President's Message

By Ginny Marcott

What a crazy summer this has proven to be. We don't have any more answers than we had in June. Where has the summer gone? Soon some of the snowbirds will begin opening their homes and yet some of our permanent resides haven't been out of the park since spring. The board has had to make decisions that no one liked. Luckily many have been very kind to us with those decisions. For the ones that think we did everything wrong, I hope to see your application to become a board member. 3 are voted in each January for a 3 year term. To the ones who have supported us I send my heartfelt thanks.

We still don't know what activities will be allowed this fall but just as soon as some of the CDC rules change we will immediately follow suit. Our biggest challenge is distancing. Most people wear their masks and sanitize the area we use. I know people are getting discouraged. I never thought I would say this because I am a loner but I am BORED.

Here's hoping everyone stays safe and that things can soon become more normal again. Please continue to check on your friends and neighbors but most of all STAY SAFE.

MEDICARE UPDATE: Did you know every year your Medicare health plan may change your coverage even if you stay enrolled in the same plan? Call us at Best Plan Choice if you would like to know how your plan is changing or if you would like to learn about new plan options.

Due to COVID-19 we are excited to be offering FREE video conference appointments in addition to in-home appointments. If you have a computer or smart phone, we can video chat with you direct from our office. It's easy and we will teach you how to do it. Our services are always without charge and because we are certified to enroll Medicare beneficiaries in all of the major plans we can save you lots of time. Don't waste days trying to figure out the answers to your Medicare Questions. Just ask Medicare Mike.

We can help you and your family members with doctor changes, plan questions, and your annual review of your Medicare benefits. If you are looking for coverage for a spouse or want to discuss life insurance (such as final expense) we can help too. Call 727-845-5297 now to reserve your personal appointment.

Manager's Message

By Ryan Osburn

MANAGER

- I know that like me, your lives have been turned upside down by the COVID-19 virus. The management team and Board of Directors have had to make difficult decisions about closing and re-opening our facilities and we appreciate the patience and understanding you have shown through this situation. Please know that we all want everything to be open and “business as usual” around here and we are working diligently to resume activities as quickly and safely as possible. We are continuing to monitor the situation and will make adjustments as necessary.
- Over the summer, we have been considering making a change to how we staff the gate house overnight. Specifically, by staffing the gate house with resident employees overnight and moving away from having a security vendor handle that shift. If you are interested in applying to work that shift at the gate, please forward me a copy of your resume for consideration.
- Due to the upcoming election season, the Board has approved a 30-day moratorium on the prohibition on signs on home-sites. Beginning on October 3rd, up to two campaign signs/flags will be permitted on each home-site. All campaign signs/flags must be removed within five days of the general election. Any signs or flags posted before October 3rd will still be considered a violation.
- Rules Reminder – All dogs and cats should be on a leash when they are outside. The rules call for leashes to be 6 feet or less in length. Allowing your pet to roam freely or wander between homes is a violation and may result in the animal being trapped and removed from the property. Please also remember to always clean up after your pets.
- We are partnering with Walgreens to hold a Flu Shot Clinic here at Americana Cove. Residents can sign up to receive a flu shot without having to leave the property. Most insurance and Medicare is accepted. Vaccines for shingles and pneumonia are also available, by request. In order to allow Walgreens to order enough vaccines, you will need to sign up in advance. If you are interested in signing up, please contact Brad Coath at 727-308-8013. The exact date is to be determined, but should be scheduled in mid to late October.

ACA News

By Ron Miller

Here we are again, another month has gone by with nothing going on! This is getting old, I hope and pray this will get over soon! I've been informed that there will be no lunches at all by any club till at least the first of the new year. As far as the clubs meetings, it's still up in the air, as of right now, only 25 or less can meet. The Cue Club can only have 10 people in the room at one time so we don't know just what is going on. The Trinkets and Treasures has been canceled for Nov. I'm hoping that New Year's Eve will still take place, but even that is up in the air.

