President's Message

By Linda Quince

With the departure of our neighbors to the North, it is up to the remainder of the residents to keep a watchful eye in our community. Warm weather is here, school is out, and more outsiders will invite themselves in to enjoy our pool, boat ramps and other amenities. If you see any suspicious behavior, report it to the office. Also, a friendly reminder to keep your doors, windows and your vehicles locked. If you have any concerns, call the Police. It's better to be safe than sorry.

The landscape committee will continue to review the needs of Americana Cove and seek to improve the appearance of our community. The committee has a yearly allocation which is part of our MAROA budget approved by shareholders. Meetings of the committee are always posted, and everyone is welcome to attend and give thoughts and suggestions for future projects.

We continue to hold our monthly Town Hall meeting. These meetings are informal gatherings intended to provide two-way communication between Board members and residents. Our meetings have been a great success and we look forward to resident involvement. Let's keep up the good work.

- Some things to remember:
- Speed kills. Please slow down
- Remember to carry a flashlight when out in the early morning hours or after dusk.
- Check on your neighbors to see if they are in need of help.
- Be kind and respectful to others.

Enjoy each day and reward yourself. Life is too short at our stage.

Manager's Message

By Ryan Osburn

Hurricane Season – Hurricane Season begins June 1st and lasts through the end of November. Below are a few tips to help you be better prepared should a hurricane head our way.

1. Inspect your home's anchors and connections, check for rust and tighten all straps.
2. Add more anchors and straps if necessary.
3. Check for wood rot and termite damage at connections, joists, and trusses.
4. Establish a written emergency plan for your family. A helpful form is included in the Pinellas County All-Hazard Guide. Copies are available in the business office.
5. Review insurance coverage. Don't forget to look into flood insurance eligibility (homeowner policies don't typically cover flood damage).
6. Americana Cove is in evacuation zone "A". Have a plan and know your evacuation route in case a mandatory evacuation is ordered. Our closest shelter is: **John Sexton Elementary School, 1997 54th Avenue North, St. Petersburg.**
7. Agree on a place where family members can meet if separated.
8. Test all emergency equipment (generators, flashlights, etc.) in advance.

Seasonal Residents – To our winter residents, if you would like for me to take a photo of your home while you're away, please send an email to manager@americanacove.com with your Cove address in the subject line. Some residents have learned it is a good idea to check and ensure the person or company they hired to maintain their shrubs and weeds are doing what they have paid them to do.

Rules Reminder – All dogs and cats should be on a leash when they are outside. The rules call for leashes to be 6 feet or less in length. Allowing your pet to roam freely or wander between homes is a violation and may result in the animal being trapped and removed from the property.

ACA News

By Ron Miller

Well, here it is June. The summer is here and I'm not. Where did the time go? The last Burger Burn was on May 21st. We tried to eat and drink everything left in the fridge. ACA had a good year assisting every club that asked for help, and also getting Americana Cove's name out by selling over 100 shirts and hats. If someone or some club needs anything while I am gone, please call Marge Shearer. Her number is in the directory. As of May, all of the Veterans names have been updated and Lillian Harris' name was added to the Helping Hands plaque. She will be dearly missed.

I hope you have an enjoyable and safe summer. I will see you on September 17th for the first Burger Burn!

Prayer

By Lainey Nelson

Lord,

For Fathers, we give you thanks.

For our children, we give you thanks.

For our family and friends, we give you thanks.

For the ability to think, see and hear, we give you thanks.

For the love of Mothers, we give you thanks.

For the beauty of the world as we head into summer, we give you thanks.

We pray for peace, and an end to all the suffering and grieving that surrounds us. Our future world needs solutions, and we pray that you will provide them. You know our needs, and we ask for your mercy.

Amen

Something to Consider

By Bart Beal

I recently saw a T-shirt that said HE>i (He is greater than I). We live in a world where we strive to be independent, self-sufficient, happy, and successful. These are good aspirations when we have the right perspective and spirit. We certainly want our children to be happy and successful in all areas of their lives. We encourage them from when they are young to do their very best, and we praise them when they do. And we also want to be happy and successful. But if we have the “I did it on my own. I deserve it. Look at me.” perspective and spirit, these aspirations lead to self-centeredness, greed, conceit, and a lack of empathy and generosity toward others.

The right perspective and spirit are one of humility and gratitude. This is difficult to attain and sustain and is never fully achieved because it is unnatural and opposed to our culture. We are naturally self-centered people. In the news media, TV, and movies, we are bombarded with the opposite of humility and a spirit of gratitude. We can even admire people that appear to be very happy and successful, such as celebrities, politicians, business leaders and athletes, but model the negative characteristics mentioned above. To keep the right perspective and spirit, we must think in terms of HE>i. No matter how good or successful I might view myself in this life, He is much greater than I. I am nothing in comparison to my Creator.

Boat Club

By Jill Moe

The Boat Club continues to meet the second Saturday of the month at 10 a.m. in the Atrium. Why not sit in sometime and see what you're missing? As the picture below shows, 5 boats and about 30 people enjoyed a delightful afternoon floating and eating their way to Ft. DeSoto! If you'd rather kayak, be sure to contact Pat Ley. Come by and join in the fun!

