Ladies Christmas Party

Patty Hannon and the rest of the ladies in the park would like to thank Susie, Jo, Vicky, Lynn and Julie for the hard work and kindness they put into our annual Ladies Christmas party. It was absolutely spectacular. Also, a big shout out and thanks to our wonderful waiters. You guys rocked it. We are such a fortunate community to have such loving people. It was the best way to start our holiday season. The party glow will remain in our hearts.

Ladies Luncheon

Thanksgiving Dinner

Chris Cook would like to extend heartfelt thanks to everyone who helped make the Thanksgiving Dinner such a special event. From decorating the hall and setting up tables to the cleanup afterward, your seamless teamwork made everything run beautifully.

The wonderful side dishes you brought and the warm hospitality you shared created a true family atmosphere, one that made this Thanksgiving memorable for all.

Thank you for your time, generosity, and spirit of togetherness.

Tail-Wagging Treasure of Honeymoon Park

At Honeymoon Park, we're lucky to share our community with some truly wonderful four-legged friends. This month, we're shining the spotlight on one very special pup, meet **Presley, our Pet of the Month!**

My very own Presley is proudly being featured as this month's Pet of the Month, and it feels so special to celebrate her in this way. Presley is an 11-year-old Papi-Jack with a personality that's twice her size. We rescued her from Arkansas years ago, and from the moment she entered our lives, she has been nothing short of a tiny miracle. I'll never forget the day we first brought her home; she was so small that she could literally fit inside my husband's pocket.

As the years have passed, Presley has blossomed into the most joyful, spirited, and hilarious little companion. She has a way of making even ordinary days feel brighter. Her silly antics zooming around the yard, tilting her head dramatically when she's curious, or hopping excitedly when she knows treats are coming never fail to make us laugh.

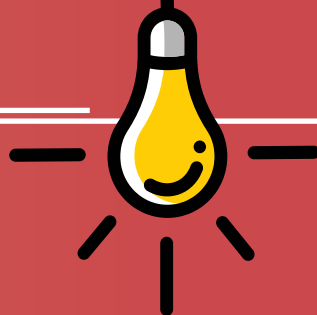

Despite her age, she still has the energy of a puppy. Running is her absolute favorite activity, and she is so fast that it's impossible not to smile while watching her. And of course, treats are a close second on her list of life's greatest joys.

Since moving from New York to Florida, Presley has truly come into her own. She has made so many friends in our community, both furry and human. When her furry friends walk by, she gets so excited that she cries out, as if she can't greet them fast enough. It's her own little way of saying, "Wait for me—I'm coming to say hi!" With people, she's a bit more shy at first, taking her time to build trust. But once she decides you're part of her circle, she is the most loyal friend you could ask for. She'll shower you with affection, expect ear scratches and belly rubs, and follow you around like she's known you her whole life.

Presley has such a gentle, loving soul, and she has brought more warmth and laughter into our home than we ever could have imagined. She may be small, but her heart is huge. Being able to share her story and celebrate her as Pet of the Month feels like the perfect way to honor the joy she brings to everyone she meets. We are so grateful to have her in our lives and so proud to call her our girl.

Ring in the New Year at Honeymoon Mobile Home Park

As we turn the page to a brand-new year, there's no better time to reflect on the place we all proudly call home, Honeymoon Mobile Home Park. Tucked beside Honeymoon Island, surrounded by warm breezes and unforgettable sunsets, our community is more than a mobile home park. It's a lively tapestry of friendships, traditions, and heartfelt moments that make living here truly special.

What sets Honeymoon MHP apart isn't just its peaceful charm or its perfect location, it's the people. The residents here are the heartbeat of the park, pouring their time, energy, and warm spirits into creating a place filled with laughter, belonging, and unforgettable memories. And as we welcome the New Year, it's impossible not to celebrate the traditions that bring us closer together, year after year.

One of the things we cherish most are our famous block parties, those joyful gatherings where grills fire up, music fills the air, and neighbors become family. These afternoons remind us just how lucky we are to live among people who love coming together simply to enjoy one another's company.

Then there are the golfcart parades, a beloved tradition that turns our streets into colorful displays of creativity and community pride. From patriotic themes to dazzling holiday lights, each parade feels like a shared celebration of everything we love about living here.

For the ladies in the park, the Ladies Lunches have become much more than a meal, they are treasured moments to laugh, connect, and build friendships that last.

Our Saturday morning pancake breakfast remains a heartwarming staple of park life. There's something magical about waking up to the smell of pancakes, the sound of chatter, and the sight of neighbors gathering to start the weekend together.

And of course, we can't forget everyone's favorite, Poker Run. This lively, fun-filled event brings out the competitive spirit in all of us. It's an absolute highlight each year, filled with excitement, laughter, and the kind of memories we carry with us long after the day is done.

