From The Desk of the HOA President

Hello everyone! A big welcome back to our neighbors from the north as they start trickling back in. There have been some changes to your HOA board of directors recently. James Loomis (myself) is now the president as Michael Robinson has stepped down to be the Sargent at Arms to replace Jim Conzett as he had to resign due to personal issues. (Thank you for your time, Jim) These changes were made in accordance with the by-laws.

November 30th we will be having a FREE desert social. Come out and meet all of our new neighbors. Watch your mail tubes for details. The social will be followed by a HOA meeting to discuss recent changes and look to the future. Also, game nights will be back now that it is cooler. Starting on Thursdays opposite Bingo Thursdays at 6pm at the clubhouse. Watch the message board and Facebook for the start date. We have corn hole, shuffleboard, mini golf, bocci ball and the park owners have bought a new hatchet throwing game for us to use. Bring a beverage and hang out for a couple hours.

I hope to see you all at the upcoming activities! The HOA belongs to the community; it's not just a club for the Board of Directors. It takes all of us to make great!

Thank you, Jim Loomis

Notes from the Park Manager:

The weather is getting cooler. Please work on cleaning up your outside space. I see lots of weeds in the flower beds and weeds growing out of gutters that needs to be cleaned up!

PETS: Please make sure you are cleaning up after your pets. I am constantly cleaning up after other dogs up on the hill. We provide free bags, so please do your part and clean up after your animal. Pets are not to be walked on the main street, please walk your pet to the perimeter of the park only

Trash Disposal: Please remember we do not allow any items left beside the dumpsters, to include weeds, trash, large items etc.. Maintenance is always putting items in the dumpster that you could have done yourself.

Follow use on Facebook
(search southernairemobliehome)

It would be very helpful for you and us if you follow Facebook, I post everything on there. Like the water or electric going off, about parking, events etc.! This will save a lot of calls to the office and tying up the phone lines.

November Fun Facts & Recipes

Pumpkin Bread Ring with Maple Cream Cheese Fill

This pumpkin bread ring with maple cream cheese filling is the ultimate fall treat, with a warm, spiced bread filled with creamy maple cream for the perfect balance of sweet and spiced.

Total Time 1 hr. 15 min **Prep Time** 30 minutes

Cook Time 45 minutes

Pumpkin Bread with Maple Cream Cheese Filling

Ingredients for 8 servings

PUMPKIN BREAD

- 2 ½ cups all-purpose flour
- 1 cup brown sugar
- 1 teaspoon cinnamon
- ⅛ teaspoon allspice
- ¼ teaspoon nutmeg
- ¼ teaspoon ground ginger
- ⅛ teaspoon ground cloves
- 1 teaspoon baking soda
- 1 teaspoon baking powder
- ½ teaspoon salt
- 16 oz unsweetened pumpkin puree
- ¾ cup vegetable oil
- ¼ cup water
- 2 teaspoons vanilla extract
- nonstick cooking spray, for greasing

MAPLE CREAM CHEESE FILLING

- 8 oz vegan cream cheese, softened
- 1 teaspoon lemon juice
- 1 teaspoon vanilla extract
- 4 tablespoons pure maple syrup

Preparation

1. Preheat the oven to 350°F (180°C).
2. Make the maple cream cheese filling: In a medium bowl, combine the cream cheese, lemon juice, vanilla, and maple syrup. Stir until smooth and creamy. Set aside.
3. Make the pumpkin cake: Sift the flour into a large bowl and add the brown sugar, cinnamon, allspice, nutmeg, ginger, cloves, baking soda, baking powder, and salt. Whisk to combine.
4. In a medium bowl, combine the pumpkin puree, vegetable oil, water, and vanilla. Whisk well.
5. Gradually add the wet ingredients to the dry ingredients, folding with a rubber spatula just until combined. Do not overmix the batter.
6. Generously grease a bundt pan with nonstick spray.
7. Add 3 cups (675 G) of pumpkin batter to the pan and spread evenly. Then, scoop the cream cheese filling over the batter, making a ring. Top with the remaining batter and spread to cover the filling.
8. Bake for 45 minutes, until a toothpick inserted into the cake comes out clean.
9. Remove the cake from the oven and let cool for 15 minutes before inverting to remove from the pan.
10. Slice and serve.

Do you belong to 'Team Coyote'?

In their book, *Beep! Beep! Competing in the Age of the Road Runner*, Chip R. Bell and Oren Harari discuss the messages we can learn from one of the most recognizable pair of antagonists around: Wile E. Coyote and the Road Runner. The authors describe two different cartoons:

In one, the coyote holds a medicine bottle labeled "Acme Hi-Speed Tonic—Contains vitamins R+P+M." When he gives a spoonful to a small mouse, the rodent zooms around at jet speed. The coyote drinks the whole bottle and zips off after the Road Runner. But the Road Runner stops suddenly, sticks out his foot, and trips Mr. Coyote.

The second cartoon begins with a close shot on a box labeled: "One Acme Jet-Propelled Pogo Stick." Wile E. removes the pogo stick from the box, switches it on, mounts it, and waits for the Road Runner. As the Road Runner races by, Wile E. begins bouncing up and down after him. But soon the coyote loses control of the stick and falls backward over a cliff.

