President's Message

By Ginny Marcott

It's almost Tax Day. Where has the time gone? Now we see our neighbors closing up their homes and going north. As we enjoy our HOT summers meeting at the pool, our friends will be in much cooler weather. I for one enjoy the heat.

Please remember before you go north that you must prepare your homes for Hurricane season. Nobody wants to think about that in April but you won't be here from June to November. Take in any items that may become a projectile in the wind. Dispose of items you can't store so your neighbors don't have to take them in for you.

While we are talking about the fall please be assured if we have high water or wind damage and I am able, I will take photos of damage in case they are needed for insurance claims.

On a brighter side, I am hearing a lot of positive feedback from the new speed humps. A few residents still go over them and immediately hit the gas pedal. Just remember we still have the bumps that were originally used.

Everyone please have safe trips north, enjoy the summer no matter where that may be and return safely in the fall.

Manager's Message

By Ryan Osburn

April Meetings – The April Town Hall Meeting will be held on April 8th @ 6:30. The Board Meeting will be held on April 15th @ 7:00.

Founders Day – Join us for this years Founders Day BBQ on April 4th from 10:30 – 2:30.

Recycling – Thank you to all of you that are using the recycling bins. Please make sure you are placing your recyclables in the correct bins. Please also remember that only aluminum cans should go in the can bins, no soup/vegetable cans, please.

Gate Access – When you call the gate to alert them to a guest that will be visiting you, please provide the following information: Your name and address, the name of your visitor, day of their arrival and how long they will be staying.

Seasonal Residents – To our winter residents that may be headed back up north soon, we wish you safe travels. If you would like for us to take and send you a photo of your home while you're away, please send an email to manager@americanacove.com with your Cove address in the subject line. Some residents have learned it is a good idea to check and ensure the person or company they hired to maintain their shrubs and weeds are doing what they have paid them to do. We will look forward to seeing you again in the fall.

Street Lights – If you notice a street light that is out, please provide the pole number and the closest address to the pole, when you report it to the Business Office. You may also report it directly to Duke Energy.

ACA News

By Ron Miller

Well here it is April and a lot of Cove Friends are turning their car around and heading North, I wish them a safe trip. We, at the Cove are sad to see them leave. Most of the clubs are winding down for the summer.

I would like to thank all the people who helped with the White Elephant Sale as well as all the people who baked for the sale. It was great success! It is so great to see everyone working to help the ACA help everyone, or clubs who need it. The Block Party went well at the end of March, next year it will be the first Sat. in April. It was moved this year because Founders Day Party took place on the first Sat. It was a little mix up but has been fixed.

The Burger Burn will be on April 21 and May 19 after which Joan and I will head North and will return in Sept in time for the Burger Burn in Sept.

I am continuing to stress consideration be given to our amazing can volunteers by not putting trash or other items in your can deposits. It is not only very unhealthy for the volunteer to deal with others trash, it's time consuming and downright annoying. Thank you!

Our last lunch meeting for the season will be April 22nd. We will miss our Canadian and Northern Friends as they make their trek home.

With Sincere Gratitude

by Mary Bickhart

I would like to thank Canada Night, The Garden Club, The Hobby Shop, the Cue Club, Crafters, the Boat Club, Americana Cove Association, Vespers and Old Timers for donating to this wonderful cause. You made our very senior citizens extremely happy. It was a delicious sit down dinner. (no lines, no trash).

I can't adequately express the joy that fills the clubhouse when the Birthday guests arrive and receive their corsages and buttoners. (Made by Toni Jones) Family, friends and neighbors filled over 150 seats easily. After dinner and an exquisite dessert they were all treated to a great show by the Live Music Group.

The theme of our night was "Laughter". It started off with a beautiful and thoughtful poem by Tom Wallace. Thank you Tom.

Believe me when I tell you all that our sides hurt by the end of the night from the jokes and antics on stage. Claire Mosakowki played the piano exquisitely and the whole group entertained and sang beautifully not to mentioned they tickled our funny bones.

I would be remiss if I didn't tell you that all the men of our groups set the tables very fast and beautifully. I don't have all their names and I don't want to leave anyone out so I just lumped them all together! Thank you Fellas!

