# From the Board of Directors

*Roland Doucette President*

---

Hello All,

Last year at this time we were all recovering from the attention we received from Tropical Storm Colin as it moved through our area. Hopefully we will not need to worry about a similar weather event this year, but Rich Williams and his crew are ready for any eventuality and will take care of things if need be.

We have been notified by Pinellas County that our watering schedule for lawns has been reduced to one day per week. Please check your timers to make sure that they align with the new watering schedule included with this month's newsletter. If you need help please contact Rich Williams and one of his volunteers will visit and help you out. If you are back up north I am told that the folks you left responsible for your homes have taken care of things. If you have not left anyone in charge it would be a good idea to check and make sure someone has fixed your timer. The fines for not following the watering schedule established by the County are substantial, and are imposed on the individual homeowner, not the park.

I am told that things are quiet in the park, which we all know is a good thing. As you are reading this different Board Members are coming and going on their summer vacations, but except for a few days in late June there will always be at least one Board Member present, and arrangements have been made to cover things for the few days that no one will be present. If there are issues, as always, place them in the box and we will get to them. Monday morning opps meetings are still going on and everyone is invited.

In case of emergency there will be someone present to take care of things. I can also be reached at 401-659-0073, or at [phyteach88@gmail.com](mailto:phyteach88@gmail.com).

Happy 4th of July

Roland

## **From The Social Club**

*Pat Serletic, Chair/Co-Chairperson*

---

**W**e will be celebrating the 241st birthday of Independence Day on July 4th. The first commemorative Independence Day fireworks were set off on July 4th, 1777.

Social Club is planning a picnic for the 4th of July and providing Barbecue Pork Sandwiches. We are asking the residents to bring a salad or dessert and beverage. Sign up sheet is in the clubhouse.

On Memorial Day we celebrated with a Potluck Dinner and we thank all the residents for the wonderful food they provided and Rich and Cindy Williams for the music. We want to thank Joe Montione, Joe Low, Arne Ternsten, Rich Williams and Bud Fox for setting our tables and putting up our decorations. What a great job they did. Thank you to Jean Schroeder, Elaine Fox, Fran Low, Janet Morgan and Nancy Pizzato for all the help they provided to make the dinner a success.

On July 14th, Tony Ruvalo is planning an Ice Cream Social and everyone looks forward to selecting the special toppings he and his committee provide.

Hope everyone has a good summer and look forward to everyone coming back in the fall.

## **Jersey Boys**

*Sue Conway, #112, 727-773-1930*

---

**B**rowsing the internet I see that the Jersey Boys will be coming to Ruth Eckerd, March 31, 2018. They have a matinee show that afternoon at 2:00 pm. I have ordered a block of tickets for that day. The only other activity on that day is Easter Breakfast.

This is one of the most wonderful shows I've seen. It features the story and music of Frankie Valli and the Four Seasons. Tickets are \$40 each and will sell out fast. Doing something different with these shows. You will be assured a ticket when I have your money.

Also waiting on the new schedule for 2017-18, perhaps Elvis, and a few other matinees.

# Red Hat Mamas

Bonnie Preston, Queen Mother

**T**hursday, May 18, 2017, our group of 13 of our Red Hat Ladies enjoyed another luncheon at the Safety Harbor Spa with a very nice menu to choose from and also we were offered a tour of some of the Spa. The ladies who took the tour enjoyed it. This is a very beautiful place in Safety Harbor. People come there from all over to spend time and relax.

We held our usual 50/50 drawing and the lucky winner was Pat Serletic.

It was great to see some of our ladies back with us. Roxie Swartz and Madeline Fried were with us and we hope next month more ladies will join us.

There are many of us who really feel good about the friendships we share with our Red Hat Sisters.

