FSC Dances

Howie MacKenzie, Mike Comeau, Jane Ann Hedrick

The 2025/2026 winter dance season will kick off with the Veterans Dance on November 8, 2025. Please come out to remember and honor our U.S. and Canadian veterans who have given so much for our countries. Requests for volunteers will be posted on Facebook the week of each dance. **We need volunteers to assist with decorating, door hosting, preparing and cleaning ice buckets, setup and teardown.** It takes many hands to have a successful event and we are blessed to have so many willing volunteers in the village. Debbie Kemp will be in charge of decorating for most dances, but we will be looking for someone to fill in when she is not in Fairway Village. Please contact Jane Ann Hedrick if you would like to help with decorating. Below is a full list of dances for the 2025/2026 season. Tickets for the first three dances will be sold on the first ticket sales date and will remain \$8.00 for this season.

Women Working Wonders (WWW)

Kathy Sturdee

It is November already! November officially marks my one year anniversary as a volunteer with Women Working Wonders as well as Kristy Williams, our Chairperson. What a year it has been. We both have been blessed this past year with our involvement with the 90+ residents and shut-ins here in Fairway Village. This past year we have passed out donuts, delivered meals, gifts, made visits to them and pre-registered seniors with special needs for an evacuation center. We have been able to get 7 residents signed for free services including meals on wheels thru the Office of the Aging. We have made sure that our 90's signed up for the Seniors in Service meetings held monthly here in the Village. Special thanks go out to the Seniors in Service for providing some really informational and valuable meetings. Although we missed our WWW snowbirds, we continued to provide WWW services to the 20+ residents in their 90's during the summer months. WWW continues to strive to meet the needs of our 90+ residents and shut-ins. We have made changes to documentation and forms to keep better track of our residents and services they need. This past year has been a pleasure and a blessing with our involvement with WWW.

If you are new to Fairway Village and are 90+ years young or a shut-in, please call Kristy Williams at 727-218-8121. WWW is at your service and we would love to meet you. Consider becoming a WWW volunteer. You will make a difference in someone's life. Contact Kristy at 727-218-8121 or Kathy Sturdee at 727-421-7063.

Welcome back snowbirds!! We missed you all.

Architectural Review Committee

The ARC, which meets on Mondays in the Clubhouse, looks forward to working with you in replacing your home or planning the changes to the outside of your home. Any questions contact the ARC Chairperson.

How to carve your turkey successfully

A good Thanksgiving dinner is usually about the turkey. You don't have to be a surgeon to carve one correctly, but proper carving and slicing techniques will ensure you get the most meat from your bird and enable you to present an attractive meal to your family and friends.

Follow these simple techniques for successfully carving your holiday turkey:

- Let your 10-pound-or-bigger turkey stand at room temperature for 10 to 20 minutes after cooking and before slicing. This allows the juices to distribute evenly throughout the turkey. Netting and cooking bags are also easier to remove after waiting.
- Slice or carve the turkey on a sanitized cutting surface. Knives, pans, and covers should be sanitized, too. Resanitize boards and knives every 30 minutes. Wear disposable food-handling gloves while carving or frequently wash your hands thoroughly.
- Immediately after the 10 to 20 minutes holding time, carve the turkey into major sections (i.e., breasts, thighs, drumsticks, and wings).
- To serve turkey hot, place sections in pans. Cover with foil or plastic film to retain heat and moisture and to minimize the possibility of contamination. Hold at 140° F or higher in a hot holding device (a cabinet, steam table, or bain-marie). Your turkey should be at least 140° F when placed in the holding pans. The heating device will only maintain temperature. A maximum holding time of 20 to 30 minutes is recommended.
- Slice the sections into serving pieces, arrange them on a plate, and add garnish. Enjoy!

Quotes:

If the only prayer you said in your whole life was, "thank you," that would suffice.

—**Meister Eckhart**

What we're really talking about is a wonderful day set aside on the fourth Thursday of November when no one diets. I mean, why else would they call it Thanksgiving?

—**Erma Bombeck**

A thankful heart is not only the greatest virtue, but the parent of all the other virtues.

Where do alligator shoes come from?

A lawyer from the big city was visiting Florida. He wanted to take home a pair of genuine alligator loafers in the worst way, but he was reluctant to pay the high prices the local vendors were asking.

He was certain that with all his legal training he could negotiate a better price, but at shop after shop he had no luck. After getting frustrated with one sales associate who wouldn't budge, the lawyer shouted, "Well then, maybe I'll just go out and catch my own alligator!"

The saleswoman smiled. "I'd like to see you try."

The lawyer turned on his heel and headed out toward the swamps, determined to catch an alligator.

Later in the day the saleswoman was driving home, and she spotted the lawyer standing waist deep in the murky swamp water, shotgun in hand, a huge 9-foot gator swimming rapidly toward him. The saleswoman pulled over as the lawyer took aim, shot, and killed the creature. With a great deal of effort, the lawyer hauled it onto the swamp bank—right next to four more dead alligators.

The saleswoman stood on the side of the road, watching the lawyer struggle to flip the gator on its back.

Then, looking up toward the sky in great frustration, the lawyer shouted, "No! This one is barefoot, too!"

A Teachable Moment

A kindergarten teacher was helping one of her students put his boots on. It was quite a struggle, but after a lot of pulling and pushing, they succeeded in getting one boot on, and then the other.

Then the little boy said, "But they're on the wrong feet!" The teacher looked and sure enough, he was right. Pulling the boots off wasn't any easier than putting them on was, but she managed to stay calm as they worked together to get the boots back on—this time on the right feet.

"Why are your boots so hard to get on?" she asked when they were finished.

"But these aren't my boots," the boy said.

"Why didn't you say so? Take them off." And they worked up a sweat getting the boots off again.

"Now, where are your boots?" the teacher asked.

"They're at home. These are my brother's boots. My mom made me wear them."

"OK . . ." the teacher sighed, and again they fought to get the boots back on the little boy's feet. "Now, where are your mittens?"

"I stuffed them in the toes of my boots," the little boy said.
