Father's Day

Father's Day is a special occasion dedicated to celebrating fathers, father figures, and paternal bonds. In the United States, it is observed on the third Sunday in June, which falls on June 15th in 2025.

The idea for Father's Day originated from Sonora Smart Dodd in Spokane, Washington. She was inspired to create a day to honor fathers after hearing a sermon about Mother's Day in 1909. The first Father's Day was celebrated on June 19, 1910. It took several decades for the holiday to gain national recognition. President Lyndon B. Johnson issued the first presidential proclamation honoring fathers in 1966, and it became an official national holiday in 1972 under President Richard Nixon.

Father's Day is celebrated in various ways, including giving gifts, sending cards, and spending quality time with fathers and father figures. Some people also observe the custom of wearing a red rose to signify that their father is living or a white rose if he has passed away.

Here are some thoughtful gift ideas for Father's Day:

1. **Personalized Gifts:** Custom items like engraved watches, photo frames, or monogrammed wallets can add a personal touch.
2. **Tech Gadgets:** Consider smart home devices, headphones, or a new tablet if your dad loves technology.
3. **Experience Gifts:** Plan a special outing, such as a fishing trip, golf day, or tickets to a sports event or concert.
4. **Subscription Services:** A subscription to his favorite magazine, streaming service, or a monthly box tailored to his interests (e.g., gourmet food, coffee, or books).
5. **DIY Gifts:** Handmade items like a scrapbook, a knitted scarf, or a home-cooked meal can be very meaningful.
6. **Fitness Gear:** If your dad is into fitness, new workout clothes, a fitness tracker, or home gym equipment might be appreciated.
7. **Books:** A good book in a genre he enjoys, whether it's fiction, non-fiction, or a biography.
8. **Tools and Gadgets:** For the handyman, new tools or gadgets for his workshop can be a great choice.
9. **Gourmet Treats:** A basket of his favorite snacks, chocolates, or a bottle of fine wine.

Flag Day

Flag Day in the United States is celebrated on June 14th each year. This day commemorates the adoption of the flag of the United States on June 14, 1777, by resolution of the Second Continental Congress. Here are some key points about Flag Day:

Historical Significance: The Flag Resolution of 1777 established the design of the U.S. flag, which originally had thirteen stripes and thirteen stars, representing the original thirteen colonies.

Origins: The idea of celebrating Flag Day was first proposed in 1861 during the Civil War to rally support for the Union. The first recognized formal observance was held by Bernard J. Cigrand, a Wisconsin schoolteacher, in 1885.

Official Recognition: President Woodrow Wilson issued a proclamation in 1916 establishing June 14 as Flag Day. In 1949, Congress officially designated June 14 as National Flag Day.

Observance: While Flag Day is not a federal holiday, it is observed with various ceremonies and events. Pennsylvania is the only state that celebrates it as a state holiday.

Flag Day is a time to reflect on the history and significance of the American flag and to celebrate the values it represents.

*The American flag represents all of us and all the values we hold sacred.”
– Adrian Cronauer*

“Our flag is not just one of many political points of view. Rather, the flag is a symbol of our national unity.” – Adrian Cronauer

“The flag is the embodiment, not of sentiment, but of history.” – Woodrow Wilson

“When we honor our flag, we honor what we stand for as a nation – freedom, equality, justice, and hope.” – Ronald Reagan

Are you hanging on to something you need to let go?

On a pleasant day, a man's wife offered to cook his favorite Persian dish, which was filled with delicious nuts. He became very happy when he thought of the tasty food he would soon have, and he offered to help her in the kitchen.

"Please, could you get the nuts I need from the jar?" his wife said.

Cheerfully, the man reached deep into the jar and grabbed as many nuts as he could fit into his hand. However, when he tried to pull his hand out of the jar, he could not. It was stuck. His wife then pulled on the jar to try and release him, but try as she might, her husband was still stuck.

In desperation they called out to their neighbors for help. One man came in and said, "Do not worry, I know what you need to do. But you must do exactly as I say."

"Yes, yes," the husband promised, "of course, any-thing you say if you can help release me from this terrible jar."

"Push your arm farther into the jar," the wise neighbor said.

At first the man whose arm was stuck resisted, he did not want to make the situation even worse. But he remembered his promise and did what the man asked of him.

"Now open your hand and let go of the nuts you are holding."

This order upset the husband. He wanted those nuts for the delicious dish his wife would prepare for him. But he remembered his promise and reluctantly let go.

"Now," the neighbor said, "Make your hand as small as possible and pull your arm from the jar."

The husband did as he was told and out popped his arm, as easy as could be. Everyone who had gathered to watch clapped and cheered. Then the helpful neighbor tipped the jar over and let the nuts spill out onto the table.

Sometimes, desire becomes the obstacle to getting what you want. — adapted from ZenSufi.com

My farm's bigger than your farm

One farmer asked another farmer how much acreage he had.

"Oh, I got me a big farm," said the first farmer. "More than 200 acres."

