## John Whittredge Hill, Chaplain

Gracious Heavenly Father, this month we concentrate on the third of the Spirit's gifts, Peace.

I'm sure we've all been praying for peace worldwide for months and years. Why can't the leaders in this world realize that nothing is gained from war?

Do we pray for and work for peace in our own lives between us and our families and friends? Do the words of our mouths and meditations of our hearts always reflect this? Remember the words of that wonderful song "Let Peace begin with me".

Let's remember to put our brains in gear before we spit out words that don't reflect peace.

May Your Holy Spirit remind us that in order for there to be peace in this world each one of us must be examples of true Christian love. Amen

## President's Message

By Nan Olney

Unfortunately, this past month several Americana Cove residents were victims of theft. The joint efforts of Signal 88 and the St Petersburg Police Department apprehended an individual. While we have been relieved with the arrest, it does not mean we should let our guard down.

At the Security Meeting held by Signal 88, we had an attendance of over 200 residents where ways of protecting your property were discussed.

With that in mind, do you have insurance coverage to protect your losses? Do you feel you don't need insurance to cover losses occurred by natural disasters? In a recent National Association of Insurance Commissioners national survey, about 48 percent of homeowners and renters said they did not have an inventory of their possessions. Of those who reported having a checklist, 32 percent had not taken any pictures and 58 percent had no receipts validating the cost of their possessions. In addition, 44 percent acknowledged that they had not stored their inventory in a separate location.

Here are some tips from the NAIC to help you prepare for disasters:

1. Take an inventory of your valuables and belongings. This should include taking photographs or a video of each room. This documentation will provide your insurance company with proof of your belongings and help to process claims more quickly in the event of disaster.
2. To enable filing claims more quickly, keep sales receipts and canceled checks. Also note the model and serial numbers of the items in your home inventory.
3. As you acquire more valuables such as jewelry or antiques, consider purchasing an additional floater or rider to your policy to cover these special items. These types of items typically are not covered by a basic homeowner's or renter's insurance policy.
4. Remember to include in your home inventory those items you rarely use such as holiday decorations, sports equipment and tools.
5. Store copies of all your insurance policies in a safe location away from your home that is easily accessible in case of disaster. You may want to store your policies and inventory in a waterproof, fireproof box or in a safe location such as a bank safe deposit box.
6. Consider leaving a copy of your inventory with relatives, friends or your insurance provider and store digital pictures in your e-mail, safe deposit box, or on a website for easy retrieval.
7. Know what is and is not covered by your insurance policy. You might need additional protection depending on where you live. Make sure your policies are up to date. Contact your insurance provider annually to review and update your insurance policy.
8. Keep a readily available list of 24-hour contact information for each of your insurance providers.
9. Find out if your possessions are insured for the actual cash value or the replacement cost. Actual cash value is the amount it would take to repair or replace your home and possessions after depreciation, while replacement cost is the amount it would take to repair or replace your home or possessions without deducting for depreciation. Speak with your insurance provider to determine whether purchasing replacement coverage is worth the cost.
10. Speak with your insurance provider to find out if your policy covers additional living expenses for a temporary residence if you are unable to live in your home due to damage from a disaster.
11. Appraise your home periodically to make sure your insurance policy reflects home improvements or renovations. Contact your insurance provider to update your policy.

## Letter from the Manager

By Jane Jarlenski, CMCA, AMS, PCAM

**H**oliday Closure – The Business Office will be closed on Friday, March 25th for the Good Friday Holiday. Trash will be picked up on Thursday, March 24th instead of Friday that week.

**Manager's Meeting** – I will be in the Atrium on Wednesday, March 9th at 11:00am for a Meeting with the Manager. Please bring any issues you would like me to bring to the boards' attention to this meeting. I look forward to these meetings and hearing from residents.

**Founder's Day** – Founder's Day will be celebrated on Saturday, March 19th. This year will be Americana Cove's 22nd Anniversary of being resident-owned and that is something to celebrate!

**Cardboard Recycling** – Help save money by breaking down any cardboard you place in the recycling dumpster. When residents dispose of boxes without breaking them down, it takes up a lot of space. We are charged each time a dumpster is emptied; so help us save money by breaking down the cardboard boxes.

