GRATITUDE FOR OUR VOLUNTEERS AND INVITING NEW HANDS TO JOIN THE JOURNEY

In every community, there is a quiet force at work-a constellation of individuals who give freely of their time, talents, and unwavering spirit. These are our volunteers, and their contributions form the heart of all we accomplish. They play a vital role in our shared success.

If you've ever attended a community event, seen a neighbor receive help, or watched a project blossom into reality, chances are a volunteer was at the center of it all. Volunteers are those who step forward-not for recognition or reward, but from a genuine desire to make a difference.

The impact of volunteerism cannot be overstated. Volunteers create a tapestry of goodwill that weaves us all together. Their acts may often go unnoticed to the wider world, but their influence is felt by every life they touch here at Golden Gate.

To every volunteer who has answered the call-who has braved early mornings and late evenings, ever changing weather conditions, offered a friendly smile and extend a helping hand-Thank you. Your generosity fuels our community's vitality and helps shape our collective story.

We see you planning events, organizing events, delivering information or simply lending a listening ear. We appreciate the patience, resilience, creativity you bring to every task. You inspire those around you- reminding us all that the measure of a community is found in the strength of its volunteers.

Our gratitude extends not just from our organization, but from every individual whose life you have touched. We also wish to recognize the families and loved ones who support our volunteers. Your encouragement and understanding make it possible for them to give so generously, and for that, we thank you as well.

We are deeply grateful for our current snowbird volunteers, who have helped us maintain momentum and continuity throughout the year. Your willingness to step in when and where you are needed most is testament to your commitment-not only to our community, Golden Gate, but to the ideal of service itself.

As our community continues to grow and evolve, so too does our need for more helping hands- especially those of snowbird volunteers. With their unique availability and wealth of experiences, snowbirds are perfectly positioned to help fill critical gaps during the changing seasons.

If you are a snowbird-or know someone who is-who enjoys meeting new people, learning new skills, and making a meaningful difference, we invite you to consider joining our team. Your time here, whether short or long, can leave a lasting impact that carries well beyond your stay.

There is a wide range of opportunities, clubs, nugget magazine deliveries, activities, to suit different interests and skills.

To all our volunteers: Thank You. Your generosity is a gift that keeps on giving, season after season. And to potential volunteers: we hope you'll consider joining our family of service. Together, we can continue building a vibrant, welcoming, and resilient community for all. Every helping hand brings us closer to a brighter tomorrow. Will you lend yours?

October Men's Club

Did you know that all male residents in Golden Gate park automatically belong to the Men's Club?

The "Men's Club's Constitution & By-Laws" is only 6 pages that are half the size of standard 8.5x11" letter paper with very wide margins. It's nothing to be afraid of.

Article III.A states:

"The membership shall be limited to any male person (or persons) residing in Golden Gate Community. All such members shall have a right to vote and hold office and voice their opinion in any matter before the group."

All male residents, in this Community, have explicit rights, one of which is to voice their opinion. Limited -- women are not members! They don't have the right to voice their opinions before this group. Your opinion. Not somebody else's. Not the popular, or "politically correct" opinion. God wired men and women differently and put us here for different reasons. Men's opinions, your opinion, is important to this Community!

The purpose of the Men's Club is stated in Article II:

"Purpose:

A. To Promote the interest of the owners of mobile homes in Golden Gate Mobile Home Community.

B. To Provide for social and recreational activities for its members."

There's the word Community again. That's the whole Article. It's not complicated.

You are already a member. All you have to do is show up!

The Men's Club has been doing a monthly breakfast to support this Community for many decades – through several generations. Last year we were hanging on by our fingernails, wondering whether enough men would show up to do the next breakfast. We've lost 4 active members since then; so this year is looking even worse.

Quite simply, we need you to show up! We meet the first Tuesday of each month, from Oct to Apr, at 5pm in the Club House. God's purpose for men in a community is nothing to be ashamed of, *or afraid of*.

Tues, Oct 7th, 5pm, Club House.

And bring your ideas for *social and recreational activities* for Men!

