FYI

We greatly appreciate our residents taking pride in our beautiful community. As we embark on the New Year, let's make a commitment to keep our homes looking nice and create a space that brings us joy and comfort. Starting the year off right by establishing and dedicating time to clear out unnecessary items on your carports or around your home, to keep things neat and tidy and regularly maintaining your flower beds and keeping your home looking well-kept and inviting. When it comes to making changes to the exterior of your home, it is important to follow the proper procedures and obtain the necessary approvals. Whether you plan to renovate, add plants, or make any modifications, you must fill out an Improvement Permit and display it in your front window. Failure to do so can result in fines and the removal of unauthorized modifications.

Nuggets Club

Happy New Year, 2026!

As the current VP of the Nuggets, I'd like to take this opportunity to reflect on the past 30 years of our community. Yes, you read that right...30 years; when I was in my mid 40's and my parents moved to Golden Gate.

It was 1995. Mom and Dad talked about all their new friends, all the time. They played shuffleboard. They went to the dances and the Social Sundays. They helped organize the Christmas and Easter dinners. (Dad blended grasshoppers in the kitchen for all the volunteers.) They did acts in the shows put on by the Theatre Club. Even Dad! (Mom was president so how could he say no.) She also knitted some items for Labor of Love. I listened to it all on those long-distance Sunday phone calls.

I was happy for my parents. They had spent their adult life working, raising a family and then caring for others. Now they could be snowbirds, spending summers in Maine and winters at Golden Gate (one step closer to the pearly gate, as Dad liked to say).

One thing I knew...I'd NEVER spend my retirement at GG! (Guess the joke was on me. We've been here since 2016.)

There are many others in our community whose parents lived here before we "kids" did. Lots has changed but the one constant has been "community".

Our community looked after Mom when Dad passed in 2012. (You know who you are. I am forever grateful.)

Our community shows their compassion with gifts of handmade items including beautiful quilts. (Thank you, Labor of Love.)

Our community provides entertainment and recreation including dances, shows, pot luck suppers, games, cards, yoga, line dancing...the list goes on!

Our community's facilities are beautifully maintained thanks to our Board of Directors and Lam and Scott. Westcoast Management helps keep our community on track (thank you, Terry).

Mom and Dad would be so glad that GG remains a community.

Over the years, our community has experienced various changes and challenges. The one that makes the biggest impression on me is.... TECHNOLOGY.

continued on page 6

I feel the pressure to use it because it's there: email, texts, facebook, messenger. How easy it is to communicate with each other...or is it?

When I became president of the Theatre Club I was amazed and grateful that music and lights and sound systems were provided by community volunteers. They made it look effortless... but was it?

Zoom meetings became common during the horrible months of Covid...and now we expect them so we can be informed....if only I could remember to tune in...or sign on...? Or maybe just ask on Facebook, what did I miss?

So, where am I going with all this? I'm not even sure myself. Technology continues to move at the speed of light, just as I find myself wanting to slow down. I meet new members of our community who live here part time, or they are still working. I talk to friends and neighbors who need or want to prioritize how their time at GG is spent. In short, I believe our community is changing and we need to change with it. I need to change with it. I need to slow things down, make things more simple.

But wait. I'm VP of the Nuggets Club. Things have to be done a certain way. People expect it. Maybe...or maybe not. Just maybe we could do things differently. I know that plans had to change for the New Year's Eve celebration....so, how did it go?

Thanks for reading.

My thoughts and opinions are my own. I definitely have more to reflect on. But on this day after Thanksgiving as I write this, just know, I'm grateful for all of it. I'm grateful for all of you.

Here's to community.

Happy New Year from the Women's Club!

Whew did we have an amazing, crazy December. 12/3 Crime Prevention, 12/4 a memorial, 12/13 Christmas bake sale, 12/17 members ugly sweater Christmas party and 12/25 Christmas quiche. We also finished and mailed our cookbook to the printer.

Thank you to all of you who helped or participated in Decembers activities. We could not have accomplished so much without your help!

Now we take a well-deserved rest.

COMING UP this month: Sunday 1/4. Ice cream social

Wednesday 1/ 21. a members dinner meeting and then for the whole community at 6:30 pm a presentation on fire protection from Pinellas Park firemen.

(Hmm, I wonder if we can get them to make a sexy firemen calendar?? Lol)

Doree Haseltine, pres.

THEATER CLUB

Hello and Happy New Year from the Theatre Club! It is our wish and prayer that you all have a safe, happy and healthy 2026!

We are currently working on putting together acts for the annual Spring Show. If you have an idea or would like to participate in the show we'd like to hear from you. You don't need to be a professional, just someone who enjoys having fun. Can you sing? Dance? Tell jokes? Play an instrument? Act in a skit? Then you're just the right person we're looking for. Don't want to be in the spotlight? We still have a place for you. We need people to set up or help backstage. Also, we're looking for someone who can run sound . Interested in any of these positions? Please contact Linda Davis at 145 4th. Ave or call 207-598-6991.

