BOARD OF DIRECTORS

Bob Barr

I would like to thank everyone who sent in their proxies and ballots for the annual election for members of the Board of Directors. Reelected were Connie Holmes, Pat Reveria, and Bob Barr filling three of the four open positions. The fourth person elected this year was Tim Glasheen. As a side note "Not fully funding our reserves" was approved once again, which means we will have a lower monthly maintenance fee for the next 12 months (yea).

With the retirement of Gene Arend as a board member:

I would like to thank Gene on behalf of the Board of Directors and our community for at least 14 years of volunteer service as a board member and as President of the board. He has guided us through multiple repair and improvement projects. His experience as a project manager, in a former life, has been invaluable in keeping projects on track and providing a lot of sage advice throughout the years, whether he oversaw the board or was just another member performing assigned duties.

Board of directors

Continued on page 6

He was the first to make and set up a long-term budget analysis which has helped guide us to a sound financial position. Some of his jobs assigned or as a backup to other board members has been lawns, water line repairs, renovation of kitchen and bathrooms in the clubhouse, clubhouse event calendar, replacement to clubhouse circuit breaker boxes, new pool equipment and power, new power lines to the clubhouse after original lines failed, new doors and fob system for the clubhouse and much more.

Thank you, Gene!

Dogs in the NO PET section of Briar Creek #1?

Have you ever asked yourself why you live on the south side of Briar Creek (physical) and cannot have a dog for a pet? The original developers made it that way. In fact, in the beginning the entire community was NO PET!

In 2006 the *APPROVED AMENDMENT TO THE AMENDED AND RESTATED RESTRICTIONS OF BRIAR CREEK MOBILE HOME COMMUNITY I – A CONDOMINIUM* was changed by vote at the Annual Members Meeting. It read, in part,

17. Pets shall be permitted, but only on that portion of Briar Creek Mobile Home Community I designated by the Board of Directors as the area where pets can be kept. Effective immediately, the Park shall be divided into two (2) parts, the "pet section" and the "cat only" section. In the "pet section" Pets, as defined herein, pets shall be restricted to one (1) domesticated cat or one (1) domesticated dog of a breed that shall not exceed more than twenty-five (25) pounds when mature (such as poodle, terrier, pekinese). In the "cat only" section, no pets shall be permitted except one (1) domesticated cat which must be kept inside the residence at all times. No other pets of any kind, nor more than one (1) of the described pets at any time, shall be permitted in any residence...The lot owner will be required to maintain the pet at all times under a leash. Any pet causing, creating, or contributing to a nuisance or unreasonable disturbance or annoyance or noise shall be permanently removed from the Park upon ten (10) days written notice from the Board. The Board's decision that a pet constitutes a nuisance, or that it creates an unreasonable disturbance or annoyance or noise shall be conclusive. Lot owners wishing to have pets other than a dog or cat must have prior approval of the Board of Directors. Authorized areas for pet shall be established by rules adopted by the Board of Directors (copied)

The only waiver to this community guideline is the Federal law which allows for a SERVICE animal or an ESA (Emotional Support Animal) of which papers MUST be completed and approved before the animal is brought into the community.

This item was brought up at the November Directors Meeting and has been tabled until the January Directors Meeting. It takes a vote of the entire community to change the documents.

BRIAR CREEK BIRD WALK

Bill Kaempfer

The next First Friday Bird Walk is Friday January 2nd.

We meet at 8:00 a.m. at the Phase 1 Clubhouse on the first Friday of the month. We usually walk out to the canal, over to the Phase 2 Clubhouse, past both of the ponds and then back to Phase 1. Wear comfortable walking shoes and bring binoculars, if you have them. If you would like to come along in a golf cart, that would be great, but please let me know in advance.

Bill Kaempfer, 303-717-5063

BRIAR CREEK BRIDGE

Bill Kaempfer

The BC Bridge Club meets at 1:00 on Tuesday afternoons. Our first class of new bridge experts just finished up the introductory bridge lessons that Dianne Larsen and I offer to new players as well as those wanting to up their games. This is a three or four lesson series during which you will learn the basics of play, bidding, and scoring. It doesn't take much experience to join in and play.

But you don't need the lessons to join us and play on Tuesday afternoons. Let us know in advance if you are coming so we can try to have full tables.