SHUFFLEBOARD Update

Well we're officially into fall season and many snowbirds are anxiously planning their return to Golden Gate and especially to resume some regular Shuffleboard FUN. Our weekly HORSECOLLAR continues Tuesdays and Saturdays at 9 am. Stay tuned as at some point we will revert back to our normal 10 am starts as the weather changes. Thanks again to Charleen Socha for keeping things going during the summer months. Bring a friend or neighbor to share in the FUN for a mere cost of 50 cents - which you will most likely win back.

Participants from our Seminole and Blue Sky teams will soon resume weekly practices at 10 am on Mondays. Stay tuned for details. Please consider joining up for our NOVA or advanced teams. There's plenty of help and tips available from our skilled veterans and team captains. Our first monthly meeting will take place on Tuesday NOVEMBER 10th. For a \$5 membership, it provides plenty of good FUN and comradery for the entire year. Come on out and experience our outstanding courts!

AGE IS JUST A NUMBER

“You’re only as old as you feel!” New research says there’s some truth to this classic adage. Studies have linked subjective age-how young or old you feel, not your actual number of years- to a longer lifespan. Ways to feel younger will vary from person to person, but doctors suggest finding hobbies and activities that are important to you, such as spending time outdoors or playing games. Using assistive devices to boost independence, such as a walker or hearing aids, also affects subjective age in a positive way.

Examples abound of individuals who have rewritten the narrative of what is possible at various ages:

- *Grandma Moses began her painting career in her late seventies, becoming a folk art icon.

- *Colonel Sanders founded Kentucky Fried Chicken in his sixties.

- *Diana Nyad completed her historic swim from Cuba to Florida at age 64.

- *Tao Porchon-Lynch taught yoga and dance well past the age of 90.

- *Mala Yousafzai became the youngest Nobel Peace Prize laureate at 17.

These stories inspire and challenge preconceived notions. They remind us that potential is not a finite resource, but a well that can be tapped at any time.

Remember, your age is but one detail in the vast mosaic of your identity. The number may tick upward, but your journey is yours to shape, at any moment, and in any way you choose.

JUST A THOUGHT...

“Somewhere in the world a tree sprouted the same day you were born and has been growing along with you this whole time.”

RHYME AND REASON

BY DONNA ORLANDER

Memories are held in our bodies
Like a blanket or flag that’s unfurled.
Memories are felt in our bodies,
To keep private or show to the world.
Memories show up in our hearts and tears,
To show everyone or put away for years.
Of course, tears and heartache show in our face
But wonderful memories leave smile lines we can trace.
Every moment is etched somewhere in our mirrors
Our hopes, our disappointments and even our fears.
Don’t conceal you life under makeup and hair,
Let you wisdom of life, show open and vast.
Recognize the someness in your neighbors pain and joy.
Give solace and to the first and celebrate the last.

THE IMPORTANCE OF GOLDEN GATE RULES AND REGULATIONS

Living within the Golden Gates resident-owned community offers a unique opportunity for individuals and families to experience the best of neighborhood living, marked by mutual respect, shared responsibility, and a common commitment to upholding the standards that ensure everyone's well-being. Abiding by the rules and regulations is not merely about compliance- it is about fostering a vibrant, safe and enjoyable place to call home.

At the heart of any resident-owned community lies a framework of guidelines established to protect property values, ensure safety, and create an environment conducive to neighborly interactions. These rules and regulations serve several key purposes ,preserving property values, promoting safety, encouraging respect and fostering community spirit.

Every resident-owned community operates under a set of governing documents which typically include the Bylaws, the Declaration of Covenants, Conditions and Restrictions and Resident Rules and Regulations. Residents are encouraged to read and familiarize themselves with these documents upon moving in and revisit them periodically.

OCTOBER

Did You Know?

October got its name originally from being the eighth month of the year when the Romans made the first calendar. "Octo", meaning "eight" in Latin, was the name given to the eighth month of the year, until the calendar changed to the 12-month design we all know today; now the 10th month, whilst keeping the same Latin name!

Halloween Pets

The Hot Dog Dilemma

A golden retriever named Max was dressed as a hot dog—complete with bun and mustard. At the local pet parade, he saw a real hot dog stand and bolted toward it, tail wagging. The vendor panicked, thinking a giant hot dog was attacking. Max just wanted a snack.

The Costume Rebellion

A cat named Luna was dressed as a bat. She tolerated it for exactly 3 minutes before climbing onto the bookshelf and knocking down every Halloween decoration in protest. Her owner said, “She’s not a bat—she’s a wrecking ball.”

