PRESIDENT'S CORNER

Submitted by Jan McCoy

Are you looking forward to returning to Florida? We hope so. The intensely hot weather is beginning to subside, and fun events are being planned for the coming months. We welcome new residents and look forward to ringing in the new year. It will be wonderful if we can stand in gratitude at year-end for having avoided the impact of a hurricane. I know I am not alone when I say, “We’ve been holding our breath just a little.”

In this edition, you will read about our Social Committee’s upcoming officer elections and search for event coordinators. There are many activities that already have volunteer coordinators, but there are still more awaiting a volunteer lead for planning to continue.

Our past Social Committee President, Jamie Calandra, and her group of steadfast volunteers made it all appear seamless, but it was not. We are ever grateful for all that was accomplished. We all enjoyed the benefit of their efforts time and time again over these past years; however, no one should feel so burdened by their commitments to their community that they feel taken for granted. With that in mind, lessons are learned. It is our goal to structure an improved approach. The search for new committee leadership and multiple coordinators has begun with the intent that individual ownership and renewed groups of volunteers for each event will more fairly spread the effort across a greater variety of volunteers. If a particular event does not receive support from volunteers, planning will not take place. We hope this approach will be supported by our community with renewed enthusiasm so we can continue to enjoy many more social activities.

These collaborative efforts are key to driving a great deal about how and why we love this community. Working on social events in and of itself is a wonderful arena to meet, be creative, laugh, make new friends and share the gift of that event with everyone else in the community. The work is rewarding but not if one small group of people or a single individual feels the burden of being responsible for every event all the time or because they are on the committee’s leadership team and it falls on their shoulders to fill the gap if volunteers don’t step up. So, let’s come together, grow this group of volunteers, have some fun and make 2026 a success!

Sending blessings to all for a Happy Thanksgiving! See you soon, Snowbirds!

Respectfully submitted,
Jan McCoy

Sunset Palms Electronic Notices

It's the time of the year that the office sends out mailers to our residents, so I would like to take a few minutes to talk to you about receiving these mailers electronically.

What exactly does receiving mailers electronically mean?

It means that you can receive notices from the park via email instead of postal delivery.

What type of mail would you receive?

The Proposed Annual Budget, Year-End Financial Statements, the Annual Meeting Notice, and Proposed changes to the Park Rules & Regulations, to name a few.

What is the advantage of receiving Electronic Notices?

- Documents would be received in a timelier manner.
 - Postal delivery time from Florida to Canada is 7 – 21 days.
- It saves the association money.
 - A first-class stamp for a one-ounce letter costs \$0.78 in the US, and it costs \$1.70 to mail a one-ounce letter to Canada. (several of our yearly mailers weigh over one ounce)
- Postal service interruptions have made it difficult for residents to receive or return documents via mail services.
- You can view the documents on your phone or computer anywhere and at any time.

Have I convinced you yet?

Receiving electronic notices is the way to go! Notices will be delivered right to your email box and completed forms can be returned to the office via email.

If you have not already signed up, the Consent to Receive Electronic Notices Form is available online and at the office. Completed forms can be returned to the office or scanned and emailed to SunsetPalms3401@gmail.com

Just do it!

Marilyn Corazza, CAM

THOUGHT FOR THE MONTH

Submitted by Pastor Nelson Blount

Don't judge a book by its cover!
You shouldn't form an opinion about someone based solely on their outward appearance, as looks can be deceiving and may not accurately reflect true character or value. It encourages people to look beyond surface-level impressions to discover the deeper qualities of a person or situation. Consider the story of David and Goliath. The deeper quality of David was his heart. In no way was he the match to defeat Goliath. But David's heart made the difference. What we are talking about here is character. We're talking about integrity, honesty, motive, confidence and attitude. Freedom is experienced through simply understanding that we matter. We are significant! We don't need to prove ourselves. We don't need to be someone we're not. It's freeing to simply be real! To be authentic!

Camille and I met a young man walking on the walkway at water's edge in St. Pete. He approached on a motorized wheelchair. He is a quadriplegic. I knew that I was to greet him and have a moment of interaction, moving beyond the book cover. What a joy for us to meet this young man! As we talked, he shared about the automobile accident that changed his life. He instantly was unable to move his limbs. He was now a quadriplegic. He told us that this happened over 20 years ago. The stunning words he spoke, "This was a blessing in my life. I was headed in the wrong direction." Wow! Spoken from his heart. A deep place for a young man. Character! He was headed in the wrong direction and this ended up being a gift in his life that changed in the most positive of ways. I'm glad I didn't judge the book by its cover. We can make assumptions about people without really knowing who they are. Good or bad! It happens

...continued on page 34

all the time. I've often said, "If we knew each other's back stories, we would certainly be much more compassionate. We would be much more understanding of one another." Living in a mobile home park in some ways reminds me of university campuses. Living in close proximity and yet we can live miles apart. Groups develop. Gossip grows. What do we do as aging persons? A coffee klatch (kaffeeklatsch) provides opportunities to discuss interests, books, or simply to invite new friends to become better acquainted. It's November when our northern friends return. There will be a lot of activity. And I hope that something very simple will happen and that is the development of new friendships. Looking forward to cooler weather and warmer hearts as we connect on the streets of Sunset Palms. Walking, bicycling, golf-carting or as I say "go-carting" or maybe pickleball, corn hole, shuffleboard, etc. My mother used to say, "Smile and they will smile back!"

LIFT STATION MONTHLY REMINDER - IMPORTANT

Submitted from the Office

URGENT ACTION REQUESTED - FLUSH TOILET PAPER ONLY

Our system is being clogged because people are flushing wipes down their toilets. The product packaging states the wipes are flushable, but they are not septic safe. They are clogging our system and will burn out our pumps.

PLEASE ALSO INFORM YOUR SUBLETTERS OF THIS LIMITATION!

Thank you for your assistance!

Sunset Palms Management

FLUSH ONLY: Body waste and toilet paper. (The 3 P's = pee, poo, paper)

*It is highly recommended that only **ONE-PLY** toilet paper be used to prevent clogging the toilet.*

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.