Please note, we may be considering a move to playing on Wednesdays in order to attract some additional players. Please contact us if you are unsure when we are playing

LADIES BRIAR CREEK BOOK CLUB (Phase I & II)

Jane McKenzie

Enjoy discussing books chosen by the members! We usually meet on the fourth Tuesday of the month; however, there are no meetings May through October, and the December meeting is a week early because of Christmas. Some months we will meet in the Phase II Clubhouse and some months at a local restaurant. The January book is *When We Meet Again* by Kristin Harmel, and the February book is *The Second Life of Mirrele West* by Amanda Skenandore. Please contact me if you are interested in joining or have questions.

TOYS FOR TOTS – WE DID IT!

Connie Holmes

The Marine Corps Reserve Toys for Tots at Briar Creek was a huge success of Friday, December 5, 2024, in the Briar Creek Community. In 2024 the Pinellas County T4T distributed 35,940 toys and 8,573 children were supported and we HELPED! Again in 2025 we were privileged to share the Christmas spirit with YOUR donations to this project. It was a great evening as we shared stories of Christmas, shared the 12 Days of Florida Christmas with help from twelve 'BC elves' and ended with desserts, coffee, and hot chocolate. Thank you to everyone who helped make this such an enjoyable experience.

Pull Tabs

Toni and Don Beaton

Little things make a big difference! You can help support Ronald McDonald House by donating the tabs you pull to open soda, soup and other aluminum cans and help the environment at the same time. We recently took over sixteen pounds of pull tabs (that's the most ever!) to the Ronald McDonald House in St. Petersburg.

You can place your pull tabs in the bag located at the back door of the clubhouse, drop them off at our house, 126 Juniperus Dr. or just hand them to us as you see us around the park. Pull for the house! Thank You!

Briar Creek Bugle Phase II – January 2026

(Pete Loranger - Editor Phone 421-2321)
(E-Mail: ploranger006@gmail.com)

Board of Directors:

Sam Oliverio President

Happy New Year, and welcome to 2026. I hope you've all had a joyous Holiday Season so far, and that it continues thru the New Year. We welcome all those new homeowners that have joined us in 2025, and hope that you will be happy here in Briar Creek. Please help us keep Briar Creek the wonderful community that it is by continuing to volunteer when the need arises. From the Board of Directors, best wishes to you and your families for a Healthy and Happy New Year.

Phil Chabot – Philip Chabot – Vice President and Director Phase II

Garage, Lawns, Ponds and RV Lot

Happy New Year.....

This month I would like to share some thoughts about wildlife associated with our lakes and ponds. As many of you already know or should know that wildlife here in Florida is part of our daily life but associated with that are dangers and some very important common-sense rules. Posted along our water ways you will see signs that specifically say “Do not feed the

Alligators” or “Do not feed or Molest the Wildlife”. This includes but is not limited to any animal that would not live in your home (non-domesticated) There are many reasons why you should not feed all wildlife here in Briar Creek or anywhere in Florida for that matter but the most important is that once you start there is no turning back. You are doing them, yourself and all your neighbors here in Briar Creek a huge disfavor. These wildlife animals will return day after day after day and expect the same “treat”. The reason these animals are called wildlife is because they live in the wild. These are non-domesticated animals which search for food on their own and take care of themselves in the wild. If you are a good neighbor and don't feed the wildlife....thank-you, thank-you, thank-you. If you have or currently feed wildlife, PLEASE STOP! As Vice-President and director in charge of these lovely lakes and ponds I hate the thought of having wildlife euthanized because someone decided to feed and try to domesticate wildlife causing imminent danger to humans and our domesticated animals here in Briar Creek. Let's work together to keep up the beauty of our park with its natural resources of wildlife and scenery alive and well. If you see a neighbor feeding or molesting any wildlife here in Briar Creek, please let one of your directors know so appropriate action can be taken.

Thank you all for being part of Briar Creek!

Welcome to 2026!

Joan Davis – Director – Treasurer

Welcome back to all. I hope everyone enjoyed the holidays. I wish you all a healthy 2026.

I want to thank Christine Hetherington for serving on our Condo Board and welcome Arlene Skolnekovich as this years new Condo Board Member. She is taking Christine s position as our Secretary. I also want to thank all of you for helping me collect the Proxies need for our meeting. Many associations have trouble getting the quorum needed for their Annual Meeting. That does not happen here you all come thru each year and I appreciate you all. Thanks Joan Davis

Social Club President

Bonnie Briggs

The Holidays have come and gone depending on when you are reading this. I'm sure everyone is tired from the holiday activities and ready to move into the New Year.

