, or books).
5. **DIY Gifts:** Handmade items like a scrapbook, a knitted scarf, or a home-cooked meal can be very meaningful.
6. **Fitness Gear:** If your dad is into fitness, new workout clothes, a fitness tracker, or home gym equipment might be appreciated.
7. **Books:** A good book in a genre he enjoys, whether it's fiction, non-fiction, or a biography.
8. **Tools and Gadgets:** For the handyman, new tools or gadgets for his workshop can be a great choice.
9. **Gourmet Treats:** A basket of his favorite snacks, chocolates, or a bottle of fine wine.

Flag Day

Flag Day in the United States is celebrated on June 14th each year. This day commemorates the adoption of the flag of the United States on June 14, 1777, by resolution of the Second Continental Congress. Here are some key points about Flag Day:

Historical Significance: The Flag Resolution of 1777 established the design of the U.S. flag, which originally had thirteen stripes and thirteen stars, representing the original thirteen colonies.

Origins: The idea of celebrating Flag Day was first proposed in 1861 during the Civil War to rally support for the Union. The first recognized formal observance was held by Bernard J. Cigrand, a Wisconsin schoolteacher, in 1885.

Official Recognition: President Woodrow Wilson issued a proclamation in 1916 establishing June 14 as Flag Day. In 1949, Congress officially designated June 14 as National Flag Day.

Observance: While Flag Day is not a federal holiday, it is observed with various ceremonies and events. Pennsylvania is the only state that celebrates it as a state holiday.

Flag Day is a time to reflect on the history and significance of the American flag and to celebrate the values it represents.

The American flag represents all of us and all the values we hold sacred.”
– **Adrian Cronauer**

“Our flag is not just one of many political points of view. Rather, the flag is a symbol of our national unity.” – **Adrian Cronauer**

“The flag is the embodiment, not of sentiment, but of history.” – **Woodrow Wilson**

“When we honor our flag, we honor what we stand for as a nation – freedom, equality, justice, and hope.” – **Ronald Reagan**