Three special people helped immensely, Toni Jones (our amazing chef), Sandy Shouse (my right and left hand helper) and Sue Line (seating assistant and greeter) And last but not least Vince Bickhart my husband who helped with everything from shopping, to food transportation and gift delivery not to mention being my support. There were many, many more who lent a hand during the set-up of floor and stage. Thank you.

Paul Line and Carol Fischetti escorted people to their seats and helped people get comfortable. Great work! Libby Hopkins collected tickets diligently at the front door. Thank you.

Toni Jones wanted to express her special appreciation and gratitude to her husband Jeff Jones, her Mother-in-law Jenny Wosil, Susan Galligan, Laura Abram, Bill Dickey, and Jozi Peconie. These people stayed in the kitchen with Toni for two days.

The wait staff never allowed our dishes to be empty so that our bellies were always filled with tasty food. These hard working servers were: Jozy and Tony Peconie, Jen and Joe Shifano, Judy and Tony Walburn, Mike and Marge Lederhouse, Paul Gabriella and Barb Field, Shirley Giaquinto, Patty Gamache, Sue Napier, Mary Lou Pribesh, Katharine Lindsay, Ken Smelter, Joanne Wallace, and our coffee maker, Tom Lambert! Without these people our celebration would not have been as lavish as it was...Thank You, thank you!

...continued on page 10

Our ticket Maker Joan Miller (also the “I GOT You” Girl). Great jobs! The ticker sellers Nancy Hubartt and Marylou Pribesh. Thank you ladies! The gift bags contained a framed picture of the Birthday celebrant or the Birthday Couple, we had three couples join us this year. In addition to Handmade Hearts (From Tom and Sandy Shouse), there was a handmade wash cloth, a \$35.00 Gift card to Carrabbas, a sample of Neutrogena soap, Flowers with a vase and a candle to take home! Two extra gift certificates were donated so we had a small raffle Bob and Ginny Staples were the recipients, Thanks to Jill and Greg Moe and Sue Napier.

Aside, 75 loafs of bread were baked by Toni Jones & staff on Friday and the pro-ceeds were donated to the 90's celebration. All in all it was an elegantly presented affair.

Lastly, my heartfelt appreciation to everyone who helped make this a memorable occasion. Love, Mary Bickhart

Prayer

By Elaine Nelson

April Prayer

This prayer is a direct quote from Colossians 3:12-17

Therefore, as God’s chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive one another if any of you has a grievance against someone. Forgive as the Lord forgave you.

And over all these virtues put in love, which binds them all together in perfect unity.

Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful. Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through Psalms, hymns, and songs from the spirit, singing to God with gratitude in your hearts. And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.

Amen

Announcements

By Ray Rodriguez – Editor

At the time of publishing this newsletter, re-scheduling of events were in process. You may read conflicting information in some of the articles. Stay tuned to the VOLO messages and postings at the clubhouse.

IMPORTANT NOTICE RE: CORONAVIRUS

Due to the COVID-19 virus, effective immediately, all official events and activities at Americana Cove have been cancelled through April 15th. Most events will be rescheduled. A detailed explanation is posted on the official bulletin board at the clubhouse. Thank you for your cooperation.

The best way to prevent infection is to avoid exposure to the virus. The most important way to prevent COVID-19 is to **WASH YOUR HANDS**. Wash your hands regularly and thoroughly with soap and water (lather for 20 seconds) OR use an alcohol based (at least 60%) hand sanitizer. Other actions that help to prevent the spread of COVID-19:

Attention Club & Activity Leaders

On Tuesday March 3rd ACA held a meeting for Club and Activity Leaders with a few of those leaders in attendance. The purpose of the meetings is make sure that all the Clubs and Activities requesting use of the club house, atrium, kitchen, library, tiki hut and game room are scheduled onto a central calendar thus avoiding conflicting dates of scheduled events. There is a Calendar Request Form available at the office that must be completed prior to events going on the calendar.

It is important that Presidents and Activity leaders attend these meetings, they are held on the first Tuesday of each month at the club house at 10 am. If you are unable to attend please have a representative from you club attend.

