President's Message

By Ginny Marcott

November has arrived and we have so much to be thankful for. The weather is cooler, our northern friends have started arriving and the park is beautiful with all the flowers in bloom.

The year round residents have already adjusted to our CDC restrictions and we have only had 4 cases of Covid-19 in the park. I feel we have been very fortunate. As people return I know all the groups want to start gathering. We all need to be responsible, follow the rules and wait for the CDC to start relaxing some of the restrictions. Unfortunately they probably won't make changes until a vaccine is made available.

We all need to start thinking how we can do things on a smaller scale. I've noticed a few friends gathering in the atrium to play cards or board games. I realize this isn't as much fun as a party or karaoke but it will get a few people out of their homes and still keep them safe for a few hours.

So until the virus is controlled let's all think small and remember all the things we have to be thankful for. My list is simple, Health, Family and Friends. That combination will get me through to 2021 and with any luck a vaccine will be available and our lives will go back to a little more normal pace. Until then, stay safe, stay healthy, stay happy and stay positive.

ACA News

By Ron Miller

It is Nov and some of our northern friends are starting to return to the Cove. Things are not going to be the same as it was last year. This Covid has kicked everyone's butt. All the clubs will be starting up for the season, with some new looks. For one, any club with more than 50 members will not be allowed to meet together. Masks will be worn when in the clubhouse. No lunches will be serviced until at least next year. As of now the New Year's Eve party will not take place. The White Elephant will not take place this year. One good thing that will take place this year is a new club, Corn-Hole as of now they meet on Thursday nights at 6:30, everyone is welcome.

All the names on the Veterans Plaques have been updated with the new names. If you are a Veteran and your name is not on the plaque, please sign the list on the ACA board, and I will see that your name will be added to the Veterans Plaque. Under the Joyce Clark Helping Hands Plaque a new name has been added, and that is Phyllis Entreken. This lady is always willing to lend a hand with just about anything. Thank You, Phyllis, for all you do! The next Burger Burn will be held on Nov, 17th from 4-5:30.

THERE WILL BE A CLUB PRESIDENT'S MEETING IN THE ATRIUM ON MONDAY NOVEMBER 9TH AT 10 A.M. ALL CLUB PRESIDENTS WHO ARE IN THE COVE PLEASE ATTEND.

Keep your eyes and ears open because everything is subject to change.

CRAFT SHOWS

Several crafters will be holding some CRAFT sales to give residents a chance to shop before the holidays. The sales will be held Nov 7th and 28th & Dec 5th and 19th from 10am-2pm in the clubhouse. We will be having up to 10 vendors so the selection will be varied. We still have a couple of tables available if anyone would like to join the fun. Contact Ginny Marcott at 727-776-9675 for details. Masks will be mandatory during the sales.

Boat Club

By Mary Ann Meljac

Fall has arrived, Halloween is right around the corner, plans for Thanksgiving are underway and the stores have stocked their shelves with Christmas trees, ornaments, and goodies galore. Many of our Northern friends and neighbors have returned to the Cove ... really puts a smile on your face and some pep back into your step!

The Boat Club held its first meeting since February on Saturday, October 10th. 31 members were in attendance. The 2020 Christmas Boat Parade is scheduled for Sunday, December 6th. Mark your calendars and dust off those Christmas decorations. Sign-up sheets will be posed in the clubhouse in November. The Boat Club will also be judging the waterfront properties Christmas Decorations. A sign-up sheet will also be available in the clubhouse for anyone interested in being a judge. The secretary position will be open for election at the November meeting. Get your name on the ballot and please contact Jackie Klick if you are interested in stepping into this position. Voting will take place at the November meeting.

There was a golf cart parade on Sunday, October 12th. The weather cooperated and there were 14 carts in the parade. Some carts were decorated to kick off our fall season and brightened up the parade route with various shades of yellow, orange, red, purple and brown. Thank you to all participants!

Our last full moon kayak adventure was well attended. We haven't been together as a group for several months. We had a total of 6 kayaks, 1 paddle boat, 2 boats and a total of 16 people. The sunset was astonishing...one of the most brilliant ever! The full moon was a bit clouded but the sunset made up for it! The next full Moon will occur on Saturday, October 31,

continued on page 10

2020 and is known as the Full Hunter's Moon. This full Moon will fall on Halloween night in all time zones, something that has not happened since 1944, making it a super fun rare treat. And because it's the second full Moon in the month, it also earns the moniker of "Blue Moon" (one of two definitions). That makes this full Moon a mouthful: a rare Halloween Hunter's Blue Moon.

Corn-hole Club

By Deb Howland

The Cove now has a corn-hole club which happens every Thursday at 6:30pm in the Clubhouse We have had a great response to the game and new people continue to come each week to play the game, meet other Cove residents and have a fun time. We have six sets of boards set up to allow 24 players to play. This is a casual drop in to play setting, not set partners or teams.

If you are interested in joining us, please come a few minutes earlier to sign in so we can get the teams drawn up. As always please wear a mask and social distance when in the clubhouse.

