Co-op Updates

By Al Noeller, President PI Co-Op

It is time to turn the page and start another beautiful Florida summer, our winter friends have departed to enjoy some time up north, and we hope everyone has a great fun-filled season. Traffic is getting lighter here, less crowded at the beaches and restaurants, making it easier to park and get around everywhere. What is it you were going to do last summer and forgot too? Maybe plan to do it this summer? Enjoy!

The Social Committee is planning some extra events and pool parties for our enjoyment. If you have any other ideas for fun events, reach out to the Social Committee to assist. Note: the pool now has cooling abilities to help with our summer swimming comfort and enjoyment.

We are all tired of waiting for the New Traffic Light to be installed, but we are finally seeing the construction actually happening. We hope that it will be operational before all the snowbird traffic returns in the fall, it's still scheduled for a November completion. We are communicating and working with the installation supervisor for the safety of our residents and to minimize the impact at our entrance. The One-Call system and our Facebook page, Paradise Island Largo, will be used to keep you informed on this and other important community notifications. Please be careful when entering or leaving thru either entrance, whether there is construction activity or not.

PLEASE, stop feeding the Ducks and the other wildlife in our community. Mother Nature installed a balance in nature, but we lack parts of it here, because of our fences and alligator removal. Wildlife moves around to find food and that helps limit the population or impact on

any one area. Taking away alligators (a natural predator) and then feeding some critters, stops them from moving from place to place to find food. We have feral cats, armadillos, rabbits, coyotes, alligators, turtles and an abundance of ducks, it's like our own nature preserve. The law makes removal of these critters very expensive and generally only allows people to trap and then release them (rules on where and authorization needed) or euthanize them.

Our rules prohibit the feeding of the ducks and the wildlife. Pinellas County also has rules with stiff fines regarding feeding the wildlife. Feeding the wildlife brings forward many problems i.e.; they get aggressive, over populate, some carry disease, extra waste left everywhere, people feed them the wrong food that can hurt them, and it throws off nature's balance. They aren't your pets, if a pet is needed, please get an authorized cat or dog. Please just stop feeding the wildlife, *just enjoy their beauty as they proceed on their journey thru life.*

We wish everyone a great, safe and enjoyable summer!

HOA UPDATE

By Ken Hopkins

Five months gone already! How many shopping days til Christmas??

Okay, now we head into the summer months and planning continues for several items on the HOA agenda. Paperwork is almost complete for the bench program; fresh water shutoff signage is underway and can always use more volunteers; our records management program is being worked on and the by-law revision is close to complete. The Bingo committee is doing a great job managing that program and the kitchen team continues to serve up good meals every week.

Community needs include a chair for the Blood Drive and the morning exercise group. If you have a desire to be involved, please contact me or Nadine Peters. It is a great opportunity to make a difference.

We have been advised that soon there will be new toilets in the clubhouse bathrooms---yay! Also, lighting at the entrance is to be enhanced so look for those items in the near future. The work continues on the traffic light and completion is still set for late fall. Be patient!

With the recent fire tragedy, we are reminded to pay attention to our home maintenance programs. You should consider a safety audit at least annually to ensure that your home remains safe.

With respect to the above, a big thank you goes out to all those who have offered community support for our neighbor. This is an example of just who PI is and stands for. Thank you!

And finally, a wish to all for a Happy Father's Day. Be well.

HOA Home of the Month

By Vicky Ellis

The HOA is pleased to announce the Home of the Month winners for the month of May are Linda O'Malley and Robert Reynolds at 331 St. Thomas Way. They have received a \$50 VISA gift card and a sign on display in their front planter. Their efforts to make our community beautiful are appreciated.

I recently received a request asking if it is possible to make a nomination for home of the month recipient.... isn't that nice! We do not have a nomination process set up at this time. This is an activity sponsored by the PI Homeowners Association and winning homes are chosen by a committee of residents (both HOA & Co-Op). If you would like to join us on the committee, we welcome you to participate. Contact Vicky Ellis, Chairperson and come help us!

