## President's Message

By Ginny Marcott

When I moved to FL 25 years ago, my 3 important items were shorts, tank tops and flip flops. Now they are masks, hand sanitizer and social distancing. The term "we've come a long way baby" has certainly changed through the last 3 months.

The Board has had to make some critical decisions, but everything we have done has been through a board of 9 people with 9 different points of view. I want to not only thank the Board but also Ryan, the park workers and mostly the residents. Thank you for your patience and understanding as we've made decisions that not everyone agreed on. We spent many hours at meetings making 9 opinions turn into one solution. No one has ever been through this and hopefully we never will again but I feel the decisions we made were for the betterment of everyone in the park.

We have listened to our President, Governor, Mayor and the CDC for guidance but used our hearts on the decisions. Not everyone agreed but THANK YOU from the bottom of my heart for having faith in us. We have a strong community here and have been safe thru all of it.

We have all made adjustments to our lives and it has made us stronger than we ever were. Thank you all again for your kind words and even some not so kind words regarding our decisions. Those words of encouragement took away the sting from the people who felt they were inconvenienced. A great way for your words to be heard in a positive way is to serve on the board. For now we are enjoying our BEAUTIFUL park, all of our amenities and our wonderful neighbors.

Again Thank you for being who you are and accepting us for what we did.

## ACA News

By Ron Miller

It's July and I'm still at the Cove. Not knowing just what is going on up North, my wife and I are go-ing to stay the summer feeling it's safer here than there. I'm hoping some part of normal will take place in July, just hope the board will open the Cove back up?

ACA has got to OK to have a 4 July party at the clubhouse from 3-6 pm This for everyone in the park. Hot dogs, burgers and different salads will be served. I also plan on have a DJ if I can find one. Beer wine, water, and soda will be served. ALL WILL BE FREE ! The Cove has not had, 4 July party in a long time, but times are changing. You will only be able to seat four people at a table, dancing can also take place. It should be over in time to make any of the fireworks shows around the area. This is a start to getting back to somewhat norm. I will keep a Burger Burn for later in July, If everyone wants. Let's wait and see how the 4th turns out! Let's hope things get back to normal, lets hope nobody gets sick.

## **Rash of thefts have occurred recently**

---

Unfortunately a rash of thefts has occurred recently in our ACA community. In the past coupled of weeks two bikes and two golf carts have been stolen. Vehicles that were left unlocked have been rummaged. A vehicle was reported stolen approximately one year ago. These incidents are totally unacceptable particularly in close-knit gated community where our neighbors are looking out for one another. Perhaps we've become so complacent and comfortable in our environment that we let our guard down.

Measures are being taken to better secure the entrance. A gate similar to the entrance gate will be added to the exit lane along with enhanced cameras. Hopefully we'll see these installed soon but due to the COVID-19 I was told that permitting by city hall has delayed a number of projects. Aside from these changes, other enhancements need to take place at the entrance and the perimeter of our residence.

Additional security measures are being explored to secure these areas. The Board of Directors and Management will keep us updated possibly at the next town hall or VOLO messaging.

In the meantime residents can take their own measures secure their property. First of all please do not leave you keys in your golf card, your vehicle, your shed, lock you bikes, lock your home when you away, don't make it easy for the thieves. In your home you could use timers on lamps coming on at different times to give the appearance that your home. Let

## Something to Consider

By Bart Beal

**W**ho is at fault? It has to be someone's fault! Who is to blame? Someone has to be blamed! I don't know if this type of thinking has increased in our society, but it certainly is prevalent. Just watch the news. Someone or some group is blamed for whatever happens even before the facts are known. What about accidents and mistakes; do they not happen? What about grace and forgiveness; does it not ex-ist?

The truth is that we are human and we make choices and mistakes that hurt other people. And we are all sinners. That is, we fall short of the godliness that God desires. After all, that's why we need a

Savior that extends forgiveness and grace to us even though we continue to disappoint Him. So, why can't we extend that same grace and forgiveness to others? Why can't we except that other people, even those that love us the most, will hurt us at times? We must if we want any peace and unity in this world. We must learn to see people the way God sees them - as uniquely created in His image and deeply loved. He sees no color, age, political view, or social status. We must learn to see people through His eyes and extend grace and forgiveness instead of hate, blame and criticism.

How do we do this? We can't do it on our own! We can make some improvement on our own through learning and discipline, and mellow over time, but lasting change of the heart, which is where the change needs to happen, only comes by allowing God to change us from the inside out. Are you the same person you have always been in your heart? Have you grown in your love and forgiveness, and extending grace to others? It's a lifelong journey and we will never reach perfection because "we are all sinners and fall short of the glory of God", myself very much included, but the path is available to everyone, and it's a wonderful journey with a glorious ending.

## Crafters Club

By Debbie Lewison

**H**i Crafters! Hope everyone is staying safe. We are still looking forward to the fall and have high hopes the pandemic calms down. As you see interesting things for us to make, be sure to keep them in mind for the upcoming season.

If you haven't joined the Americana Cove Crafters group yet, I hope you will consider doing so.

This is a good place to keep in touch with other Crafters and also a place to share some fun crafting projects and ideas.

