# President's Message

By Linda Quince

Well, September is here, and it won't be long before our community starts filling back up with our Northern friends and activities will be in full force. It seems like the summer has moved fast this year. Please continue to watch out for the Florida rains. This time of year, they pop up quickly and they can be very intense.

Our park is looking good. The Clubhouse and Atrium make a nice statement of improvement with the new roof. There is still more to come. It's a work in progress and we are making small steps forward. Thanks to all of the volunteers who continue to help out in the community. Without you we could not accomplish all that we do.

Your board continues to work together to improve our community. We continue to have our Town Halls and look forward to residents' input. We are dedicated to moving forward as a team in keeping Americana Cove the very best place to live.

It may seem early, but it is just around the corner, so start thinking about running for the Board of Directors. I encourage all residents to contemplate running for our Board. Become involved and make a difference. Give some serious thought to joining us. Please consider this. There is so much that happens, and you could be part of it. You may even enjoy it.

Over the summer we have had several new homes delivered and a fair number of home sales. Keep an eye out for new residents and show them the kindness of our community. Remember, "There are no strangers in The Cove, only friends you haven't met yet."

# Manager's Message

By Ryan Osburn

**Hurricane Season** – Hurricane Season has begun and lasts through the end of November. Be sure you are prepared in advance for a storm by picking up a 2019 hurricane guide in the business office.

**Clubhouse/Atrium Roof** – The clubhouse and atrium roofs are in the process of being replaced by MaintenX Roofing. By the time this is published, this work should be substantially complete.

**Town Hall Meeting** – This month's Town Hall Meeting with the Board of Directors is scheduled for Wednesday, September 11th at 2:30 p.m. in the Clubhouse. Come share your ideas and learn what your board and management team are working on.

**Fertilization** – Incorrect use of fertilizer can allow nutrients to leach into the groundwater

and wash into storm drains that flow to creeks, lakes, Tampa Bay, and/or the Gulf of Mexico. Excess nutrients can cause harmful algae blooms, which lower oxygen levels and lead to fish kills. The treatment to remove these nutrients costs taxpayers millions of dollars each year. Nutrient pollution can be controlled with your help. “An ounce of prevention is worth a ton of cure!” Retailers cannot sell any fertilizer that contains nitrogen or phosphorous between June 1 – September 30 each year. Please refrain from using these products during the summer months.

Irrigation – There’s nothing more wasteful, or more embarrassing, than a sprinkler system that runs when it doesn’t have to ... in the rain. The simplest, most effective way to prevent sprinklers from coming on during or after a rain event is by installing a rain sensor, also known as a rain shut-off device. Easily installed on most automatic time clocks, this device shuts sprinklers off after a certain amount of rainfall has occurred. A properly installed and functioning sensor can save up to 20% of your water use while preventing plant and lawn maintenance problems from over-watering. For a limited time, the City of St. Petersburg is offering a free sprinkler system evaluation (including free installation of a rain sensor!). Contact the office for more information.

Gate Access – If you call the gate to add a visitor to the access log and get voice mail, please leave a message and the attendant on duty will return your call as quickly as possible. In addition, please remember that contractors/vendor are not permitted to begin working until 8:00 a.m.

Trash – Please remember that if you place your trash out for pick up the night before trash day, it must be in a container with a lid. When bags are placed out overnight, they are often torn open by animals, creating a mess for the maintenance staff. Thanks for your help with this.

Labor Day – The office will be closed on Monday, September 2nd for the Labor Day Holiday.

## ACA News

*By Ron Miller*

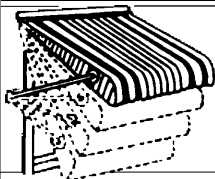

---

Well, the summer is almost over and many of us will be returning to the Cove for the winter. The Burger Burns will start again on the 17th of September. As for myself, it was a great summer, and I hope it also was for everyone else. As for ACA, we have to start thinking of our sale on November 2nd, which will be upon us way too fast. Anyone looking to give something to the sale needs to please remember that we have very little room to store items. Small items can be dropped off at the club house, but larger items will have to wait.

I would like to extend a THANK YOU to Marge for running Bingo and Mark for his DJ

## Something to Consider

*By Bart Beal*

---

What's in a birthday? When we were children, having a birthday was very, very exciting. We wanted to be older! It was our day and we were the center of attention. And of course, there were gifts. And what kid doesn't like gifts? We still love to celebrate children's birthdays to share in their excitement, but when it comes to our own birthday, we are not nearly as excited as we used to be. After all, "Birthdays are for kids." It's not exciting to get older anymore. In fact, it hasn't been for quite a while. Each year let's just say, or appearance changes. And there are those darn aches and pains that slow us down. At some point in our lives our perspective on getting older shifted from being a positive thing – to a neutral thing – to a negative thing. Yet others still want to celebrate our birthday.