The New FEMA Base Flood Elevation and Tax Rate Plan - Why We Need to Unite and Fight

By Joe Noling, resident of Americana Cove

There is an important issue looming on the horizon for all of the manufactured home communities with-in St. Petersburg and Pinellas County. The issue involves the projected impact of the new FEMA Base Flood Elevation (BFE) plan. The new FEMA BFE Plan is expected to be approved by the City of St Petersburg and fully enacted by years end (2020). Based on the information presented by City of St Petersburg officials at the Town Hall Meeting at Americana Cove in February, the new FEMA BFE plan will require, among other things,

...continued in page 14

that new homes built within FEMA A-flood zone map areas (Americana Cove) must be further elevated so that the lowest floor is at or above the new reported BFE of 11 feet.

Let us at Americana Cove describe what possible impacts the new FEMA BFE changes might have. First, the new BFE of 11 feet will have an extreme cost impact in per unit to construct the new ground based block, rebar and poured concrete fortifications, as well as the cost for the bigger staircases and ramps among other things. The new addition of 2 feet to BFE will require a minimum of **3 additional steps** to be added to the 8-9 steps currently required to be included within the staircase of all newly constructed homes.

We should not believe that adoption of the plan will justify any potential savings in city and county flood insurance rate. We also should not consider the plan as automatically approved or inevitable. If we in the manufactured home retirement communities want to preserve and sustain our communities home values and appearances into the future, and avoid the inconvenience, added costs, and health risks, we need to make a unified stand at future St Petersburg city board meetings to express how these simple changes in BLE (if adopted) will have diverse and monumental impact and will not come without added costs and inconvenience, both to that of the community and to individual homeowners.

Future St Petersburg city board meetings re: this issue will be posted at club house, we urge all those who can to attend.

Something to Consider

By Bart Beal

Bonnie and I are blessed to have three children, a son-in-law, a daughter-in-law, and two grandchildren that are all healthy and doing well. When we raised our children, we had the vision that when they were grown, we would live in close enough proximity to each other to be able to gather together on some regular basis. Perhaps we had unrealistic expectations. Please don't get me wrong, we know we are very blessed to have good relationships with them and to be able to see them when we can, even though it isn't very often. It's just not as we imagined it would be, and we miss them. They live in three different states and have their own busy lives to live. We were very grateful to all be together for the first time in a few years last Christmas Eve Day in Indiana where our son and his family live. It was a great time!

A couple of weeks ago I was talking for the first time with an older gentleman, a gentle soul, at church on Sunday morning. Our youngest daughter and a friend had just visited us for a few beautiful days in sunny Florida. She teaches school in Milwaukee – burr. She and her friend were so excited to see several dolphins when kayaking. We truly enjoyed her visit, but I was a little sad this particular Sunday morning knowing that we wouldn't see her again until summer when we make our trek north.

I mentioned this to this gentleman, and also proudly shared a bit about our other kids. He responded by telling me how blessed we are to have children that want to spend time with us, and that we can communicate with. Then he told me about his two children.

His daughter disowned him forty years ago when he and her mother got divorced. She

blamed him for the divorce and never forgave him. He has not been able to speak with her since. His son married a woman of a particular faith and then converted to that faith. Since his father is not of the same faith, they refuse to associate with him. He has grandchildren that he has never seen and probably never will. I could see the sadness in his eyes when he spoke. I walked away feeling blessed, but also foolish for feeling sorry for myself when I have so much to be thankful for.

What a difference perspective makes! There is always someone close to us that is sicker, lonelier, sadder, poorer or weaker than we are. What can we do? With thankfulness, we can count our blessings. And with empathy, we can comfort them.

Boat Club

By Mary Ann Meljac

March was a very active month for the Boat Club. We started with an evening of kayaking and boating for the full moon on the 9th. With turning our clocks ahead one hour for daylight savings time, we will now be meeting on the water about an hour later than the winter months. We did see the moon rise in spite of the clouds. A total of 10 kayaks, 5 boats, 1 paddle boat for a grand total of 39 adults and one baby enjoying the evening on the water. The March ***“Worm Moon”*** refers to the fact that earthworms and grubs tend to emerge from their winter dormancy at this time of year, marking a sure sign of spring! I like that!