We would like to thank Ron Miller, president of ACA, for helping the club obtain materials to build two more sets of boards for the Cove and cornto refill all the bags. A big thanks also to Greg Moe for his help in getting the club established.

We set up the hall at 4:30 and would appreciate helpers.

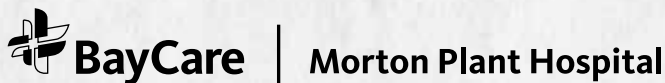

If you have any questions, please feel free to call Doug or Deb at (727)366-4273. Hope to see you there!

- November 17 - Abstract Christmas Color Painting
- November 24 - finish projects or work on your own projects

Please join the Americana Cove Crafters Facebook page for pictures of the upcoming crafts.

Garden Club

By Denyce Kinkead

Hello to all of you and I hope that you are all well and adjusting to our new reality.

Mary Lou Prebish sent me an email for this month's Forecaster which I am passing on to you.

"I am submitting my resignation as an officer in charge of the Garden Club at this time. This decision was based on the lack of interest and participation in past meetings and activities. I will continue to organize bus excursions when possible or when things return to normal if anyone is interested in stepping up to fill the positions of President, Vice-President, Secretary or Treasurer, please let me know."

Helping Hands: Prostate Cancer

By Judy Hall, PhD

Cancer of the prostate, a gland in the male reproductive system, is a major health concern for American men. The disease is rare before age 50, and experts believe most elderly men have traces of it. Prostate cancer is the most common cancer found only in men and the third most common non-skin cancer diagnosed in Americans. The American Cancer Society estimates that nearly 175,000 new cases of prostate cancer will be diagnosed in the United States in 2019.

Despite increased screening and a steady decline in the number of prostate cancer deaths over the years, prostate cancer still is the second leading cause of cancer deaths among

...continued in page 14

American men. About 30,000 men die from the disease each year. The death rate is twice as high for African American men than any other group.

Most cases of prostate cancer—99 percent—are adenocarcinomas, which develop when gland cells mutate and grow out of control, forming a tumor. Most men with the cancer die of other causes, and many never know they have it. But once prostate cancer begins to grow quickly or spreads, it is dangerous.

Doctors cannot say with certainty what causes prostate cancer, but experts generally agree that diet contributes to the risk. Your age, race, and family history may contribute to your risk of developing prostate cancer. There is no evidence that you can prevent prostate cancer. But a healthy diet may help lower your risk.

It's not necessarily true that prostate cancer surgery will end your sex life, or that only elderly men get prostate cancer. Nor do you necessarily have to start treatment right away. Reasons not to treat may include: it's in an early stage and growing slowly; you're elderly or have other illnesses so the treatment may interfere with other health problems.

A high PSA score does not automatically mean that you have prostate cancer. Also, many men with prostate cancer live long lives and ultimately die of other causes.

A diet that helps you stay at a healthy weight may cut your chances of having prostate cancer. Testing or screening for prostate cancer can help find the disease earlier. Only you and your doctor can decide what is YOUR next step.

By Libby Hopkins

Hi Everyone!

We are happy to be able to present to you our Veterans Day Program on November 11 at 10:00 AM at Founders Park. Boaters can come and participate from their boats. Residents are asked to bring their own chairs and social distancing must be observed. Please bring your mask, as we are still following the rules of the CDC. Our ACA will provide us with bottled water.

We hope to see many come and honor our Vets, who have given so much. Please pray for good weather.

Stay Safe!!

Old Timers Young at Heart

By Kathy Laramée

The Old Timers Club was unable to hold elections because of the COVID shutdown in March. It is hoped that a meeting will be allowed to rectify this situation. Running for office are: Kathy Laramée, President, Joan Miller, Vice President and Gail Jones, Treasurer. The Secretary and Membership Chairman positions are still vacant. Until then the current board will remain in effect. If anyone is interested in running for the as yet unfilled positions, please contact me or Frank Holbrook for information.

Going forward, my thought would be to hold one meeting a month with reservations for lunch not to exceed 50 persons. When there is further information to impart, a notice will be sent out via all means available.

Thank you everyone for your understanding.

PO-KE-NO Club

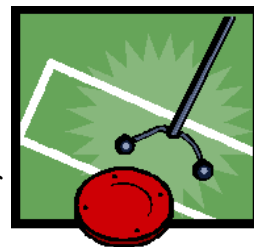

By Nancy Hubartt

We are going to continue playing Poke-no once a week on Thursday at 1PM, so come to the clubhouse. Bring your pennies. We collect 6 pennies before each game. Each game ends when someone gets Poke-no (poke-no is a straight line (horizontal, diagonal, or vertical) except for the center vertical line) We do a full house, four corners, large diamond, straight flush (center vertical line) and a full card on the last game. Come and have fun.

Shuffleboard Club

By Greg Moe

Our first Shuffleboard meeting will be November 4th at 9:30 AM in the Atrium. Due to the guidelines, we are limited to 25 people so please contact me (greg.moe@comcast.net or 603-303-1234) if you plan to attend. Only those signing up will be allowed in. Remember, masks are mandatory.

