From the Board of Directors

Penny Gilray President

Happy New Year One and All!!

There will be 2 openings for Board of Director positions coming up in February. Please consider running. It is important that we have a full Board to conduct the business of the Association. Nomination forms were sent out to each homeowner in December. If you have questions about the responsibilities for these positions please talk to one of the Board members.

The next Board of Directors meeting will be held on Tuesday January 19, 2016 at 7pm in the Clubhouse. Mark your calendar and plan to attend.

As I write this newsletter, we are 5 applications short to meet the 60% participation rate for the Tie Down program. I am confident that we will get the required number by December 15, 2015. I will provide an update at the January board meeting.

Seven new palm trees have been planted to replace ones that had been removed. New plantings have been added on the south end of Pelican Lake and at the north side of the clubhouse – behind the deck. Our community is looking great. Please take a look around your home to be sure there is no mold or rust stains, gutters are clean and driveways are tidy and uncluttered.

Operations meetings are held every Monday at 8:30am in the clubhouse. No board decisions are made at these meetings but complaints and approved projects are reviewed. If you have a complaint please write it down on the forms in the clubhouse and put it in the box so it can be dealt with at the Monday meeting. Residents are welcome to attend.

We continue to urge residents to **SLOW DOWN** when driving in our community. The posted speed limit is 15 MPH. The Board has implemented a reminder notice that will be used to alert offenders. No one wants speed bumps so we need **EVERYONE** to do their part and **keep your speed in check**.

REMEMBER, ONLY YOU CAN PREVENT SPEED BUMPS!!!

Your cooperation is appreciated.

From the Social Club

Paulette Derr, Chairperson

Time is marching on... the Pot Luck dinner was held Saturday November 14 and I understand our three new volunteers for some events, Linda Dingman, Barb McCorkle and Betty Ball did a good job. It was well attended and as always, there was plenty of delicious dishes prepared by our own residents. Unfortunately, I could not make this dinner because my son was here on business and had time to stop over for a few days.

Our Thanksgiving dinner, hosted and cooked by Ben Skinner and June Modzeleski and helpers was another very nice event in the clubhouse and was enjoyed by about 100 people. As always

...continued on page 6

everyone had plenty of food on their tables, the dessert table was full of scrumptious goodies and the turkey and fixings were delicious. We all thank Ben and June and all their helpers, the cooks, servers and clean up crew for another job well done!

By the time you read this we'll be in the Christmas season and hopefully have our lights and trees up in preparation for Santa's visit. We will have had our Toys for Tots dinner with the Marines as our guests and the Christmas Dance. I will, of course, report on that next month.

Remember all those less fortunate than we are, pray for our troops wherever they may be and may the New Year bring good times for all of us.

Red Hat Mamas

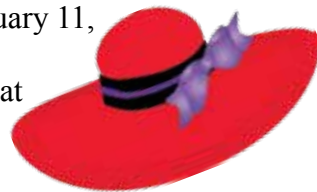

Paulette Derr, Queen Mother

Rusty Bellies in Tarpon Springs was the restaurant of choice for our monthly luncheon on Thursday, November 19, 2015. Florrie Breckner and Mary Jo Offut were our hosts for this occasion. Everyone enjoyed their meal and the good service. The restaurant was kind enough to give us two \$10.00 gift certificates which were raffled off along with our usual 50/50 and ten lottery tickets. The 50/50 was split and was won by Linda Dingman and Eva Bjornson. The gift certificates went to June Modzeleski and Reidun Stohl and the lottery tickets were won by Marcy McGrath, Roxie Swartz, Nan Bates, Gen Jones, May Connelly, Barb McCorkle, Norva Bylsma, Ida Morris, Beverly Myles and yours truly. I don't know if anyone else won on the lottery tickets, but I know I won \$4.00 and I think I was lucky to get that much.

We are going to the Early Bird Dinner Theater on Thursday, January 28, 2016 to see another situation comedy. I have thirty tickets for the front row by the stage, so if you're interested, sign up now. The tickets are \$36.00 which includes the tax, but you're on your own with the tip.

Unfortunately, for those who did not sign up sooner, all thirty five of the tickets for the Dean Martin/Frank Sinatra show at Ruth Eckerd Hall on Thursday, February 11, 2016 are gone.

If you have not paid the \$3.00 for membership in our Red Hat Mamas, now is the time to do so. This is always due the first of the year and all women in the park are invited to join. PLEASE put your money in an envelope or wrap a piece of paper around it with your name on front and give it to Pat Serletic, our treasurer.

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

George Lordstrom, Saint Petersburg, FL

Founded in 1916.

Caring Ever Since.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

TOYS FOR TOTS

Duane & Mavis Buckholz

WOW! What a great response we had for our Toys for Tots project of donating new toys and money for needy children in the area. The representatives of the Marine Reserve were very impressed and thank us so much. Also, what a delicious dinner was prepared and served by Lenny and Penny Gilray and their volunteers. The musical entertainment was enjoyed by all attendees. Blue Jay residents continue to be very generous and supportive of all social club activities. We look forward to a healthy and successful New Year for all. Thank you for your generous response.

Condolences.....

Our hearts and prayers go out to Dick Hosegood #179 and his family for the loss of his wife Lorraine Hosegood who passed away November 22, 2015..

Multiply Your Monthly Mania!

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. **We pay out \$400 every month to residents** who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.
(To qualify each resident can only suggest a business once)

What businesses would you like to see advertising?

We have spots available in the following categories:

How much do you know about science?

