From the Board of Directors

Roland Doucette President

The Annual General Members Meeting will be held on February 20, 2018 at 7pm for the purpose of hearing reports of committees and election of new Directors for the Board. This is an important meeting and all residents are urged to attend. We need a quorum to conduct this meeting. Please mark your calendar and plan to attend.

The Board will again have a very busy spring this year, in keeping with our policy to spend wisely, keep the park looking really good, keep our infrastructure in proper repair, and at the same time stabilize your monthly contribution. This year the biggest project will be the pool resurfacing. But there will also be smaller projects, including new up-lights on the front entrance to the clubhouse, new clubhouse door locks, and a new pool chemical system. We will also be bringing our clubhouse deck into compliance with current code by replacing all balusters. We will simultaneously be dealing with our insurance company to facilitate the repair of hurricane damages to our property. All in all it will make for a very busy spring.

We have had a question from a homeowner about putting in bird feeders around their home. There is no rule which would not allow this, but please be cautious. Yes, you will see some pretty birds. But you may also see some not so pretty rodents cleaning up around the birdfeeder, and then looking for a nearby place to live, if you get my drift.

We also have a few residents who are feeding peanuts to the squirrels around the park. Squirrels do not eat everything they find, and bury much of it to use at a later time. We are finding a lot of peanuts buried in planters. We have even found peanuts stuffed into the available spaces in several air conditioning units. Squirrels do like peanuts. I like squirrels. I do not like squirrels' peanuts, especially in my air conditioner. This is just a gentle reminder to please leave nature to take care of itself. Our animal population seems to do really well without our help.

A special thanks to all the volunteers who donate their time and talent. You help to keep our community in good repair and our maintenance fees reasonable. We are so fortunate to have you!! Our thanks!!

From The Social Club

Sally Ericson, Reporter

Surprise! Many of you may be confused when you read the by-line..My former title was Reporter. However, due to the Blue Jay democratic process, I have stepped up in rank..... [?] So now in my official Social Club board position I can really give you all the inside dope...

Many Blue Jayers traveled back to celebrate the holidays with family members. Sometime between Christmas and New Year's they all hurried back to our own special community. The plummeting temperatures of winter in Florida were still better than what Mother Nature was throwing at most of the northern parts. Possibly the cold added incentive to do more as an extended family. Even though more of the events were in doors rather than out.

January 6th was an added special party given by her son David and family to honor and celebrate Gen Jones 95th birthday! The clubhouse was filled to capacity with all her friends! That beautiful, sassy lady danced most of the night. She showed everyone what the secret is to joyous longevity! Then, all the John Waynes, Gene Autrys, Roy Rogers and Gale Evans came to Blue Jay. Yep, the Western Dance on January 20th is always fun with music by a favorite tuner, Carlo. Hosts Domenic & Louis Berenato outdid themselves once more with authentic western decorationsUndaunted by the cold weather, , an extra Ice Cream social was presented by Joe & Pat Montione on January 27th.

Coming up this month. All are looking forward to the Valentine Dance on February 10th with Nancy and Ron Beardsley again hosting. Bittersweet providing the music. ...February 17th is a surprise new activity. It is the Johnny Cash Show, hosts are Jerry and Judy Nevonon and Dickie & Patty Maxey.....February 25th is the annual 50th Wedding Anniversary party. And then each month, outings are scheduled with the Red Hats and the ROMEOS. Check with perspective chairpersons on where and when they have arranged the outings.

One last thought I need to leave with you. In all our events there is always a bit of manual preparation involved. In addition to the decorating, etc., we need "muscle" to help move and set-up tables and/or whatever else.....Yes, we need the men to help. Many do offer their services, but we need more. So please keep our needs in mind when we announce upcoming affairs.

TOYS FOR TOTS

Duane and Mavis Buckholz

What a great response we had for our Toys for Tots campaign. Mike Brennan, Marine Corp. Reserve representative, was very impressed with our generous contribution of toys and money for the needy children in the area. Also, what a delicious dinner was prepared and served by Lenny and Penny Gilray and their volunteers. The musical entertainment was enjoyed by those attending. Blue Jay residents continue to be very generous and supportive of all social club activities. We look forward to a healthy and successful New Year for all. Thank you for your generous response.

Red Hat Mamas

Bonnie Preston, Queen Mother

We celebrated our Christmas Luncheon on December 14th, which was attended by 33 Red Hatters and hosted by your Queen Mother (who made the reservations in April!).

It began at the Beachcomber Restaurant on Clearwater Beach which was beautifully decorated for the holidays. The food and service were excellent. We returned to the clubhouse to continue our party.

Our 50/50 drawing was won by Louise Berenato and Kathleen Hurley . There was a \$10.00 gift exchange with some very nice gifts! I had set up a special table with 19 wrapped gifts that were from a box of Red Hat treasures that Paulette had saved. Numbers were drawn and 19 ladies have a keepsake of Paulette, our very dear friend. Our treat was a Red Hat decorated cake, coffee, and tea.

I also want to let you all know that we make a donation every year around Christmas to a charity. Our \$100.00 check was sent to the Wounded Warriors Project again this year. We are proud to be able to help in a small way those who made such a sacrifice for us.

I sincerely want to thank you all so much for the thoughtful gift certificate. I love to shop!

Our 2018 should be a great year. We have a lot of new residents who are welcome to join our Red Hat Mamas. Call me at 727-483-9955. All you need is a red hat or something red for your hair and a purple top.

Our dues are \$3.00 per year and due in January. Please put in an envelope with your name and lot number included. You can give to Fran Low at lot # 120 or me at lot # 12.

A special thanks to the ladies who have hosted luncheons. We need 2 ladies a month to plan our luncheon. It really isn't hard and new ideas are always welcome. Call me!

Red sky in Asia mystery solved

It's a centuries-old mystery: In the year 1770, skies over Asia turned a bright red for nine days. The cause of this unusual phenomenon has never been identified. Now, though, scientists believe they have an answer.

As reported on the Slate website, researchers recently uncovered a collection of 111 contemporaneous documents from that time, and learned that the red sky had lasted longer than previously thought (just two days) and was much larger as well.

Scientists' conclusion: The effect was created by an aurora caused by solar activity, sparking the longest geomagnetic storm in recorded history.

A similar aurora was observed on two nights in 1859 by a massive solar storm known as the "Carrington Flare." Analysis of records of sunspot activity in 1770 suggests that the Asian aurora was caused by sunspot twice as large as those that created the Carrington event.

If such an event happened today, it would likely have catastrophic effects, knocking out satellites crucial to communications and GPS instruments.

New mineral found on Martian surface

NASA has discovered evidence of an ironoxide mineral on the surface of Mars, the Sci-News website reports. The mineral, called hematite, was detected by spectral analysis of photos taken by the space agency's Curiosity rover in an area known as the Vera Rubin Ridge.

Curiosity zeroed in on a rock dubbed "Christmas Cove," and used its dust removal tool, a wire-bristled brush, to uncover an area some 2.5 inches across.

Observations made the rover's Mast Camera (Mastcam) and its Chemistry and Camera (ChemCam) confirmed the presence of the hematite, a mineral that may provide information about ancient environmental conditions on the red planet.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
