From the Editor

Well, hello, everyone! I hope your holidays were full of joy and everyone gained a pound or two! With the bake sale and all the great dinners Tammy and Ernie put together, one would be hard pressed not to! A neighbor in the park gave me this WUNDERBAR recipe for crabmeat fondue which was not only EASY to make but sheer bliss to eat! I even have a little fondue pot that I cooked it in! I toasted up some baguette bread with mine but feel free to use pita bread, garlic bread, rye bread or any other bread that tickles your fancy! If anyone in the park ever has a good recipe to share, then don't be shy—please email it to me to put in the media! I love trying new things and it never stops amazing me to see all the original dishes all over the internet! So here is to another year and hopefully many more tasty meals to come!

Original Crabmeat Fondue!

- 1 (8 ounce) package cream cheese, softened
- ½ cup dry white wine
- 6 ounces shredded Swiss cheese
- 1 teaspoon cornstarch
- 2 Snow Crab clusters, shelled and chopped
- 3 tablespoons milk
- 2 teaspoons Worcestershire sauce
- 1 teaspoon snipped fresh parsley

1. Melt cream cheese and wine together in an electric fondue pot or saucepan over low heat, stirring constantly until smooth, about 5 minutes.
2. Toss Swiss cheese with cornstarch in a bowl to coat. Stir into wine mixture with crabmeat, milk, Worcestershire, and parsley until the cheese is smooth and crab is heated thoroughly, 5 to 10 minutes. Transfer to a fondue pot if not using already, or chafing dish; keep warm.

Wipe Out the Wipes: Stop Clogs Before They Start!

We need your help to protect our plumbing and prevent water shut-offs. The biggest culprit behind clogged pipes? Wipes. Whether they're baby wipes, cleaning wipes, or even ones labeled "flushable," they do not belong in the toilet.

Why it matters: Wipes don't break down like toilet paper. They get stuck, build up, and cause serious blockages in our pipes. These clogs often force us to shut off water to entire property—leaving residents without showers, laundry, or working toilets while make repairs.

What you can do:

Never flush wipes. Toss them in the trash. Spread the word. Remind guests and neighbors. Report issues. Let us know if you notice recurring plumbing problems.

Let's keep our water flowing and our pipes clear. Only flush toilet paper—nothing else!

Thanks for doing your part to protect our community!

No Soliciting Allowed—Let's Keep Our Community Peaceful!

To maintain a safe and comfortable environment for all residents, we want to remind everyone that soliciting is strictly prohibited on the property. This includes outside solicitors as well as resident-to-resident solicitation.

What does this mean?

- No door-to-door sales or promotions
- No flyers or business cards left on doors or vehicles
- No fundraising, event promotion, or service advertising—even by fellow residents (Except for sanctioned HOA and Social Club events)

Why it matters: Solicitation can lead to unwanted interruptions, privacy concerns, and even safety risks. Residents should feel secure knowing they won't be approached at home for commercial or promotional purposes.

If you see solicitors on the property:

- Do not engage.
- Report them to management immediately.
- If safe to do so, note their description or vehicle information.

Residents: Please respect your neighbors' space. Even if you have a great product, service, or cause, door-to-door promotion is not allowed. If you'd like to share something with the community, please contact management for approved communication channels.

Let's work together to keep our community respectful, quiet, and safe. Thank you for your cooperation!

See Something? Say Something! — The Right Way to File a Complaint

We're committed to maintaining a safe, respectful, and well-managed community—but we can't fix what we don't know about. If you witness a violation or have a concern, you must come speak to us directly. We cannot act on second-hand information.

Here's why this matters:

- Complaints must be submitted in writing so we have a clear paper trail.
- We are legally required to follow a formal process, which includes sending a series of official letters to the individual involved.
- In serious cases, this process can lead to court involvement and even eviction—but only if we have proper documentation.
- We cannot force compliance or remove someone without going through the legal system.

How to file a complaint:

Speak to us in person to initiate the process. Follow up in writing—email is preferred, but we also have a form you can fill out. Send your written complaint to:

kristen_pruett@equitylifestyle.com

Pictures are extremely helpful and can strengthen your report. Confidentiality is our priority.