"What these scenes show is that you cannot remain a coyote and expect to compete against road runners by simply copying their movements," write the authors. "Sure, the coyote can buy high-speed tonic or jet-propelled pogo sticks, but his body and soul are still coyote. If you are a coyote team or organization, no matter what fads or quick fixes you jump into, you are just imitating a road runner—and the real thing will beat you every time."

What is a moment really worth?

On the bulletin board of a California company, someone once posted this sign to remind everyone of how time is relative—but the value of time is priceless:

- To realize the value of **one year**: Ask the student who has failed his final exam.
- To realize the value of **one month**: Ask the mother who has given birth to a premature baby.
- To realize the value of **one week**: Ask the editor of a weekly newspaper.
- To realize the value of **one day**: Ask the daily wage laborer who has 10 kids to feed.
- To realize the value of **an hour**: Ask the lovers who are waiting to meet.
- To realize the value of **a minute**: Ask the person who has missed the train, the bus, or the plane.
- To realize the value of **a second**: Ask the person who has survived an accident.
- To realize the value of **a millisecond**: Ask the person who has won a silver medal in the Olympics.

In dreams, you can control your reality

The movie *Inception* explored the idea of controlling one's dreams. Although that featured collapsing cities and struggles in zero gravity, the concept of guiding your own dreams isn't so outlandish. "Lucid dreaming" can allow you to fly, conquer nightmares, and solve real-life problems.

Here's how to take control of your nighttime visions:

- **Keep a dream journal.** The first step to controlling dreams is remembering them. Keep a journal close to your bed, and write down any dream you have as soon as you wake up (or keep a digital voice recorder handy). Look for recurring themes—people, situations, etc. This trains your brain to become more aware of dream activity.
- **Do a "dream check."** Throughout the day, pause and ask yourself, "Am I dreaming?" This trains your mind to start asking the same question while you're asleep.
- **Nap.** Some studies suggest the best time to attempt a lucid dream is during a nap taken a few hours after getting up in the morning. If you wake up during a dream, stay quiet and try to return to the dream as you drift off again.
- **Perform a reality check.** After some practice, you'll start being aware of the fact that you're in a dream. To confirm this, try some experiments: Look at a clock, turn away, then look again. In dreams, the time will change. Or look at yourself in a mirror; in a dream, the image you see will be distorted or blurry.
- **Take off!** Once you're aware that you're dreaming, try taking charge of the environment. Jump up and down to see if you can fly, for example. If you're having a nightmare, confront the danger instead of running away; this can reduce the fear you feel when you

'Double' your brain power with this exercise

Here's a simple exercise for your brain: Pick a small number and then double it in your mind—no paper, no calculator. How far can you get?

Take the number 7, for example:

7, 14, 28, 56, 112, 224, 448, 896 . . .

Most people can get close to 10 doublings. Try reaching 20 to really test your concentration. By the way, 7 doubled 20 times is 3,670,016 (but we cheated and used a calculator).

Quotes:

I've met a few people in my time who were enthusiastic about hard work. And it was just my luck that all of them happened to be men I was working for at the time.
—*Bill Gold*

Don't waste time learning the "tricks of the trade." Instead, learn the trade.
—*unknown*

People who work sitting down get paid more than people who work standing up.
—*Ogden Nash*

Monthly

november

American Diabetes Month. In the United States, 23.6 million people have diabetes—children and adults. That's 7.8 percent of the population. For years, the American Diabetes Association has used this month as an opportunity to communicate the seriousness of diabetes and the importance of diabetes prevention and control.

Epilepsy Awareness Month. More than 3 million people in the United States have epilepsy, and 200,000 new cases develop each year. The purposes of Epilepsy Awareness Month are to dispel common myths about the disorder, promote public awareness, and inform people with seizure disorders and their families about service programs and informational resources.

National American Indian Heritage Month. To honor the original inhabitants of North America and recognize the contributions American Indian and native Alaskan peoples have made to the U.S.

Peanut Butter Lovers' Month. Peanut butter is one of America's favorite foods, and it's found in about 75 percent of American homes. For more information and ideas, browse www.peanutbutterlovers.com.

Vegan Month. Just about every food made from dairy products or eggs has an animal-friendly alternative, with products easily available in shops and supermarkets. Go to www.veganmonth.com for information and ideas on cutting meat and other animal products out of your diet.

Weekly

National Animal Shelter Appreciation Week, Nov. 7-13. Sponsored by the Humane Society of the United States in 1996 to acknowledge and promote the invaluable role shelters play in their communities, and to increase public awareness of animal welfare issues and shelter services.

Kids Goal Setting Week, Nov. 9-12. The driving force behind National Kids Goal Setting Week is to give the parents, teachers, and coaches of the world some practical suggestions and ideas to help children set goals that will equip them to lead a life full of meaning and direction. For more information browse: www.goalsguy.com.

Geography Awareness Week, Nov. 14-20. Launched in 1987, Geography Awareness Week promotes the importance of geography education in the United States. Its goals: to draw attention to what geography is, why it is important, and how American citizens can ensure access to a robust geography education that prepares them to participate in global social and economic activities and to make decisions regarding people, places, and environments.

National Games and Puzzles Week, Nov. 21-27. Encouraging families and friends to spend more time together playing games, doing puzzles, challenging their brains, and having fun.