Announcements

By Ray Rodriguez – Editor

Another social activity has come to American Cove, “Corn-hole”

Thanks to Doug and Debbie Howland we now have another activity to add to our diverse array of activities here at American Cove, CORN-HOLE. Doug and Debbie are sharing their knowledge and experience of the corn-hole game with the rest of us and have organized the pick-up of players interested in participating on Thursday evenings at 6:30pm to 8:00pm in the club house. For those that are not familiar with the game, the objective is to toss a bean bag approximately 27 feet into a hole about 6 inches in diameter, sounds simple, but it's not, I can attest to that. Teams consist of two players vs two other players on two corn-hole boards with the end goal of reaching 21 points for victory.

At the time that this Forecaster was published there were two evenings of pick-up games that were well attended. At this time there are five sets of boards allowing 20 people to play.

If you are interested in participating in a fun filled evening and enjoy the camaraderie of other ACA residents, please come a few minutes earlier to sign in and select teams. As always please remember to wear mask when entering the clubhouse and respect the space of others.

Call Doug or Debbie if you have any questions, 727 366-4273, I hope to see you there.

Crocheting for Charity

American Cove Crochet group made a total of 250 hats to be donated to an anti-bullying campaign sponsored by Lion Brand Yarn Company and will be distributed to school students in October, 2020.

Nicholas J Wagner Blue is what was chosen for “bullying, but the group will do other colors for needy children and children hospitalized and stricken with cancer. They recently sent two boxes of hats to Alaska for Native American children.

250 hats were crocheted by ladies in the *Crochet for Charity* group in our park. The ladies are, from left to right, Shelley Barron, Carol Shepherd, Dawn Earley, Ginny Marcott and Pat Ley. WOW! that’s a lot of beautiful hats! Well done ladies!

Boat Club

By Mary Ann Meljac

I have been asking myself for the past week, what am I going to write for the October forecaster? I have absolutely no idea! It is not like the Boat Club hasn't tried. Our Labor Day Golf Cart parade had been canceled twice due to inclement weather. We did not give up though...we were able to re-schedule and 20 families with golf carts decorated with patriotic flags attended in spite of a light drizzle.

We hoped to have a September meeting but since we are limited to the number of folks that can gather in the Atrium and Clubhouse, we have decided that we should wait another month. I have even looked back to one year ago to see what was going on. We were busy planning the Christmas Boat Parade, the Island Bash plans were well underway and the bylaws were updated and revised. We were busy and in full swing. This will happen again, we all just need to be patient and think positive thoughts.

Let's talk about full moon kayaking. Pat Ley continues to organize the sunset/moonrise kayaking outings. We are hopeful that October will be the month to get back out on the water and enjoy all of the beauty around us. The Full Hunter's Moon or Full Harvest Moon is often referred to as the Full Hunter's Moon, Blood Moon, or Sanguine Moon. Many moons ago, Native Americans named this bright Moon for obvious reasons. The leaves are falling from trees, the deer are fattened, and it's time to begin storing up meat for the long winter ahead. Because the fields were traditionally reaped in late September or early October, hunters could easily see fox and other animals that come out to glean from the fallen grains. Probably because of the threat of winter looming close, the Hunter's Moon is generally accorded with special honor, historically serving as an important feast day in both Western Europe and among many Native American tribes. So mark your calendars everyone for October 1st for the next Full Moon Kayaking excursion. Get those kayaks out from their storage areas, clean them up and put them in the water!

Doesn't this put you in the mood for cooler weather and the smell of fall? Here are some things to get you in the mood ... clean the gutters, wash the windows inside and out, make a batch of chili, buy spicy scented candles, replace or clean furnace filter, haul out blankets for the couch, start planning your costume for Halloween, and make a list of the indoor jobs you want to get done before spring – like binge watching Downton Abbey, AGAIN!