We never reveal how we were made aware of a situation. Your identity and report will be kept strictly confidential. You are our eyes and ears, and we can't address many of these issues without you.

Remember: The process takes time, and communication is key. If you see something, say something—and say it the right way so we can take action.

From the Editor: I can tell you all, friends and neighbors, that this is true. Kristen has not only helped ME with a problem here at the park, but a few others I know. I am OLD SCHOOL and believe that if something that a neighbor is doing is bothering you, to go to THEM first to give them the chance to fix it or comply. That, unfortunately, is not always the best way. So, in a situation where good ole communication with the offending party is not going to work, then PLEASE follow what Kristen says above. They take it SERIOUSLY and will do their utmost to help or “fix” it. I also have a plumber friend and I asked him about putting wipes down the toilet and he said, “DON'T DO IT!!!” They really do make HUGE clogs and unfathomable pollution problems that are too horrific to ponder—to me, at least.

INFORMATION ABOUT WATER:

Wasteful and Unnecessary Use of Water Is Prohibited!

These are the basic rules from the Pinellas County website:

Examples of wasteful water usage:

Allowing water to flow from an unattended hose.

Hand-watering a lawn on a restricted day or more than once a day.

Hosing down a driveway or solid surface or structure when a dry method could be used.

Allowing water to flow from a broken sprinkler head or outdoor faucet and having malfunctioning plumbing/ -irrigation system after receiving verbal or written notice.

Violations

The Year-Round Conservation Measures and Seasonal Reclaimed Water Restrictions allow the first violation of these restrictions to be issued as a "warning" Notice of Violation. In accordance with Sixth Judicial Circuit Administrative Order No. 2018-068 PI-CTY, Local Ordinance Violations, and Fish and Wildlife Conservation Commission Violations Uniform Fine Schedule, Attachment A, Miscellaneous Ordinance, Marine Patrol, Fish, and Wildlife Conservation Commission, and Natural Resources Violation fines start at \$193, and may be doubled for a second offense; and for each subsequent offense thereafter. Contested citations may result in the cost of a fine plus additional court costs. For more information after receiving a citation, please contact Business & Customer Services at (727)464-4000.

Protect Your Hot Water Heater During a Water Outage

During an extended water outage, you may want to turn off the water heater by going to the electrical panel and throwing the water heater breaker to the "Off" position. Once the water has been restored, residents should turn the hot water on at a few faucets and make sure that all of the air is out of the lines. Once there is no sputtering and the water is running smoothly, the breaker can be switched back on. This process is to keep the water heater elements from overheating and burning out if the water level gets too low.

Ducks/Wildlife

Please do not feed or put out feeders accessible to ducks or other wildlife. It is illegal in the state of Florida and you could be charged a \$100 fine for each infraction, and it is a violation of the park. Not only that, but if you put out food for the ducks, anything will eat it--stray cats, rats, snakes, and opossums--to name a few. So please don't do it. Thank you!

Smoking and Drinking at the Pool

There is a designated smoking area at the pool and if you smoke, you will be required to smoke there and only there. Also, cigar smoking is offensive to most people and is strictly prohibited at the pool. Violators will lose their privileges to the pool, and if that doesn't work, we will make the pool completely non-smoking. Every week, the pool company finds butts in the filters, clogging them up and leading to downtime on the pumps which means the pool is closed until repairs are made.

Also, per the health department and code enforcement, drinking alcohol at a public pool is strictly prohibited. **NO GLASS OR CANS OF ALCOHOL ARE PERMITTED.** The health department will shut down the pool and if we find bottles in the trash we will be forced to shut down the pool as well.

The bottom line is that this is a community which means that the amenities are for everyone. Please be considerate of your neighbors and follow these simple rules so that everyone can enjoy a day by the pool. Thank you.

Pet Policy

People need to pay attention to number THREE.

