HOA BOARD MEETING HIGHLIGHTS.....February 2, 2016

The HOA Board meeting was called to order with 6 members present. Paul Fether was absent. The treasurer reported a balance of \$21,214.72.

Wayne Fletcher announced that within the park eighty-eight coaches were members of FMO. Ed O'Neal stated that he had received no complaints in January, but that parking violations were way up. There were 18 tickets given out in January compared to 2 last year. Scott (park manager) has been ask to get involved with some repeat violators.

Social Committee chair, Barbara Lee, requested help from the board for the resident's dinner coming up in March. She also mentioned the blood mobile and Brighthouse luncheon that will be held within the park.

Wayne Davis reported that improvements to the ponds overflow structure will be started February 15th. He also said that sidewalk cleaning had been started in the park and that park ownership had increased their contribution to the Social Activities by \$500.

The board will discuss with Scott the concerns over remodeling and resale of older units in the park. The board had not yet received a reply to their annual letter, to ownership, asking about possible sale of Amber Glades. They will look into this further.

In New Business there was an animated discussion about the open position of Social Committee Chair for the coming 2016-2017 year. In the end, Liz Johnson was unanimously appointed to the position.

The next HOA Board Meeting will be held Tuesday – March 1, 2016.....7pm

SOCIAL COMMITTEE MEETING HIGHLIGHTS.....February 3, 2016

BLOCK PARTY FUN

What a crowd we had. Over 100 residents turned out for the activities of the day. Being a bit windy and cold, the activities were quickly switched to being indoors instead of out. Everyone adapted and the events went on. Our kitchen served up sandwiches and sold out of everything in the first 2 hours. The blocks that were returned, were a wonder to behold. They were all so different and really showed the talent that we have right here in this park.

Hopefully everyone that attended got to try out the variety of games, eat lunch, check out the history display, enjoy the music and reconnect with Amber Glade friends. For giving us these opportunities, we have to thank a whole bunch of people that volunteered their time to put this on for us. We're afraid we might forget to mention someone's name, so we are saying a huge "THANK YOU" to everyone that had a hand in making this a success. You know who you are and we are so grateful for your help!

Thanks too, to our supporters that came and enjoyed the Block Party festivities

BINGO MARATHON THANK YOU!

Thank you to David and Mona Karns for putting on a fantastic BINGO Marathon for all of us BINGO players. A thank you to Carolyn Medves too. It was so much fun! I know you had a lot of help, and we want to thank all of those volunteers that put the lunch together and others involved with making this such a success. Also, thank you to ML Faiola and Barbara Lee for calling our winning numbers.

PATIENCE IS A VIRTUE

Don Horrigan

GOOD THINGS COME TO THOSE WHO WAIT chose one...chose the other or better yet chose both of them.

The Valentine breakfast stumbled a bit...but after a "slight" delay it went off well... Herb Hendershot, the caller of the plate numbers, was getting a bit restless waiting for the first plate to surface. The ""new to the group" Patty and Bill Peterman along with Liz and Greg Johnson greeted at the door and served the hungry multitude of 68 friends and neighbors. Paul Folsom served the first and sometimes the second cup of coffee while ML Faiola started you off with Tropical Fruit and Florida OJ.

In the kitchen, Lucien Rouleau, Paul and Janet Fether, Joan Johnson and yours truly. And, then to the rescue, Greg Johnson changed hats and assisted with the scrambled eggs inasmuch as the new range was not co-operating.

The delay did allow the time to really chat with your table mates.

Thanks for coming.....thanks for your patience ...and hope to see you again.

PS: A profit of \$116.25 was added to The Social Club's checking account balance. Which to quote Martha Stewart, "...is a really good thing."

MARDI GRAS CELEBRATION WOWS AMBER GLADES

Even under the windy conditions on Fat Tuesday, many Amber Glades residents braved the cool weather, decorated themselves and their vehicles and made a stunning sight on the streets of the park. Maintenance workers were still picking up the colorful beads on Monday morning. Everyone enjoyed themselves. Thank you to everyone that participated in the parade and thanks also to the spectators that cheered them on.

Next came the live music provided by One-Dan-Band. There was good attendance at the dance and everyone enjoyed themselves. Thanks to all that attended and a special thanks to all the volunteers that made this day special!

**THE SOLE PURPOSE OF A CHILD'S MIDDLE NAME
IS TO LET HIM KNOW WHEN HE IS IN TROUBLE.**

COMING SATURDAY, FEBRUARY 27, 2016 THE AMBER JAMS

You may ask, “What are the Amber Jams?” And, I would answer, “Hopefully the biggest, best-est musical jam session that this park has ever seen.” We would like to see any resident who plays a musical instrument (guitars, keyboards, drums, horns, spoons, washboards....anything) bringing it down to the clubhouse on the 27th of February at 6:30. Music starts at 6:45. The premise is that all the musicians will be seated in a circle and have a turn to choose and start two or three songs (depending on how big our group is). The rest of the group will JAM, by joining in to back-up and play along. Singers welcome. There will be a set of electronic drums for all the drummers out there to share.

Of course we will also need audience members to cheer them on, so those not so musically inclined also have a big part in making this night a great success. Bring snacks, drinks and friends. **LET'S MAKE THE CLUBHOUSE ROCK!**

A small dance floor will be available for those so inclined to trip-the-light-fantastic (no broken hips please!).

No sign up necessary – what shows up that night is what we jam with!

WELCOME TO THE NEIGHBORHOOD!

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

IRISH NONSENSE

Why can't you borrow money from a leprechaun? Because they are always a little short.