My wife, Bonnie, has a birthday this month. I doubt that she is very excited about turning one year older, and I am not about to tell you her age. Although she may not be excited to have another birthday, she is more lovely to me each year and I feel very blessed to be able to celebrate her birthday. It marks another year of me having her, her children having her, her grandchildren having her, her extended family having her, and her friends having her. What a blessing that is! Although she may not be excited about turning one year older, I know that she is thankful to have the past year and the one to come. She knows that paradise is waiting for her, but she also knows that every day on earth is a gift from our Creator and an opportunity love, be loved, and serve. None of us know how many more years we have to live, and we

*...continued in page 14*

must be prepared for eternity. But while we are here, we should embrace our birthday. Let it be celebrated! Let those that love us celebrate having us with them for another year. Take it all in, and thank God for life, both here and eternal.

## Prayer

*By Lainey Nelson*

---

**T**he September prayer is excerpts from a Morning Prayer with an unknown author plus my own thoughts.

### Morning Prayer

O God, for another day, for another morning, for another hour, for another minute, for another chance to live and serve Thee, I am truly grateful.

Do Thou this day free me:  
From all fear of the future  
From all bitterness toward anyone  
From all cowardice in the face of danger  
From all laziness in face of work  
From all failure before opportunity  
From all weakness when Your power is at hand

But fill me:  
With love that knows no barrier  
With sympathy that reaches all  
With courage that cannot be shaken  
With Faith strong enough for darkness  
With Strength sufficient for my tasks  
And with power to lift me to Thee

We pray for all those suffering from the latest mass shootings , and all who hunger and are sick in the world. Our country is in turmoil, heal us all, Amen.

## Boat Club

By Jill Moe

Boat Club members did it again. On July 13th seventy-one members and their guests got together at the Tiki Hut to enjoy Sloppy Joes and anything and everything else contributed by members. Despite the heat, everyone had a great time, especially Joe Fitch who won the 50/50 drawing.

Pat Ley and kayakers really enjoy moonlighting. Give her a call to see how it's done! (727-714-3561)

As a reminder, the Boat Club will meet September 14th in the Atrium at 10 a.m. Try it once or twice on the second Saturday of the month. You have nothing to lose but a good time.

## Crafters Club

*By Marge Shearer*

---

We are experiencing low participation during the summer months, but we continue to meet and craft. We're hoping to have new and creative items on our sale table at the Wednesday lunches. Love to craft, sew, knit or crochet? Please join us at our Crafters meetings on Monday evenings in the library area of the clubhouse. We meet at 6:30 p.m. every week, year-round. If you have any ideas on crafts we can make, please contact me at [shearemargaret@knology.net](mailto:shearemargaret@knology.net) or 727-639-3957. We are always looking for new ideas.

We will be having a special class for those of you who would like to learn how to hand sew buttons, mend zippers, etc. All very easy repairs for the men's and women's clothing. Stay tuned for the date. If there is something you would like to learn, please contact me at [shearemargaret@knology.net](mailto:shearemargaret@knology.net) or 727-639-3957.

## Garden Club

*By Mary Lou Prebish*

---

Summer is in full swing and while fulltime residents have been traveling or relaxing in the tropical heat, activities have slowed to a crawl for most clubs.

We are looking forward to a busy season with new and informative excursions, the first of which will be our "Welcome Back Luncheon" cruise on Tuesday, November 12th and a group trip to the Fletcher Dinner Theatre on November 21st.

Look for sign-up sheets on the Garden Club Board.

## Shingles

If you had chickenpox as a child, you might recall the itchy, spotted rash that popped up on your face and body. The varicella zoster virus that causes chickenpox stays inside your body for many years. After your chickenpox runs its course, the virus retreats to nerve tissues near your spinal cord and brain to hide out.

Once you're older, that same virus can wake up and cause shingles. It gives you a rash, too, but it's often more painful than itchy. A blistering rash on one side of your body can be a sign you have it. See your doctor to find out for sure. Once you've been diagnosed, you can get treated to help relieve your rash and other symptoms.

A shingles rash:

- Appears on one side of your body and/or face.
- Stings, burns, and/or itches.
- Starts as red bumps that form into blisters.

Some people who get shingles fit in these categories:

- A weakened immune system, which can wake the virus up.
- Having had chickenpox.
- Cancer, HIV, or another disease that lower your body's defense.
- Being 50 or older.
- Being under a lot of stress.
- Past physical trauma.
- Taking long-term steroids or other medicines that can weaken your immune system.

The CDC recommends that people 50 and older should get vaccinated, even if you've had shingles before. There are two shingles vaccines. Shingrix (RZV) is recommended over the older vaccine because it is more than 90% more effective in preventing a shingles outbreak. Even if you still get shingles, the vaccine may help it be less painful. You will need two shots for Shingrix. One initially, with a follow up within six months.

