From The President

Diane McSweeney

Dear Shareholders,

November is upon us and many folks have returned and we are so happy to see you folks. As you can see. Holiday shores Park has a lot of activities. It is a dusty adventure, but well worth the inconvenience.

Construction updates

The crews have been cordial and very accommodating. Any difficulties or damages are immediately addressed. We are appraised of upcoming construction three weeks ahead. If anyone has a concern, please use the resident input forms so we can track all activity for your benefit and the office. Thank you so much for parking on the west and north sides of the streets to enable emergency vehicles easy access. Remember all night parking requires a permit. Please get on from the office so you are not towed.

Our residents are the best. Everyone has pulled together to assist one another during the construction. Whether it is picking up water bottles or giving a resident a ride your kindness has not gone unnoticed. Holiday Shores is truly a great place to reside.

Best Regards,
Diane McSweeney

Embracing Evolution: The Key to a Thriving Holiday Shores Park

Like everything in nature, a community must constantly evolve to thrive and ensure its long-term health and vitality. **Evolution**, at its core, is the process of change over time, leading to greater adaptation and success. This principle isn't just for biology; it's a vital concept for the growth and sustained vibrancy of Holiday Shores Park.

The Nature of Evolution In the biological world, evolution occurs through **natural selection**, where traits that better equip an organism to survive and reproduce in its environment become more common. Species that fail to adapt to a changing climate, new predators, or shifting food sources eventually decline. The story of life on Earth is a testament to the power of continuous change and adaptation.

• Why Evolution Matters for Our Community

While we aren't facing survival of the fittest in the classic sense, the concept of adaptation is equally critical for our park. Our "environment" is constantly changing—technology advances, resident needs shift, regulations are updated, and the world around us evolves. To remain a desirable, functional, and harmonious place to live, Holiday Shores Park must also adapt.

- **Resident Needs & Comfort:** As our community grows and changes, the expectations for amenities, activities, and communication evolve. We need to continually assess what makes living here the best experience possible—from the quality of our common areas to the types of social events offered.
- **Operational Efficiency:** Outdated processes, technologies, or rules can create friction, waste resources, and slow down progress. Embracing evolution means regularly reviewing our operations to find smarter, more efficient, and more effective ways to manage the park, save money, and enhance service.
- **Sustainability & Futureproofing:** Evolving means looking ahead. This includes adopting sustainable practices, maintaining and upgrading our infrastructure proactively, and making decisions today that will ensure a high quality of life for residents for decades to come.

Our Collective Commitment to Change - Evolution isn't a passive process; it requires **intentional effort and collective buy-in**. It's not just about fixing what's broken; it's about continually improving what works and being open to new, better ways of doing things.

1. **Be Open to New Ideas:** The next great solution for our park could come from anywhere. We encourage all residents to share constructive suggestions and be open-minded when new initiatives—whether they involve updated rules, new technology, or different events—are proposed.

2. ***Participate and Provide Feedback:*** Your involvement in meetings, surveys, and committees is crucial. This is how the community's "natural selection" happens—by discussing and refining ideas until the best solutions for the entire park are adopted.
3. ***Support Operational Improvements:*** Whether it's adopting an online management system, following new park guidelines, or participating on a park committee, supporting the efforts of the Park Management and Board is essential for a smoother, more effective operation.

By embracing this principle of continuous evolution, we ensure that Holiday Shores Park remains a **vibrant, resilient, and thriving** community that adapts, improves, and continues to be a wonderful place we all call home. Let's work together to make sure our community's future is always brighter than its past!

✧ Speaking of evolution, we are currently in need of new members on the shuffleboard committee. The committee needs a president and other members to continue the evolution of shuffleboard. Please call the office if you are interested in joining the shuffleboard committee ✧

Evolution requires change!

THEATER

David Middleton

Way-Off Broadway Theatre – November Newsletter

The Way-Off Broadway Theatre is currently on pause as we navigate the ongoing sewer project in the park. While we're in a wait-and-see position, our creative spirit remains strong.

We held our first meeting of the season on October 8, 2025, and after thoughtful discussion, the group decided not to produce a Murder Mystery Dinner this year due to logistical challenges.