At this time I'd like to thank Marge Grohskopf for doing an outstanding job as our president of the BC II Social Club this past year. I'm looking forward to taking over the reins from her for the New Year but she will be a hard act to follow. I'm sure we will continue to have many volunteers for our activities in order for 2026 to be a successful year.

As a reminder, don't forget to purchase your social club membership tickets. This will allow you to vote on many of our activities. Remember they must be purchased prior to June 30, 2026 in order to attend our annual holiday dinner at no cost.

I'm looking forward to working with you all in the New Year. I hope everyone has a healthy and Happy New Year!

Headaches

Dr. Marty Finkelstein

I have had patients who have told me that they have suffered from headaches their entire life. Headaches have various patterns. Some headaches can be felt along the sides of the head in the temporal region. Another headache may appear toward the top of the head and the parietal region. Some headaches are experienced behind the eyes and toward the back of the head in the occipital region. Many folks have been diagnosed with migraine type headaches which can be associated with dizziness and nausea. Headaches that affect the mucous membranes are referred to as sinus headaches. Headaches may have a diagnostic orientation associated with toxins, spinal misalignment, chemical imbalances, and thought and emotional integrity. Some patients have described their head pain as a dull ache, as well as sharp and pounding. When people have headaches for years as a norm, they will usually categorize it as, oh I can live with this, or i can't function at all.

Regardless of the type of headache we may have, it becomes important to understand the language of the body trying to get our attention. Masking the pain or ignoring the problem would be no different from having a leak dripping from your ceiling and getting a bucket to catch the water, yet not addressing the cause of the problem. It can become easy to rationalize that when the ceiling is not leaking the problem has disappeared. To help our own body become healthier we need to respect the wisdom that it shares with us. We can begin to observe when symptoms occur and ask ourselves questions. Of course sometimes we don't like the answers.

1. What did I eat prior to exacerbating a symptom.
2. What did I drink prior to feeling bad.

There is a huge difference between what we like and what is healthy for us. Food truly is the best medicine.

3. What am I feeling stressed about in my life.

Maybe it is finances or relationships, maybe it's issues we are having with our health. It's never just stress. It is only when we learn to distinguish what we are feeling and how we are reacting to circumstances in our lives that we can discover an opportunity to become healthier. The more we feel stuck the more we continue to react the same way, and the more hopeless we can feel. Only when we change our paradigm and shift our consciousness can change and transformation occur.

Well the new year is upon us. Time goes by quickly living in Paradise. I have been writing articles regarding wellness and health for about 4 years sharing them with you. Please if you read them let me know if it has assisted you at all in this journey of life. The more I receive your feedback the more inspired I am to continue each month.

Special Thank you to Pete who has always been helpful and encouraging to continue to share. Happy holidays sharing joy and love into the new year and then everyday after. God Bless

The Briar Creek 2 Connection

Marsha & Carol

As a growing community of 261 homes, it is difficult to keep the members of our community informed about community events and important safety information.

Email is the best method to keep lines of communication open. Marsha Bowlby and Carol Rodrigues make sure that information is sent out timely and accurately. All email addresses are confidential and are not given out to anyone.

We ask for as close to 100% participation as possible. You may find that not everything sent pertains to you, or is even something you want to receive, however just delete those emails and keep the ones that are necessary and important to you. Safety information such as mandatory hurricane evacuations, water shut offs, and illegal solicitors in our community are all necessary things to know. Information from the Condo Board and Social Club regarding upcoming meetings, clarification of rules and yes, we also send out information on travel and entertainment opportunities.

Please send your email address to: thebc2connection@gmail.com

We will respond to your email to assure you that you are now entered into the system. Anyone residing in the home can add a separate email address. If for some reason you stop receiving emails, let us know and we'll help you become reinstated. Thank you for your participation, and welcome to the Briar Creek 2 community, we look forward to seeing you at events in the near future.

Amber Oliverio

Thank you everyone for the generous donations in 2025. The shelter is very appreciative of our efforts. The last time we made a drop off, the office staff were putting the items in the lobby baskets before we could get out the door. The hygiene items are very much needed.

Items needed: new underwear/socks adult and children, combs, soap, lotions, toothpaste, toothbrush, shampoo, feminine hygiene products, etc.

Again, many many thanks for the items donated every month.