Many crafters at Americana Cove made and donated masks to the community! The crafters donated the fabric and members participated in making masks for both the community as well as Publix. They donated about 82 masks to Publix. Pictured are Mary Ann Foley and Susan Galligan who dropped the masks at Publix.

We hope you all make some Fourth of July crafts and have a great summer..... See you in the fall!

Your crafty friends...Cathy, Judy and Debbie.

**T**he Boat Club has suspended its July and August monthly meetings. The next meeting is scheduled for Saturday, September 12th at 10:00 A.M. in the Atrium. Pat Ley will continue to update you on the full moon kayaking events. July 5th, August 3rd, and September 2nd are the next full moon dates. Mark your calendars and keep an eye posted for Pat's email/text. Of course, we are always at the mercy of the weather Gods.

A special shout out and thanks to Ray and Cindy Rodriguez and Ted Meljac for installing rope lighting around the Tiki Hut at the pool. The bar top will be sanded and refinished and the chairs will be power washed in preparation for the next Boat Club Tiki Hut party! All updates will be pushed out to members via email and/or phone text. Please contact Nomi Lynch (561-714-9956) or [nlynch03@yahoo.com](mailto:nlynch03@yahoo.com) to update your contact information so you don't miss out on any updates.

# Buddhism

By John Howell

Greetings

Once again we offer our support and thanks to the Park and management, for doing their best to keep us all safe from the Covid -19 pandemic. Kudos!

Buddhism 1pm Thursdays in the game room, is up and running with all the proper guidelines being fol-lowed. Please help everyone with Metta: (LOVE).

This “novel crisis” once again brings forth insightful Wisdom the Buddha obtained as he arose from deep meditative equipoise under the Bodhi tree 2600 years ago, on his night of Enlightenment: (i.e. Awakening to “Light”). To quote the great Thai Master Ajahn Chah; “Where is the Buddha? The Buddha is in the Dharma. Where is the Dharma? The Dharma is in the Buddha: Right here, Right Now!” So, the Buddha =The Dharma (Truth) The Truth=our Ultimate (En-lightened) Nature: “Buddha Nature”

One of the Buddha’s most celebrated discourses was when he gathered his community of followers; (Sangha) to observe a flower he deftly held up in his hand. And then without saying a word he immediately exited the meditation hall leaving them in awe... experiencing a resounding silence!

Instantly awakened were some who “got it”...because they realized from the Buddhist P.O.V. we are all Buddha’s! Unfortunately we have just forgotten our true state; “an omniscient non-dual resonate radiant awareness”. This is what the Buddha “re-discovered” long ago and far away in Bodh Gaya,Bihar India. Christ acknowledged and taught a similar understanding in St Matthews 6:22-23. KJV (as he spoke from the “higher inner esoteric” experience); “If thine eye be single (i.e. 3rd eye) thy whole body shall be full of Light”... Our focused attention is what points us (right here right now) to the recognition of this profound luminescent yet resounding silence: True Peace-Nirvana.

Why have we become so lost and bewildered? Because our precious human lives have become distracted by so many things, (24-7-365 non-stop information overload). Thus misappropriating a key feature of human consciousness... Attention. To quote (the much beloved female monk) Pema Cho-dron; “In Nepal the dogs bark all night long. Every twenty minutes or so, they all stop at once, and there is an experience of immense relief and stillness, then they start again. The ‘conventional mind’ can feel just like that. When we first start to meditate it’s as if our thoughts never stop. Nevertheless, after awhile there are “gaps” of silence. Discursive thoughts are like wild dogs that need taming. Over and over if we can mindfully regard them with precise attention and kindness they will gradually calm down.” Without focused attention, leading to concentration, leading to meditative equipoise;

Awareness (the “gateway” to enlightenment) will not bloom, leaving one forever lost in a turbulent sea, of self-created suffering. Yes, there will always be some kind of “crisis”. (This not being meant in any way to minimize the tumultuous turmoil sadly plaguing humanity at this moment.) Though H.H. the 14th Dalai Lama has spoken often of the real crisis of humanity: “Attention”. So please take just a moment (on one of these beautiful July mornings) to stop and enjoy the sight and scent of a fresh flow-er, blooming in the silence of this forever now moment...

*Please stay Safe!*

*Namaste*

Ray Duncan

## Library

By Jill Moe

**A**mericana Cove Library home-service volunteers, Jude Whiteford, Normi Lynch, Maureen Saint-Guillen, and Greg & I, want to thank everyone for their patience and co-operation during our lockdown. We sincerely hope we had a little part in helping to keep your sanity. Personally, I want to say "thank you" to Ryan and the Board of Directors for allowing us to bring some relief to the residents with books, puzzles, and movies. Thank you also to the gatekeepers for being willing to unlock the Clubhouse doors allowing us to make requested deliveries.

Our routine may change as the Clubhouse starts to become active again. If there is anyone still uncomfortable with going to the Library, please feel free to contact any of us and we will gladly bring you something read, watch, or put together as well as pick it up when you are done.