**Hurricane Expo** – A big T H A N K Y O U to Bright House Networks for sponsoring the Hurricane Expo last month. Bright House contributed \$300 toward the food for the event! Residents who attended the event gained a lot of valuable information on storm preparation.

**Seasonal Residents Checklist** – If you are planning to leave soon and return to your summer residence, stop by the business office and pick up a Seasonal Resident Checklist. We don't want you to forget anything important when preparing your winter home for the summer months.

**Daylight Savings Time** – Don't forget to move your clocks one hour ahead on Sunday, the 13th. Daylight Savings Time begins.

Have a happy Easter!

## ACA News

By Chuck MacDonald

**L**ast call for the Elephant!! You know the drill, so here are your last-minute reminders:

Monday, February 29. Table captain meeting @ 10:30a in clubhouse  
Friday, March 4. Set-up and worker lunch. 9-Noon. Starting banks will also be given out.  
Saturday, March 5. Sale day, 9-noon.  
No lunches for sale. Lunch for workers only on Friday. Light snacks for workers only on Saturday.  
See you there!

## Ch-ch-ch-changes

March is when our thoughts turn to spring and renewal. In that spirit, by now you likely know that the ACA board will have some new faces after March 2. As of this writing, we don't know exactly who will they will be; but since I will not be one of them, I'd like to take this opportunity to say farewell.

Chaucer said, "All good things must come to an end". There have certainly been challenges; but overall, my 4 years as ACA treasurer have most definitely been a good thing. I got to know how things work around here, got to meet so many of you, and had a chance to give back to this wonderful community.

Thank you all for your past confidence and support, and I wish the new ACA Executive Committee the best.

### This month's quote:

Spring is when you feel like whistling even with a shoe full of slush. ~Doug Larson

Have fun, stay safe, and I'll see you all around the Cove.

### Old Timers Young At Heart

By Kathy Laramée

---

**M**arch is here which means there will be a new Board to govern the Old Timers! I will miss sitting on the stage, but I will be attending and contributing in some way. I wish the new Board the best of everything, and you have my promise to help out whenever I may be needed. Thank you everyone for being so supportive this year! And thank you to Roxanne, Mike and Joan for an excellent job!

Thank you also to Tom Shouse, Phil Tarpley, George Luce and the other men who are helping with the aluminum. We are still trying to find a company who will provide a dumpster, but so far we've been unsuccessful. So, please continue to save all your cans so the folks will be able to get them to the recycle center. The success of Old Timers depends heavily on these funds to continue lunches for everyone. Thank You!!!

## Terri's March 2016 Horoscope

By me, Terri Mottl

**PISCES** (02/19-03/20) Listen up! No joke! You have a most rare opportunity to change your life. Do you want to heal your heart, change your course, and improve your fortune? Do it. Now's the time!

**ARIES** (03/21-04/19) You're feeling risky, restless, and reckless. Enjoy this extra boost of energy this month!

**TAURUS** (04/20-05/20) You're feeling particularly helpful this month. It's a great time to get involved in altruistic pursuits and joining some charitable organizations.

**GEMINI** (05/21-06/20) A challenge or two never hurt anyone, right? A challenge is just an opportunity, right?

**CANCER** (06/21-07/22) A little bit of déjà vu dancing round your thought waves. Haven't you gone through this once before? Hmmmmmm.....

**LEO** (07/23-08/22) No ho-hum about it. You've got an active and interesting month ahead of you. Go get 'em, tiger!

**VIRGO** (08/23-09/22) You'll be having a rare, emotionally charged month. Will it be love stuff or family drama? You'll know soon enough!

**LIBRA** (09/23-10/22) You're biting at the bit, stretching the limits, tugging at the chains. Don't TOTALLY abandon your routines; you'll need them later.

**SCORPIO** (10/23-11/21) What do you want, what do you want, what do you want, oh dear! You hunger for rebirth, crave transformation, desire change. Something's coming soon.

**SAGITTARIUS** (11/22-12/21) You're a whirlwind of energy and activity this month. A perfect time to check off several things on that list, but don't burn out!

**CAPRICORN** (12/22-01/19) You're not imagining it.....it really IS all in your head! You're going to be ditching the ledgers and charts you're so fond of and enjoy a big burst of creativity.

**AQUARIUS** (01/20-02/18) If you feel prone to take a risk this month, it will probably pay off. Just don't wager the whole farm, maybe just the back forty!