So, until next time, be blessed and take care.

LINDA DAVIS

BAKING DAY

I love it when it's baking day and Mama's baking things

Current buns or tasty pies or sugar rings

I love the gooey bowls to lick with fingers in the batter

It gets a little messy but it really doesn't matter

I love the warm and spicy smell that wiggles up my nose

It doesn't seem to stay around, I wonder where it goes.

Monthly

Book Blitz Month. This is a time for authors of all genres to put themselves out there and promote their work. For the rest of us, it's a time to celebrate literacy, set personal goals to read more, and curl up with a good book.

National Braille Literacy Month. Developed in the 19th century by Louis Braille, this tactile system allows visually impaired and blind individuals a way to read, write, and learn.

International Creativity Month. Whether you're a homemaker, student, employee, employer, or retiree, this is the month to challenge yourself and your usual way of doing things. Try something new, explore, innovate, broaden your horizons of expression, and create something.

Hot Tea Month. Black, white, green, herbal, oolong, Darjeeling, Ceylon, chai—the list can go on for several pages. There are thousands of teas and blends to try. Find a new favorite and warm up with a cup of fragrant goodness this winter.

Self-Love Month. Many of us have already promised to become better at being better this year. Why not start by showing yourself some TLC? Find a way to honor, appreciate, and love yourself this January.

Weekly

Elvis Presley Birthday Celebration Week, Jan. 7-11. If you can make it to Memphis, you can walk in the footsteps of “The King” and visit Elvis’ estate, Graceland, where plenty of activities will honor the legendary singer.

Universal Letter Writing Week, Jan 11-17. Since 1971, the Universal Postal Union has held a letter writing competition for young people age 15 and under. The event is a way to promote both literacy and the development of composition skills throughout the world. The theme of this year’s contest asks writers: “Imagine you are a letter travelling through time. What message do you wish to convey to your readers?”

Healthy Weight Week, Jan. 18-24. This isn’t about diets or the latest weight loss trends. A healthy body image is the key to establishing realistic goals and strategies that will help you to achieve and maintain a healthy weight and body mass. Factors such as age, bone structure, height, and physical ability should also be considered when developing personal health standards. Check in with your physician before making any changes to your diet, nutrition, and activities.

National Clean Out Your Inbox Week, Jan. 21-27. This can be a challenge of epic proportions for those who don’t prioritize, sort, and organize incoming emails. Use this week to unsubscribe from or change delivery preferences for electronic communications cluttering your inbox. Save only what’s necessary. Delete, delete, delete.

The courage to try

Life lessons can come from the most unlikely sources if we are open to receiving what they have to offer us. For Tricia Goyer, a wife, mother, and accomplished author, a lesson in bravery came from her twentysomething son Nathan.

When he announced his plans to write a book, Goyer encouraged him and even promised to edit it once the manuscript was completed. With 500 magazine articles bylines and more than 50 published books of nonfiction and fiction, Goyer knew her insight would be beneficial. She also knew that Nathan had a gift for creating and telling stories, which had been a favorite pastime since his childhood.

As Goyer edited Nathan's rough draft she realized that her son had a talent for writing and decided they should hire a professional editor to review the text. The editor also liked Nathan's work and offered the aspiring novelist some constructive feedback.

After the rewrites were finished, Goyer told her son to start weighing his options about next steps in the publishing process. He could go the traditional route and work with a publisher, or self-publish. Nathan told her he'd need time to think things over and then excused himself to run an errand. He returned a short time later and announced that he would self-publish his work as an e-book. The next day his novel *Bask* was for sale on Amazon.com. It has even received a few positive reviews.

For Goyer, taking those next steps in the process of publishing one of her many books has never been something she could act on with that kind of certainty or efficiency. She says she would first share copies with as many as 20 friends and consider their feedback. Next she might attend a workshop or conference to solicit even more feedback and advice before deciding which route to take.

Nathan has inspired Goyer to believe that "sometimes we just need to roll up our sleeves and do what we've been afraid to try."

GOLDEN GATE NUGGET JANUARY, 2026 D

Who you want to be

A farmer on his way into town pulled over to pick up a young man thumbing for a ride. The two men began to talk, with the younger man sharing his experiences of his solo hiking and camping adventures.

“So what do you plan to do when this is over?” the farmer asked.

The young man mapped out his plans of a university education, graduate school, a job with a fancy title and a huge salary, future board positions, his own company, and more money than he could spend in three lifetimes. “You know what they say,” the young man remarked. “You should dream big or not dream at all.”

“It’s a pretty big dream,” the farmer said, “but little more than that.”

The farmer continued, “It seems to me that if you wanted to accomplish any of those things you wouldn’t be hitchhiking through small towns. You’d be somewhere else working and building on the knowledge and skills required to help you achieve your goals.”

“Right now, I’m figuring out who I am,” the young man said.

“Why don’t you try figuring out who you want to be?” the farmer replied.