The **“Luau” Island Bash** was rescheduled due to the COVID-19 virus. Since all events were cancelled through April 15th, we are hoping to celebrate on the 18th of April. Emails and volo messages will be sent with updates as we are informed and additional information is available.

65 Cove residents and friends enjoyed the **Starlite Cruise** on the 28th. This is the 2nd time the Boat Club has organized this event and once again, it was a success! The weather, food and entertainment helped to make this cruise a fun time! Thank you to Terri Carlo for coordinating this occasion.

Calling all fishermen....don't forget to mark your calendars for the **Derby** on the 18th of April. You can fish from dawn to 3PM and take a picture of your “big catch” of the day. \$5 per cove resident and \$10 per guest will qualify you for an award. All prizes will be given out at the Tiki Hut Party that afternoon beginning at 4PM. Come and enjoy the food and share your favorite “fish tale” of the day! The sign-up sheet is in the Clubhouse and contact Mark Betar (727-527-3561) with all questions.

Due to circumstances out of our control, the “Luau” Island Bash had to be **CANCELLED** on March 14th. Your Boat Club Board has come up with a plan to reschedule to Saturday, April 18th. Yes, that is the same day as our Fishing Derby and we will combine both events. The Fishing Derby will continue as planned. Please reschedule on your calendars, hang on to your tickets and join in the fun! Purchase your raffle tickets for the drawing of the \$500 cash plus \$50 in scratch tickets. Since Founder's Day has also been cancelled, we will do the drawing at the rescheduled Island Bash on April 18th. Below is a list of our local generous donors. A big thank you to all members who made the effort to solicit door prizes as well as our local merchants for their generous donations.

Book Club

By Jill Moe

April 9 will be the last 2019-2020 Book Club meeting. We will be discussing "Beautiful Ruins" by Jess Walter, hosted by Andrea Wetmore. Don't fret though, we'll be back again in November with new and exciting books to read and discuss for 2020-2021.

In the meantime, enjoy the summer break with the Book Chat group to talk about any book you'd like to share. We will continue to meet on the 2nd Thursday of the month at 1:30 PM in the Library.

Be sure to check out the Bulletin Board in the Clubhouse to get a head start on books to read. I would like to thank all the members who helped keep our reading group interesting and fun. Again, Maureen K, another job so greatly appreciated. Happy Summer everyone and thank you for joining us.

Have a safe and fun summer and we will see you all in the fall!!!!

Garden Club

By Denyce Kinkead

The Garden Club meeting on February 11th was a big success with our featured speaker, Michelle Shirvone, and also resident herbalist giving an excellent dissertation on growth and use of herb gardens which can be sustained and survive both indoors and outdoors and transplanted easily by our snowbirds to other locations. Michelle was very helpful with all of the "information" she provided and her response to our members many questions. She also volunteered to help in making hanging herb baskets at our next meeting.

Our travel activity was enjoyed by several members on the trip to Tarpon Springs with a scenic two-hour cruise on the Ancolte River out to the Gulf. Lots of shopping and wonderful Greek food in a variety of stores and restaurants.

Helping Hands

By Judy Hall, PhD

Last November we did an entire article on what Helping Hands is. As spring approaches, it's time to remind all of us that Helping Hands has some equipment for use by residents who need help.

- Medical Equipment: We can provide on loan items such as walkers, canes, crutches, shower chairs or raised toilet seats. We also have some adult diapers and knee braces. Ron Miller has graciously provided us accessible storage. To request and receive any equipment, please call Sue Tomayko (727) 623-4383.
- Medical Alert Buttons: can be provided to residents who cannot afford the monthly fee. For help, please contact Carol Shepard (561)234-9275
- For other needs, i.e., assisting someone who lives alone with small tasks or helping with transportation to doctors or grocery stores, please call Carol Shepard.
- Please consider volunteering in some way with this important program. We need you!

As many of our snow bird neighbors begin to depart to locations around North America, we wish you safe travels and a happy, healthy summer before we meet again!

