RESIDENT POTLUCK

We will have a Resident Potluck on Saturday, October 18, 2025 at 5:00pm. Bring a delicious dish to share, your own plate/utensils and enjoy the favorite dishes of your neighbors. If you want, you can play a game of cards, dominos, CLR, etc. afterwards.

MEETING WITH MANAGEMENT

Discussed underage residents living in park. Issue already addressed. Guidance for people who park in street overnight. Management has asked residents to refer to office. Issue about person walking dog in everyone's yard. Resident will be sent letter advising of rules. Maintenance trying to clean up and dig out sluesways to provide for better drainage. Management requests that residents refer drainage issues to office. Duck issue – Management has found company to remove ducks legally. Some are protected so permits have to be obtained to move them. Additional rat bate boxes will be put out Monday. Issue with woman leaving cats outside – will be sent letter reminding her of rules. Asked about backup propane and clubhouse access during hurricane season. Management has plenty of back up tanks and will allow residents to use electricity in clubhouse and kitchen facilities if power is out during hurricane. Issue of speed humps tabled until October so board can bring it up in HOA Board meeting on Oct. 7.

REMINDER

Garbage cans should not be put out until 7 pm the night before pickup. After pickup, they should be removed promptly.

Calls from the front gate from unknown visitors should not be honored. Only residents expecting visitors they know should open the gate. Any suspicious activity should be reported to office immediately.

STATUS OF GOVERNMENT TIE-DOWN PROGRAM

I contacted the program again and they replied that they are still working on getting 2022 parks completed and we applied in January 2023.

New Residents

249- Riccardi Lombardi and 410- Caren Frix

PLEASE MAKE THEM FEEL WELCOME!

WARNING

I know we would like to think everyone is honest, but there are individuals that live to prey on Seniors. If you are approached by someone wanting to sell you something or do some home repairs, unless you know them, please contact the office to see if they are a reputable company. Do not pay anyone for work not completed or not requested by you.

MONTHLY FOOD GIVE-AWAY

We are so lucky to have Good Neighbors bring in food to be given away on the First Thursday of each month. This event was started by the Social Committee and has been continued despite the Social Committee disbanding during the summer months. Distribution begins at noon and is open to all residents. We are also lucky to have volunteer residents to help with the event. If you would like a bag of food and cannot get up to the clubhouse or know a neighbor or friend that could use some free food, contact a board member so we can pass that information on to the volunteers. It is amazing how much food is brought in – everything from eggs to meat packages to fresh vegetables and fruit to bread and sweet treats. Even some flowers are given out. Any food left over after the distribution is given to a local homeless shelter or animal sanctuary.

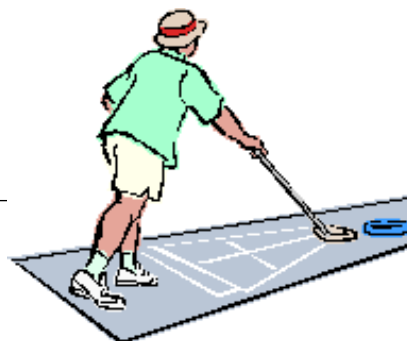

GAME OF HORSES

Postponed until Fall.

SHUFFLEBOARD LEAGUE

Will begin again in December.

What Is and Why Join the FMO

Why Join the FMO? FMO is the Federation of Manufactured Homeowners of Florida. The Federation's purpose is to promote its members' general welfare, protect their rights and interests, and be a consumer advocate for manufactured/mobile homeowners. FMO members are current, former, and future manufactured homeowners who care about our lifestyle and hope to make a difference at the state level. Their accomplishments are numerous and include the creation of Florida Statute 723, "The Florida Mobile Home Act", which safeguards your rights as homeowners in Florida. Most recently the FMO successfully lobbied for the extension of The Mobile Home Tie Down Program for 10 more years. We owe all of our success to our dedicated members. Please visit the FMO website at: <https://www.fmo.org> We hope you'll find the information and resources on their website useful and help join us in our fight to protect our lifestyle. Together we can, and do, make a difference! This is information on a FMO proposed piece of legislation for 2025: **ISSUE:** Florida is home to hundreds of thousands who have chosen the lifestyle found in manufactured/mobile home communities and parks. Many live on fixed incomes without the ability to increase their income. In many cases our mobile home residents are forced to choose between paying the lot rent or buying food and medicine. **PROPOSAL:** During the 2025 Regular Session, FMO will work to amend sections of Chapter 420 to assist mobile home owners who own their homes that are placed on leased land with lot rent payments. Assistance will be based on the home owner's financial need. Draft language to accomplish this has been placed with the House and Senate Bill Drafting Offices. FMO supports home owner's concerns about lot rent increases. We must eliminate the discrimination that exists against mobile homes within the larger conversation about affordable housing.