Book Club

By Jill Moe

We'd love to hear what you've read recently. Come by the Library the second Thursday of the month at 1:30 and tell us about your book. It's informal, informative, and quite interesting.

Crafters Club

By Marge Shearer

We are currently refreshing our sewing machine skills, or in some cases, learning to use a sewing machine. We will be making some new and some old favorite items for your shopping pleasure at the Wednesday lunches in the fall and the winter. If there is something special that you would like to see, please don't hesitate to give me a call at 727-639-3957 and we will do our best to provide them. If you're not busy on Monday evenings, we meet at 6:30 for an hour to an hour and a half. If you're not interested in what we're making on any given night, you're more than welcome to bring your own project to work on. Come for the camaraderie!

Garden Club

By Mary Lou Prebish

The Garden Club had its farewell gathering for the season on April 9th with an excellent buffet lunch supplied by Publix, desserts contributed by Nedra Hebbard and Cathy Golf, and several additional goodies.

- Denyce Kinkead has been elected as our new President; Mary Lou Pribesh, Vice-President; Jane Sockrider, Secretary; and Nancy Hubartt, Treasurer and Membership.
- The first meeting of our new season will be Tuesday, November 12th in the Atrium. A vote was taken to send our guest speaker, Debra Black, from the Garden Program at USF, a token gift certificate of \$20.00 for the myriad of information she supplied us.
- A contribution of \$160.68 with a matching amount from the Crafters Club was made to ACA for new tablecloths of a blue hue.
- Future trips that are being considered for the fall are: the Fletcher Dinner Theatre, the Botanical Garden tour, the Manatee Festival, and a Tarpon Springs Odyssey cruise excursion. All trips will be posted on the Garden Club Board in the clubhouse.

Enjoy your summer, and safe trips to all travelers. We will be looking forward to your return.

Helping Hands

By Judy Hall. PhD

Could the key to losing weight boil down to four words? Track what you eat. Or, if you prefer: Bite it, write it. That's the bottom line of two new studies that found that people who track their intake online or with a smartphone app do lose weight - and that the task is not as tedious as people may think. Recent studies showed that people who wrote down everything they ate either in a diary or online lost more weight than those who didn't. Those people who tracked both their weight and their food intake lost the most weight.

Many of us have lost weight by using one or more of the popular weight loss programs available by following strict guidelines or eating only the foods they send you. All of them will work if you follow the instructions. But the problem comes after you have reached your goal; that is, truly keeping the weight off! Then comes the "yo-yo" effect of gaining, losing, only to gain again!

So, if your goal for this summer is to lose some weight, try the tracking method. You can look at websites such as WebMD to find a chart showing you how many calories you need to gain or lose weight. Combining tracking with at least mild exercise is a great way to launch the "new you!"

Library Club

By Jill Moe

If you feel stuck staying inside your home because of the heat, be sure to go up to the Library and help yourself to putting some pieces in a jigsaw puzzle. Someone is sure to stop by and chat with you. Happy Summer everyone.

Live Music

By Libby Hopkins

Live Music's performances have ended as we head into the summer months. We will return in October with more wonderful shows.

I'd like to tell you about Live Music's history. The Live Music Group was started ten years ago by Claire Mosakowski and Bob Niblick, a very talented horn player. The original members were Claire, Bob, Gloria Smolick, Jack Young, and Jerry and Mike Regan. Then came Sue and Paul Line, and Mary Bickart. Next, Sandy Shouse joined the group, and then Kathy Laramee, and then I became part of the troupe. Next was Joan Miller, and our newest member was Andy Bedard. Carol Fischetti came on board last year as our assistant. The group acts as a team to create the programs and shows. Some favorite shows of the past are: The Roaring Twenties, Variety, Show Tunes, Disney, and TV Show Tunes. Our Valentine, St. Patrick's Day and Easter programs are also very popular. Ed Mosakowski videotapes all the shows and archives them. Live Music performs each month from November through April.

Claire and Ed Mosakowski are originally from Pennsylvania and have resided in Americana Cove for 22 years. They have four children. One of their daughters lives in Parish, Florida, and the other lives in Pennsylvania. One of their sons lives in Chicago, and the other lives in California – Claire and Ed visited him this past March. Ed is a retired school counselor, an Air Force Veteran, and a former Americana Cove board member. Claire is an incredibly gifted pianist who plays the Clavanova and organ at many park functions. They are a very special part of Americana Cove life.

Stay tuned to this dial! During the summer, you will hear about the rest of the talented Live Music individuals.