Shuffleboard Club

By Greg Moe

As our Shuffleboard competitive season comes to a close I would like to congratulate our teams on a great season. NOVA Team A finished in 3rd place and NOVA Team B finished tied for 2nd place, Friendship finished in 4th place, and Blue Sky ended the season in 2nd place.

This year Americana Cove was host to the Blue Sky end-of-season tournament and banquet. There were 4 of the 6 parks in attendance. I would like to thank the NOVA players for preparing and serving lunch during the Tournament days.

In the Friendship end-of-season Singles Tournament, congratulations goes to Anthony Daleo for placing 2nd and Lenny Schmitz for placing 3rd in Singles. In the Doubles we had Jo Waldron & Lenny Schmitz placing 2nd and Debbie Gottardi & Anthony Daleo placing 4th.

In our own club Tournament, we played Doubles with 9 teams participating. It was a random draw to determine partners, with one player from NOVA and one player from Friendship/Blue Sky making up the teams. In 1st place was Dave Banning & Lenny Schmitz, 2nd place went to Judy Whiteford & Gerard Finn, and 3rd Place was Carol Nemeth & Barry Barratiere.

Election for officers was held in March. The new slate of officers is as follows: President - Greg Moe, Vice President - Greg Cindric, Secretary - Janet Callahan, and Treasurer - Susan Solomon.

We also had our year-end banquet on March 21st, catered by Cafe' Cibo; a good time was had by all that attended.

During the summer we plan on continuing Hoss Collar on Sundays at 1:00 PM and Social League on Mondays at 1:00 PM. Be sure to note that in April Social League will change to Tuesdays at 1:00 PM.

Please come and join us.

Swim Exercise

By Nancy Olson

Hi everyone! I would like to thank all who participated in our end of season party on March 25. The food was delicious as always, the friendship and fun was second to none! On a personal note I would like to thank all of the swim exercisers for the very generous gift. You are all the BEST and each of you hold a very special place in my heart. I appreciate all the support and encouragement you have provided to me this season.

Some items of interest:

- Our group along with Daisy's land exercisers will be cooking/serving at the April 1 ACA luncheon. Please let me know if you can help serve.
- Noodle workout after class will end on April 30.
- The pool water temp will go down to 84 on May 1.
- If you have a birthday during the summer and are headed north, you can ask for your favorite tape before you leave. Please let me know a couple days ahead of time.
- Swim exercise is in session all year long. My last day for the season will be May 26.
- Maureen, Terry and Diane will lead the class while I am gone.

Safe travels to all who will be heading north during the month of April. Have a great summer and we will see you all back in the fall. Happy Easter!

Vespers

By Martha Sutton

Our wonderful season is nearly over and many of us will be traveling to other places, I want to take this opportunity to thank everyone for their attendance and volunteering this year. Without your help Vespers would not be able to survive. Whether you're traveling or staying here at our beautiful Cove, I wish you a healthy, happy and blessed summer.

When we return in the fall a new chairperson will be at the podium. Don Delzell and Paul Line, when he returns after the holidays, will be taking over as co-chair. I have enjoyed my position for about 16 years and it is time for me to step down and enjoy another position whatever that may be. I will be visible for sure because Vespers is so important to me. Thank you one and all for your support over the years.

Mark your calendars for November 15 for the annual Welcome Back Dinner/Entertainment evening. More about that will follow as time gets closer.

I hope you all come out for the Easter Sunrise service and enjoy the beautiful lilies and the message from Pastor Strasheim.

Housing supply is low; prices are increasing

By Barefoot Realty Group, Brokerage Agent for Americana Cove

The Federal Home Loan Mortgage Corp. (Freddie Mac) recently conducted a housing study that found that the U.S. housing market is in need of 3.3 million housing units, and there will be a shortage of more than 300,000 homes each year for the next decade.

Approximately half of all U.S. states have a housing shortage with Oregon having the largest deficit. It is followed by California, Minnesota, Florida, Colorado and Texas.

“Years of underbuilding has created the deficit particularly in states with strong economies that attract people from other states,” according to the National Association of Realtors.

The lack of housing will continue for many years in Florida as currently there are 900 people per day moving into the state, according to the Florida Office of Economic and Demographic Research.