HUMOR – (SORT OF)

A woman was telling her friend, "It is I who made my husband a millionaire" "And what was he before you married him?" her friend asked. "A billionaire" she replied.

The young lady, upon her engagement, went to her mother and said, "I've found a man just like father!" Her mother replied, "So what do you want from me – sympathy?"

A little boy asked his father, "Daddy, how much does it cost to get married?" And the father replied, "I don't know son, I'm still paying".

I knew what real happiness was until I got married; and then it was too late.

A husband and wife were dining out together when the wife noticed her husband kept staring at an attractive woman who was sitting at the bar throwing back drink after drink. "Do you know that woman?" she asked. "Yes," her husband replied. "She's an ex-girlfriend. She started drinking when we broke up, and apparently she hasn't been sober since". "My goodness!" his wife exclaimed. "Who'd have thought a person could celebrate for that long?"

Wisdom from my Grandmother

If you're too open minded, your brains will fall out.

Age is a very high price to pay for maturity.

Going to church doesn't make you a Christian any more than going to a garage makes you a mechanic

Artificial intelligence is no match for natural stupidity.

If you must choose between two evils, pick the one you've never tried before.

My idea of housework is to sweep the room with a glance.

Not one shred of evidence supports the notion that life is serious.

It is easier to get forgiveness than permission.

For every action, there is an equal and opposite government program.

If you look like your passport picture, you probably need the trip.

Bills travel through the mail at twice the speed of checks.

A conscience is what hurts when all your other parts feel good.

Eat well, stay fit, and die anyway.

Men are from earth, women are from earth. Deal with it.

No husband has ever been shot while doing the dishes.

A balanced diet is a cookie in each hand.

Middle age is when broadness of the mind and narrowness of the waist change places.

Opportunities always look bigger going then coming.

Junk is something you've kept for years and throw away three weeks before you need it.

There is always one more imbecile than you counted on.

Experience is a wonderful thing. It enables you to recognize a mistake when you make it again.

By the time you can make ends meet, they move the ends.

Thou shall not weigh more than thy refrigerator.

Blessed are they who can laugh at themselves for they shall never cease to be amused.

Halloween

Origins & History

- **Ancient Celtic Festival of Samhain:** Halloween traces back over 2,000 years to the Celtic festival of Samhain, marking the end of the harvest and the beginning of winter. Celts believed that on this night, the boundary between the living and the dead blurred, allowing spirits to roam the earth.
- **Christian Influence:** In the 8th century, Pope Gregory III designated November 1 as All Saints' Day, and the night before became known as All Hallows' Eve, eventually shortened to Halloween.
- **American Evolution:** Irish and Scottish immigrants brought Halloween to the U.S. in the 19th century. It evolved from somber spiritual traditions into a fun, community-centered celebration.

Traditions & Activities

- **Trick-or-Treating:** Children dress in costumes and go door-to-door saying "Trick or treat!" to receive candy. This practice stems from medieval "souling," where people collected food in exchange for prayers.
- **Costume Parties:** People of all ages wear costumes ranging from spooky creatures to pop culture icons and attend themed parties.
- **Pumpkin Carving & Jack-o'-Lanterns:** Inspired by Irish folklore about "Stingy Jack," people carve pumpkins into faces and light them with candles to ward off spirits.
- **Haunted Houses & Corn Mazes:** These attractions offer spooky thrills with eerie decorations, jump scares, and ghostly themes.
- **Horror Movies & Storytelling:** Watching scary films and sharing ghost stories are popular ways to embrace Halloween's eerie vibe.

Symbols & Superstitions

- **Ghosts & Spirits:** Represent the belief that the dead return on Halloween night.
- **Witches & Black Cats:** Associated with magic and superstition.
- **Skeletons & Gravestones:** Symbolize death and the afterlife.
- **Bats & Spiders:** Creatures of the night that add to the spooky atmosphere.

Halloween Humor

 **The Vampire Who Couldn't Bite**
A little boy dressed as a vampire went trick-or-treating with plastic fangs so big he couldn't talk properly. At every house, he'd mumble "Trick or treat!" and people would ask, "What are you supposed to be?"

He finally pulled out the fangs and yelled, "I'm a vampire, okay?! But I can't bite anyone because my mom says no chewing plastic!"

