LETTER OF APPRECIATION

There were so many of our residents who volunteered their time and expertise throughout the summer months to make it a fun and sociable time here in Amber Glades. I would like to acknowledge some very special people who went above and beyond for the rest of us. Lauri LeGault and Janet Fether, along with their decorating crew, kept our club house looking festive and inviting throughout the summer season. Randi & Richard Sandford continued to come up with new and interesting things for us to do through the flash mobs and the Mystery lunches. Rose Hendershot, Barb King, Jackie LeFountain, Randi Sandford and Marsha Lemons all did awesome jobs chairing the different events. Of course, I have to recognize our expert grillers, Paul Fether and Wayne Davis. There were so many of you who helped to make all of our activities possible and I appreciate and thank each and every one of you. There is another person I cannot go without mentioning as he not only chaired events and helped whenever and wherever, but he brought so much joy to us with his quick wit and corny songs. You are dearly missed Herb Hendershot.

HALLOWEEN DANCE

Jan and Paul Fether

Our annual Halloween Dance was held on November 1. The Boomer Band was back and provided music for the evening. Approximately 40 people attended and all had a good time. Prizes were awarded for best costumes.

Many thanks to all who stepped up and helped with decorating and cleaning up. It was truly a group effort. Thanks also to Don Rahrig for taking pictures and posting them on the Amber Glades Facebook page and to Liz Johnson and Rose Hendershot for ticket sales.

Michael Crofts
FL Licensed Independent
Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

The FLASH MOB in October had a Trick or Treat night at Lot 397. Over 40 people found their way over to spend an evening enjoying friends and making new ones. Thanks to everyone that made this one of our most attended MOBS. Please join us for future Flash Mobs.....everyone welcome!!

flash mob.....noun.....A large public gathering at which people perform an unusual or seemingly random act and then disperse, typically organized by means of the internet or social media

#####

Amber Glades flash mob will return in January

The Ice Cream Mobile was a total success!

THANKS to everyone who waited patiently for it to make its way around the park. We will be bringing it back in January, so watch the calendar for dates and times.

CITIZENS ON PATROL

ML Faiola

This group will be starting back up on December 1, 2018. The idea behind this group is first of all, to have a presence in the park of just having an eye out, after dark, for unusual behavior or happenings in the park. Their second goal is to give a friendly reminder to park residents that **PARKING IS NOT ALLOWED ON THE STREETS OF AMBER GLADES FROM 11:00pm – 7am.** This rule is in place so that roads are clear at night so emergency vehicles can easily make it to their destination.....and we all know that this is sometimes a nightly occurrence in an over 55 park.

The way it works is that 3 friendly reminder warnings are attached to your windshield if in violation. If the situation continues, a violation ticket is given and also turned into Scott at the office as well. Please help by parking your vehicle in your driveway (wheels off the sidewalk) or park extra cars and visitor’s cars in the gravel lot to the left of the clubhouse for the nighttime hours). Thank you for your cooperation!

Anyone interested in participating in the Citizens on Patrol please contact ML Faiola @ Lot #13.

Coldest place in the world

You may think it's cold where you live right now—if you're in the northern hemisphere, at least—but scientists have located the absolute coldest spot on Earth. No surprise—it's in Antarctica.

The National Geographic website reports that satellite data have identified an ice sheet in the middle of the southern continent with a temperature of minus 144 degrees Fahrenheit. This breaks the previous record for the chilliest place on the globe—minus 128 degrees, recorded in 1983 at the Russian Vostok Station close to the South Pole. At that low temperature, breathing itself is dangerous—more than a few breaths would make your lungs hemorrhage.

Chances are we won't find any colder places. Increases in greenhouse gases and water vapor in the air have scientists expecting a rise in temperatures across the Antarctic of three to four degrees in the coming years.

Next time around

A student spent a semester abroad to learn about life in a different culture. Each day he left the home of his host family to walk several miles to the school for his classes. Along the way he'd pass a river.

Seated near the bank of the river was an old man. He was there every morning and also in the evening, no matter the time. He was also there on the weekends, sitting and staring off into the horizon, not interested in the comings and goings of the world around him.

After several weeks, the student's curiosity got the better of him. He approached the man and initiated a conversation. Eventually, the student asked the man why he sat by the river all day long.

The man explained that he believed in reincarnation and that his soul had been reborn many times. He said that life was filled with many lessons and that one might be reborn and faced with the same lessons many times before ascending into a different life the next time around.

He went on to say that some lifetimes were good, others were not. "This life is neither beautiful nor challenging, nor interesting nor exciting," the man said to the student. "I'm content to sit out this one."