Shuffleboard Club

By Greg Moe

On March 3rd the shufflers held their "In The Cove" tournament. Here are the results:

Nova Division:

- 1st Place - Helga Ellis
- 2nd Place - Patricia Eisele
- 3rd Place - Ron Miller

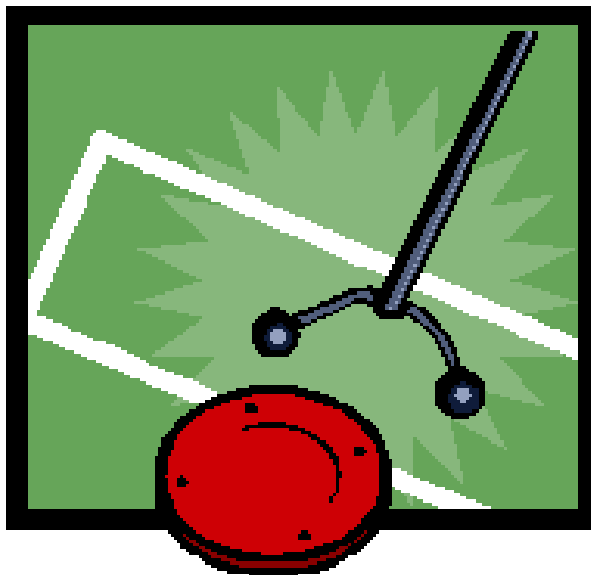

Friendship/Blue Sky Division:

- 1st place - Debbie Gottardi
- 2nd Place - Gerard Finn
- 3rd Place - Jean-Guy Finn.

Congratulations to the winners and thank you to all who participated.

Congratulations also go to all of our teams that ended up in 3rd place in each of their leagues. Next year we hope to have enough players to support 2 teams in the Nova League, so please give some serious consideration to joining in the fun.

During the summer months, Greg Moe has offered to take over for Greg Cindric with the Social League (including adding a handicap to your score) on Tuesdays at 10:00 a.m. as long as the interest remains. That time might change as warmer weather begins. Come join us and see how much fun it can be.

Swim Exercise

By Nancy Olson

Hello everyone! Mark and I made it back to WI and all is good! Before I left, several of our year-round residents returned to class. Welcome to all. It's great to have you back in class! Our new pool pump was installed in May and all seems to be working well! The water temperature has been adjusted to 84 degrees until November 1st.

A few reminders as we get ready for the summer:

1. While I am away, Maureen Saunders (lead), Terry Carlo and Diane LaRochelle will keep class going. Thank you!
2. Our Facebook group page will continue to be updated 6 days a week.
3. Noodles have been put away until I return. If you want a noodle for tapes 1 and 4 you will need to bring your own.

I am repeating an annual article I share every year as we enter our tropical storm/rainy season. Maureen shared this a couple years ago and it is a good review on thunder and lightning. This info came directly from the NOAA (National Oceanic Atmospheric Administration). As a general rule, you should stay out of the pool for 30 minutes since the last lightning or thunder strike you saw or heard. Another way to tell if a thunderstorm is moving away from you is once you see lightning start counting in seconds. If you can count to 5 seconds before you hear the thunder, it means the storm is 1 mile away from you. If 20 minutes later you see lightning and you are able to count to 15 seconds, it means the thunderstorm is moving away from you and is now 3 miles away. Also, as a thunderstorm is moving away from you the thunder will not be as loud. Thanks again, Maureen, for the article. Have a great summer everyone. Stay safe!

Vespers

By Martha Sutton

Since Easter came late this year, I wasn't able to get this article in the May Forecaster. Our Vesper season is over for another year and what a beautiful final service we had. Just as the service started the sun came up in the east, shining on the water and lighting up the Atrium. What a spectacular sight!

All the Easter lilies surrounding the podium were absolutely beautiful and I thank all who purchased them. We had 30 in all, with 10 taken home by those that purchased them, and the remainder taken to various shut-ins here in the Cove. It was wonderful to see the smiles of appreciation by those receiving them. I want to thank Helping Hands for providing me with their names. It was a joy for me to make those deliveries along with the help of Lainey Nelson. Following is a list of those who purchased the lilies, and in whose memory or honor they were given.

Walk off the Pounds

By Daisy Dean

Hi Everybody. I am back home where it's been cold and rain, and even some snow, almost every day since we returned. I'm hoping it warms up soon. We had an uneventful trip home other than waking up to snow flurries in Pennsylvania.

The walking class is still going strong, I'm wishing I was still there. Thank you, Janice, Maureen and Terry, for keeping it going. I miss you all!

I wish you all a safe and healthy summer, and I look so forward to seeing you in October, God willing.

Real Estate Internet Fraud: Don't be a Victim

By Barefoot Realty Group, Brokerage Agent for Americana Cove

Last year, 11,300 cases of real estate internet crime were submitted to the Federal Bureau of Investigation (FBI) resulting in \$150 million in losses to victims. According to a report by the National Association of Realtors, California, Texas and Florida were the states with the highest number of cases. Many of the real estate scams were from stolen listing data and sending funds to a fraudulent account. "People don't realize that e-mail is not secure and sensitive information such as passwords or account numbers should never be sent via e-mail," said Broker Marty Pozgay. People over age 50 were more likely to be victims of internet crime. The FBI notes that internet crime is rising, and that public awareness and reporting is necessary in the prevention of these crimes. The FBI's Internet Complaint Center received more than 351,000 complaints in 2018 of internet crime resulting in total losses of \$2.7 billion to victims.