Book Club

By Jill Moe

The Book Club has opted to hold off meeting until January. Please be sure to check the Clubhouse Bulletin Board for the book-list and further information.

Buddhism

An October “Evocation” (from a 2020 Vision P.O.V.)

May everyone be blessed and protected from the ongoing, yet regrettably unresolved pandemic crisis: Covid-19. May the veil of partisanship be overcome soon with an enlightened approach to scientific solutions forgoing superstitious blind faith.

May a profound gratitude go out to; our wonderful community, state, country, world, with a deep reverence of the “Uni-verse” (an integral part of an infinite “Multi-verse”) sung from the inconceivable “voice” of the Buddha’s Dharma, emanating from beyond duality.

May we transcend our limited views of “Reality” by integrating many traditions of faith into an expansive “unified field” much like astro/quantum physicists are pointing to; a “God” like particle that facilitates creation... (i.e. the elusive Higgs Boson).

May we make good use of this precious human life we now presently, but temporally inhabit with a sense of exigency using insights (from all of the above) towards the primary goal of complete salvation: “Nirvana”.

May our sincere however humble efforts (Buddhism 1pm Thursdays) continue to generate “meritorious Karma” for the sake of all sentient beings across the full spectrum of understanding: “Here, There, and Everywhere”.

May the beginning of this new season provide many propitious opportunities to offer authentic lineage based “Turning of the Wheel of Dharma” teachings for those ready to receive the “inner” blessings, of body, speech and Mind.

May our past experiences of camaraderie, communion, and Meditation, punctuated with occasional field trips (most noteworthy: “The Medicine Buddha Mandala”) reverberate exponentially for healing at this critical moment.

May the recent clarion call to protect Mother Earth by Pope Francis (recognizing the 50th “Jubilee” of Earth Day) at last be sufficient to melt the hearts of even the most bitter and thoughtless among us, awakening all to our perilous situation.

May everyone please exercise their inalienable right to vote (whatever your flavor), which many good folks fought and died for over the years here and abroad.

May everyone’s voice be heard and counted in a peaceful celebration of our founding fathers wisdom; “We the People” designed to perpetuate a democracy in perpetuity where one

Crafters Club

By Debbie Lewison

Hello Crafters! Well it's been a strange year but the officers are looking forward to returning to the Cove and Craft activities.

With the new Officers comes change, and we hope the changes are agreeable with most Crafters. The first change is we are planning on meeting on Tuesday evenings from 6:00 to 8:00 p.m. This evening works best for all the officers.

Secondly we will post the Craft schedule at the Clubhouse, as well as in emails to members. You will need to sign up for the Craft activities so that we know how many supplies are needed. You do not have to do every activity, but we hope you do!!! At least you can choose which crafts you'd like to make!!

October 20 will be our first and only official meeting the rest of this year. Please plan to attend to
discuss dues, bylaws and the scheduled Crafts for the rest of 2020.

October 27 we will be making Sea Glass or Rock pictures. If you have sea glass or flat rocks you'd like to put in the frame, please let us know and bring them to the class. You can email Cathy LaVelle at CathyLaVelle90@gmail.com; Judy Daigle at Judy.Daigle372@gmail.com; or Debbie Lewison at Lew-isonDebbie5@gmail.com. You can also check out/respond on the facebook group page, Americana Cove Crafters.

As with everything, Covid guidelines will be followed and this could affect our schedule. But we are anticipating health in the Cove and fun making crafts.

Helping Hands: Home Safety Tips for Seniors, Part Two.

By Judy Hall, PhD

When so many seniors are living independently and often alone, it is very important that we practice good home safety. Here are more tips for keeping our homes safe from HealthinAging.org.

Protect against fire and related dangers:

- If you have a fire in your home, do not try to put it out. Leave and call 911.
- Know at least two ways to get out of your home.
- When you are cooking, do not wear loose clothes or clothes with long sleeves.
- Replace appliances that have fraying or damaged electrical cords.
- Don't put too many electric cords into one socket or extension cord.
- Install a smoke detector and replace batteries twice a year.
- Never smoke in bed or leave candles burning, even for a short time, in an empty room.
- Make sure heaters are at least 3 feet away from anything that can burn. Turn off space heaters when you leave the room.

