FROM THE EDITOR

Many of us are a little uncomfortable with change. We got used to Bob Lupton's leadership and knew who to contact for just about anything. We will miss him, his board, and other folks who helped our park "click." Thank goodness many of the activity leaders are still around.

At the same time, we all know Rose Portman and her board are as committed to Bay Ranch as Bob's was, and we look forward to their success. To help us get to know Rose a little better, I asked her to complete a short questionnaire. Here are her responses:

Q. Why did you run for President? Why President rather than another office or Director?

A. According to our By-Laws there should be at least 2 people running for office so people have a choice. I was running for Director, but there was only 1 person running for President, so I decided to run so we would have 2 running for office. Then the other person running pulled out, so I have the seat by default.

Q. What strengths of Bay Ranch and Bay Ranch residents do you want to build on?

A. Bay Ranch residents in themselves are the strength of the Park and the Club. Without the residents there is no Park and no club. We the people collectively provide the strength to keep things going. People come and go with new ideas coming to light. The strength is in the voice of the people.

Q. What experiences in your life have prepared you to lead the Residents' Club?

A. When my daughter was in grammar school I was President of the PTA for 2 years. During those 2 years, I ran fund raising events that eventually lead to replacing old drapery in the gym and building a playground for the lower grade students. Later on in life I created a club for doll makers, where I ran some fund raising activities which lead us to bringing in doll teachers, paying them salaries, and providing room, board and food. I was able to do this for

10 consecutive years.

Q. You are also on the Home Owners Association (HOA) Board. How did that come about?

A. I stopped by an HOA meeting to hear what was happening within the park. Mr. Dean [Deano, the HOA President] was taking notes because he had no secretary. I offered to take the notes for that day and was asked to take it on as a permanent position. I agreed and was voted in by the members present.

Q. What do you say to residents who claim you are a newcomer who wants to make too many changes too fast?

A. I ask, "What have I changed?" The By-Laws motions have not been voted on, and residents will have a chance to discuss them. The motions themselves are not meant to change things but to clarify what is already happening.

Q. What would you like to say to your constituents?

A. I am your voice. This is not my club, it is OURS. We club members want This is the time in our lives to kick back and enjoy ourselves. Let's come together as ONE collectively to achieve happiness and peace with each other.

LETTERS

Please, new Board of Directors of the Residents' Club, go softly for the first few meetings. You know, we have to get used to you. We all have our own ways of running these meetings. I hope this is of help to our new members, and remember: I love you guys. *Russ Trombly*

I have noticed how disrespectful people are by talking during programs like the Memorial Service, Christmas Program, Christmas Eve Program and even our meetings. During our Christmas Eve Program Cliff had to ask 3 times for people to be quiet while he was reading Scripture. Then we could not hear Denis was telling a story. Someone even commented to me that they were hurt that people were talking during a Memorial Service.

Please, if you DO NOT WANT to listen to the program, REMOVE yourself and come back when it is over. It is not fair to all the people there who want to hear the speakers. Our Residents work very hard to put these programs on for us and the least we can do is show respect for them.

Let's all show we can be respectful during functions in 2015! *Patty Harwood*

The holidays are now over. Christmas was as it was supposed to be, full of joy, compassion, and of course Jesus. The choir gave a wonderful delivery of the birth of Jesus in voice and presentation. "Bravo." Some of us went to a Candle Light Celebration at our church on Christmas Eve, followed by a celebration with Cliff and Rose, a get together they have every year, which brings the residents all together on Christmas Eve.

Then we at Bay Ranch had a wonderful Christmas Dinner, which a lot of great volunteers helped make a success. Thank you. I want to say thank you to those who couldn't come to the Christmas Dinner but called and thanked us for bringing Christmas Dinners to them. You warm my heart. Thank you to all who made this a joyful holiday!

All who went to the New Years Dance with Denise as our D.J. had a tremendously good time saying goodbye to the old year and bring in the New Year with a lot of joy. I hope to see your smiles and kind heart through 2015. *Ana Peck*

Thank you, thank you, thank you for coming to the Christmas Show/Pageant. It was a wonderful evening of music and then the story of Jesus' birth. Thank you to Joel Harnell who played the piano, to Pat Chase for all her help, to the actors, and to the Bay Ranch Choir, all 25 of them. They put a song in your heart. Thanks to the ushers, to the many bakers of cookies, to Mary Rodgers and her committee for serving the cookies and punch. Finally, thank you, the audience--you were outstanding. The canned goods you donated went to Aldergate Methodist Church for their Soup Kitchen.

Happy New Year from Betty Ann Quish and the Bay Ranch Choir

RUSS'S RANDOM THOUGHTS

Iwant to thank Wayne Jones for decorating and putting on the Christmas tree lighting program. It was terrific, and his ensemble of singers were a delight to all who attended. Betty Ann, Janet, and Lee sang the Christmas songs the way I remember—perfect is the word. People were asked to adorn the tree in remembrance of dear ones, and it was a fine thing to watch, a great time with good spirit all around.

I'm going to get on the soap box here and tell you what I think of Bay Ranch and the people who live in this great park. We have been here 29 years, and I can say I have never met a finer bunch of people. I have yet to meet a complete stranger, and though we sometimes clash, I still love you all as human beings. In fact, our park could be a model for friendship and comaraderie. So, Bay Ranchers, let's set an example of friendship and love for all parks.

What about that Christmas Eve party put on by Cliff and his merry makers? Thanks for a nice party, with Mark singing, Denis and his Scottish version and a good guitarist whose name

I didn't catch. Thanks again, Cliff and Rose.

I want to thank Ana Peck for a great New Years Eve Party. It was great, and although I couldn't stay, we had a wonderful time.

Be kind to one another. I love you. Russ