Those people who have had shingles are the first to recommend the vaccine. Prevention is the best way to deal with shingles!

## Library Club

*By Jill Moe*

Things are going good for the Library. Books, audio books, DVDs, CDs, and puzzles seem to keep everyone entertained. We thank one and all for their generosity. Please visit the library and see everything we have to offer.

## Live Music

*By Libby Hopkins*

Hi Everyone! It continues to heat-up here, and I would like to tell you about two more people in our Live Music Group, who are really hot stuff!

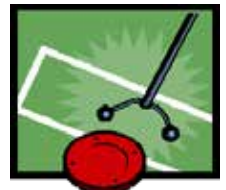

Next to become a part of our group was Sandy Shouse. Sandy hails from Clymer, NY, and has lived in the Cove for 12 years. She has two sons and three grandchildren. Sandy is one of Live Music's sopranos. Her voice is beautiful, and people attend our shows to hear her solos. She is also part of the Live Music Trio, an incredibly popular component of our group. You may know Sandy because she is always helping out at every Clubhouse and Atrium function. She has headed up the Decorating Committee, and she also sings in the Vespers Choir and belongs to the Swim Club. Sandy is known for her compassion and willingness to participate in, and be an integral part of, a team effort wherever she is needed. Sandy's husband, Tom, takes pictures during our shows and helps out with our Live Music programs.

Kathy Laramee came into our group shortly after Sandy. She is from Newburgh, NY, and arrived at Americana Cove in 2011. She has a daughter and son-in-law, and a granddaughter. Kathy is a soprano with a lovely voice and is known for her duets and solos. She is also part of the Live Music Trio, whom audiences love to hear. Additionally, Kathy sings in the Vespers Choir. Kathy is currently President of the Old Timers (she is also a past president) and is a member of the Board Planning Committee. She has organized an Americana Cove Welcoming Committee to aid newcomers as they transition into their new homes. Kathy is an active participant in Americana Cove functions, and she is a vital member of our group. Her husband, David, attends every show and always helps us out.

That's all for now, but more to come! Stay cool!

## Shuffleboard Club

*By Greg Moe*

Even though our Social League on Tuesday mornings did not get together that often in July or August, we will begin again in September at 10:00 a.m. Also, as a reminder, Hoss Collar shuffleboard is still being played on Sunday afternoons at 1:00 p.m.

Please come and enjoy the fun! We have fans running to help you keep cool!

## Swim Exercise

By Nancy Olson

**H**i everyone! As I am writing this article, Mark and I are getting ready to head out on our 7-day Alaskan Cruise and 3-day train trip through the Denali Forest. We are so excited!

The swim group continues to keep going strong! Lots of new faces, a great water temperature of 84, pretty good weather, and most importantly, swimmers who are committed to water exercise. Be sure to look at our group picture on the cover of the August Forecaster. Yeah, we made the cover!

Maureen, Terry and Diane have been great to keep the class going 6 days a week. This is so appreciated with everyone's busy schedules. And the maintenance crew has been very diligent to address all our needs. Thank you to them! I will be back at class on Friday, September 27. See you all then!

Have a happy and safe Labor Day!

## Vespers

By Martha Sutton

**T**he time is getting closer and before long you will be seeing posters around the Cove announcing the Welcome Back Dinner/Potluck and Entertainment. November 17th is the date! Betty Chase will be cooking her fabulous roasted white or dark chicken, scalloped potatoes, rolls, butter; tea and coffee.

A sign-up sheet for 25-30 potluck salads and desserts will be available in October. Kathy Laramie and Sandy Shouse will have tickets for \$3.00 and they will also be sold at luncheons in November. We will have a repeat performance by last year's entertainer, Steve Mullis. It will be a great night for welcoming all of our friends and neighbors back for another wonderful season at the Cove!

Our choir will have rehearsals on Friday's in the Atrium at 8:45 a.m. starting October 25th, and the first Vesper Service will be at 4:50 p.m. November 3rd. We are always looking for voices in the choir, so if you like to sing, come and join us. There is no audition, just your love of singing.

The service itself is from 4:50 to 5:45 and consists of local pastors coming each week to share a spiritual message, singing, and prayer. Following, there are refreshments and socializing in the clubhouse. We always look forward to seeing our regulars, but even more so, welcoming new attendees. Please join us!

# Florida's Population is Growing!

By Barefoot Realty Group, Brokerage Agent for Americana Cove

Florida's population is increasing by 906 people per day, according to state economists. According to the Florida Realtors Association, between April 2018 and April 2024, population growth will average 330,605 net new residents per year. This equates to a city the size of Orlando being added to the state each year. The population increase will result from people moving into the state since the state's birth rates typically offset death rates. Interestingly, U.S. Census Bureau has even higher estimates for the state's population growth.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