Pumpkin Panic

One family carved a super elaborate jack-o'-lantern and placed it on the porch. The next morning, it was gone. They checked the security camera and saw a squirrel trying to climb inside it, then getting stuck and rolling off the porch like a pumpkin bowling ball.

The squirrel was fine—but the pumpkin? Not so much.

Ghost in the Mirror

A dad tried to scare his kids by dressing up as a ghost and hiding in the bathroom. He waited quietly behind the shower curtain.

His daughter walked in, saw her reflection in the mirror, screamed, and ran out—because she thought she was the ghost.

The dad never got to jump out. He just stood there, defeated, in a sheet.

Witchy Mix-Up

A teacher wore a witch costume to school and added a fake wart to her nose. One student stared at her all day. Finally, he raised his hand and asked, "Miss, is that wart part of your costume or... should we be worried?"

Funny Halloween Quotes

"I'm just here for the boos."

"Halloween: The only time of year when cobwebs are decorations, not neglect."

"If you've got it, haunt it!"

"I would make a skeleton joke, but you wouldn't find it very humerus."

"Witch better have my candy!"

"Ghosts are just people who didn't get enough attention in life."

"I'm too ghoul for school."

"You say witch like it's a bad thing."

"Creepin' it real since 1800."

"Resting witch face."

Autumn

 **The Great Leaf Chase**
A man tried to rake leaves on a windy day. Every time he made a pile, the wind scattered it. After the fifth attempt, he yelled, “I’m just giving the yard a haircut now!” His dog thought it was a game and chased every leaf like it was a squirrel.

 **Sweater Roulette**

A woman wore a chunky sweater to work because it was 55°F in the morning. By lunchtime, it was 82°F. She spent the afternoon fanning herself with a file folder and muttering, “Florida fall is a prank.”

 **Pumpkin Spice Panic**

A guy ordered a pumpkin spice latte and took it outside to enjoy the crisp air. A gust of wind blew leaves into his cup. He took a sip and said, “Extra fiber. Very seasonal.”

 **Forecast Fail**

A family planned a fall picnic based on a “clear skies” forecast. It started raining halfway through. They huddled under a tree with soggy sandwiches and declared it “a very authentic autumn experience.”

 **Squirrel Sabotage**

A woman set out decorative mini pumpkins on her porch. A squirrel stole one every day. She finally put out a fake one. The squirrel tried to bite it, got mad, and threw it at her window.

On change

We all have big changes in our lives that are more or less a second chance.
— **Harrison Ford**

Life belongs to the living, and he who lives must be prepared for changes.
— **Johann Wolfgang von Goethe**

On stepping into life

It may be hard for an egg to turn into a bird, it would be a jolly sight harder for it to learn to fly while remaining an egg. We are like eggs at present. And you cannot go on indefinitely being just an ordinary, decent egg. We must be hatched or go bad.
— **C.S. Lewis**

On rules for life

Always speak the truth, think before you speak, and write it down after-wards.
— **Lewis Carroll**

Anecdotes

October

Leaf It Alone

A man spent hours raking his yard into perfect leaf piles. His dog thought it was a game and dove into every single one. The man sighed, “I guess fall is for falling... apart.”

Pumpkin Patch Panic

A toddler in a pumpkin patch picked the biggest pumpkin and tried to carry it. After two steps, she dropped it and yelled, “It’s too spicy!” Her parents still aren’t sure what she meant.

Sweater Weather Confusion

A Floridian wore a sweater on the first cool morning of October. By noon, it was 85°F again. He said, “I regret everything,” while peeling it off in the parking lot.

Squirrel Surveillance

A woman noticed a squirrel staring at her from the tree every morning. She started waving. One day, she brought it a peanut. The squirrel took it, then threw an acorn at her. “I guess he prefers local produce.”

Costume Crisis

A kid wore a vampire costume to school but forgot the cape. He improvised with a black trash bag. When asked what he was, he said, “I’m a budget Dracula.”

Decor Dilemma

A man decorated his porch with fake cobwebs. His neighbor complimented him—until she realized they were real cobwebs. He shrugged, “Nature’s doing a better job than I ever could.”

On Wisdom

By three methods we may learn wisdom: First, by reflection, which is noblest; second, by imitation, which is easiest; and third by experience, which is the bitterest.

— Confucius

On experience

Good judgment comes from experience, and often experience comes from bad judgment.

— Rita Mae Brown

On time

You must have been warned against letting the golden hours slip by, but some of them are golden only because we let them slip by.

— James M. Barri
