EDITOR'S LETTER

We are having some cooler days and I am enjoying them. Makes for some nice sleeping. Hard to believe fall is here next week. We will be here longer than usual because of my knee, so I am getting pumpkins for decorating outside. I need to get things done by the 28th. It got down to 46 degrees last night !! I still have some tomatoes to ripen. I don't know what if anything is going on down there. I hope you are staying well.

“Ripping your mask off when you get back into the car is the new taking your bra off when you get home!!!!”

PRESIDENTS LETTER

By Chris Green

Hello. Hope all is well with you and yours. Although the clubhouse is closed resulting in the social club being inactive we have had some great community members putting together fun activities. Thanks so much. We appreciate all you do. Now, for the serious news. Because there doesn't seem to be an end to the quarantine, and we doubt there will be a rummage sale to raise money for next year, the board has decided to cancel the bands and events through New Year's Eve and reschedule them for the same event in 2021 (thanks Becky). Allocating the money to next year will allow us to avoid any tax consequences. If things change (we hope) we have a tentative plan in place, just remember we will need volunteers (quickly).

btw PLEASE VOTE !!!!

Kindness Matters

UP COMING EVENTS

Halloween - canceled

November 14th - canceled

Thanksgiving - a question as to it will be held

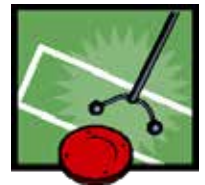

I was sorry to hear about the cancelation of Halloween. Knowing how much some of us love to decorate our golf carts, why not have a parade for Halloween. We have so many talented people in the park.

SHUFFLEBOARD

By Sandy Rasmussen

Again Shuffleboard games are beginning , 7-9 pm. There are easy rules to follow, come and have some fun on Tuesday evenings. If anyone is interested in refereeing please let Mark or Sandy Rasmussen know. You do not need to know how to play, come and let us teach you. It's a great sport to know when your family comes to visit. It's very easy to learn and to do physically.

IF YOU NEED A HEART PROCEDURE, MAKING AN APPOINTMENT WITH BAYCARE IS STANDARD PROCEDURE.

When it comes to your heart, time is of the essence. Even during these times.

BayCare's Morton Plant Hospital has one of the most technologically advanced heart programs in Florida. We're leaders in treating heart disease, complex heart rhythm disorders, advanced structural heart and valve conditions and heart failure. To protect you from COVID-19, we've put enhanced safety measures in place at all our facilities. And we always provide the high level of personal care that BayCare is known for. Ensuring the safety and well-being of our patients has always been standard procedure.

If your primary care doctor suggested that you see a cardiologist, we can help you find one: (844) 344-1952 or [KnowYourHeart.org](https://www.knowyourheart.org)

MOVIES IN THE PARK

By Sandy Rasmussen

We will be having drive up movies in the back of the clubhouse with the 12 ft blowup screen. There will be popcorn and water at the event. Donations will be appreciated; these will be used towards THE HOPE RIBBON events. If raining that night, it will be moved to the following Friday night. Movies are subject to change or Movies added for a double feature. Drive up in your golf carts or bring your chairs.

December 4 Jack Nicholson and Morgan Freeman in THE BUCKET LIST

KOFFEE KLACH

By Sandy Rasmussen

Thanks to Mark Rasmussen who still gets up at 5am and meets Henry from Sunshine Bakery to get Saturday morning donuts. We are currently meeting down at the Bay at 8-9 am watching the beautiful sunrise, or by the Laundry room during wet weather. We have had a few birthday parties, when donuts are free, or there is \$1.00 for donut and coffee. We will continue to adhere to social distancing and facemasks for every ones protection.

THE HOPE RIBBON

By Sandy Rasmussen

During this time of pandemic and political upheaval, I would like to start a new sense of Hope in our community. Many have lost friends and loved ones to this Covid-19 and other tragedies. Many of our friends and neighbors have decided to move back home by family or have passed away.

Lets get together and welcome our new and old Japanese Garden residents to Bayside Waters, the HOPE ribbon. There will get 12 chairpersons who will be responsible for the ribbon their designated month, Educating and providing an event on the designated awareness. This will be for 12 months, starting in October, sharing hope and encouragement throughout the year.

Our symbol, recognizing the 12 months of Awareness, will be the large 5ft wooden ribbon. Being called, THE HOPE RIBBON, painted by Char Thompson. Made by resident , it will be posted on the yard of Chairpersons choice, unless the Chairpersons would like to designate an Awareness location. The hope is that there will be Fundraisers and one event that month recognizing the awareness ribbon. Proceeds from fundraising portions to be distributed to Awareness group determined by Chairperson/committee.

If you would like to be a chairperson for any of these months, please contact Sandy Rassmussen 612/432-7874. After all the chairpersons are compiled, we will have a zoom meeting to discuss what is available for your use. Please join the fun.

Rummage Sale

By Noreen Adams

Don't put out the decorations or put up the Florida Christmas tree, yet. I do so hope and believe we will see each other by then. I believe we all miss each other.

My prayer, faith and belief is that by then we will have achieved some semblance of normalcy. As a famous man has said, I am "... cautiously optimistic ..." . So, I am going to act as if .. it will be.

As such, until further notice by the Social Club, the rummage Sale is ON!! We are actually already accepting donations. Just like last year. This year will be so much better because we need it as a way to be with our friends again.

You can call me, leave a voice mail, text me, email me.

Many of you know how much Margo is involved and have contacted her in the past. If you cannot reach me, I'm sure Margo will be able to help. Contact either of us. We look forward to seeing you in the fall or winter. If worst comes to worst Maybe we could delay it for a month. We must be flexible for the benefit of our community.

Just A Thought

I had spent an hour in the bank with my Dad, he had to transfer some money. I couldn't resist myself and asked.....

“Dad, why don't we activate your internet banking?”

“Why would I do that?” he asked

Well then you won't have to spend an hour here for things like a transfer. You can even do your shopping online. Everything will be so easy.

I was so excited about initiating him into the world of Net banking.

He asked “If I do that, I won't have to step out of the house.

”Yes, yes” I said. I told him how even groceries can be delivered at the door now and how amazon delivers everything.

His answer had me tongue tied.

He said “ since I entered this bank today, I have met four of my friends, I have chatted a while with the staff who know me very well by now. You know I am alone This is the company that I need. I like to get ready and come to the bank. I have enough time; it is the physical touch that I crave.

Two years back I got sick. The store owner, from whom I buy fruits, came to see me and sat by my bedside and cried. When your Mom fell down a few days back while on her morning walk, our local grocer saw her and immediately got his car to rush her home as he knows where I live.

Would I have that “human touch” if everything came online?

Why would I want everything delivered to me and force me to interact with just my computer? I like to know the person that I'm dealing with and not just the ‘seller’ . It creates bonds of Relationships.

Does Amazon deliver all this as well???

Technology isn't life....

Spend time with people.... Not just with “devices.”

Precision Vapor Barriers

Have You Looked **UNDER** **PROTECT**
Your Home Lately? **YOUR HOME**

**Fix Small Problems Today
Before They Cause Serious Damage!**

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.
