OFFICIAL NOTICES

HOA

The Homeowners' Association addresses issues with management and owners of Bay Ranch. If you have an issue you wish to address, put a note about it in the in the mailbox at the back of the clubhouse. Your name, coach number and phone number are helpful if you want a response.

FMO

If you like to stay in the know about policies and events that affect your mobile home ownership, membership in the FMO is the way to go. If you like the idea of sharing what you learn, become the Bay Ranch representative to the Federation of Manufactured Home Owners of Florida (FMO).

Eds. Note: this position has been empty for some time. Contact with the FMO is important because they keep up on laws and regulations that affect mobile home owners and mobile home parks.

JUST SAY'IN

By Jeanne Hunter

[The Just Say'in column is optional in the summer.]

NOTES FROM THE BAY RANCH OFFICE

Management requests that when the water is off, you turn off your water heater to prevent the element from burning out. *Eds. Note: According to diy.stackexchange.com/questions/3766, this needs to be done because the element will burn out if the water heater becomes empty.*

Sewer clogs continue to be a vexing problem for park maintenance. PLEASE do not throw items like surgical gloves, grease and rags down the toilet or put grease down the sink drains. Bay Ranch will not continue to pay to unclog sewers when the clog is caused by inappropriate items put down the sewer. The tenant will have to pay for this problem.

You must register at the office if you have something parked in the field north of the clubhouse, or see Brent (maintenance).

While garbage remains a troublesome topic in our park, we have another disposal problem: sewage. A number of tenants have had problems with drains and toilets backing up. Frank's plumbing has said these back-ups are caused by putting grease, paper towels, and cloth-like materials down the drains. Bay Ranch will not pay to unclog sewers when the clog is caused by inappropriate items put down the sewer. The tenant will have to pay for this problem.

Eds. Note: those so-called flushable personal cleansing cloths are really **NOT FLUSHABLE**. They do not disintegrate in the sewer system, and they WILL clog the sewer someplace in the system. Lots of people like to use these cloths in the bathroom, but PLEASE do not put them

in the toilet. Limit what goes into the toilet to toilet paper and tampons (is this an allowable word in a community of seniors?).

Eds. Note: My housemates and I had to hire a plumber when our own drain system clogged due to dishwasher detergent that was not well dissolved. We had virtual rocks of detergent blocking the drain. Our solution (after paying the plumber): liquid detergent.

- Please, put ALL garbage in the dumpsters, even big and heavy items like furniture.
- DO NOT dump behind, beside or anywhere near the trash bins. Put the garbage in the bins.
- Put household trash in the smaller trash bins.
- Do not bring garbage to the bins on Monday morning. By that time, the bins are overflowing. Wait until Monday afternoon or later, when the bins are empty.
- Pick up for furniture, tree brush/limbs and other debris will be on Monday, Wednesday, and Friday only. Put out trash after 5:00 p.m, the day before.

***DO NOT DISPOSE OF TVS OR ELECTRONICS IN THE PARK. DO NOT PUT THEM IN OR BESIDE THE DUMPSTER.** We get fined. Call pinellascounty.org/recycle to dispose of them.

- If you need help disposing of something, someone in the park may help you for a fee

The following information remains in force:

Rules: The Park has rules that everyone received and reviewed when they bought or rented their coach. They are also printed annually in the Directory (September issue of Bay Ranch Review). Please read and follow them. Failure to follow rules is grounds for eviction, and management has shown that it is willing to evict.

No cars may be parked on the street at night. Failure to follow this rule may lead to the offending car being towed, resulting in fines. [Ed. Note: I can verify this. EVEN IF you run out to the street before they hook up your car to tow, you will get the fine.]

Cars parked on the street during the day should be staggered so emergency vehicles can pass by. Do not park on the grass or sidewalk.

Fires: Test your smoke detectors to make sure they work. Recommended action: purchase a fire extinguisher if you don't have one and know how to work it. If a fire starts, spray it with the fire extinguisher immediately and GET OUT OF THE HOUSE. Fire destroys mobile homes very quickly.

Visitors: Reminder: that rent is based on one or two per household. Each person above the two must pay an additional \$30 a month, including visitors who stay over 30 days. Please be proactive about this and pay the money without first being reminded.

