## READINGS:

---

I'm reading a book about anti-gravity...it's impossible to put down

There was a big sale at the boat store....it was quite an oar deal

I tried to come up with a carpentry pan that wood work. I think I nailed it but nobody saw it.

## HURRICANES:

---

Stay mindful of hurricane season, we are only in the second month of the season. Information was in the June Scuttlebutt issues. Review those, get/stay prepared. You never know what might be just around the corner.

## SCUTTLEBUTT INFORMATION:

---

Reminder if you have a short article, information you believe the community would like to read, information of activities going on within the community, changes that need to be made, something new in the park, or a good recipe to share, please forward the complete information to [jafroscoe46@yahoo.com](mailto:jafroscoe46@yahoo.com) (in word), no later than the 9th of the previous month to be published. (I.e. for the August issue, all articles, information, etc., must be sent to the above e-mail address no later than the 9th of July).

## SAFETY ISSUES:

---

Another reminder: Even though many residents have left the park for the season, there are a number that reside here year round. Please remember the speed limit for cars, golf carts, and electric bikes is 15 miles per hour within or community, also obey the stop signs. If it says stop that means stop. When out on your golf cart or riding your bike after dark, turn your lights on, if you are enjoying a night time stroll, carry a flashlight or wear some type of reflective clothing. Safety for your dog at night is also key, have a reflective leash, collar, or harness to protect your fur baby.

## JULY 2025 AWARENESS MONTH:

---

This July there are several awareness months that are observed, including National Minority Mental Health Awareness Month, Disability Pride Month, and French American Heritage Month.

Additionally, July is designated as Sarcoma and Bone Cancer Awareness Month according to the American Association for Cancer Research.

## FELLOWSHIP:

---

Happy Birthday to all those who are celebrating a July Birthday.  
Happy Anniversary to all those couples celebrating a July Wedding date.

## THINGS TO PONDER:

---

Your fingers have fingertips but your toes don't have toetips. YET, you can tiptoe but not tipfinger.

I'm starting to think I'm built like a cell phone.... Even when I charge overnight, I'm already down to 50% by 10am.

When you ask me what I am doing today, and I say "nothing". It does not mean I am free. It means I am doing nothing.

I really think tossing and turning at night should be counted as exercise.

When I was young I was poor. But after years and years of hard work, I am no longer young.
