## Fairway Social Committee (FSC)

Ronnee Patterson, FSC Chairperson

The Summer Solstice, the longest day of the year, is June 20 th. The late sunsets make outside activities such as golfing a nice way to end the day. Even though a lot of our residents have gone north for the summer season, there are still activities going on in the park.

In the clubhouse you'll find card games, the library and the pool room all available. Both swimming pools are open, so are the shuffleboard courts and of course our golf course is not too busy at this time of year. The Art Club and the Needlecrafters, though smaller in size now, still meet during the summer.

You'll be happy to know that Sally and her crew are here throughout the offseason with doughnuts at the Koffee Klatch each month.

Adair has arranged for dances for the summer months so please put on your dancing pants and head to the clubhouse and meet up with your friends and make new ones.

Remember to mark your calendar for:

June 14 Dance - Alex Glover

June 21 Koffee Klatch

Oh, and don't forget Father's Day on June 15th .

Even though I'm up north till early September, you can always contact me at 774-571-0853 or email me at ronneepatteOver the Edgersen.fsc@gmail.com.

## Women Working Wonders (WWW)

Kathy Sturdee

**H**ope everyone is having a great summer. Women Working Wonders is off to a great summer season.

We currently are working with Pinellas County to secure a speaker for senior hurricane season. The date and time to be announced. We are working under the theory of a senior special needs evacuation shelter for those in the park who need help during an evacuation. This would include those who do not drive; have special needs: walkers, canes, oxygen, wheelchairs, hearing and vision limitations. Our goal is for these special needs residents to be in the same shelter and with each other. Transportation would be included.

We need anyone with a special needs to complete a pre-registration form. Pre-registration is important so we can secure a spot for you. Should you change your mind, that is fine but in the meantime we could secure a spot for you. Contact Kristy Williams at 727-218-8121 if you need a special needs registration form. All special needs registration forms should be returned to Kristy Williams at lot #265.

This would be an important speaker to attend. Information and any questions could be answered at the same time. Whether you have special needs or not - this meeting would be for EVERYONE in the park.

As soon as the date and time is confirmed, we will let you know.

The next WWW meeting will be on Wednesday, June 4th at 2:30 pm in the clubhouse. Whether you are a member or not, just interested in WWW, please plan to attend.

## Architectural Review Committee

**T**he ARC Rules and Regulations Governing Document defines and outlines the guidelines for all exterior changes to homes, as well as, for placing homes. This document is available from the office or may be downloaded from the FVRA website. Before any work begins, a Home Placement or Modification Request Form must be completed and returned to the FVRA office. The ARC, which meets on Mondays in the Clubhouse, looks forward to working with you in replacing your home or planning the changes to the outside of your home. Any questions contact the ARC Chairperson.

## Things you'll never hear dear old dad say

---

- Darnit ... I'm lost. Can you believe that? I'll just stop here and ask directions.

- Sweetie, now that you've turned 13, I think you should be allowed to do whatever you want.

- I really like the attitudes of your friends. They seem angry and disrespectful and I see the value in that.

- I just want you to have my credit card and new car so that you can have a great time. No curfew. Go ahead, go wild!

- While your mother and I are away for the weekend, I thought you might want to have a party. Here's the key to the liquor cabinet.

- I think a tattoo of the devil would look great on you. Let's go down to the parlor—I'm paying.

- You don't need to work for your spending money.

Shoot, I make enough. How much do you need? — *adapted from AhaJokes.com*

## Dad jokes!

---

**W**hy don't skeletons fight each other?  
They don't have the guts.

What do you call fake spaghetti?  
An impasta.

Why did the scarecrow win an award?  
Because he was outstanding in his field.

How does a penguin build its house?  
Igloos it together.

Why don't eggs tell jokes?  
They'd crack each other up.

## A horse tale

A motorist was driving in the country when suddenly his car sputtered and died. Frustrated the driver got out of the car, popped the hood and tried to locate the trouble. Just then he heard a voice say, “Something’s wrong with your carburetor.”

Surprised the motorist looked around to see where the voice was coming from, but he only saw an old horse standing nearby. Shocked, the motorist asked, “Did you saying something?”

“I said something is wrong with your carburetor,” the horse repeated.

The motorist was overcome with excitement and dashed off to the nearest house to report the incident to the farmer there.

“Was it a gray horse with one pale eye?” the farmer asked.

“Yes, yes. That’s the one!” cried the motorist.

“Well, I wouldn’t be paying much attention to him,” the farmer said. “He don’t know much about cars.” — *as retold from Laughter for Teens*

## You had to ask ...

A grandmother had her 6-year-old granddaughter visiting for dinner one night. The granddaughter sat down and the grandmother thought this might be a good time to pry and find out how they were living in their house.

“So do you pray every night at your house, Jennifer?” the grandmother inquired.

Unconcerned, Jennifer said, “No grandma, we don’t have to cause mom’s a good cook”  
— *As retold from Comedy Writing Secrets, by Mel Helitzer*

### You had to ask ... take two

Worker: I’d like a raise.

Employer: Dear friend, in the fiscal gridlock of this overwhelmingly underwhelming economy, it would be monetarily unsound to escalate the underlying over-head of the currently productive infrastructure, before maximizing the outflow contribution to the distribution network.

Worker: Huh? I don’t get it.

Employer: Exactly

— *As retold from Good Clean Jokes, by Anne Kostick, Charles Foxgrover and Michael J. Pellowski*

### On fathers

*I’m so ugly, my father carries around a picture of the kid who came with his wallet.*

— **Rodney Dangerfield**