FIRE SAFETY REMINDERS

Submitted By: Co-Op BOD

While all of us on the Co-Op Board of Directors want to express our deepest concern for our neighbors who are having to deal with the recent tragic fire in our community, we thought this would be a perfect opportunity to remind everyone to take a few minutes to look around our homes.

1. Check for any combustible or flammable materials in our sheds! Check the Pinellas County Website for times and locations to dispose of these items.
2. Check your outlets - are they so loose that the lamp cord barely stays plugged in? Are you using old worn extension cords and multi plug adapters? Maybe it's time to have them replaced or even better, have a home inspection done by a licensed electrician who can identify electrical hazards in your home.
3. Have you checked your dryer vent lately? Lint build-up is the cause of many house fires!
4. Do you have a fire extinguisher and if so, have you checked to make sure it is still under pressure and not outdated?
5. Do you have smoke detectors and if so, have you checked the batteries? If you need to update or add additional smoke detectors, the American Red Cross has a program where they will install smoke detectors in your home, free of charge. If you have not already taken advantage of this program, contact Jim Rich, Neighborhood Watch to schedule an installation.
6. Do you have homeowners' insurance and has it been updated to protect you from financial hardship, should you ever face a tragedy such as this recent fire? Remember the Park rules do require you to carry liability insurance, which would most likely be part of your homeowner's policy, so please make sure you protect yourself and follow

the rules at the same time. Keep in mind that if a neighbor's house catches fire and it damages your home, you need your own insurance to cover the damage to your home!

We all have to be so thankful to the Largo Fire Department and all the First Responders who did such a terrific job of knocking this fire down so quickly and preventing damage to the neighboring homes. So, let's all help them out by taking a little time and doing what we can to hopefully prevent them from having to do it all over again in our neighborhood!

Remember that your home is kind of like your car. Would you drive around in a 30-year-old car without having it tuned up and the brakes checked?

Neighborhood Watch

By Nancy LaBelle

SCAMS seem to be the topic of our meetings lately. People get scammed, loose money and don't want to tell anyone because they are embarrassed. It can happen to anyone. Scammers are getting very sophisticated and play on emotions.

The Computer Scam. You get a pop-up alert that your computer has a virus. Call a number for help! You Panic! **DO NOT CALL!** Unplug your computer and take it to a local business. Do not try anything over the phone unless you completely know and trust the person you are speaking to.

ROMANCE SCAMS. Nothing wrong with online match ups but sometimes your match it not for real. The voice you are talking to or the picture to are texting is a fake. After a while a story evolves and your person needs money for something...a sick relative, emergency surgery, or a ticket to come see you, for example. Once you send the money you may get ghosted. Or worse, the requests continue as the love blossoms. Don't send western union money, gift cards, checks, atm bitcoin, money by way of an Uber or even meeting at a bank to someone you do not know well, and have met in person.

Be VERY Leary of a relationship if this is currently happening and talk to someone. Even a fake Charity can scam people. Don't divulge personal account info, bank info, social security numbers etc.

No one will call you saying there is a warrant for your arrest.

Don't download unfamiliar attachments or click on links from your bank, or anyplace without thoroughly researching why you're getting it.

SMOKE ALARMS. JIM RICH says that now the Red Cross is making appointments rather than coming into the park on a given day. Please call Jim Rich III @ 304-582-8593 and he'll help set that up.

Ladies Monthly Luncheon

By Beth Pieckiel

Here's hoping that all snowbird friends are enjoying their summer. The June Monthly Ladies Luncheon will be held Saturday, 6/28/2025 at 11:30 am. Your hostess for this month is Linda Smith and she has chosen for her restaurant and we'll be going to:

Benedict's Restaurant
201 W. Bay Drive
Largo, FL 3377
(727) 444 - 0371

As always, the sign-up sheet for this luncheon will be posted on the bulletin board in our clubhouse. Also if you do sign up for any of the Monthly Ladies Luncheons and then find you are unable to attend, PLEASE scratch your name off of the sign-up sheet. This is so your hostess can give her restaurant of choice an accurate headcount.