Other announcements:

The purified water dispenser at the clubhouse operates on its own schedule. After someone has filled containers, it may take the dispenser some time to regenerate enough water for more containers. There is a light on the dispenser that tells whether it is ready.

Some have questioned why the application fee is “so high.” One reason is to help cover garbage fees, since new owners usually throw away most of the furniture and electronics.

Continued on page 10

Mr. Larson (the owner) calls the lawn service for lawn care on an as-needed basis. The park pays for lawn mowing, etc., once a month but the need sometimes goes unnoticed. If you notice the lawn needs trimming, please let the office know so they can call Mr. Larson.

Sometimes an automobile will leak oil onto our new, nice looking pavement, creating an eyesore. If you notice a leak by your house, call the office to have it cleaned up. Let's keep these streets looking nice!

Lost and Found Dog/Cat: If you have found a dog or cat, you can post on a site called pawboost.com or call Animal Service on Walsingham. If you call, Animal Services will come out, free of charge, to pick up an animal.

All Residents: Rules commonly broken:

1. Parking on grass or sidewalk, overnight on street, and/or every day. The Office must authorize overnight parking at the Clubhouse.
2. If you have someone living with you, make sure you have registered in the office.
3. Piling garbage in front of garbage bins. When you throw garbage, throw it to the back so when you open the door, it doesn't fall out and there is space.

Check mobile for cleaning, trim, awnings, driveway and/or painting.

FROM THE EDITOR

By Carol Raabe

Because this has been a very busy month, there will be no editorial this month.

BOB'S CORNER

By Bob Lupton

Hi, guys.

I am going to talk about something different this month.

I want to talk about a fear I have, and probably other readers of this do also. First of all, I have no fear of death. By this time in our lives, we have said goodbye to many of our friends and relatives. We have learned that death is natural and none of us get out of here alive.

Yes, I can understand the process of saying goodbye, and then grieving our loss. I can understand that.

But that is not the fear I have. I am afraid I will be stricken with the cruelest fate of all. Of slowly losing all memories of my life and the ones I love. Worse is putting my family and friends through the process of watching me slowly regressing until there is nothing left of my memory or ability to function.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

In the last few years, I have lost my dad to heart disease and more recently my mom to basically old age, my dad at 80 years and my mother at 101. But up until the end I got to say goodbye, and they heard me.

Yes, they heard me say goodbye. As sad as death is, it is with some comfort we get to say goodbye.

Our beloved friend George is now going through the final stages of his life. He does not recognize anyone any more. His wonderful wife Lynda has watched him slowly reach this point and has to be one of the bravest women I have ever met. I know both George and Lynda are in all our prayers, but most important we should all pray for a cure for this cruelest of all diseases.

I am not closing with a joke this month.

Love you all.... Bob

Hey, bartender

A duck walks into a bar and asks, “Got any grapes?”

The bartender says no, and the duck thanks him and leaves.

The next day the duck returns to the bar and asks, “Hey, got any grapes?”

The bartender says, “No. We don’t serve grapes here.”

The duck thanks him and leaves, only to return the next day. The bartender sees him walking through the door and says, “Look buddy, I’m not sure why you keep coming in here. We don’t have any grapes, never did, and never will, and if you ask me about grapes one more time, I’m going to nail your beak to the bar.”

The duck is quiet for a few moments, and then asks, “You got any nails?”

“No,” the bartender replies.

“OK,” the duck says. “Got any grapes?”

Know the difference

A guide took a group of people for a hike in the woods. They soon encountered a snake on their path. One of the hikers said to the guide, “Look there’s a snake. Do you think it’s poisonous?”

The guide looked over at the snake and replied, “No. That snake isn’t poisonous.”

Upon hearing this, the hiker walked closer to the snake to take a picture of it. The snake bit the hiker and slithered away. The hiker fell to the ground and began to moan in pain as the others in the group came to his aid.

“I thought you said that snake wasn’t poisonous,” someone said to the guide.

“That snake wasn’t poisonous,” the guide replied. “Poison is ingested or absorbed. That snake was venomous. Venom is injected.”