A few things about pets I want to point out so there are no questions about your responsibility as a pet owner. Keeping a pet on the property is a privilege and not a right and as such, the following rules must be adhered to or we will have no choice but to ask you to remove the animal from the property. These rules apply whether the animal is a household pet, an Emotional Support Animal, or a Service Animal.

1. ALL animals must be registered with the office, and we will need all required documentation for any ESA's or Service Animals.
2. Dogs are to be on leashes AT ALL TIMES and the handler must maintain control of their animal at all times, not letting it run up or jump on people or other animals.
3. PET CATS ARE TO BE INDOOR ANIMALS ONLY.
4. You MUST pick up after your pet goes to the bathroom—we do have doggy pots at both properties that have the bags and a container just for that.
5. Excessive barking must be controlled so the pet is not bothering the neighbors. I seem to hear this a lot and it is against park rules.

Speeding

There are WAY too many people driving WAY TOO fast in our park. I consider this a SERIOUS NO-NO because we have a LOT of residents riding their bikes or strolling through the neighborhood and many of them use walkers or scooters/wheelchairs and can't move quick enough to avoid an accident. We also have a LOT of beautiful wildlife roaming the park—ducks, turtles, all kinds of birds and the cute little cotton-tail rabbits we see everywhere—and we need to PROTECT them AND our ambulatory residents.. The speed limit is 10 MPH. I think most of our neighbors adhere to this and it is the visitors who are breaking the rules. If you see someone driving too fast, get their license plate number so we can report them to the office. If it is, indeed, a visitor, they can lose the privilege of coming into the park. I think this is VERY important and so should you. Let us all work together to get this problem fixed!

PS—If you think it may be any of your family members or friends (sorry, but it happens), PLEASE tell them to respect YOU by respecting the rules of the place you call home. Also, please let your company know to turn down their RADIOS when within the parameters of the park. Again, they should respect YOU enough to do this. Thank you!

IMPORTANT MESSAGE FROM DORISANNE GIBSON:

"Doc," who resides on Lot 173, has volunteered to take old, torn and dirty American flags to the American Legion for proper disposal.

EDITOR'S NOTE:

Flags, like books, are treasured items and should by NO MEANS ever be disposed of in a FLAGRANT manner (no pun intended—really). They should be safely ensconced in a box until such time that you can honorably “pass them on.” Flags, as Miss Dorisanne pointed out, should go to DOC at Lot 173 or straight to the American Legion, and books, those sacred tomes and loves of my life, should go to Goodwill or the library. The Largo Library will take books of any kind—paperback or hardback—and sell them in their cute little bookstore or put them on the shelves. They will also take old magazines!!! I donate BOTH and just drop them in the drop box on the side of the building—easy as CAKE and PIE!!!

Poetry Corner

Tick Tock

By: Joanna Fuchs

I'm writing this in a state of shock,
Watching the clock—tick tock, tick tock,
Advancing, approaching, relentlessly,
A brand new year; Oh, can it be?
The calendar says the same thing, too;
Time races, vanishes for me; Boo hoo!
No, wait! If time flies, I'm having fun!
A year of fun! It's gone! It's done!
I now embrace the blur of time,
Because it simply means that I'm
Too busy with pleasure, joy, delight
To mourn the passing days' swift flight.
So I'm wishing you fast, happy days,
Pleasuring you in myriad ways,
Filled with happiness and cheer,
Oh Happy, Happy Bright New Year!

Quotes of the Month

Tomorrow is the first blank page of a 365 page book. Write a good one.
--Brad Paisley

Hope smiles from the threshold of the year to come, whispering, 'It will be happier.' --Alfred Lord Tennyson

I hope that in this year to come, you make mistakes. Because if you are making mistakes, then you are making new things, trying new things, learning, living, pushing yourself, changing yourself, changing your world. You're doing things you've never done before, and more importantly, you're doing something.
--Neil Gaiman

Take a leap of faith and begin this wondrous new year by believing. Believe in yourself. And believe that there is a loving Source - a Sower of Dreams - just waiting to be asked to help you make your dreams come true.
--Sarah Ban Breathnach

A year from now, you're gonna weigh more or less than what you do right now.
--Phil McGraw

GOLDEN WEDDING BOARD

In the clubhouse on the west wall is a frame with the names of residents who celebrated their fiftieth wedding anniversary while living here in Eldorado. We have not been able to celebrate this great milestone in a couple of years, but we still want to recognize those who have celebrated this auspicious occasion. If you, or if you know of a neighbor, who has reached or is reaching this year the fifty year mark, we would like to know and be able to add their names to the wall. You can contact me. richwham@aol.com, and I will see that they are added.

