## From the Board of Directors

*Penny Gilray President*

The Association annual meeting will be held on Tuesday February 17, 2015 at 7pm. It is important that you attend to ensure we have a quorum. There are 3 Board positions to be filled and this will be the time to vote in new board members and to hear the reports of committees. Please mark your calendar and plan to attend. There appears to be a lot of rust stains on houses and fences. Please check your home and take steps to remove the rust if you find it. We will be doing drive-thru's in February. A reminder, your driveway is not to be used as a storage place. Nor should there be any items for sale in the driveway. Our rules are for the benefit of all residents and to ensure our community remains one we can all be proud of. Your cooperation to comply is appreciated. I would like to take this opportunity to thank all the Committees and Volunteers for their tireless efforts to lend a hand and step up when we need you. The contribution made by our volunteers makes this a special place to live and also contributes to keeping our maintenance fees in check. We "tip our hats to you". THANK YOU!!

## From the Social Club

*Paulette Derr, Chairperson*

Christmas has come and gone, the New Year has begun and things don't seem quite as rushed now. The park looked lovely with all the lights at the entrance and around the clubhouse, as well as all the homes that were decorated. The rain gave the fellows and gals a hard time Christmas Eve trying to light the luminaries. They finally gave up, after three tries so they were lit Christmas night and gave the park a festive but peaceful appearance. I hope you all had a wonderful Christmas.

On November 5, 2014 we had Liz Monforti come in to speak to us about our fire and smoke alarms. She followed up with a visit to the park December 10 to check the alarms for those who had signed up. Charlene Cobb from Sun Star was our guest speaker November 12 and she explained the Vial of Life and how people could join Sun Star to save money on their ambulance trips.

December 6 was the annual Christmas Dance hosted by Jackie Triplett. Everyone enjoyed the many kinds of breads baked by the ladies in Blue Jay and the music for this event was provided by Sax Fifth Avenue. Thanks to Jackie and all her helpers for another great dance.

*...continued on page 6*

December 13 we had our Toys for Tots dinner once again hosted by Len and Penny Gilray. They made ham, scalloped potatoes, and veggies with pumpkin or apple pie for dessert and everyone, including the Marines enjoyed it. The gifts for the children were not as plentiful, but the amount of money contributed was a lot more! Thanks to all who opened their hearts and wallets to donate to a worthy cause and to Duane and Mavis Buckholz who were hosts to the Marines and who put up all the signs and collected the toys and money.

Dick Hosegood and the Chrystalairres entertained us during the meeting December 17 with some Christmas tunes and some oldies. We enjoyed their acappella singing and even got to sing along a few times.

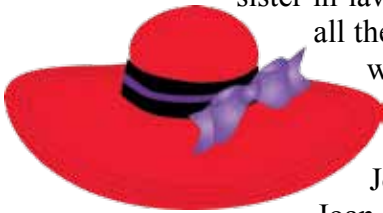

Wishing each and everyone of you a “sweet” Valentine’s Day!!

## Red Hat Mamas

*Paulette Derr, Queen Mother*

---

**T**hirty three of our Red Hat Mamas went to the Safety Harbor Spa for our annual Christmas luncheon. We had a beautifully decorated private room with a choice of Safety Harbor Crab Cake, Chicken Marsala or Marinated London Broil for our meal served with a salad, vegetable and peach cobbler for dessert. We had a guest, Bonnie Ratafsky, Shirley Ellsworth’s sister-in-law, join us and she enjoyed the festive occasion, the meal and meeting all the gals. We had our 50/50 drawings back at the clubhouse where we also played our game exchanging gifts. The 50/50 was divided into four parts which we usually do for Christmas and the winners were Norva Bylsma, Carol Violette, Marilyn Patton and Gen Jones. Several small gifts were also raffled off and were won by Joan Addington, June Modseleski, Lois Morgan, Bev Myles, Rosalie Guilmaine, Pat Miranda, Mary Duvall, Pat Serletic and Wanda Greber. We also raffled off five lottery tickets and they were won by Marianne Riff, Linda Dingman, Martha Agona, Alma Bunting and Annette Neglia. We’re still looking for that big winner!?? Don’t forget, we’re going to Ruth Eckerd Hall February 12 so I hope you signed up and got your money in so you can enjoy “107 Years of Broadway” and lunch with us.