So please come out for an enjoyable afternoon with the ladies of Paradise Island with new and old friends.

If you should have any questions regarding the luncheon, call either myself, Beth Pieckiel at (214) 538- 7094, or Kim Gibson at (440) 840-4093.

New England Plus

By Gail White

The New England + Dinner group will hold its next meeting at 4 p.m. June 4 at the Turkish Mediterranean Restaurant at 1921 West Bay Drive, Largo.

All Paradise Island residents are welcome. And no, we don't stop for the summer -- eating is a year-round activity.

If you need a special reason to come, keep in mind that June 4 is National Cognac Day. It's also National Cheese Day, but cognac sounds more sophisticated.

There is a Facebook group page called New England + Dinner that can be used to sign up. Or you can use the signup sheet in the clubhouse. Questions? Please contact dinner coordinators Gail White (412-561-5943) or Maureen Ronney (248-835-8127).

Thanks to everyone for a magnificent May dinner!

Men's Club

By Ken Jonas

We hope that everyone is having a good start to the summer season and those of you who traveled north, had a safe and pleasant journey. As I listed all the upcoming shows for the 2025-26 season last month, I won't bore you with it again this month, but will repeat it later this summer.

For those of you who are here all summer, the Social Committee has some pool parties planned with the first one being June 14th. We could use just a few Men's Club volunteers that morning at 9 AM to help with setting up the Pavilion.

Have a Great Summer!

Ask About Our Other Cleaning Services

VETERAN'S CORNER

By Bob Behm

It's that time of year again when we start our spring cleaning! I would ask you to make checking your outside American Flag a part of that tasking. Thank you for taking pride and flying your flags but driving around the park, a lot of flags are frayed and torn. Please replace them but don't throw them in the garbage bring them to the American Legion, VFW or Elks Lodge to be properly disposed of.

Why you should get a Veterans designation on your license? Most states offer a free veteran's designation on their driver's licenses Florida is one of them, and if you want to get your full benefits as a veteran you will want to make sure you get yours. Having your driver's license updated with your veteran status ensures you easily can get special veterans-only discounts and other benefits offered by private businesses as well as state and local governments. These discounts cover almost every type of business you can imagine: from golf courses to drugstores to theme parks. However, it can be cumbersome to carry your DD-214 with you all the time in order to get these discounts, and that really isn't something you should be doing.

To make it easy to get these discounts, you can apply for a veteran's ID card from the Department of Veterans Affairs, but the VA only gives this card to honorably discharged veterans, and having to carry an extra ID card with you can be a hassle. That's why it's always good to get that veteran's designation on your driver's license.

Either your VA ID card or your state-issued ID or license with a veteran designation is usually all you need to take advantage of the many discounts listed in our discounts section as well as other discounts. These "other" discounts can be extremely beneficial if you take advantage of them.

Besides the usual discounts that national retailers and other businesses offer, many local companies offer veterans discounts. While most of these discounts are usually around 10% on goods and services, they can be worth a lot of money depending on the company. Sure, a 10% discount on breakfast isn't necessarily something that will make a big difference in your life, but if you are purchasing a big-ticket item, that discount can be a game changer.

Buying a new refrigerator? That 10% discount can be over \$200. Just found out you need a new \$10,000 furnace? That 10% discount is \$1,000. How about home improvement? Many contractors offer 5% or 10% discounts on construction services like siding or a new roof. Those savings can add up very quickly. So, all things being equal, you always should seek out the business that offers a veteran's discount if you want to save money. It never hurts to ask whether the business offers a veteran's discount when you are shopping around for services.

Also, many states offer a ton of discounts and other benefits for veterans that you may not be aware of, and having an easily accessible veteran's ID card can make it much simpler for you and your family to receive them. For example, most states offer veterans some type of discount for admission to state parks or state fairs; others offer free or discounted hunting and fishing licenses. One thing you may not know is that many states offer these discounts to non-resident veterans.

Bob Behm LTC, (US Army Ret.)
