## HOA BOARD MEETING

---

All Board members were present and there were 5 visitors. Wayne Davis started out by saying that the new clubhouse roof will be in place by the end of December.

The Treasurer's report was deferred until a later date. \$21,212.93 was the given total. Five (5) investment CD's were to be researched at bank to see if there were other options for investment. Treasurer, Pat Peterman, and Vice-Chair, Marsha Lemons, will approach bank before CD's expire and roll-over later this week.

No complaints. The Nomination Committee reported that no one has stepped forward to become a nominee for the third position available on the board. Social Committee Chairperson is needed for the coming year.

Old business included: Carport sale, roof of clubhouse, speaker installation in the clubhouse, Citizens on Patrol.

New business included: Date of January HOA meeting, cat situation, annual letters to be sent out.

**The next HOA Board Meeting will be held Tuesday – January 8, 2019...7pm**

*All residents are invited to attend the HOA meetings. There is a question and answer session after the regular meeting of the board. The meeting is held in the Clubhouse Library.*

## SOCIAL COMMITTEE MEETING

---

Social Committee members not present were Liz Johnson and Arlene Horslin.

The treasurer reported a balance of \$3224.71.

Wayne Davis reported that the roof would be replaced on the clubhouse by the end of December. Other committee reports were given.

Marsha Lemons, HOA Vice-Chair, spoke of nominations for HOA Board elections coming up in January. Nominations were ask from the floor – there were none.

Old business: Spaghetti Charity Dinner (just under \$1000 raised for Guardian ad Litem of Tampa Bay), Veteran's Breakfast, OH/MI Football Game, Ice Cream Mobile and Food Truck.

New business: Canadian Breakfast, Tampa Down Race Day, Tea Party, Annual HOA Meeting, Mystery Lunch, Carport Sale, Christmas Dinner, New Year's Eve Party, Prime Rib Dinner, Caroling, Line Dancing.

Hazel Holliday said they are looking for someone to take over the position of Social Chair for the 2019-2020 year.

The Annual presentation of the Claire Leahy Service Award went to Randi and Richard Sandford.

Lot #251 was drawn for the Coach Drawing. They were not present, and so the monies roll-over to next month's drawing.

**The next Social Comm. Mtg. will be held Wed. – January 9, 2019...7pm**

*This meeting is open to all residents and it goes over the activities that are coming up and includes a raffle and Coach Drawing (you must be a member of Amber Glades HOA and be present to win). Held in the Clubhouse.*

## Home Owner Association Dues for 2019

---

Home Owner Association Dues for 2019 in the amount of \$15/year are being accepted now. The dues should be paid prior to January 1, 2019, if at all possible. Checks can be made out to the Amber Glades Home Owners Association and placed in the slotted box by the sliding doors in the Clubhouse. This \$15 supports the Board of Directors and includes a discounted price to Social activities and Channel 95/732 advertising. Any questions should be addressed to Wayne Davis, President, or Patty Peterman, Treasurer. Only members are allowed to attend and vote on issues at the annual meetings.

## Nominating Committee Report December 5, 2018

---

Members of the committee are: Marsha Lemons, Hazel Holliday and Rose Hendershot. There are three board positions open on the Executive Board. The committee has spoken with two individuals that are interested in running for those positions.

## CLAIRE LEAHY AWARD 2018

---

Every December this award is presented to a person or persons who have volunteered and made themselves available to help make this community a special place to live. This award was named for a very special past resident who always did more than the average volunteer. Each year we look for someone who has gone above and beyond, volunteering to do things for our residents. This year Liz and I have chosen a couple, who over the years have done just that. They have given unselfishly of their time to benefit all of us living here in Amber Glades. Ever since they moved here one or the other of them have served on the Social Committee and the Board of Directors. Besides helping with numerous events, setting up, serving, cleaning up after events, they have planned and organized day trips, luncheon trips and many fun get togethers for the enjoyment of all of us here in Amber Glades. They are responsible for maintaining the Amber Glades television site as well as the monthly media guide. As if that isn't enough, they also take care of delivering food donated by Amber Glades residents to the food pantry. Please join us in thanking these two special people as we present Randi and Richard Sandford with the Claire Leahy award.

Respectfully,  
Hazel Holliday, Social Club Chair

### VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## The rest is history

---

This is the time of year we dream big, vow to make changes, create goals, and promise to transform into a new and improved version of ourselves. Then we allow life and other responsibilities, naysayers, doubt, and fear to veer us of course.

As you follow your bliss and explore your passions, draw inspiration from the following individuals who found success in spite of the odds against them:

- **Fred Astaire.** He sang and danced his way into our hearts on the silver screen, but his first audition for a major studio was a bomb. The executives were underwhelmed by his performance and offered this critique of Astaire: “Can’t act. Can’t sing. Slightly bald. Can dance a little.”
- **Wayne Gretzky.** Widely regarded as one of the greatest pro hockey players, Gretzky was considered too slow and too small at the start of his career. The popular opinion was he’d never be a success in the NHL.
- **Sir John Gurdon.** He is a pioneer in the fields of nuclear medicine, cloning, and cellular development. Among his many honors are a cancer research facility named in his honor and a Nobel Prize. Yet Gurdon finished last in his prep school biology class because his ideas about science were not aligned with the curriculum of that time.
- **Im Dong-Hyen.** This South Korean archer has won medals and set records. He even competed in the 2004, 2008, and 2012 Olympics—despite being legally blind.
- **George Lucas.** There wasn’t a single studio in Hollywood interested in Lucas’ script for Star Wars. He endured four years of rejection before an executive at 20th Century Fox decided to give Lucas a chance—not because he liked the script, but because he liked Lucas’s film American Graffiti.

## What you know

---

A CEO was asked by a new hire for any words of wisdom that would be helpful in developing a successful career. “Never lose your sense of curiosity, and always be on the quest to learn something new,” was the executive’s reply.

“When I first started here,” the executive continued, “I never imagined that I would one day become the CEO. In fact, I wasn’t sure if the job I had was a good fit, so I worked in different departments over the course of a few years. Then I became curious, and everything I learned led me on a quest to learn more.

“I talked with the salespeople and learned about the market for our products. I toured the factories and saw how the products were assembled. I even traveled around the world to visit different vendors who supplied materials for everything we manufacture.

“Being successful,” the executive said, “is not about what you study or what you read or what you think. It’s about what you know.”