In March we’re going to the Early Bird Dinner theater so please make sure you sign up in time and get your money to Bonnie Preston who has made arrangements for this event. The information will be posted inside the clubhouse.

Happy Valentine’s Day to all you Red Hat Mamas.

## **BRINGING IN THE NEW YEAR AT BLUE JAY- Based on a true story**

*Mike McKenna, Lot#136*

---

### **The Last Moments of 2014:**

It's almost here! There is a lot of chatter at the table and anticipation hangs heavy in the air. You can feel something big is about to happen. Auld Lang Syne is playing in the background. Suddenly it is midnight and there is an explosion of triumph. Everyone raises their parting glass and wishes everyone a "Happy New Year". It was "goodnight and joy be to all" with hugs and handshakes. Fireworks and Gun Shots explode in the near distance with rapid bang, boom, bang. Celebrations continue on into the night.

### **The Next Morning of 2015:**

It's now the first morning of the New Year in Blue Jay and my head is a little foggy. All is quiet now up and down the streets. With the coffee perking there is the smell of bacon coming from the kitchen. This morning the wife decided to fry the bacon in the big old heavy iron skillet so she had me dig it out of the bottom drawer of the stove for her. It's the one that came from her Grandma, then on to her Mom, then on to her. I'll bet Grandma got it from somebody, probably her mama and so on. She says it needs to be "seasoned" again. What ever that means. She loves that old iron skillet. She says, it's like there is memory in it, maybe in the iron, maybe there is some magic. You can't see it or feel it, only taste it. People may not believe it but you can get iron---that good iron for your body and your blood from an iron skillet. If that's not true. It ought to be.

Well that's life in the first few hours on that first morning of 2015 at Blue Jay. It's an example of a typical day where simple life can be moments of "trivia" that illuminate our lives here. Home of the best and the brightest. If that's not true. It ought to be. What a great place to start the new year.

Happy New Year everyone!

## **Condolences.....**

## Monthly For February

---

**American Heart Month. Cardiovascular disease (CVD)**—including heart disease, stroke, and high blood pressure—is the No. 1 killer of women and men in the United States, as well as a leading cause of disability, preventing Americans from working and enjoying family activities. During February, learn about your risks for heart disease and stroke and stay “heart healthy” for yourself and your loved ones.

**Black History Month.** A celebration of African-American history and culture. In 1976, as part of the U.S. Bicentennial, Black History Month was officially recognized by the federal government, with President Gerald R. Ford urging Americans to “seize the opportunity to honor the too-often-neglected accomplishments of black Americans in every area of endeavor throughout our history.”

**Love the Bus Month.** Sponsored by the American School Bus Council, Love the Bus Month is a campaign to raise awareness and appreciation for the hundreds of thousands of school bus drivers who safely transport children to and from school. By supporting the value of student transportation to our education system, the ASBC promotes the idea that every person involved in our schools is vital to our children’s success.

**National Children’s Dental Health Month.** Developing good habits at an early age and scheduling regular dental visits help children get a good start on a lifetime of healthy teeth and gums. Each February, the American Dental Association sponsors National Children’s Dental Health Month to raise awareness about the importance of oral health for young people.

## Weekly For February

**African Heritage and Health Week, Feb. 1-7.** A celebration of cuisines from Africa, the Caribbean, South America, and the American South—the foods that have sustained a culture.

**National Date Week, Feb. 15-22.** That’s date, the fruit—not dinner and a movie. Dates are delicious and naturally sweet, and they’re also filled with antioxidants, fiber, and minerals.

**National Entrepreneurship Week, Feb. 21-28.** Sponsored by the Consortium for Entrepreneurship Education, which reminds everyone that the entrepreneurs of tomorrow are in our schools today.

# New Pain Treatment Available in Dunedin

**Dunedin, FL** - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you **believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology**, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, **"This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."**

Dr. Drew says that, **"The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment."** He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." **The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.**

**The procedure is backed by years of scientific research**, and our patients can't stop raving about their results. They are using words like **"Incredible", "Amazing" and "Unbelievable."** It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew.
