HARBOR LIGHTS HOMEOWNER'S ASSOCIATION:

As our Snowbirds and Vacationers return, we are pleased to say, **Welcome Home.**

The first meeting of the season is Wednesday, November 5, 2025. We would like to remind everyone, that the Harbor Lights Homeowner's Association (HOA) meets the first Wednesday of every month following the Social Club Meeting, approximately 10:00am. The HOA meetings are open to all residents of our park who own a mobile.

This is an advanced notice to everyone of the upcoming meeting in November.

WEATHER:

Stay Vigilant!! We are still in hurricane season. If you hear talk of Hurricanes, Tropical Storms, or Storm Surges, pay attention. Follow any guidelines that are always talked about on Spectrum Bay News channel 9, or on the Spectrum Weather channel which is channel 63. There is information in the Clubhouse for you to pick up and familiarize yourself with, including evacuation routes. There have been articles in previous Scuttlebutts with information as to what to pack in the TO-GO-BOX should you need to evacuate, sites for assistance, and contact information.

NIGHT ACTIVITIES:

As the sun is setting earlier and earlier, that means that our streets are getting darker earlier, remember if you are out walking, biking, golf cart riding, jogging, dog walking, etc. Wear reflective clothing, have lights on your vehicles both front and back. If you are walking a dog a reflective collar or vest will make them be seen for their safety. Our streets are dark, and you need to be seen. Stay safe while on our streets, abide by the stop signs, ride or walk on the correct side of the street, use sidewalks when possible. We want our community to be safe.

BREAST CANCER AWARENESS MONTH:

Is observed every October to raise awareness about breast cancer prevention and screening. It's also known as "Pink October" because people around the world wear pink and display pink ribbons to show their support. Events such as walks, run, and illuminating landmark in pink take place.

Did You Know?

October got its name originally from being the eighth month of the year when the Romans made the first calendar. "Octo", meaning "eight" in Latin, was the name given to the eighth month of the year, until the calendar changed to the 12-month design we all know today; now the 10th month, whilst keeping the same Latin name!