## Cue Club

*By Sandie Reid*

Well, once again our Brew, Bratz and Burgers was a great success. We had great entertainment by “The Travelers” that everyone seem to enjoy. Thank you again to the Cue Crew for putting this all together and making it a big success!!! Our crew: (and I hope I don’t forget anyone) Sue W., Gloria C., Nancy R., Bill R., Chris M., Phyllis E., Debbie G., Paula B., Debbie L., Jennie W., Rachel S., Chrissy G., Terry C., Nelson T., Ron M., Barry B., Frank H., Bart G., Steve H., Brian B., Dave L., Sterling L., and Rick and Ken (our brew meisters). There’s a lot of work that goes into making this a success, and this crew of wonderful cue club volunteers is the absolute best!!!!

Well, our cue season is coming to an end. The men will be playing their singles and doubles tournaments the end of February (which will have already taken place) along with the women’s singles and doubles tournaments the end of February and the beginning of March. The results will be posted in the April forecaster issue. Our Cue Banquet is scheduled for March 24, 2016, to be held in the clubhouse. Anyone is welcome to join us. At this time, we are not sure of the ticket price or the menu; but as we get closer to the date, we will have it posted. At that time, you will know who to call if you want a ticket.

## Veterans Seminar March 14th

*By Jim Tanner*

There will be a Veterans Seminar on Monday, March 14th, at 10:30 a.m. to noon at the Club house. Sponsored by the Disabled American Veterans. Contact Jim Tanner, 727-954-8264.

## Garden Club

*By Betty Chase*

Our program for March 8th will be Nancy Kast of the Gesneriad Society. This is African violets, lipstick plants, primroses, etc. Meetings begin with coffee and donuts at 9:30am; meeting at 10:00am followed by the program.

On Tuesday March 22nd, we will have a trip to Sunken Gardens and lunch at Outback Steak House. Come join us! Dues are only \$3.00 for the year.

On March 8, 2016, from 3-7pm, we will also be doing a benefit supper for the Live Music Group. The theme is St. Patrick’s Day. They supply decorations and a lively program twice a month for free and need a little help with expenses.

## Vespers

By Martha Sutton

Our Vesper season is coming to a conclusion. We've had a wonderful year. We had a few bumps along the way in the music department, but that has all smoothed out and everyone's in place. The choir grew during this season, and we've enjoyed singing to the glory of God.

At this printing, we haven't voted on new officers; but unless someone steps up to replace me, I will gladly continue my calling as Chairperson. I would like to take this opportunity to thank all the helpers especially those who faithfully brought refreshments when we were struggling for volunteers. The greeters, hostesses, beverage makers, flower purchasers, and the set-up and tear-down volunteers are to be commended for their outstanding volunteerism. Thank you so much for all that you've done to assist in making Vespers so successful.

Forms for purchasing Easter lilies in memory/honor of loved ones will be available very soon to be displayed at the Easter sunrise service.

One area that has become very helpful to our treasury is the summer donation containers. I hope you will continue to take one with you during your summer hiatus and bring it back in the fall.

During the summer, some of us will be planning our Welcome Back Potluck Dinner/Entertainment to be held on Sunday, November 13th. So mark your calendars.

At this time, I'd like to wish everyone a healthy, happy and blessed summer and safe travels to all wherever you may go.

I will no longer be listing the league standings; from the time I write this article to the time you read it, a month has passed and they are no longer relevant. The captains are posting the standings weekly on the bulletin boards court side and in the club house.

Everyone is welcome to join us on Sundays at 1 p.m. for Hoss Collar and Mondays at 1 p.m. for regular games. Wednesday night instructions for newcomers is finished for this year, but practice is still on at  
6:30 p.m. Happy Shuffling!

## Swim Exercise

By Nancy Olson

**E**ven with our colder than usual and rainy winter weather, we have only missed 2 days of swimming. We have a group of die hards who enjoy their swim exercise and really don't want to miss. We swim if the outside temp is 50 degrees or higher and/or there is no thunder or lightning. A special thanks to Jane and the maintenance staff for the ongoing support and maintaining an 84 degree water temp on a consistent basis. Our end of year party is going to be at the tiki hut on March 30 with Daisy and her land exercise group!!! We are looking forward to our combined groups and some fabulous fun and food!!! Looking forward to some sunshine and great spring swimming exercise!!!!