Superdog Takes Flight

A Labrador named Buddy wore a Superman costume with a cape. During trick-or-treating, a gust of wind caught the cape and made it flap dramatically. A toddler screamed, “He’s flying!” Buddy just ran faster, loving the attention.

The Pumpkin Thief

A pug named Olive was dressed as a pumpkin. She blended in so well with the porch decorations that neighbors kept trying to pick her up, thinking she was a plush toy. She didn’t mind—she got belly rubs every time.

Bunny in a Shark Suit

A rabbit named Snowball wore a shark costume. When guests arrived, she hopped out from under the couch, and one person shrieked, “It’s a land shark!” Snowball paused, then casually started nibbling on a shoe.

Animal Quotes for Halloween

“My dog’s Halloween costume cost more than my own. He’s going as a spoiled brat.”

“Cats are the only creatures that can knock over your decorations and still look like they’re doing you a favor.”

“My pet’s costume is so good, even the squirrels are scared.”

“If you think ghosts are scary, try taking a costume off a cat.”

This Halloween, my dog is going as a vacuum cleaner — because he already eats everything off the floor.”

Anecdotes

October

Leaf It Alone

A man spent hours raking his yard into perfect leaf piles. His dog thought it was a game and dove into every single one. The man sighed, “I guess fall is for falling... apart.”

Pumpkin Patch Panic

A toddler in a pumpkin patch picked the biggest pumpkin and tried to carry it. After two steps, she dropped it and yelled, “It’s too spicy!” Her parents still aren’t sure what she meant.

Sweater Weather Confusion

A Floridian wore a sweater on the first cool morning of October. By noon, it was 85°F again. He said, “I regret everything,” while peeling it off in the parking lot.

Squirrel Surveillance

A woman noticed a squirrel staring at her from the tree every morning. She started waving. One day, she brought it a peanut. The squirrel took it, then threw an acorn at her. “I guess he prefers local produce.”

Costume Crisis

A kid wore a vampire costume to school but forgot the cape. He improvised with a black trash bag. When asked what he was, he said, “I’m a budget Dracula.”

Decor Dilemma

A man decorated his porch with fake cobwebs. His neighbor complimented him—until she realized they were real cobwebs. He shrugged, “Nature’s doing a better job than I ever could.”

On Wisdom

By three methods we may learn wisdom: First, by reflection, which is noblest; second, by imitation, which is easiest; and third by experience, which is the bitterest.

— Confucius

On experience

Good judgment comes from experience, and often experience comes from bad judgment.

— Rita Mae Brown

On time

You must have been warned against letting the golden hours slip by, but some of them are golden only because we let them slip by.

October Anecdotes & Puns

“Outstanding in His Field”

A scarecrow won “Best Fall Decor” in the neighborhood. When asked how he did it, he said, “I was just outstanding in my field.”

“Pumpkin Panic”

Someone dropped a pumpkin and yelled, “Squash!” A kid nearby screamed, “It’s alive!” Turns out, it was just a rolling gourd with googly eyes.

“Oct-over Already?”

A dad told his kids, “Tomorrow is October 31st, so October is officially Oct-over.” The kids groaned. The dad smiled. Mission accomplished.

“Witchful Thinking”

A woman left a broom on her porch hoping to attract a witch. Nothing happened. She sighed, “Guess it was just witchful thinking.”

“Nut-flix and Chill”

A squirrel was spotted lounging on a pile of leaves with a half-eaten acorn. Someone joked, “He’s just enjoying some Nut-flix and chill.”

“Green Day Wake-Up Call”

On October 1st, someone posted: “Can someone wake up Green Day? September’s over.” The internet collectively nodded.

“Autumn-Mobile”

A kid asked what car is best for October. The answer? “An autumn-mobile!” Bonus points if it’s pumpkin orange.

“Mock-tober Madness”

A teacher declared the first day of October “Mock-tober” and encouraged sarcastic answers all day. The students thrived. The principal... not so much.

“Jingle Bell Rock Defense”

One person carries a rock labeled “Jingle Bell Rock” to throw at anyone playing Christmas music in October. It’s a seasonal defense mechanism.