Come join us welcome new members and those we haven't seen for awhile.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

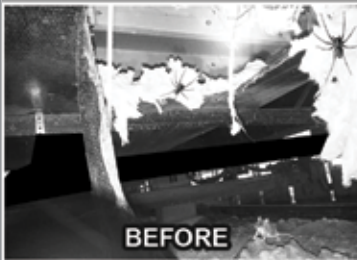

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## Artificial intelligence is coming

---

**A**rtificial intelligence sounds scary in science fiction stories and movies, but it's becoming a big factor in business success, according to a report from Tata Consultancy Services. Its survey of 834 executives across 13 global industry sectors found that 84 percent of organizations see AI as essential, and 50 percent believe it will transform their businesses.

AI doesn't appear to be cheap, though. Seven percent of business survey said they invested more than \$250 million on AI in 2016, and 2 percent expect to spend a billion dollars by the year 2020.

## Energy drink and vodka? Think again

---

**E**nergy drinks like Red Bull or Monster Energy are all the rage, and so is mixing them with alcohol for a more potent cocktail, especially among young people. But is it safe? In research reported on the WebMD website, the answer looks like "no."

Canadian researchers analyzed 13 studies involving alcohol mixed with highly caffeinated energy drinks. They found a higher rate of injury among people indulging in such cocktails compared with simply drinking alcohol by itself. Injuries included car accidents, falls, violence, and suicidal behavior.

The authors point out that the stimulant effects of energy-drink caffeine can mask the impact of alcohol, even though alcohol still has an impairing effect on the body and the brain.

## Watch your waist in your 40s to avoid dementia later

---

**C**arrying belly weight during the 40s appears to increase the risk for dementia in the 70s, whereas carrying extra midsection weight later in life isn't as accurate an indicator. Researchers say these findings are disturbing because 50 percent of adults in the United States are considered abdominally obese.

Researchers at Kaiser Permanente studied 6,583 people who were between the ages of 40 and 45. An average of 36 years later, 16 percent of the participants—who had been measured for abdominal density—were diagnosed with dementia. Abdominal obesity increased the risk of dementia regardless of whether people had normal overall weight or were overweight or obese overall—and regardless of the health conditions including diabetes, cardiovascular disease, and stroke.

## Bumblebees leave ‘footprint’ to mark flowers

**B**umblebees may be smarter than you think. According to the LiveScience website, scientists at the University of Bristol have discovered that bumblebees mark the flowers they feed from with “smelly footprints” so they can distinguish between flowers that have been visited by members of their nests and those fed on by strangers. This also allows them to ignore flowers whose food is gone and identify better sources of nutrients.

In one experiment, researchers trained bees to discriminate between flowers marked by their nest mates and those scented by bees from a different nest. In a second experiment, bees were seen learning that flowers with footprints from their nest mates were more rewarding than those marked with their own scent.

In addition, the scientists discovered that bumblebees can tell the difference between their own footprints and those of their nest mates.

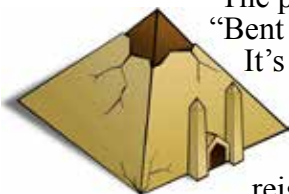

## Space probe headed where no one has gone before

**T**he New Horizons space probe made history with its flyby of Pluto in 2015, and now it’s halfway to making history yet again. Its next destination is 2014 MU69, an object in the Kuiper Belt.

New Horizons has gone into hibernation mode for the next 466 million miles of its voyage, slowing down as it gets farther from the sun. The object is only about 1 percent of Pluto’s size, and it’s about 1 billion miles away from Pluto. Scientists at NASA are patiently awaiting another historic rendezvous in 2019.

## Egyptians excavate undiscovered pyramid

**I**t’s not a “new” pyramid, exactly—it’s 3,700 years old—but archeologists have unearthed a previously undiscovered pyramid from Egypt’s 13 dynasty. One corridor and a block engraved with ancient hieroglyphics are in good condition, according to the Fox News Science website, and explorers will continue excavating to determine its full size and other details.