## Visiting Nurse

By John Hill

A couple of weeks ago, I received a very welcome telephone call from Elaine (Lainy) Nelson. She volunteered to visit shut-ins, nursing homes, etc. of our residents. She was trained at Bay Front and has retired from that job. Having a love for visiting, she wants to do that for us. She is one of our new residents. She'd be happy to have you telephone her at 577-4185. She has already made some visits and reported at Vespers. She will also report at the luncheons. Here's a great big thank you from me.

## Boat Club

By Ted Meljac

The “Island Bash” is in full swing preparation. Contact Linda Quince, Jackie Klick, or Ted Meljac to purchase your tickets for \$12. The party will start at 5PM on Saturday, March 12th, with cocktails and snacks at the Tiki Hut. (Beer and wine are included.) Dinner (shrimp, pork, meatballs, vegetables, cole slaw and dessert) will be served at 6PM. Music will be provided by the “Island Boys”. Don’t forget to bring your table setting and your dancing shoes!

The 1st Annual “Fishing Contest” was held on Saturday, February 21st. Mark Betar will give a full report at the next monthly meeting.

The Starlight Luncheon cruise was a big success! 57 members and their guests participated. The day turned out absolutely beautiful. The seas were calm, the sun was shining and the meal was delicious! A special thank you to Linda Quince for organizing this delightful event. We will definitely plan another cruise next year.

Special thank you to Frank O’Sullivan for organizing last month’s Club Meeting presentation on Water Safety presented by Jim Fogle. This lecture was very informative and well attended. If anyone is interested in having Mr. Fogle return to the Club to talk with us in more depth about water and boating safety, contact Ted Meljac and he will schedule.

There have been no Kayak outings due to the weather. Watch Facebook and/or Listbot for further updates from Pat Ley.

We are happy to announce that we are up to 98 members. If anyone else is interested in joining, please come to the next meeting scheduled for Saturday, March 12th at 10 AM in the Atrium. See you there!

## Model Home: Residents will get exclusive look

By Barefoot Realty Group

### Brokerage Agent for Americana Cove

The sales office has received many inquiries from residents regarding the new model home that has been placed on 665 Mt. Lancaster. Once it is complete, Barefoot Realty will host an Open House exclusively for residents and their guests. The three- bedroom home has 1,495 square feet of living space and includes a number of upgrades, such as stainless steel appliances, wood laminate flooring, nine-foot ceilings throughout and 42-inch kitchen cabinets.

“We included items that homeowners are asking for in a new home,” explains Broker/Dealer Marty Pozgay. “We also added extra touches like a handrail and raised seat in the master bath shower to make the home as user friendly as possible.”

A full list of extra features will be available once the home is complete. Due to the high demand for new homes, it has taken longer to finish the model than expected; but that isn’t unique with new construction. “Anyone who has built a home knows of the delays that can occur, especially those that are weather related,” explains Pozgay. “But just like with our customers’ homes, we want to make sure this model is done correctly from start to finish. So if it takes a little longer to get the best product, then that’s what we will do.”

There have been nine new homes placed at Americana Cove in 2015. According to realtor.com, new home construction in 2016 is expected to meet sales levels not seen since 2006. New home sales U.S. wide are expected to increase 16 percent over 2015.

## THE LAST WORD

By Terri Mottl

**T**he "luck" of the Irish. Do you have it? Do you actually really want it? It's luck; but not necessarily GOOD luck, now is it? They went through a devastating famine, have been in a violent civil war, (although they don't call it that) for ages, and they had a very hard row to hoe when they came to America to better their lives. The thing about the luck of the Irish is that they make their luck where they can find it. There's an old joke that describes this perfectly. Clara runs up to her friend, Megan, and exclaims, "I was just on my way home and stepped in a HUGE pile of cow dung. It was a big mess and it totally ruined my new red shoes"! Megan, being a very good friend and Irish to the bone, looks down at her friend's disgusting feet and proclaims, "Aren't you just so LUCKY that you were wearing shoes"! Now, that, my friends is the LUCK of the Irish, and I have a sinking feeling that I have plenty of it! Happy Saint Paddy's day and enjoy your "Wearing O' the Green"!