ATTENTION TO ALL POTENTIAL SHUFFLERS IMPORTANT MESSAGE BELOW!

As everyone probably knows, there is no Eldorado shuffle team now due to lack of players. Debbie Ennis told me that if you still would like to play, you may join the team at East Bay Oaks. Just reach out to me if you would like to do this and I will have the captain of the team contact you. Debbie also said that once more people get interested, there will be a new team in Eldorado. If you really would like to play, don't be shy and call or email me. Let yourself have some fun! My contact info is here:

Eldorado Facebook Page

Dick Hambley

For those who were unaware, Suzie Rossetti and I are the administrators for the Eldorado Village Facebook page. We would like to remind everyone that to join the page you (the individual requesting) must send us a “friend” request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

DARTS – DARTS – DARTS

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

WE ARE FLORIDA'S #1 RETIREMENT COMMUNITIES PARTNER!

Library History Scrap Book

Pam Spilbeller has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well to give us another mode of looking back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam's efforts. Shout out to PAM!!!

The LIBRARY Is For All Residents!!!

It's SIMPLE.....

1. Borrow and Return.
2. Books are organized by the author's last name.
3. Special sections: Biographies, Health, Cooking, DIY, Inspirational Romance, etc.
4. Have a donation? Put your item(s) in the "Drop-off" box in the library.
5. Entertainment items work the same way....DVD movies, puzzles, board games and playing cards are just waiting for your attention!
6. HISTORY of Eldorado Village – interested? There are notebooks and scrapbooks (with photos) on our rich history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or a comfortable chair, and enjoy a "blast from the past!"

Bulletin Board

We have a Bulletin Board by the mailboxes. We realize that many folks do not go to the club house on a regular basis so this is a way for all to see coming events. Hopefully you will find something you might enjoy attending. You will also see what is transpiring in the neighborhood at the Eldorado Village Facebook page. Don't miss out!

NO IFS, ANDS OR BUTTS!!!

If you are a smoker, please do not dispose of your cigarette butts on the street. If you are seen doing this, you will be reported to the office. We do our best to keep our park clean and neat and if people can pick up their pet's poop, then you can most certainly hold on to your cigarette butt until it can be properly disposed of. Thanks to those smokers who DO take pride in their community and adhere to this rule.

BINGO IS STILL GOING STRONG!!!

Bingo Hours:
Tuesday evenings:

BINGO NEWS!!!!

Start selling at 5:15 PM. Stop selling at 6:00 PM. Start playing by 6:30 PM. We will be following the guidelines set down by ELS for the good of everyone, so please be amicable in observing those rules. Just come out and plan on having a good time and who knows, you might win a couple of bucks! We also would appreciate it if you do not bring \$20 bills as they are hard to make change for—thank you!

RECYCLE RECYCLE RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin are as follows: Glass (colored bottles and jars), cartons (milk and juice containers), mixed paper products (newspapers, flattened cardboard boxes and office paper), plastic containers (food and beverage), and aluminum and metal (cans and containers).

The things we should NOT put in are the following: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes paint, light bulbs, batteries, computers etc).

So, fellow residents, please consider this reminder and let us work towards saving ourselves a few bucks and, at the same time, work towards building a greener environment!

TRASH/DUMP AREA SCHEDULE

People are still putting their trash out before Tuesday or Friday mornings. Please try to obey these rules--they are for **everyone**. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is **ONLY** for tight lidded garbage cans!!! You can buy one at Walmart or Amazon.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate one day.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different--therefore we are printing the office address here so that you do not get any late fees when your check does not arrive on time.