There are 4 cities in the US named Shamrock. They are located in West Virginia, Texas, Indiana and Oklahoma.

When is an Irish potato not Irish? When it is a French Fry.

May the wind at your back not be the result of the corned beef and cabbage you had for lunch!

Never iron a four-leafed clover. You don't want to press your luck.

As you slide down the banister of life, may the splinters never point the wrong direction.

Keep calm and wear green.

May luck be with you wherever you go and your blessings outnumber the Shamrocks that grow.

May the hinges of friendship never grow rusty.

You've got to do your own growing, no matter how tall your Grandfather was.

Nancy Lee Hundley (Lot #318 Amber Glades)

July 18, 1938 – January 9, 2016

Safety Harbor lost one of its most special people when Mrs. Nancy L. Hundley passed away last Saturday 1/19/2016. Nancy Lee Hundley was born July 18, 1938 in Lynchburg, VA., the daughter of Ralph and Rosebud Dowdy, the oldest of 6 children. Nancy will be greatly missed by her beloved companion of more than 30 years, William E. Broschart. Nancy is survived by her children, Roy L. Hundley III, Rebecca J Gouzoulis, Aaron P. Hundley and his spouse Wendy J. Hundley, her sister Norma Pulley, her brothers Ralph C. Hundley and Michael Dowdy and her sister in law Myrt Dowdy. Nancy will be joining her other son David J Hundly, who passed away several years ago. Nancy is also survived by her grandchildren; Christopher, Kristy, Melissa, Michael, Emily, Elaina and Andy and by her 7 great-grandchildren. Nancy enjoyed being with her family more than anything and always put her family's needs above her own needs.

Nancy had a great sense of humor and enjoyed people, socializing, laughing, penny slot machines, she was always in a good mood, always up beat and always happy no matter what was going on in her life and in the world. Her children used to call their mother, known as Nanny Lee, when they weren't feeling well, were a little down due to a life situation and they used to say, "I need to call and get a dose of Mom so I can feel better." That's the "Nanny Lee" in a nutshell.

A private memorial will be held in Maryland at a later date.

"Our Nanny Lee" was the glue that held our family together and we ALL miss our Mom – Companion – Grandmother – Great Grandmother – Sister very much!

March Is...

American Red Cross Month. The American Red Cross was founded by Clara Barton in 1881. Today its supporters, volunteers, and employees provide compassionate care in five vital areas: People affected by disasters in America; support for members of the military and their families; blood collection, processing, and distribution; health and safety education and training; and international relief and development.

Music In Our Schools Month. An annual celebration sponsored by the National Association for Music Education, Music In Our Schools Month engages music educators, students, and communities from around the country in promoting the benefits of high-quality music education programs in schools.

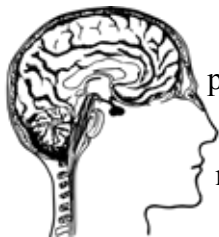

Social Work Month. The goal of Social Work Month is to educate the public about how social workers bring about positive social change and improve the lives of individuals and families. It's sponsored by the National Association of Social Workers, which works to enhance the professional growth and development of its 132,000 members, to create and maintain professional standards, and to advance sound social policies.

Women's History Month. Women's History Month has its origins as a national celebration in 1981 when Congress authorized the president to proclaim the week beginning March 7, 1982, as "Women's History Week." Since 1995, Presidents Clinton, Bush, and Obama have issued a series of annual proclamations designating March as "Women's History Month."

Weekly

National Cheerleading Week, March 1-7. National Cheerleading Week recognizes cheerleading athletes around the world. Its goal is to build a more positive image of cheerleading by engaging in group activities, community service, and fundraising projects.

NO MORE Week, March 6-12. NO MORE is a movement to raise public awareness around ending domestic violence and sexual assault. NO MORE Week is a national effort to engage individuals and organizations to say "No more" to abuse, and to make domestic violence and sexual assault awareness and prevention a priority year-round.

Brain Awareness Week, March 14-20. A global campaign to increase public awareness of the progress and benefits of brain research, Brain Awareness Week unites the efforts of partner organizations worldwide in a celebration of the brain for people of all ages. Activities include open days at neuroscience labs, exhibitions about the brain, and more.

Teed off

Golf courses typically have two sets of tees, one for women and one farther back for men. One day at the first tee a man was stepping up to his ball when a voice came over the clubhouse loudspeaker: “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

The golfer looked up, surprised, then addressed his ball again. The voice on the loudspeaker repeated, “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

Irritated now, the golfer backed away, took a deep breath, and once again approached his ball. For a third time, the loudspeaker blared: “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

The man flung his golf club down. “Will the announcer please shut up and let me hit my second shot?”

An exciting finish

Two bass players performing Beethoven’s Ninth Symphony realized that for some time at the end of the piece, the bassists play nothing. They decided to sneak out of the auditorium for a quick drink at the bar in the lobby.

After a few quick shots, one of them checked his watch. “Uh-oh, we have to get back in two minutes.”

“Don’t worry.” His friend ordered another round. “I tied down the last page of the conductor’s score, so they’ll keep playing the same part over and over. No one will notice.”

After a few more drinks, they staggered backstage and made their way back to their chairs as the conductor struggled to untie his music score with one hand while conducting the orchestra.

One usher at the rear of the auditorium whispered, “What’s going on?”

The other usher answered, “Well, it’s pretty exciting. It’s the bottom of the Ninth, the score is tied, and the bassists are loaded!”

I guess I laugh to keep from crying. And I guess if you ever get me crying, I might not stop. This is the way I look at tragedy or else I’ll cry.