Avoid bathroom hazards:

1. Set the thermostat on the water heater no higher than 120 degrees to prevent scalding.
2. Have grab bars in the shower and near the toilet to make getting around easier and safer.
3. Put rubber mats in the bathtub to prevent slipping.
4. If necessary, use a special tub or shower chair or raised toilet seat.

Prevent Poisoning:

- Carbon Monoxide: Never try to heat your home with your stove, oven or grill.
- Medications: Keep meds in original containers so you won't mix them up.
- Ask for large-print labels on your medications to make them easier to read.
- Bring your pill bottles or a list with you to your doctor to make sure you are taking your meds correctly.
- Never mix bleach, ammonia or other cleaning liquids together when you are cleaning. They can produce deadly gases.

Protect against Abuse:

- Keep your windows, doors and cars locked at all times.
- Never let a stranger into your home when you are alone.
- Always ask for written information about any offers, prizes or charities and wait to respond until you have reviewed the information thoroughly.

Do not let yourself be pressured into making purchases, signing contracts or making donations. It is never rude to wait and discuss the plans with a trusted family member or friend.

Landscape Committee

By Donna Andrews

A reminder from the Landscape Committee: any change to the landscape around a resident’s home must be submitted on a request form to the Landscape Committee for approval. The forms are available at the office.

As always, if you are interested in contributing to the beautification of Americana Cove, consider becoming a member of the Landscape Committee. We meet once a month. Look out for the next meeting on the bulletin board. Hope to see you there.

Live Music

By Libby Hopkins

Hello Everyone!

We’re confused like everybody else!!! We are unfortunately going to have to postpone our shows once again. There will not be any Live Music shows in October.

Live Music Group really wants to be there for everyone, but we’re being cautious and following the Covid-19 virus requirements and restrictions.

We are hoping November will open up for us and we will be able to have our regular shows.

We are also planning to do a Veteran’s Day Show. This is all contingent, of course, on what decisions will be made regarding use of the Clubhouse for events. But we are hoping you can plan to join us for lots of music and fun next month.

Please note: We’ll be changing our schedule to the 2nd and 4th Tuesdays of each month when we start up again– Watch for our announcements!!!

For those of you who are not familiar with us, we are a music group within the park that usually put on a performance twice a month on Tuesday from 3:00 p.m. to 4:00 p.m. in the Clubhouse from October through April. We work hard to provide an entertaining, fun hour full of music and laughs. Come and see us...Soon, we hope!!!!!!

We miss you all! Live Music is wishing everyone a happy and healthy October!! Stay Safe!!

Old Timers Young at Heart

By Kathy Laramee

I just finished reading my article from last season, so full of anticipation, welcoming back our Winter residents, looking forward to getting our season underway, lunches and of course the Annual Valentine Dinner Dance!

The Welcome Back is still there for our residents who are able to return this Fall and a visible sense of uncertainty about those who may not be able to return. Just know you are missed!

At this time all meetings, lunches and many activities are on hold, making this a most disconcerting and disappointing time for everyone. I'm sure I speak for most in saying I look forward to a return of nor-malcy and I'm certain we, as a community, are eminently capable of doing just that.

Stay tuned for updates on when we will begin our lunch meetings.

Shuffleboard Club

By Greg Moe

With the current COVID guidelines still in place (residents only using our facility), we are not sure if there is going to be any outside League play for the 2020/2021 season for Nova, Friendship, and Blue Sky. We will discuss looking at our own internal Americana Cove League at our first meeting on November 4 at 9:30 AM in the Atrium (masks mandatory until further notice). Pending commitment, we can decide how many teams and time/day we would play.

Still looking for volunteer replacements for a League Secretary and a Team Captain for Nova.