As for our March production, we've tabled the decision until January, when we'll have a clearer picture of our staging options. If conditions allow, we plan to present *Cheryl's Wedding*, a sequel to our hit show *Bedrooms with Benefit*. The story continues the comedic misadventures of Bonnie and Ron Patterson at the Bonne Nuit Bed & Breakfast, as they attempt to launch Cheryl's wedding with flair (and a few surprises). As you may remember Cheryl is Bonnie's Hippie sister! We're also exploring alternative venues in case the Clubhouse is unavailable.

In other business, the group voted to rent a Red Rover pod to safely store our theater backdrops and costumes during the reconstruction of the storage area behind the maintenance building. Construction begins November 3, and we'll need to move our materials into the pod on the preceding Friday, Saturday, and Sunday.

Our next meeting will be held on November 11, at 2:00 PM. With Peggy Beane stepping down as secretary to relocate north, we'll be holding an election to fill the position.

Stay tuned, stay creative, and thank you for being part of our theatrical family.

Activities

It's officially Hot

Hello everyone, hope you are all having a great summer. Nothing much going on for activities. We have booked December 6th for karaoke.

Rose Maiolino
Activities

Shuffleboard

Welcome to the 2025-26 year for Holiday Shores Park. I hope everyone had a wonderful, safe summer, and are enjoying the end of summer in the northern parts.

Starting in November, we will start dwindling into Holiday Shores, so please watch for the shuffleboard flag on Mondays, Wednesdays & Fridays.

Shuffle time is 10:00. Please join in, new & past players.

I know it may be difficult to get around with our much-needed sewer system being installed, but shuffle will live on 😊. Look forward to seeing you in the courts.

Mary brown
Secretary

In Memory of....

A Branch Has Fallen from Our Community

IN LOVING ♥
Memory

Dear Residents of Holiday Shores Park,

It is with a heavy heart that we share some very sad news with our community. In recent weeks, we have experienced the profound loss of some of our beloved neighbors.

In September & October of 2025 a couple of branches fell from our community as we say goodbye to our cherished residents. Our thoughts and support go out to the family and friends affected by this loss.

It is with additional sadness that we must also announce the passing of two more of our neighbors.

On September 25, 2025, we said goodbye to Toni Keller.

On October 25, 2025, we also said goodbye to Lindy Rolfe.

Both Toni Keller and Lindy Rolfe will be deeply missed by all who knew them here in Holiday Shores Park. Our hearts go out to their families, friends, and loved ones during this difficult time.

We encourage everyone to hold onto the memories you shared and continue to be a source of strength and comfort for one another.

Monthly

november

American Diabetes Month. In the United States, 23.6 million people have diabetes—children and adults. That's 7.8 percent of the population. For years, the American Diabetes Association has used this month as an opportunity to communicate the seriousness of diabetes and the importance of diabetes prevention and control.

Epilepsy Awareness Month. More than 3 million people in the United States have epilepsy, and 200,000 new cases develop each year. The purposes of Epilepsy Awareness Month are to dispel common myths about the disorder, promote public awareness, and inform people with seizure disorders and their families about service programs and informational resources.

National American Indian Heritage Month. To honor the original inhabitants of North America and recognize the contributions American Indian and native Alaskan peoples have made to the U.S.

Peanut Butter Lovers' Month. Peanut butter is one of America's favorite foods, and it's found in about 75 percent of American homes. For more information and ideas, browse www.peanutbutterlovers.com.

Vegan Month. Just about every food made from dairy products or eggs has an animal-friendly alternative, with products easily available in shops and supermarkets. Go to www.veganmonth.com for information and ideas on cutting meat and other animal products out of your diet.

Weekly

National Animal Shelter Appreciation Week, Nov. 7-13. Sponsored by the Humane Society of the United States in 1996 to acknowledge and promote the invaluable role shelters play in their communities, and to increase public awareness of animal welfare issues and shelter services.

Kids Goal Setting Week, Nov. 9-12. The driving force behind National Kids Goal Setting Week is to give the parents, teachers, and coaches of the world some practical suggestions and ideas to help children set goals that will equip them to lead a life full of meaning and direction. For more information browse: www.goalsguy.com.

Geography Awareness Week, Nov. 14-20. Launched in 1987, Geography Awareness Week promotes the importance of geography education in the United States. Its goals: to draw attention to what geography is, why it is important, and how American citizens can ensure access to a robust geography education that prepares them to participate in global social and economic activities and to make decisions regarding people, places, and environments.

National Games and Puzzles Week, Nov. 21-27. Encouraging families and friends to spend more time together playing games, doing puzzles, challenging their brains, and having fun.