As the current COVID guidelines are still in place (residents only using our facility), we are not sure if there will be any outside League play for the 2020/2021 season for Nova, Friendship, and Blue Sky. Topic of discussion will be having our own internal Americana Cove League. Pending interest and commitment, we will discuss how many teams, date, and time to play.

League Secretary and Nova Team Captain has not been filled. Please help me out, I cannot do this alone.

Remember to come and have fun at Hoss Collar on Sundays at 1:00 PM and/or Social League on Tuesdays at 10:00 AM. There is always someone willing to help or even teach how to shuffle. The courts are always open for anyone to come and play on their own at any time.

Swim Exercise

By Nancy Olson

Hi everyone! We started welcoming back our northern friends in October. It's great to see our friends back healthy and safe! The swim group implemented our October, November, December swim schedule on October 1 and so far so good! Some reminders as folks return: face masks must be worn when not in the water, 6 foot social distancing when in the pool, no more than 20 people in the water, check in is at the Tiki Hut when you get to class. Lap swimming ends at 9, come early and get in the pool and do your warm ups. We start class as soon as all 20 swimmers are checked in, no need to wait til 9:15 if all are there and ready! Please be sure to check the group Facebook page on a daily basis to check for opportunities to sub, trade, etc. You can also come early and if we have any openings available we will let you join the class. Remember 20 is the limit so you may not be able to swim if we are a full class.

Other items of interest:

The water temp will go to 85 on Nov. 1.

We will be swimming on Thanksgiving Day.

Maureen and I have started our seasonal monthly meetings with Ryan and Graham. If you have any issues, concerns, recommendations, commendations please let us know and we will represent those. We have found this monthly communication helps with the daily maintenance and any upcoming pool projects that may need to be done.

Lastly...another HUGE shout out goes to Maureen, Terry and Diane for keeping our pool exercise group going this summer. It takes a GREAT team to do this and make it go so smoothly! And these 3 ladies did just that!!!!

Pictures include Maureen's recognition celebration and Cate Caron's birthday!
Have a wonderful Thanksgiving to all!!!

Let Us Assist You!

By Barefoot Realty Group, Brokerage Agent for Americana Cove

Barefoot Realty is the brokerage agent for the community and provides a number of services to residents. There may be some items residents are not aware of, so be sure to check the list below.

- List and market real property under the real property brokerage license.
- List and market pre-owned mobile homes that are not real property and sell new homes under the mobile home dealer's license.
- Rent property for residents who want to do long-term rentals.
- Consult and assist residents and nonresidents with purchasing a new home and lot or replacing an existing home.
- Give an estimated value of a property to a resident, which any Barefoot Realty realtor® can do. If a resident needs an estimated value for legal or insurance purposes, Broker Marty Pozgay can do a broker's opinion letter for the resident.
- Answer nonlegal questions a resident may have about purchase or share documents or guide residents to co-op's attorney or title company if needed.
- Notarize documents for residents.
- Barefoot Realty has regular daily office hours including weekends, but each Realtor® makes appointments when it is convenient for residents to meet.
- Give non-residents or friends and relatives of current residents who want to learn more about the manufactured home lifestyle a tour of the community.
- We do not hard sell. Our office is a welcoming place. We try to make the real estate process as smooth and stress-free as possible.
- Each Realtor® working at the Americana Cove office is a member of the National Association of Realtors, the Florida Realtor Association and the Pinellas Realtor Organization.
- There are four Realtors® who work in the Americana Cove office. Use the Realtor® who you are most comfortable with.

The core of addiction

It's a common experiment: Put a rat in a cage with two bottles of water to drink. One is regular water, but the other one has water laced with cocaine or heroin. The rat quickly gets addicted to the drug-infused water and stops drinking from the other bottle. This explains the power of addiction.

But it may not be that simple, as Johann Hari suggests in *Does Capitalism Cause Addiction?* One scientist created a “rat park.” Instead of just two water bottles, the park held everything a rat could want— food, colored balls to play with, and other rats for company. In the rat park, none of the rats grew addicted to the drugged water.

What does this show? That addiction is partly a response to one's environment. With enough resources to distract and entertain us, most people won't prefer the drugged water (or whatever). What we need is connection.

Make the call - make a difference

Consultant Michael Hargrove uses this exercise frequently in his training sessions:

Imagine you are on a 747 flying over the ocean. Halfway through the flight, the plane begins experiencing mechanical difficulties. The captain comes on the intercom and explains as calmly as he can that an engine has fallen from the plane, ripping a fuel line. The crew will continue to fly as long as possible until fuel runs low, and then they will attempt a water landing.

Hargrove asks his listeners to write down the name of the one person they would call in the next few minutes, and what they would say. Then he asks: “So what are you waiting for? Today, make the call.”

Two or three things I know for sure, and one of them is that to go on living I have to tell stories, that stories are the one sure way I know to touch the heart and change the world.