Remember, scheduled summer events are Hoss Collar on Sundays at 1:00 PM, and Social League on Tuesdays at 10:00 AM. We have people there who are willing to help and teach you how to shuffle.

Of course you are always invited to come and play on your own at any time.

Swim Exercise

By Nancy Olson

Hi everyone! Mark and I made it safely back to the Cove on September 28 and I was back at class on September 29. The pool I always swim at in the summer was not opened this year so I was very anxious getting back to swim exercise!

A HUGE shout out and THANK YOU goes to Maureen, Terry and Diane for their leadership at running the class while I was gone. This summer was much different than others due to the CDC-COVID guidelines we were and still are required to follow. From checking people in, welcoming new people, turning non residents away, working with our maintenance team assuring the pool is clean and running properly, making sure you had your mask on, you were social distanced in the pool, posting on our group Facebook page, celebrating birthdays and actually leading the class (you know, push the button!). With these ladies and all the classes working together we successfully had class without any interruptions. These changes were monumental and by teaming and working together we made it happen!!!! I thank you all for making the class go so smoothly! It was a very hot summer and being able to swim in the morning was a great way to start the day and get some good exercise in!

Our October, November and December schedules are now in place. We have about 65 people who have signed up for class, months. The schedules were posted on our group Facebook page in mid September. Not everyone got their first choices but I was able to get you in the schedule on other days. You can always work amongst yourselves to trade, get a sub or be a daily walk in. We can only have 20 people in each class, following our 6 foot social distancing guidelines. Be sure to check our group page daily for subing, trading, etc. We will also post the tape we are scheduled to do for the day. And, please remember if using a noodle or water weights you will need to bring your own. New class time is 9:15. Lap swim is done at 9, you can get in the pool then and warm up. Remember to allow yourself enough time to check in, warm up and ready to start class! We do start early once all 20 people are checked in. No need to wait if you are all there! Feedback has been very positive that we are running class this way! Don't forget that wearing your mask is required whenever you are not in the pool.

Thank you all in advance for your ongoing support

Sellers: How To Transfer Utilities Before Closing

By Barefoot Realty Group, Brokerage Agent for Americana Cove

When a resident has sold their home and the day of closing draws near, how does one turn over utilities from the seller to the buyer?

At least one week before the day of closing, the seller and buyer need to contact Duke Energy. The seller needs to ask for a final reading and explain the home is sold and the new buyer will be contacting them to put the electric service in their name. The seller should NOT turn off the electric. Simply ask for a final reading and tell the energy company to NOT turn off the electric.

“The buyer needs the electric on to do a walk through. A closing can be delayed or worse the buyer is so upset they do not close,” said Broker Marty Pozgay.

The same scenario should occur when transferring gas with TECO People’s Gas. Since the co-op supplies water/sewer, sellers do not need to contact a utility direct.

If the electric service is turned off completely, there are more charges that the buyer incurs as well as additional time to have the service turned back on.

“Sellers want to be sure that they are no longer charged for service when they don’t live in the home, but they do themselves no favors by completely having the service shut off,” says Pozgay.

The same procedure should occur if residents are selling the home themselves.

IF YOU NEED A HEART PROCEDURE, MAKING AN APPOINTMENT WITH BAYCARE IS STANDARD PROCEDURE.

When it comes to your heart, time is of the essence. Even during these times.

BayCare's Morton Plant Hospital has one of the most technologically advanced heart programs in Florida. We're leaders in treating heart disease, complex heart rhythm disorders, advanced structural heart and valve conditions and heart failure. To protect you from COVID-19, we've put enhanced safety measures in place at all our facilities. And we always provide the high level of personal care that BayCare is known for. Ensuring the safety and well-being of our patients has always been standard procedure.

If your primary care doctor suggested that you see a cardiologist, we can help you find one: (844) 344-1952 or [KnowYourHeart.org](https://www.knowyourheart.org)