## Live Music

By Libby Hopkins

**H**ello Everyone!  
Live Music is wishing everyone a happy and healthy July!!

Please note: We'll be changing our schedule to the 2nd and 4th Tuesdays of each month beginning in October 2020– Watch for our announcements in the Fall!!!

For those of you who are not familiar with us, we are a music group within the park that usually put on a performance twice a month on Tuesday from 3:00 p.m. to 4:00 p.m. in the Clubhouse from October through April. We work hard to provide an entertaining, fun hour, and we provide snacks, drinks, and sometimes, spiked punch!

Enjoy your summer and stay safe!! We miss you all, and look forward to being back together in October!

## Shuffleboard Club

By Greg Moe

I am happy to say that the Shuffleboard courts are now open. Hoss Collar, Sunday at 1:00 PM, and Social League, Tuesday at 10:30 AM, has resumed playing again. Strict Rules and Guidelines have been put into place by the Manager and Board of Directors and must be followed for us to continue. They are posted in three places by the courts, in the bulletin board, on the cabinet in the shed, and on the shed window. Please make sure you read and follow these Rules and Guidelines. Here is a brief summary of what the Rules and

Guidelines are:

- Follow all CDC requirements.
- Residents Only, no guests.
- Social distancing - 6 feet required, residents are to police themselves.
- Maximum of 16 people at one time in court area.
- Use every other court.
- Must sign in on sheet provided.
- Disinfect any hard surfaces you come in contact with, benches, disks, markers, doors, etc. Cleaning supplies will be provided.
- If you are get sick, notify office immediately.

We have had a few new people join us since they have opened up the courts and would like to extend the invitation to more residents. It is okay if you have never shuffled before or haven't shuffled in a long time, there are many of us there who would love to help you learn or show you how to just have fun.

## Swim Exercise

By Nancy Olson

Hi everyone! What challenging and different times we are in! The swim exercise group is back with a new schedule and it's working very well! We have a lot of new swimmers; a HUGE welcome to all! A few reminders as we progress through the summer:

**NEW HOURS:** 9:15 announcements. Immediately following announcements class will start. Lap swimming is done at 9 so please come a little early to get in the water and warm up and be ready to start class!

20 swimmers each day in class and social distancing **MUST** be followed. If you cannot be at class you are responsible for getting a sub. Class lists with phone numbers have been handed out in class and you can also use the Cove directory to locate a phone number.

Face masks **MUST** be worn whenever you are **NOT** in the water.

Maureen has worked up a tape schedule so you won't be doing the same tapes each day you come to class (thanks Maureen!).

Check our group Facebook page on a daily basis for what tape you are doing and if a noodle or water weights will be used. This will also be our way of communicating if class has been cancelled. I consider this group page as our number 1 communication vehicle to all of the group.

Most importantly, thanks to each and everyone of you for following all the COVID guidelines for the pool and not putting the class in jeopardy. Our group has received many accolades and recognition from the both the Board of Directors and park manager Ryan. Thanks all!

I am repeating an annual article I share every year as we enter our tropical storm/rainy season. Maureen shared the article a couple years ago and is a very good annual review on thunder/lightning. This info came from NOAA (National Oceanic Atmospheric Administration). You should stay out of the pool for 30 minutes since seeing the last lightning/thunder strike you saw/heard. This is a general rule. Another way to tell if a thunderstorm is moving away from you is once you see lightning, start counting in seconds. If you can count to 5 seconds before you hear the thunder, it means the storm is 1 mile away from you. If 20 minutes later you see lightning and you are able to count to 15 seconds, it means the thunderstorm is now 3 miles away from you and moving away from you. Also, as a thunderstorm is moving away from you the thunder will not be as loud. SPECIAL NOTE: If class needs to be cancelled due to weather conditions it will be done by 9am and posted on the Facebook group page.

Hoping everyone is enjoying the summer! Have a safe and Happy Fourth of July!!

## Ways to lower your energy bill during the summer

*By Barefoot Realty Group, Brokerage Agent for Americana Cove*

---

The summer months in Florida result in higher energy use. To reduce electric bill costs, Duke Energy and Florida Power suggest the following:

**Set the A/C to 78 degrees or higher.** Since the air conditioner is the largest consumer of energy, by setting the thermostat to 78 degrees or higher will save up to 10 percent on cooling costs. In fact, home owners can save approximately \$300 in costs each year. It's also important to have an annual A/C inspection and replace the filter to make sure the A/C is running efficiently.

**Use ceiling fans.** Fans make homeowners feel several degrees cooler without lowering the temperature. Try running it counter-clockwise during the summer as it will push more air down to the floor.

**Adjust the water heater.** Just by setting the water heater temperature to 120 degrees rather than 140 degrees will save an average of \$85 per year. Consider a tankless water heater as it will maximize efficiency.

**Use a grill rather than the oven.** Cooking outside on a grill rather than heating the oven will reduce energy costs as well. Many people enjoy cooking out during the summer, so save money while enjoying that barbecue meal.

**Upgrade kitchen appliances.** Energy-Star qualified dishwashers, washing machines and refrigerators can reduce energy costs from 10 to 50 percent over non-energy efficient appliances. Newer appliances will also increase the value of your home.