But none of these traditions, none of these moments that fill our hearts would be possible without the residents who volunteer, coordinate, cook, decorate, organize, and participate with such enthusiasm. A heartfelt shoutout goes to every single person who helps make these gatherings happen. Your dedication and community spirit are what make this park feel like family.

As we step into the New Year, here's to new memories, new celebrations, and another year filled with connection, laughter, and love.

Happy New Year to all the wonderful residents of Honeymoon Mobile Home Park. Thank you for making this community a place we're proud and grateful to call home.

Thank you Marti Borsh

Marti, thank you for your 17 incredible years as the Manager of Honeymoon MHP. You have done an amazing job, and we are truly sad to see you go. Your hard work, dedication, and constant care for the park, and for all of us residents, has meant more than words can say. We know it hasn't always been an easy task, but you handled everything with grace, patience, and a genuine commitment to keeping our community running smoothly.

Please know how deeply appreciated you are. We are all going to miss you, and we wish you nothing but happiness and relaxation in your well-deserved retirement.

Thank you for everything, Honeymoon MHP Residents ❤️

Welcome Nancy Huffman – New Park Manager

Please join us in giving a warm welcome to our new Park Manager, **Nancy Huffman!** Nancy comes to us from Ohio by way of Puerto Rico, and we're thrilled to have her here at Honeymoon MHP. She and her husband, Brad, have been married for 27 years and are proud parents of four children and grandparents to eleven wonderful grandkids.

With her many years of property management experience, friendly demeanor, and contagious smile, Nancy will be a tremendous asset to our community. She's excited to help the park thrive, get involved as much as possible, and continue the tradition of care and dedication that makes our park special.

Nancy certainly has big shoes to fill following Marti's incredible 17-year legacy, but there's no doubt she is up for the task. Please help us welcome Nancy to the Honeymoon family, we're so glad she's here!

The courage to try

Life lessons can come from the most unlikely sources if we are open to receiving what they have to offer us. For Tricia Goyer, a wife, mother, and accomplished author, a lesson in bravery came from her twentysomething son Nathan.

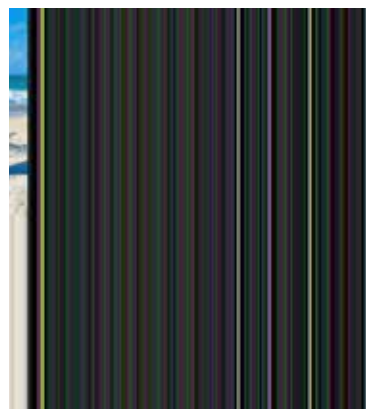

When he announced his plans to write a book, Goyer encouraged him and even promised to edit it once the manuscript was completed. With 500 magazine articles bylines and more than 50 published books of nonfiction and fiction, Goyer knew her insight would be beneficial. She also knew that Nathan had a gift for creating and telling stories, which had been a favorite pastime since his childhood.

As Goyer edited Nathan's rough draft she realized that her son had a talent for writing and decided they should hire a professional editor to review the text. The editor also liked Nathan's work and offered the aspiring novelist some constructive feedback.

After the rewrites were finished, Goyer told her son to start weighing his options about next steps in the publishing process. He could go the traditional route and work with a publisher, or self-publish. Nathan told her he'd need time to think things over and then excused himself to run an errand. He returned a short time later and announced that he would self-publish his work as an e-book. The next day his novel *Bask* was for sale on Amazon.com. It has even received a few positive reviews.

For Goyer, taking those next steps in the process of publishing one of her many books has never been something she could act on with that kind of certainty or efficiency. She says she would first share copies with as many as 20 friends and consider their feedback. Next she might attend a workshop or conference to solicit even more feedback and advice before deciding which route to take.

Nathan has inspired Goyer to believe that "sometimes we just need to roll up our sleeves and do what we've been afraid to try."

Who you want to be

A farmer on his way into town pulled over to pick up a young man thumbing for a ride. The two men began to talk, with the younger man sharing his experiences of his solo hiking and camping adventures.

“So what do you plan to do when this is over?” the farmer asked.

The young man mapped out his plans of a university education, graduate school, a job with a fancy title and a huge salary, future board positions, his own company, and more money than he could spend in three lifetimes. “You know what they say,” the young man remarked. “You should dream big or not dream at all.”

“It’s a pretty big dream,” the farmer said, “but little more than that.”

The farmer continued, “It seems to me that if you wanted to accomplish any of those things you wouldn’t be hitchhiking through small towns. You’d be somewhere else working and building on the knowledge and skills required to help you achieve your goals.”

“Right now, I’m figuring out who I am,” the young man said.

“Why don’t you try figuring out who you want to be?” the farmer replied.