We rely on science and technology for many of the necessities and conveniences of modern life, but how well does the average U.S. citizen really understand science? A survey by the Pew Research Center sought the answer to that question. The survey asked a series of basic science questions and received these results:

- The core of the Earth is our world's hottest layer: 86 percent answered this correctly.
- Uranium is needed to create nuclear energy and weapons: 82 percent.
- Comets comprise a core of ice and a tail of gases: 78 percent.
- Tides are created by the moon's gravity: 76 percent.
- The polio vaccine was developed by Dr. Jonas Salk: 74 percent.
- Astrology is different from astronomy: 73 percent.
- Cell phones use radio waves: 72 percent.
- A light-year is a measure of distance: 72 percent.
- Amplitude (height) determines the loudness of sound: 35 percent.
- Water boils at a lower temperature in Denver than in Los Angeles: 34 percent.

EQUIPPED WITH HIS FIVE SENSES, MAN EXPLORES THE UNIVERSE AROUND HIM AND CALLS THE ADVENTURE SCIENCE.

—EDWIN HUBBLE

Did you know that January is also...

National Bath Safety Month. Bath safety is an essential aspect of general home safety. An average of 370 people across all age groups suffer injuries in the bathtub or shower daily. Learn how to equip your bathtub or shower with safety precautions like grab bars and anti-skid strips to prevent serious injury.

National Blood Donation Month. Some give blood because a friend asks; others do so because it just seems like the right thing to do. Whatever your reason, the need is constant and your donation is important for maintaining a healthy and reliable blood supply.

**Help
save
lives**

National Mentoring Month. Mentoring young people can change your life—and theirs. Volunteering as a mentor or becoming an informal mentor to a young person you know is a valuable step in igniting the mentoring effect in your community.

Thyroid Awareness Month. Thyroid disease affects approximately 200 million people worldwide. If left undiagnosed and untreated it can cause depression, tremors, muscle weakness, and constant fatigue. Learn how to perform a thyroid neck self-exam, and talk to your doctor if you detect any lumps.

National Home Office Safety and Security Week, Jan. 3-9. Thousands of people working from home face risks in their residential workplace: clutter that can cause trips and falls, inadequate electrical wiring that presents a fire hazard, and other dangers. Take some time this week to ensure that your home office doesn't endanger your health and safety.

International Snowmobile Safety Week, Jan. 16-24. Snowmobiling is a fun and exciting family activity enjoyed by over 4 million people in the U.S. and Canada. International Snowmobile Safety Week educates people about safe snowmobiling practices and shows how operating safely can prevent mishaps and injury.

National Sugar Awareness Week, Jan. 18-22. The average American consumes about three pounds of sugar each week, for a total of 3,550 pounds in his or her lifetime. During this week, take the challenge: Go five days without eating any sugar and see how much better you feel.

National Certified Registered Nurse Anesthetists (CRNA) Week, Jan 24-30. CRNAs provide more than 34 million anesthetics each year. This event helps patients, hospital administrators, health care professionals, policymakers, and others become more familiar with the CRNA credential and the exceptional nurses who have earned it.

Giant lizards once roamed Australia

Movies like *One Million Years B.C.* show humans battling dinosaurs, but T. Rex and other prehistoric creatures died out long before Raquel Welch's ancestors designed the first fur bikini. Still, recent discoveries suggest that prehistoric could have fought large reptiles, or at least co-existed with them at one time.

Scientists from the University of Queensland have dug up a small bone that they have determined could have come from a gigantic lizard that lived in Australia as recently as 50,000 years ago.

As reported on the eScience News website, the bone is only 1 centimeter long, but scientists are certain that it belonged to a huge creature that may be related to the Komodo Dragon or another species known as *Megalania Prisca*. *Megalania* once roamed eastern Australia, and reached a length of 11 to 16 feet. Its sharp, curved teeth would have been a ferocious challenge for early humans in the territory, but so far no evidence of any terrifying encounters have been unearthed.

Never too late to succeed

A poor boy named Harlan with only a sixth-grade education wouldn't have made anyone's list of the most likely to succeed. His first major success came when at the age of 39, when he was able to come up with the financing to open a small-town gas station and restaurant. He did pretty well, too—but only for a while.

With the onset of World War II, Harlan's once-solid customer base left the small town to enlist in the military or take factory jobs in the city. Still, he managed to hold on until a new interstate highway eliminated his drive-by trade. Then, after nearly 30 years in business, Harlan was forced to sell his dream to pay off his debts.

Broke and nearing 70, Harlan could have closed the curtain on his career ambitions. Instead, he took to the road, offering to share his pressure-cooking techniques with other restaurant owners if they'd agree to become his franchises. He sold only five in the first two years, but he stuck it out.

Four years later the self-proclaimed Colonel Sanders had sold more than 600 Kentucky Fried Chicken franchises. And by the time Harlan Sanders died at age 90, KFC was a worldwide brand.

Is today's success holding you back?

Timanthes was a celebrated Greek artist of the 4th century B.C. As an aspiring young painter, Timanthes worked with a respected tutor to learn his craft. After several years, he produced what he believed was his masterpiece.

Delighted with his accomplishment, the young artist stopped striving to further his art. Instead, he devoted hours each day to gazing at his painting, mentally patting himself on the back for his achievement. Then one morning, when he arrived at the studio, he was horrified to find that someone had slathered paint across the canvas, destroying his work. The tutor eventually confessed that he'd done the deed.

"I did it for your own good," he explained. "The painting was holding you back." He urged the artist to try again: "See if you can do better."

Timanthes took his teacher's advice. His next effort, "The Sacrifice of Iphigenia," became his signature work and is regarded as one of the finest paintings of its time.

You should celebrate jobs done well. But don't get so caught up in yesterday's achievements that you forget tomorrow's challenges.