The pyramid was discovered 25 miles south of Cairo, north of the so-called “Bent Pyramid” built by King Sneferu, whose angle changes about half up. It’s also near the smooth-sided Red Pyramid, built some 4,600 years ago.

Sneferu’s son Khufu built the Great Pyramid of Giza. The newly discovered structure was probably built about 1,000 years after his reign.

## AUGUST AD DEADLINE - JULY 10, 2016

• Advertise BUY, SELL, TRADE ITEMS by sending copy & check to Monthly Media at P.O. Box 1023, Venice, FL 34284.  
• Ads over 10 words must be accompanied by \$.80 per extra word or publisher will edit. • No mobile home sales, no professional products or services. SORRY: No ads accepted by phone or email. DEADLINE: 10th OF EACH MONTH.

## Did you know that July is also...

**National Cell Phone Courtesy Month.** As the cell phone has developed into the smartphone, it's become one of the biggest distractions of all time. National Cell Phone Courtesy Month was founded in 2002 with the intent of making cell phone users more respectful of their surroundings.

**Eye Injury Prevention Month.** According to the American Academy of Ophthalmology, an estimated 90 percent of eye injuries are preventable with the use of proper safety eyewear. Even a minor injury to the cornea from a small particle of dust or debris can be painful and become a lifelong issue, so take the extra precaution and always protect your eyes.

**Independent Retailer Month.** Independent Retailer Month encourages consumers to shop at independent retailers locally, nationally and globally. Support and shop at independent retailers year round and use July as a time to unite as a celebration for the independent retailers across the country and in your community.

**National Farriers Week, July 9-15.** Honoring the men and women who care for and maintain the hooves of horses, a highly specialized trade that requires skill in hoof care, blacksmithing, and the care of injured and diseased hooves.

**Captive Nations Week, July 16-22.** A week aimed at raising public awareness of the oppression of nations under the control of Communist and other nondemocratic governments. It began in 1953 and declared by a congressional resolution and was signed into law by President Dwight D. Eisenhower in 1959.

**National Parenting Gifted Children Week, July 16-22.** Parents of gifted children need special understanding in order to raise and advocate for the social and emotional needs of their unique children. NPGC Week celebrates the joys and challenges of raising, guiding, and supporting bright young minds.

**Canada Day, July 1.** A national holiday celebrating the Constitution Act of 1867, which united the separate colonies of Canada, Nova Scotia, and New Brunswick into a single dominion within the British Empire called Canada.

**Independence Day, July 4.** The date of the Declaration of Independence, formally announcing the separation of the original 13 colonies of the United States from Great Britain.

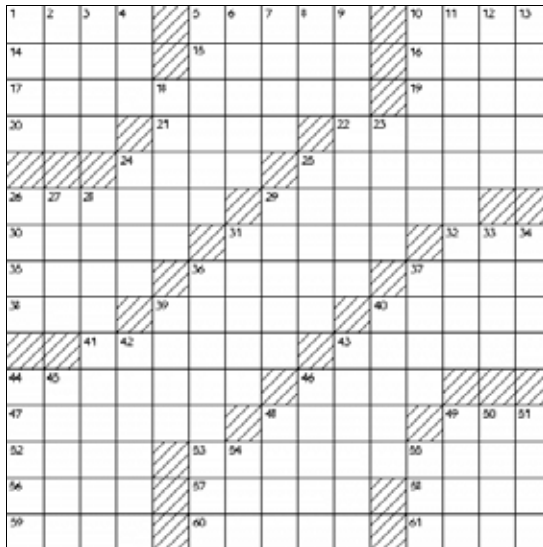

**Official Shark Awareness Day, July 14.** Much as we love to fear this predator of the seas, the shark has a key role to play in keeping marine ecosystems in balance.

**National Mutt Day, July 31.** Also known as National Mixed Breed Dog Day, National Mutt Day is all about embracing, saving, and celebrating mixed-breed dogs. (It's also celebrated on Dec. 2.)