"Is that so?" said the second farmer. "Well, I'll have you know, mister, that I can git in my car in the morning, drive all day—and still not reach the end of my property."

To which the first farmer replied, "I know what you mean. I used to have a car just like that." — *As retold from Comedy Writing Secrets, by Mel Helitzer*

Here are some lighthearted June jokes to brighten your day:

Why did the sun go to school in June?
To get a little brighter!

What do you call a snowman in June?
A puddle!

Why do bees stay in their hives during June?
Because it's swarm outside!

What do you call a month that loves to play hide and seek?
June, because it's always hiding in the middle of the year!

Did You Know?

June was named after Juno, the Roman goddess of marriage and childbirth — making it a popular month for weddings?

June has two birthstones — pearl and alexandrite — both associated with purity and prosperity?

The official flower for June is the rose, symbolizing love and beauty?

Things you'll never hear dear old dad say

- Darnit ... I'm lost. Can you believe that? I'll just stop here and ask directions.

- Sweetie, now that you've turned 13, I think you should be allowed to do whatever you want.

- I really like the attitudes of your friends. They seem angry and disrespectful and I see the value in that.

- I just want you to have my credit card and new car so that you can have a great time. No curfew. Go ahead, go wild!

- While your mother and I are away for the weekend, I thought you might want to have a party. Here's the key to the liquor cabinet.

- I think a tattoo of the devil would look great on you. Let's go down to the parlor—I'm paying.

- You don't need to work for your spending money.

Shoot, I make enough. How much do you need? — *adapted from AhaJokes.com*

Dad jokes!

Why don't skeletons fight each other?
They don't have the guts.

What do you call fake spaghetti?
An impasta.

Why did the scarecrow win an award?
Because he was outstanding in his field.

How does a penguin build its house?
Igloos it together.

Why don't eggs tell jokes?
They'd crack each other up.

"The power of a dad in a child's life is unmatched." – Justin Ricklefs

"A father carries pictures where his money used to be." – Steve Martin

"Any man can be a father, but it takes someone special to be a dad." – Anne Geddes

A horse tale

A motorist was driving in the country when suddenly his car sputtered and died. Frustrated the driver got out of the car, popped the hood and tried to locate the trouble. Just then he heard a voice say, “Something’s wrong with your carburetor.”

Surprised the motorist looked around to see where the voice was coming from, but he only saw an old horse standing nearby. Shocked, the motorist asked, “Did you saying something?”

“I said something is wrong with your carburetor,” the horse repeated.

The motorist was overcome with excitement and dashed off to the nearest house to report the incident to the farmer there.

“Was it a gray horse with one pale eye?” the farmer asked.

“Yes, yes. That’s the one!” cried the motorist.

“Well, I wouldn’t be paying much attention to him,” the farmer said. “He don’t know much about cars.” — *as retold from Laughter for Teens*

You had to ask ...

A grandmother had her 6-year-old granddaughter visiting for dinner one night. The granddaughter sat down and the grandmother thought this might be a good time to pry and find out how they were living in their house.

“So do you pray every night at your house, Jennifer?” the grandmother inquired.

Unconcerned, Jennifer said, “No grandma, we don’t have to cause mom’s a good cook” — *As retold from Comedy Writing Secrets, by Mel Helitzer*

You had to ask ... take two

Worker: I’d like a raise.

Employer: Dear friend, in the fiscal gridlock of this overwhelmingly underwhelming economy, it would be monetarily unsound to escalate the underlying over-head of the currently productive infrastructure, before maximizing the outflow contribution to the distribution network.

Worker: Huh? I don’t get it.

Employer: Exactly

— *As retold from Good Clean Jokes, by Anne Kostick, Charles Foxgrover and Michael J. Pellowski*

WELCOME SUMMER

June Crossword

Juneteenth

Juneteenth, officially known as **Juneteenth National Independence Day**, is a federal holiday in the United States celebrated annually on June 19. It commemorates the end of slavery in the U.S., marking the day in 1865 when Major General Gordon Granger announced the enforcement of the Emancipation Proclamation in Texas.

Historical Significance

- **Origin:** Juneteenth originated in Texas, where it was first celebrated on June 19, 1866, a year after the announcement.

Emancipation: The holiday symbolizes the emancipation of enslaved African Americans and is also known as Emancipation Day, Freedom Day, and Black Independence Day.

Celebrations

- **Traditional Activities:** Juneteenth celebrations often include prayer meetings, spirituals, family gatherings, picnics, and festivals with food, music, and dancing.
- **Modern Observances:** Today, Juneteenth is celebrated across the U.S. with educational events, parades, and cultural activities that highlight African American history and achievements.

Federal Recognition

- **Legislation:** Juneteenth became a federal holiday on June 17, 2021, when President Joe Biden signed it into law.
- **State Recognition:** Prior to federal recognition, Juneteenth was already a state holiday in Texas and observed in various other states.

Juneteenth is a powerful reminder of the struggles and triumphs in the journey toward freedom and equality.
